Item 1. 250 Aluminum Sign Blanks, 18 Inches x 18 Inches, As Per Specifications, Each.—Aluminum Company of America, \$2; Atlantic Aluminum and Metal Distributors, Inc., \$1.42*; Eastern Metal Mill Products Company, Inc., \$2.02; Edgcomb Steel of New England, Inc., \$2.02; Perma-Line Corporation of New England, \$1.70.

Item 2. 1,000 Aluminum Sign Blanks, 12 Inches x 18 Inches, As Per Specifications, Each.—Aluminum Company of America, \$1.19; Atlantic Aluminum and Metal Distributors, Inc., 82 cents*; Eastern Metal Mill Products Company, Inc., \$1.19; Edgcomb Steel of New England, Inc., \$1.19; Perma-Line Corporation of New England, \$1.10.

Item 3. 100 Aluminum "Stop" Sign Blanks, 24 Inches x 24 Inches, As Per Specifications, Each.—Aluminum Company of America, \$2.67; Atlantic Aluminum and Metal Distributors, Inc., \$2.06*; Eastern Metal Mill Products Company, Inc., \$2.67; Edgcomb Steel of New England, Inc., \$2.67; Perma-Line Corporation of New England, \$2.49.

Item 4. 500 Aluminum Sign Blanks, 24 Inches x 24 Inches, As Per Specifications, Each.—Aluminum Company of America, \$3.09; Atlantic Aluminum and Metal Distributors, Inc., \$2.50*; Eastern Metal Mill Products Company, Inc., \$3.09; Edgcomb Steel of New England, Inc., \$3.09; Perma-Line Corporation of New England, \$2.88.

Item 5. 500 Aluminum Sign Blanks, 18 Inches x 24 Inches, As Per Specifications, Each.—Aluminum Company of America, \$2.36; Atlantic Aluminum and Metal Distributors, Inc., \$1.89*; Eastern Metal Mill Products Company, Inc., \$2.36; Edg-

comb Steel of New England, Inc., \$2.36; Perma-line Corporation of New England, \$2.20.

* Contract awarded.

Janitor Supplies

Furnishing janitor supplies to the various city departments from April 1, 1961, to March 31, 1962, awarded, by item, to the lowest bidders, as follows:

Contract for Baird & McGuire, Inc., \$2,681, net, thirty days.

Orders for Zink-O Superior Products Corporation, \$1,705, less 2 per cent discount, time of payment; George T. Johnson Company, \$583, less 1 per cent, 30 days, net, 31 days; Malbar Supply Company, Inc., \$230.40, less 2 per cent discount, time of payment; Sulpho-Naphthol Company, \$178, less 2 per cent discount, time of payment.

The bids were:

Disinfectants, As Per Specifications.

Item 1. 3,300 Gallons Cool Tar Disinfectant, Ph. Co. 6, in Nonreturnable 55-Gallon Drums, As Per Specifications, Per Gallon.—Baird & McGuire, Inc., 73 cents; James Huggins & Son, Inc., 75 cents; George T. Johnson Company, \$1.01; Sulpho-Naphthol Company, 79 cents; Zink-O Superior Products Corporation, 77 cents.

Item 2. 200 Gallons Cool Tar Disinfectant, Ph. Co. 6, in 5-Gallon Cans, As Per Specifications, Per Gallon.—Baird & McGuire, Inc., 94 cents; James Huggins & Son, Inc., \$1; George T. Johnson Company, \$1.49; Sulpho-Naphthol Company, 89 cents; Zink-O Superior Products Corporation, \$1.

Item 3. 220 Gallons Pine Oil Disinfectant, Ph. Co. 5, in Nonreturnable 55-Gallon Drums, Per Gallon.—American Chemical Company, \$1.45; Baird & McGuire, Inc., \$1.25; James Huggins & Son, Inc., \$1.40; George T. Johnson Company, \$1.65; Sulpho-Naphthol Company, \$1.88; Zink-O Superior Products Corporation, \$1.30.

Item 4. 100 Gallons Pine Oil Disinfectant, Ph. Co. 5, in 5-Gallon Cans, Per Gallon.—American Chemical Company, \$1.70; Baird & McGuire, Inc., \$1.52; James Huggins & Son, Inc., \$1.65; George T. Johnson Company, \$2.15; Malbar Supply Company, Inc., \$1.85; Sulpho-Naphthol Company, \$1.98; Zink-O Superior Products Corporation, \$1.55.

Sweeping Compound, As Per Specifications.

Item 5. 150 Drums Sand Base Sweeping Compound, 300-Pound Drums, As Per Specifications, Per Drum.—American Industrial Products, Inc., \$8; George T. Johnson Company, \$7.59; Malbar Supply Company, Inc., \$7.94; Waltham Paper Products, Inc., \$8.70, less than 5; \$7.90, 6 or more; Zink-O Superior Products Corporation, \$7.60.

Item 6. 50 Drums Wax Base Sweeping Compound, 225-Pound Drums, As Per Specifications, Per Drum.—George T. Johnson Company, \$11.66; Malbar Supply Company, Inc., \$12.20; Waltham Paper Products, Inc., \$11.94; Zink-O Superior Products Corporation, \$16.50.

Item 7. 100 Gallons Metal Polish, 1-Gallon Cans, "Cando" or "Noxon," Only, Per Gallon.—Malbar Supply Company, Inc., \$4.44; Waltham Paper Products, Inc., \$1.40, 7 gallons or more, \$1.75, less than 6 gallons; Zink-O Superior Products Corporation, \$1.65.

Item 8. 60 Dozen Metal Polish, 16-Ounce Cans, "Cando" or "Noxon," Only, Per Dozen.—Malbar Supply Company, Inc., \$4.44; Waltham Paper Products, Inc., \$4.10; Zink-O Superior Products Corporation, \$4.

Item 9. 40 Dozen Cream Furniture Polish, 16-Ounce Bottles, "Johnson's" or "Staple's," Per Dozen.—Waltham Paper Products, Inc., \$4.50; Zink-O Superior Products Corporation, \$4.25.

* Contract awarded.

Industrial and Medical Gases

Furnishing industrial and medical gases to the various city departments from April 1, 1961, to March 31, 1962, awarded to the lowest bidders, as follows:

Contracts for Linde Company, Division of Union Carbide Corporation, \$16,283, less 2 per cent discount, time of payment; General Dynamics Corporation, Liquid Carbonic Division, \$10,835.10, less 2 per cent discount, time of payment; Thomas A. Edison Industries, Medical Gas Division McGraw-Edison Company, \$8,546.05, less 2 per cent discount, 15 days or over; Ohio Chemical and Surgical Equipment Company, Division of Air Reduction Company, Inc., \$7,006.56, net.

Orders for Cardox, Division of Chemetron Corporation, \$120, net.

The bids were:

Item 1. 150 Cylinders Acetylene, 300 Cubic Feet to Cylinder, Per C Cubic Feet.—General Dynamics Corporation, \$2.75; Linde Company, \$2.69.

Item 2. 100 Cylinders Acetylene, 40 Cubic Feet to Cylinder, Fire Department Only, Customer Owned Cylinder, Per Cylinder.—General Dynamics Corporation, \$3; Linde Company, \$3.05.

Item 3. 50 Cylinders Acetylene, MC, 10 Cubic Feet to Cylinder, Fire Department Only, Customer Owned Cylinder, Per Cylinder.—General Dynamics Corporation, \$1.50; Linde Company, \$1.45.

Item 4. 40 Tanks Carbon Dioxide Liquid, 20-Pound Tanks, Refills, Style F, Ohio, or Equal, Per Tank.—Cardox, Division of Chemetron Corporation, \$3; General Dynamics Corporation, \$4.75.

Item 5. 30,000 Pounds Carbon Dioxide, Liquid, CO₂ Pure Carbonic, or Equal, Per Hundredweight.—Cardox, Division of Chemetron Corporation, \$5.75; General Dynamics Corporation, \$5.50.

Item 6. 40,000 Pounds Carbon Dioxide, Sliced and Dry, Per Hundredweight.—Cardox, Division of Chemetron Corporation, \$4.25, solid, \$5.25, cut; General Dynamics Corporation, \$4.25, solid.

Item 7. 300 Cylinders Carbonic, Pure, Bone Dry, 99.5 Per Cent, 50 Pounds to Cylinder (for Refrigeration), Per Pound.—General Dynamics Corporation, 11 cents.

Item 8. 125 Cylinders Cyclopropane, 100 Gallons to Cylinder, Per Cylinder.—Thomas A. Edison Industries, \$30.73; General Dynamics Corporation, \$31; Ohio Chemical and Surgical Equipment, \$30.42.

Item 9. 50 Cylinders Gas Mixture, CO₂, 90-10 Cylinder D, Per Cylinder.—Thomas A. Edison Industries, \$2.60; General Dynamics Corporation, \$2.51; Ohio Chemical and Surgical Equipment, \$2.46.

Item 10. 6 Cylinders Helium and Oxygen, 80-20 Cylinder D, Per Cylinder.—General Dynamics Corporation, \$4; Ohio Chemical and Surgical Equipment, \$3.76.

Item 11. 30 Cylinders Nitrous Oxide, G Size, Per Cylinder.—Thomas A. Edison Industries, \$24.01; General Dynamics Corporation, \$24.50; Ohio Chemical and Surgical Equipment, \$23.76; S. S. White Dental Manufacturing Company, \$24.47.

Item 12. 650 Cylinders Nitrous Oxide, E Size, 420 Gallon Cylinders, Per Cylinder.—Thomas A. Edison Industries, \$6.13; General Dynamics Corporation, \$6.19; Ohio Chemical and Surgical Equipment, \$6.06; S. S. White Dental Manufacturing Company, \$6.21.

Item 13. 700 Cylinders Oxygen, 244 Cubic Feet to Cylinder, Per C Cubic Feet.—Thomas A. Edison Industries, 95 cents; General Dynamics Corporation, 70 cents; Linde Company, 72 cents; Ohio Chemical and Surgical Equipment, 72 cents.

Item 14. 200 Cylinders Oxygen, 55 Cubic Feet to Cylinder, Fire Department Only, Customer Owned Cylinder, Per Cylinder.—General Dynamics Corporation, \$2.70; Ohio Chemical and Surgical Equipment, \$2.75.

Item 15. 1,400 Cylinders Oxygen, D Size, Per Cylinder.—Thomas A. Edison Industries, \$2.84; General Dynamics Corporation, \$1.78; Ohio Chemical and Surgical Equipment, \$1.75; S. S. White Dental Manufacturing Company, \$2.

Item 16. 3,000 Cylinders Oxygen, E Size, Per Cylinder.—Thomas A. Edison Industries, \$3.60; General Dynamics Corporation, \$1.99; Ohio Chemical and Surgical Equipment, \$1.94; S. S. White Dental Manufacturing Company, \$2.10.

Item 17. 30 Cylinders Oxygen, "Kerotest," 22 Cubic Feet to Cylinder, Fire Department Only, Customer Owned Cylinder, Per Cylinder.—General Dynamics Corporation, \$3.40; Ohio Chemical and Surgical Equipment, \$3.43.

Item 18. 200 Cylinders Oxygen, "H & H," with Commercial Valve, Fire Department Only, Customer Owned Cylinder, Per Cylinder.—General Dynamics Corporation, \$3.40; Ohio Chemical and Surgical Equipment, \$3.40.

Item 19. 3,000,000 Cubic Feet Liquid Oxygen, Per C Cubic Feet.—Linde Company, 50 cents.*

* Contract awarded.

Tea and Coffee

Furnishing tea and coffee to the various city departments from April 1, 1961 to June 30, 1961, awarded to the lowest bidders, as follows:

Contracts for Edmonds Coffee Company, \$12,720, net; Stanley W. Ferguson, Inc., \$2,097.42, net.

Order for J. L. McCormick, doing business as J. L. McCormick & Co., \$163.50, net.

The bids were:

Item 1. 1,400 Pounds Black Ceylon or India Tea, or Blend of, Leaf, Medium Grade, in Approximately 100-Pound Chests, Per Pound.—Stanley W.

Ferguson, Inc., 53.39 cents*; J. L. McCormick & Co., 52.35 cents.

Item 2. 450 Pounds Black Ceylon or India Tea, or Blend of, Leaf, Medium Grade, in 1-Pound Packages, or Half-Pound Packages, Per Pound.—Stanley W. Ferguson, Inc., 54.39 cents*; J. L. McCormick & Co., 53.35 cents.

Item 3. 180 Cases Tea Bags, with Tags, Blend of Ceylon or India Tea, Full Medium Grade Cut Quality, Packed 10-100's, 150 Tea Bags to Pound, Per Case.—Stanley W. Ferguson, Inc., \$6.14; J. L. McCormick & Co., \$6.20.

Item 4. 75 Cases Tea Bags, Stringless, Blend of Ceylon or India Tea, Full Medium Grade Cut Quality, Packed 50-1 Ounce, Per Case.—Stanley W. Ferguson, Inc., \$2.23; J. L. McCormick, \$2.18.*

Item 5. 30,000 Packages Ground Coffee, 12-Ounce Packages, According to Specifications, Per Package.—Delano Potter & Co., Inc., 42.08 cents; Edmonds Coffee Company, 42.4 cents*; Stanley W. Ferguson, Inc., 45.16 cents.

* Contract awarded.

Asbestos Pads and Covers

Furnishing asbestos pads and covers to the various city departments from April 1, 1961 to March 31, 1962, awarded to Raybestos-Manhattan, Inc., Revolute Division, in the amount of \$2,252, net, 30 days.

The bids were:

To Be Delivered to Sanatorium Division, 249 River Street, Mattapan.

Item 1. 1 Set Asbestos Pads and Covers for an 8-Roll, 120-Inch Troy Ironer, Per Set.—Raybestos Manhattan, Inc., \$282*; Tingle, Brown & Co., \$298.20.

The bid submitted by the low bidder was rejected because it was incomplete and unresponsive.

AMENDMENTS TO ORIGINAL
AWARDS OF DAMAGES

The Mayor and Public Improvement Commission have approved the following:

That the amount of \$165 is awarded to Duncan L. and Mary A. Cameron for all damages sustained under the order of the Public Improvement Commission and Mayor of August 20, 1958, for the laying out and construction of Bradlee street, Hyde Park.

That the amount of \$30.50 is awarded to Edward F. and Arline A. Mahoney for all damages sustained under the order of the Public Improvement Commission and Mayor of August 20, 1958, for the laying out and construction of Bradlee street, Hyde Park.

That the amount of \$1,700 is awarded to Frederick D. and Harriet E. McLean for all damages sustained under the order of the Public Improvement Commission and Mayor of April 8, 1959, for the laying out and construction of Fairlane road, West Roxbury.

GAS MAIN PERMITS

The Mayor and Public Improvement Commission have approved the following:

Gas Main, Rosemont St., Hyde Park

That permission be granted to Worcester Gas Light Company to lay and maintain an underground structure (160 feet of 4-inch welded steel low pressure gas main) in Rosemont street, Hyde Park district, substantially as shown on a plan marked "Plan Showing Proposed Extension of 160 Feet of 4-Inch Welded Steel Low Pressure Main in Rosemont Street, Hyde Park, from the Existing 2-Inch Street Main Opposite Dwelling No. 44, North-easterly to the Existing 4-Inch Main in Taunton Avenue; Proposed Extension is to Improve Pressure Conditions with a Two-Way Feed, Worcester Gas Light Company, 1176 River Street, Hyde Park, February 1960," and on file in the office of the Commissioner of Public Works.

Gas Main, Ruskindale Rd., Hyde Park

That permission be granted to Worcester Gas Light Company to lay and maintain an underground structure (180 feet of 4-inch welded steel low pressure gas main) in Ruskindale road, Hyde Park district, substantially as shown on a plan marked "Plan Showing Proposed Extension of 180 Feet of 4-Inch Welded Steel Low Pressure Main in Ruskindale Road, Hyde Park, from the Existing 4-Inch Main Opposite Dwelling No. 75, Southeasterly to Connect with the Existing 4-Inch Main Opposite No. 91; Proposed Extension is to Improve Existing Pressure Conditions, Worcester Gas Light Company, 1176 River Street, Hyde Park, February, 1961," and on file in the office of the Commissioner of Public Works.

Gas Main, Badger Rd., Hyde Park

That permission be granted to Worcester Gas Light Company to lay and maintain an underground structure (50 feet of 4-inch welded steel semihigh pressure gas main) in Badger road, Hyde Park district, substantially as shown on a plan marked "Plan Showing Proposed Extension of 50 Feet of 4-Inch Welded Steel Semihigh Pressure Gas Main in Badger Road, Hyde Park, from the Existing 4-Inch Gas Main Opposite No. 59, Northerly to Dwelling No. 56, Worcester Gas Light Company, 1176 River Street, Hyde Park, March, 1961," and on file in the office of the Commissioner of Public Works.

CONTRACTS AWARDED WITHOUT ADVERTISING

The Mayor approved the award of contracts, without advertising, based on the following communications:

REFUSE CONTRACT AWARDED FOR PARKER HILL-FENS

PUBLIC WORKS DEPARTMENT.
District 10A

The Mayor has approved the following:

DEAR MR. MAYOR:

Your approval is respectfully requested to the award of a contract for collecting and removing garbage and refuse in Public Works District 10A, Parker Hill-Fens, to Dooley Brothers, Inc., 39 George street, Roxbury, Mass., in the amount of \$119,600.

Dooley Brothers, Inc., was not the low bidder in this district according to the proposals submitted, but the bid received from Dooley Brothers, Inc., for this district under Item 1(b) was obviously in error, as the bidder evidently added the amount bid under Item 1 (a) to his Item 1 (b) price, due to a misinterpretation of the proposal language. This was confirmed by the bidder, Dooley Brothers, Inc., in a letter in which they offer to correct their error by reducing the amount bid under Item 1 (b) from \$2,450 per week to \$200 per week. This adjusted figure makes Dooley Brothers, Inc., low bidder by a yearly price of \$119,600 as compared with the next lowest bid of \$131,976 by the United Contracting Company, Inc., of Boston.

I therefore respectfully request, for the aforesaid reasons, your authorization to dispense with advertising and to award a contract for collecting and removing garbage and refuse in Public Works District 10A, Parker Hill-Fens, to Dooley Brothers, Inc., at the following weekly prices: Item 1 (a) \$2,250 and Item 1 (b) \$200, for a total yearly cost of \$119,600.

The work to be done under this contract is for the period April 1, 1961, to March 31, 1962, with options for a second year and a third year renewal contract, if the city so elects.

The following proposals were received on March 13, 1961, after public advertising in the *City Record* on February 25 and March 4, 1961:

United Contracting Company, Inc., of Boston, \$131,976; Dooley Brothers, Inc., \$148,850; Carriere Construction Company, \$185,900; James A. Freaney, Inc., \$191,321; F. J. Cavaliere & Co., \$262,730.

Respectfully yours,

JAMES W. HALEY,
Commissioner of Public Works.

ADMINISTRATIVE SERVICES DEPARTMENT.
Purchasing Division.
Repair Parts

DEAR MR. MAYOR:

From time to time, it is necessary to purchase repair parts for the various types of automotive equipment used by the Public

Works Department. Authority is requested to dispense with publicly advertising for prices and award contracts, without public advertisement, to the companies listed below for furnishing repair parts for the equipment specified to the Public Works Department from April 1, 1961, to March 31, 1962, inclusive. Inasmuch as each company named is either the manufacturer or the local distributor for the equipment listed, it is my opinion that no advantage would be gained by publicly advertising for prices.

Approximate total amounts of contracts will be as follows:

Casey & Dupris Equipment Corporation, Wayne sweeper parts, \$18,000, less 2 per cent, 15 days.

E. J. Bleiler Equipment Company, Inc., Elgin sweeper parts, \$12,000, Trojan front bucket loader parts, \$3,000—\$15,000 net, 30 days, f.o.b. Needham Heights, Mass.

Charles H. Wood, doing business as Charles N. Wood Company, Walter snowfighter parts, \$10,000 net.

Hedge & Mattheis Company, Hough front end loader parts, \$2,500, net.

Respectfully yours,

MICHAEL A. DeSIMONE,
Purchasing Agent.

Parking Meter Repair Parts

DEAR MR. MAYOR:

The Traffic Commission has submitted an estimate of their requirements for parking meter repair parts and also the necessary materials required for the operation of the parking meters. These estimates are for the period from April 1, 1961, to March 31, 1962, inclusive.

Authority is requested to dispense with publicly advertising for prices and award contracts, without public advertisement, to the companies listed below and at the amounts designated:

John E. Doran, doing business as Mi-Co Meters Eastern Sales Company, 211 State street, Bridgeport, Connecticut, total amount of contract not to exceed \$3,500, net, prices are f.o.b. Covington, Kentucky.

Aphahouser Corporation of New England, 1312 Boylston street, Boston, total amount of contract not to exceed \$3,000, net.

M. H. Rhodes, Inc., 30 Bartholomew avenue, Hartford, Connecticut, total amount of contract not to exceed \$2,500, net.

John E. Doran, doing business as Mi-Co Meters Eastern Sales Company, is the exclusive distributor in New England for the Michaels Art Bronze Company, Inc., who is the manufacturer. In the past, Aphahouser Corporation of New England has submitted much lower prices for comparable materials that would be furnished by manufacturers. M. H. Rhodes, Inc., is a manufacturer. In view of the foregoing facts, it is my opinion that the best interests of the city will be served by awarding the above contracts as requested.

Respectfully yours,

MICHAEL A. DeSIMONE,
Purchasing Agent.

Automatic Fire Alarm Boxes

DEAR MR. MAYOR:

This office is in receipt of a requisition from the Fire Alarm Shop of the Fire Department for twenty-five (25) Gamewell automatic fire alarm boxes as manufactured by the Gamewell Company. This company has submitted a written quotation.

Inasmuch as the Gamewell Company is the manufacturer of the equipment requested and is also the only source of supply, it is my opinion that no advantage would be gained by publicly advertising for prices. Authority is therefore requested to dispense with publicly advertising for prices and award a contract, without public advertisement, to the Gamewell Company at a total amount of \$4,625, net.

Respectfully yours,

MICHAEL A. DeSIMONE,
Purchasing Agent.

DEPARTMENT OF SCHOOL BUILDINGS.

Fire Alarm Survey

DEAR MR. MAYOR:

Subject to your approval, the Board of Commissioners of School Buildings has unani-

mously voted to engage the services of the American Service Company, Inc., of 251 Adams street, Dorchester, Mass., to conduct a survey of fire alarms and fire alarm systems in all of the school buildings, at a cost not to exceed four thousand dollars (\$4,000).

In the survey the contractor has agreed to inspect the fire alarm and system in each building for the purpose of ascertaining their present state of repair and efficiency, and for the further purpose of advising what changes, if any, are necessary.

In the opinion of the Board of Commissioners there is no advantage in publicly advertising for this work as time is of the essence. Therefore it is respectfully requested that the provisions concerning public bid be waived.

Very truly yours,

BOARD OF COMMISSIONERS OF SCHOOL BUILDINGS,
By THOMAS H. BUCKLEY,
Chairman.

HOSPITAL DEPARTMENT. Incinerator Steam

DEAR MR. MAYOR:

On December 23, 1960, after a period of running steam from the municipal incinerator to the power plant of Boston City Hospital the incinerator steam was valued into hospital d.c. power producing turbine. A slug of water in the steam line hit the turbine causing damage and a temporary power failure and incinerator steam was then shut off. Steam from the hospital's boilers was promptly valued into the system and power was restored.

Following this incident the hospital's chief power plant engineer with the full concurrence of the plant superintendent and the hospital superintendent decided that continued use of incinerator steam through existing lines was too dangerous. A series of conferences was held with representatives of the Public Works Department, Metcalf & Eddy, engineers, various Massachusetts Department of Public Safety inspectors, and others, including our own Plant Department personnel.

It was agreed that certain changes should be made with the least possible delay. These included rerouting of certain pipe lines and other relatively minor items which were promptly completed. There was agreement that installation of an additional 2-inch trap complete with all pipe and fittings should handle the major problem. On February 2, 1961, City of Boston Purchase Order No. S-9324 was issued to J. J. Hurley & Co., Inc., to furnish and install such a trap at a price of \$985.

During the days of waiting for the manufacturer to supply the trap, additional conferences were held. Hospital officials felt very strongly that because of the need for maximum security for the hospital's only source of d.c. power production, additional safety devices should be installed. The hospital's Board of Trustees voted at their meeting on February 24, 1961, to request your Honor's permission to award a contract, without public advertising, to install a steam separator in the hospital's power house at an estimated cost of approximately \$10,000. This was based on a preliminary estimate made by J. J. Hurley & Co., Inc.

Yesterday, the first day of March, a detailed proposal was received from the Hurley Company submitted at the request of Metcalf & Eddy, engineers.

Your Honor's permission is respectfully requested to award a contract without public advertising, to the firm of J. J. Hurley & Co., Inc., piping contractors, 330 Dorchester street, South Boston, in the amount of nine thousand seven hundred dollars (\$9,700). This includes the \$985 covered by the previously mentioned City of Boston Order No. S-9324 which will be canceled if the \$9,700 proposal is accepted.

It is proposed to furnish, deliver, and install a 42-inch diameter by 8-feet long ASME stamped steam separator manufactured by the Hodge Boiler Works of East Boston; a Cochran steam purifier, figure No. 118; an 11-inch Armstrong trap on this purifier rated at 16,000 pounds per hour; a Reliance No. 9 water column with a high water alarm on the Hodge separator, and an E. B. Badger 12-inch expansion joint to withstand 46,000 pounds of thrust. All work is to be insulated with 3-inch magnesia blocks and 8-ounce canvas jacket, painted to match existing work.

On the Hodge separator it is proposed to install the 2-inch trap complete with pipe and fittings which the contractor now has on hand. (Order No. S-9324.) The trap discharge pipe would be 2½-inch extra heavy steel. A 2½-inch steel quick opening valve and a 2½-inch steel rising stem valve (both 300 pounds) will be installed on the Hodge separator.

There are firm commitments from all the suppliers concerned and the installation can be completed within thirty (30) calendar days after authorization to the contractor to proceed.

The installation of the incinerator steam line has been beset by numerous engineering and mechanical problems. The completion of the work has been subject to numerous and frustrating delays. These delays have resulted in the hospital's continuing necessity to burn oil to manufacture steam at considerable cost to the hospital and to the taxpayer.

The proposed contractor was the low bidder on a publicly advertised contract for the hospital's portion of the incinerator steam line. This contract, dated August 8, 1960, was accepted as completed as of December 15, 1960. The contract was in the final amount of \$17,940. The contractor's work at this hospital has been excellent.

The trustees regard the work which is here proposed as extremely urgent and necessary to the welfare and safety of the hospital's patients. There is strong feeling that in the purpose of avoiding further delay and reducing costs for fuel oil use at the earliest possible date that delay for public advertising in this instance would not be in the best interest of the taxpayers.

Respectfully yours,
WILLIAM H. ELLIS, JR.,
President.

LIBRARY DEPARTMENT.
Uniforms & Overalls

DEAR MR. MAYOR:

In response to a public advertisement, a copy of which is attached, one sealed proposal for the rental of uniforms and overalls was received and opened at the office of the trustees at twelve o'clock noon on Thursday, February 16, 1961. It was as follows:

2 Shirts, 1 Pants, Per Man, Per Week.—Standard Overall Cleaning Company, Inc., 42 Clayton street, Dorchester, \$1.05.

Overalls, Per Man, Per Week.—Standard Overall Cleaning Company, Inc., 42 Clayton street, Dorchester, 50 cents.

The company failed to submit a bid deposit with its bid proposal and also failed to file a duplicate bid proposal with the City Auditor. However, Standard Overall Cleaning Company, Inc., has been renting the uniforms and overalls to the library since 1958 and the work has been very satisfactory. Inasmuch as the rates are the same as last year it is believed that no useful purpose would be served in advertising for new bids.

The cost of the service to be rendered for the period of the contract will be approximately \$2,200.

The Trustees of the Public Library have taken the following action to award the contract:

Voted, That there be entered into, without public advertising, with Standard Overall Cleaning Company, Inc., 42 Clayton street, Dorchester, Mass., a contract for the rental of uniforms and overalls during the period April 1, 1961, through March 31, 1962, at prices per unit as follows:

2 shirts, 1 pants, per man, \$1.05 per week.
Overalls, per man, 50 cents per week.

Inasmuch as the total cost of this work will exceed two thousand dollars (\$2,000) there is requested permission of your Honor to enter into this contract without publicly advertising for bids.

Respectfully,
THE TRUSTEES OF THE PUBLIC LIBRARY
OF THE CITY OF BOSTON,
By MILTON E. LORD,
Director.

Purchase of Books

DEAR MR. MAYOR:

The Trustees of the Public Library respectfully request the approval of your Honor for the award of contracts, without public ad-

vertising, to the following publishers and dealers for the purchase of books and certain other library material for the period April 1, 1961, through March 31, 1962:

American News Company, the New England News Company Division, 20 Webster place, Brookline; Campbell & Hall, Inc., 131 Clarendon street; DeWolfe & Fiske Company, 236 Summer street; Doubleday & Co., Inc., Garden City, New York; H. R. Hunting Company, Inc., Burnett road and First avenue, Chicopee Falls; R. L. Polk & Co., 600 Washington street; Stechert-Hafner, Inc., 31 East 10th street, New York.

The library will purchase the books and other library material on the basis of offers submitted periodically by the above list of companies. The nature of the items to be purchased and the fluctuations in the price thereof as well as in the desired quantities thereof do not lend themselves to public bidding. The cost of these items for the period of the contract will be approximately \$190,000. The trustees have therefore

Voted, That there be entered into without public advertising with the following contractors: Campbell & Hall, Inc., DeWolfe & Fiske Company, R. L. Polk & Co., all of Boston, the American News Company, the New England News Company Division, Brookline, Mass.; Doubleday & Co., Inc., Garden City, New York; the H. R. Hunting Company, Inc., Burnett road and First avenue, Chicopee Falls, Mass., and Stechert-Hafner, Inc., of New York, contracts for the purchase of books and certain other library materials for the period April 1, 1961, through March 31, 1962, subject to the terms, agreements, and conditions set forth in said contracts.

Inasmuch as the anticipated purchases from each of the above companies is expected to be in excess of two thousand dollars (\$2,000), there is requested permission of your Honor to enter into these contracts without publicly advertising for bids.

Respectfully,
THE TRUSTEES OF THE PUBLIC LIBRARY
OF THE CITY OF BOSTON,
By MILTON E. LORD,
Director.

PUBLIC CELEBRATIONS.
Fireworks Displays

DEAR MR. MAYOR:

As your Honor will recall, the City of Boston last year publicly advertised for bids for presentation of the July 4th fireworks displays at five (5) locations, and received but one (1) bid, that being from Interstate Fireworks Manufacturing and Display Company in an amount substantially in excess of the funds available for the purpose. That bid was, of necessity, rejected.

Thereafter, at our request that bidder submitted a second offer to provide a different type of display at each of the five (5) sites, for a total cost of \$6,000. This offer was accepted, the contract awarded and executed. I recollect with satisfaction that the fireworks displays which were then fired off by the above-named contractor at all five (5) locations were colorful, inspiring, and thoroughly entertaining.

Therefore, I now request your written permission to dispense with publicly soliciting proposals and to award a contract to Interstate Fireworks Manufacturing and Display Company, Inc., on the same basis as in 1960, in an amount not to exceed \$6,000, to provide, erect, and fire off, all as will be stipulated in the contract, a fireworks display on July 4th, 1961, at each of the following locations:

Columbus Park, South Boston; Franklin Field, Dorchester; Smith Field, Brighton; White Stadium, East Boston; Jamaica Pond, Jamaica Plain.

In view of our unfruitful efforts in advertising in 1960; the obvious ever-dwindling number of firms anywhere in the country who are engaged in this type of work; the highly gratifying results obtained in both the quality and size of the fireworks presentations fired off at all the five (5) sites last year by engaging Interstate Fireworks Manufacturing and Display Co., Inc., and the fact that Boston has always found this

firm to be reliable, which unfortunately is a trait, this city has, upon occasion, found to be lacking in this field of endeavor, it is the conviction of the undersigned that in the present instance, public advertising would frustrate rather than serve the public interest.

Respectfully yours,
JOHN H. O'NEILL, JR.,
Administrative Assistant.

REAL PROPERTY DEPARTMENT.
Architectural Services

DEAR MR. MAYOR:

I hereby request your honor's permission to engage the services of A. J. Carpenter, architect and engineer, of 236 Huntington avenue, Boston, Mass., for architectural services on emergency work to provide egress for the fourth and fifth floors, City Hall, Boston, Mass.

The above will include the preparation of drawings and specifications, the supervision of all phases of the egress work, the issuing of such progress reports as we may request, the checking of the contractors' requests for payment and the preparation of certificates, and the checking and approving of shop drawings.

The fee will be the standard 10 per cent as prescribed by the American Institute of Architects for work of this type.

In view of the nature of the professional services rendered, no benefits would be gained by advertising for bids, and it is respectfully requested that permission be given to award the contract to the above-mentioned person without the usual form of advertising.

Respectfully yours,
ALBERT F. DONNELLY,
Assistant Commissioner of Real Property.

Restoration of Heating System

DEAR MR. MAYOR:

On Monday, February 13, 1961, a leak was discovered in the return lines of the heating supply system which caused steam vapor to penetrate the univents in the main courtroom at the Municipal Building, South Boston, Mass. This condition presented a considerable danger and precipitated a disruption of the court work and activities.

In the light of the existing emergency, a licensed plumber was engaged to effect the needed repairs. This contractor was the Joseph P. O'Hearn Company, 9 Columbia place, Dorchester, Mass.

It was found, during the course of the plumber's operations, that several sections of 3-inch steam return line, about 50 years old, had badly deteriorated. As a result of the actual conditions which have thus been ascertained, it is apparent that the volume and cost of the repairs will exceed what was expected at the outset.

In view of the real necessity of having the work done as soon as possible and because of the time which would inevitably be consumed by public advertising, it is believed that such course would, in this instance, serve no useful purpose, furthermore, it would be exceedingly difficult if indeed not altogether impossible to prepare a specification which would be comprehensive and yet specific enough for purposes of open competitive bidding, for the reason that the restorative work that needs to be done on the heating system involves a quantity of materials and labor which are not known with certainty at this time.

Therefore the authorization of your Honor is respectfully requested to dispense with public advertising for bids for this work and to award a contract to Joseph P. O'Hearn Company, 9 Columbia place, Dorchester, Mass., in an amount not to exceed three thousand dollars (\$3,000) for performing the subject work. The contractor has performed work of this nature for this and other departments on previous occasions and has always done so in an efficient and workmanlike and expeditious manner. In performing the work the contractor will be paid at rates for labor and materials all as will be set forth in the contract.

The department, on the basis of the present state of these steam return lines, estimates that the probable outside cost of replacing the same, including all fittings, will not exceed \$3,000. Should the progress of the work disclose that its full cost is to exceed that figure, I would at such time request authority from your Honor for an amendment of the proposed contract to cover the added cost of the work.

Respectfully yours,
ALBERT F. DONNELLY,
Assistant Commissioner of Real Property.

TRANSFERS OF APPROPRIATIONS

The Mayor has approved the following requests for transfers of appropriations:

ADMINISTRATIVE SERVICES DEPARTMENT.

Administration Division.

From Complaints, 1-01-48, 10, \$37.48, 27, \$27.50, Budget, 1-01-44, 28, \$42.38, to Complaints, 1-01-48, 11, \$65.70, 1-01-48, 36, \$41.66.
From Purchasing, 1-01-43, 28, \$10.56, Budget, 101-44, 12, \$73.95, to 1-01-43, 36, \$84.29, 1-01-43, 39, \$0.22.

Printing Section.

From 1-01-45, 39, \$903.16, 59, \$476.58, to 1-01-45, 10, \$58.56, 21, \$19.78, 29, \$472.28, 36, \$829.12.

ASSESSING DEPARTMENT.

From 1-01-36, 10, \$5,822.87, to 1-01-36, 12, \$4,703.87, 49, \$1,119.

AUDITING DEPARTMENT.

From 1-01-31, 21, \$13.10, 28, \$31.30, 29, \$7.91, 36, \$1,120.41, 39, \$257.50, 49, \$5, 1-01-36 (Assessing), 29, \$1,089.41, to 1-01-31, 10, \$1,175.17, 11, \$1,031.91, 27, \$317.55.

BUILDING DEPARTMENT.

From 1-02-31, 29, \$277.08, to 1-02-31, 28, \$109.05, 36, \$168.03.

From Construction of Buildings, etc., Hospital Department, Long Island Division, 6-56-31, \$125,684.27, to Construction of Buildings, etc., Hospital Department, 6-56-12, \$125,684.27.

From Construction of Buildings, etc., Parks and Recreation, 6-61-41, \$22,094.83, Real Property Department, Buildings Division, 6-63-72, \$3,671.24, Welfare Department, 6-57-62, \$3,744.27, Public Works Department, 6-53-43, \$29,499.46, to Construction of Buildings, etc., Incinerator Building, 6-56-21, \$64,009.80.

Board of Appeal.

From 1-02-32, 10, \$16.49, to 1-02-32, 36, \$16.49.

Board of Examiners.

From Board of Examiners, 1-02-32, 10, \$0.88, to Board of Examiners, 1-02-33, 36, \$0.88.

From Board of Appeal, 1-02-32, 10, \$0.92, to Board of Examiners, 1-02-33, 36, \$0.92.

CITY COUNCIL.

From 1-01-12, 36, \$202.67, to 1-01-12, 56, \$202.67.

CIVIL DEFENSE.

From 1-02-41, 21, \$8.03, 29, \$322.81, to 1-02-41, \$77, 27, \$241.13, 30, \$12.71.

ELECTION DEPARTMENT.

From 1-01-21, 29, \$636.42, to 1-01-21, 11, \$636.42.

FIRE DEPARTMENT.

From 1-02-21, 10, \$1,338.60, 12, \$630.64, 21, \$320.14, 26, \$1,040.86, 27, \$1,870.42, 28, \$508.50, 29, \$1,568.74, 32, \$93.17, 33, \$1,151.78, to 1-02-21, 22, \$4,829.46, 30, \$3,693.39.

HEALTH DEPARTMENT.

Health Division.

From 1-06-21, 10, \$801.61, 12, \$146.19, 22, \$665.63, 26, \$357.11, 27, \$481.21, 28, \$307.33, to 1-05-21, 21, \$363.46, 29, \$1,896.89, 33, \$498.73.

HOSPITAL DEPARTMENT.

Main Division.

From 1-06-11, 11, \$4.49, 12, \$3,041.81, 26, \$22,032.10, 27, \$1,468.27, 28, \$137.93, 30, \$609.72, 32, \$5,954.25, 34, \$6,953.53, 35, \$10,075.78, 39, \$22,970.69, to 1-06-11, 10, \$35,173.96, 21, \$495.81, 22, \$6,190.04, 29, \$1,388.76, 70, \$40,000.

Sanatorium Division.

From 1-06-21, 10, \$1,735.28, to 1-06-21, 21, \$417.66, 22, \$1,317.62.

Long Island Division.

From 1-06-31, 10, \$3,161.22, to 1-06-31, 12, \$260.41, 22, \$199.49, 26, \$2,242.48, 29, \$313.61, 36, \$145.23.

LAW DEPARTMENT.

From 1-01-51, 10, \$194.51, to 1-01-51, 11, \$194.51.

Workmen's Compensation Service.

From 1-13-41, \$40.82, to 1-13-41, 36, \$40.82.
From Interest on Temporary Loans, 3-41-21, \$5,926.21, to Workmen's Compensation, 1-13-42, \$5,926.21.

LIBRARY DEPARTMENT.

From 1-10-11, 36, \$25.19, to 1-10-11, 21, \$25.19.

MAYOR'S OFFICE.

Expenses.

From 1-01-11, 10, \$1,057.43, 12, \$16.42, 21, \$48.83, 28, \$39.40, 29, \$19.74, 30, \$135.31, 50, \$16, 49, \$449.93, 49, \$25.91, to 1-01-11, 27, \$55.12, 36, \$1,721.24, 36, \$25.91.

Public Celebrations.

From 1-01-95, 10, \$627.06, 1-01-94, \$363.17, to 1-01-95, 604, \$25, 619, \$46.03, 621, \$140, 626, \$268, 629, \$58.70, 639, \$462.41.

PARKS AND RECREATION DEPARTMENT.

From 1-11-41, 10, \$98.29, to 1-11-41, 12, \$98.29.

From 49, \$925.61, 59, \$220.44, 1-11-41, 10, \$10,334.28, 11, \$1,146.14, 21, \$741.65, 22, \$502.21, 26, \$39,799.09, 27, \$2,756.86, 28, \$3,959.15, 29, \$4,484.28, 30, \$1,803.68, 32, \$66.85, 33, \$12,322.85, 34, \$15,176.18, 35, \$627.76, 36, \$1,842.30, 39, \$22,932.23, to Snow Removal, 1-23-31, \$144,643.66.

Cemetery Division.

From 1-13-21, 10, \$470.10, to 1-13-21, 12, \$412.27, 21, \$22.41, 36, \$35.42.

POLICE DEPARTMENT.

From 1-02-11, 26, \$14,137.31, to 1-02-11, 27, \$9,364.86, 30, \$41.81, 34, \$3,540.48, 56, \$1,190.16.

PUBLIC WORKS DEPARTMENT.

From 1-03-00, 11, \$0.65, 12, \$1,112.89, 25, \$7,635.65, 26, \$3,866.55, 27, \$1,488.46, 30, \$4,400.40, 32, \$3.25, 33, \$2,906.89, 35, \$0.96, 39, \$19,425.36, 50, \$0.50, 59, \$0.03, 715, \$5,969.69, to 1-03-00, 10, \$24,232.50, 21, \$368.35, 22, \$19,404.29, 28, \$252.23, 29, \$280.90, 34, \$3.19, 36, \$898.25, 49, \$1,371.57, \$46,811.28.

Water Division.

From 3-71-12, 10, \$1,524.20, to 3-71-12, 22, \$423.88, 36, \$1,100.32.

REAL PROPERTY DEPARTMENT.

Property Division.

From 1-01-85, 29, \$439.76, to 1-01-85, 26, \$343.94, 36, \$10.82, 50, \$85.

Buildings Division.

From 1-01-84, 26, \$1,541.24, 34, \$20.76, 36, \$37.50, 39, \$0.26, 49, \$8.50, 1-13-41, Workmen's Compensation Services, to 1-01-84, 21, \$315.05, 22, \$330.11, 29, \$1,172.23, 33, \$358.84.

Market Division.

From 1-01-86, 22, \$7.08, to 1-01-86, 33, \$5.93, 36, \$1.15.

SNOW REMOVAL.

From Interest on Refunded Taxes, 3-41-23, \$71,224.97, to Snow Removal, 1-23-31, \$71,224.97.

TRAFFIC DEPARTMENT.

From 1-02-51, 11, \$14.13, to 1-02-51, 10, \$14.13.

TREASURY DEPARTMENT.

Treasury Division.

From 1-01-38, 12, \$42.17, 28, \$2,065.17, to 1-01-38, 10, \$2,107.34.

Collecting Division.

From 1-01-37, 29, \$20.45, to 1-01-37, 27, \$5, 28, \$15.45.

VETERANS' SERVICES DEPARTMENT.

From Veterans' Services, 1-07-41, 10, \$305.19, 21, \$4.86, 34, \$3.99, 35, \$11.19, 36, \$34.57, 45, \$47,468.64, 49, \$73.30, 59, \$16, to Snow Removal, 1-23-31, \$47,917.74.

From 1-07-41, 36, \$443.68, to 1-07-41, 28, \$443.68.

Graves Registration.

From 1-13-76, 59, \$60.60, to 1-13-76, 36, \$60.60.

WELFARE DEPARTMENT.

Central Office.

EXTENSION OF CONTRACTS

The Mayor has approved extension of the time limit on completion of the following contracts:

DEPARTMENT OF SCHOOL BUILDINGS.

The Mayor has approved extension of the time limit on completion of the following contracts:

Contract with Puritan Plumbing and Heating Company for plumbing work at the Andrew Jackson School, extended from February 28, 1961, to April 15, 1961, because of delay in obtaining special radiator from factory.

Contract with Komac Construction Company, Inc., for relining and repairing boiler masonry and incinerators in various schools in District No. 2 extended from February 1, 1961, to March 31, 1961, due to delay in obtaining iron castings from foundry, and due to cold weather, boilers could not be shut down.

PROPOSALS FOR LAND.

The Acting Superintendent of Construction of the Department of School Buildings, City of Boston, will receive sealed proposals for selling to the city land for an elementary school in the Paul A. Dever District, Dorchester, Mass., bounded and described as follows: Beginning at the junction of Dr. Michael Gavin Way and Old Colony avenue, Dr. Michael Gavin Way extended, the water, Harbor View street extended to a point on the Metropolitan Transit Authority Rapid Transit opposite Harbor View street, the Metropolitan Transit Authority Rapid Transit to the center of Old Colony avenue to the point of beginning, to contain 160,000 square feet, more or less. All the proposals must be submitted at or before twelve o'clock noon, Monday, April 24, 1961, at the office of the Acting Superintendent, fourth floor, 26 Norman street, Boston. Said proposals will at that time be publicly opened and read and thereafter a public hearing will be given by the Acting Superintendent at said office, Monday, May 1, 1961, at twelve o'clock noon, at which hearing the proposals and the suitability of the land offers therein will be considered. The Acting Superintendent reserves the right to reject any or all proposals.

ADMINISTRATIVE SERVICES DEPARTMENT, PURCHASING DIVISION.

PROPOSALS FOR FURNISHING AUTOMOTIVE VEHICLES (FOUR CHASSIS WITH TILT CABS), AND FOUR CATCH-BASIN CLEANERS FOR THE PUBLIC WORKS DEPARTMENT.

Proposals may be obtained at Room 53, City Hall. At this room the bids will be opened and read Monday, April 17, 1961, at 12 M. The bidder must leave his proposal with a certified check for \$100, payable to and to become the property of the City of Boston if the proposal is not carried out. A duplicate bid, without check, must be left with the Auditor prior to the time for opening bids. Envelopes containing bids to be sealed and marked "Proposal for Automotive Vehicles and Catch-Basin Cleaners." The successful bidder must furnish a faithful performance bond for one half the total estimated amount of the contract with a surety company authorized to do business in Massachusetts. The Purchasing Agent reserves the right to accept or reject any and all bids, or any part of a bid, and to award the contract as he deems for the best interests of the city.

MICHAEL A. DESIMONE,
Purchasing Agent.
(April 8.)

Contract with John F. Hynes, Inc., for alterations for eye conservation office at the Boston School of Business Education, extended February 15, 1961, to March 15, 1961, because of delay in receiving special partitions from factory.

PUBLIC WORKS DEPARTMENT.

Contract with Pacella Brothers Corporation for construction of twin 30-inch inverted siphon across Prudential site, extended from January 31, 1961, to March 15, 1961, because of unforeseen obstacles underground and inclement weather.

Contract with Metcalf & Eddy for manual for operating South Bay incinerator and for related services of engineering consultant, extended from December 31, 1960, to March 31, 1961, because steam transfer from the incinerator to the Boston City Hospital will be in its initial stages during this period, and the services of the engineer will be needed.

VETERAN'S RETIREMENT

The Mayor has approved the following veteran's application for retirement:

John P. Brooker, 10 Birchcroft road, Hyde Park, building inspector, Building Department.

CITY OF BOSTON.

PARKS AND RECREATION DEPARTMENT.

INVITATION FOR BIDS FOR FURNISHING AND PLANTING TREES ON STREETS AND PARKWAYS IN BOSTON, MASS.

The City of Boston, acting by the Commissioner of Parks and Recreation, hereinafter referred to as the Commissioner, invites sealed proposals for furnishing and planting trees on streets and parkways in Boston, Mass.

Proposals will be received until 2 o'clock P.M., Tuesday, April 18, 1961, at the office of the Commissioner, first floor, 33 Beacon street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Proposals shall be submitted in duplicate on forms obtained at the Engineer's office, Parks and Recreation Department, 33 Beacon street, Boston, Mass. Each copy of the proposal shall be properly filled out, signed and enclosed in a sealed envelope, plainly marked with the name of the bidder and the description of the work bid upon. One copy shall be filed at the office of the Commissioner, designated above, and the other copy shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of the proposals.

A bid deposit in the form of a certified check on a responsible bank or trust company, payable to the City of Boston, in the sum of \$1,500, shall be submitted with the copy of the proposal filed with the Commissioner. The bid deposit shall be in a separate envelope, plainly marked. Bid bonds will not be accepted.

No bidder may withdraw his bid within thirty days after the actual date of the opening thereof.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and each in the sum of 100 per cent of the contract price, will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any and all bids if it be in the public interest so to do.

INVITATION FOR GENERAL BIDS FOR REPAIRS TO BITUMINOUS PAVEMENT AT PARKS AND RECREATION DEPARTMENT ROADWAYS IN BOSTON, MASS.

The City of Boston, acting by the Commissioner of Parks and Recreation, hereinafter referred to as the Commissioner, invites sealed proposals for repairs to bituminous pavement at Parks and Recreation Department roadways in Boston, Mass.

Proposals will be received until 2 o'clock P.M., Tuesday, April 18, 1961, at the office of the Commissioner, first floor, 33 Beacon street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Proposals shall be submitted in duplicate on forms obtained at the Engineer's office, Parks and Recreation Department, 33 Beacon street, Boston, Mass. Each copy of the proposal shall be properly filled out, signed and enclosed in a sealed envelope, plainly marked with the name of the bidder and the description of the work bid upon. One copy shall be filed at the office of the Commissioner, designated above, and the other copy shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of the proposals.

A bid deposit in the form of a certified check on a responsible bank or trust company, payable to the City of Boston, in the sum of \$800, shall be submitted with the copy of the proposal filed with the Commissioner. The bid deposit shall be in a separate envelope, plainly marked. Bid bonds will not be accepted.

No bidder may withdraw his bid within thirty days after the actual date of the opening thereof. The rate per hour of the wages to be paid to mechanics, chauffeurs and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the Engineer's office of the Parks and Recreation Department.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and each in the sum of 100 per cent of the contract price, will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any and all bids if it be in the public interest so to do.

Proposals for Installation of Power Steering Kits. Furnish and Install Power Steering Kits Complete on Ten 1960 Ford Model F850 Trucks.

The Commissioner of Public Works of the City of Boston, Room 511 (Contract Office), City Hall Annex, invites proposals from citizens of the United States and corporations or other legal associations wherein the controlling interest to the extent of at least over one half thereof is owned by a citizen or citizens of the United States, for installation of power steering kits. Furnish and install power steering kits complete on ten 1960 Ford Model F850 trucks. A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and each in the sum of 100 per cent of the contract price, will be required of the successful contractor. Form of proposals may be obtained at Room 511 (Contract Office), City Hall Annex. The proposal should be signed, enclosed in an envelope, sealed, marked "Proposal for Installation of Power Steering Kits. Furnish and Install Power Steering Kits Complete on Ten 1960 Ford Model F850 Trucks," and left at Room 511 (Contract Office), fifth floor, City Hall Annex, before 2 P.M. of TUESDAY, APRIL 18, 1961, with a certified check for TWO HUNDRED FIFTY (250) DOLLARS, payable to and to become the property of the city if the proposal after acceptance is not carried out. The proposals will then be publicly opened and read in the Hearing Room, 401 City Hall Annex.

Proposals must be made in duplicate, the sealed duplicate, without check, to be deposited by the bidder with the City Auditor previous to the time named for opening the bids. All proposals must be from bidders of record on file at Room 511, City Hall Annex. There will be a charge of two dollars (\$2), NOT REFUNDABLE, for each set of contract documents taken out. If the bidder neglects to bid on each and every item, it may lead to the rejection of the proposal. Before commencing performance of this contract, the Contractor shall provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law, so called) to all persons to be employed under this contract and shall continue such insurance in full force and effect during the term of this contract.

The Commissioner reserves the right to reject any and all proposals, or any item or items of the proposal should he deem it to be for the best interest of the city so to do.

OFFICIAL CHRONICLE OF BOSTON MUNICIPAL AFFAIRS.

VOL. 53

SATURDAY, APRIL 15, 1961

No. 15

BUSINESS RELOCATION POSES GOVERNMENT CENTER PROBLEM

A statement of policy to govern the relocation of business establishments from the Government Center project area was presented to the Boston Redevelopment Authority on April 10 by Edward J. Logue, development administrator. This statement, now being studied by the Authority, is subject to its approval.

Proposals for relocation of an estimated 570 families from the area have also been documented and presented to the Redevelopment Authority. The text of these proposals will appear in a future edition of the *City Record*.

Following is the text of the business relocation policy statement:

¶ Execution of the Government Center project is an essential step in Boston's long-range development program. The success of this program requires that the Boston Redevelopment Authority act now to acquire land in the project area and to make the area available at an early date for new construction.

¶ Execution of the Government Center project by the Boston Redevelopment Authority will require the displacement of businesses now located in the project area. In order to minimize the problems in business relocation and to insure that the project undertaking is carried forward according to plan, the Boston Redevelopment Authority has established a policy of assisting displaced businesses to find new quarters.

¶ To implement this policy, the Authority is making the following information available to businesses located within the project area:

Property Acquisition

¶ Condemnation of all properties located within the project area will occur on or about June 1, 1961.

¶ Negotiations with property owners will begin at that time. In acquiring property within the project area, the Boston Redevelopment Authority will pay the owner the fair market value of his property. In the event the owner and the Authority are not able to agree on price, the matter may be settled in the courts.

¶ In some instances where businesses occupy their present quarters, the tenant, under the terms of his lease, may have an interest in the proceeds of any property settlement between the owner and the Boston Redevelopment Authority. In that situation, the property owner will have to share the proceeds of the settlement with his tenant. The Boston Redevelopment Authority, to insure consideration of the rights of the tenant, will require a release of the lease prior to final settlement with the owner. If it is impossible to secure such a release because of inability of owner and tenant to agree on the claim of the tenant, the sharing of the proceeds will be settled by the courts.

The Project Office

¶ In order to help businesses within the project area to relocate, the Boston Redevelopment Authority will establish a Business Relocation Office within, or adjacent to, the area. This office will be opened on or about June 1, 1961. Business firms who, before this date, desire information about

project plans and project execution activities may inquire directly at the office of the Authority's Operations Department located at 73 Tremont street, Boston. Telephone inquiries to that office may be made by calling RI 2-0500.

Relocation Survey

¶ In order to help businesses within the project area to find suitable quarters, the Boston Redevelopment Authority is now conducting a survey to determine the relocation requirements of individual business firms. When this survey has been completed, the Authority will report on total relocation requirements involved in the project undertaking. In an effort to see that these requirements are met the Authority will work closely with the Boston Real Estate Board, the Greater Boston Chamber of Commerce, the Associated Industries of Massachusetts, and the Small Business Administration of the United States Department of Commerce. The Authority will also make its report on business relocation requirements available to professional real estate brokers.

Relocation Schedule

¶ After the date of property condemnation, the Authority will again carry out a survey of businesses in the project area, and will meet with individual business firms to establish a realistic schedule for the relocation of each firm according to a schedule which is consistent with site clearance and building demolition requirements for the site as a

CITY IS REPRESENTED BEFORE U. S. SENATE COMMITTEE IN FAVOR OF PRESIDENT'S PLANS TO ENCOURAGE STEPPED-UP URBAN RENEWAL

Following are the remarks of Edward J. Logue, Development, Administrator, City of Boston, before the Housing Subcommittee of the Committee on Banking and Currency, United States Senate, April 7, 1961, relative to S. 1478, the "Housing Bill of 1961."

¶ Early passage of S. 1478, the Administration's 1961 Housing Bill, will provide a major boost to Boston's ambitious development program. Mayor John F. Collins and the members of the Boston Redevelopment Authority have asked me to record their support for this legislation.

¶ Boston is now engaged in an all-out effort to restore and renew itself. In many ways, large and small, S. 1478 will help to guarantee the success of this program and make it possible to do a much better job than would otherwise be possible.

¶ The importance of S. 1478 to Boston can best be made clear by a brief description of the Boston program and an indication of what assistance S. 1478 will provide in carrying out the program.

¶ The provisions of Title I and Title II in S. 1478 go a long way toward removing the foolish paradox which has existed in the urban renewal program since 1954.

Proposal Makes Sense

¶ We have been operating under a policy by which mortgage insurance becomes available only in areas so far gone as to qualify for urban renewal treatment. All this has involved red tape and delay, has been too small scale and often outside project areas. Now, for the first time we have a proposal which makes sense. As I understand it it does not require any help from us local bureaucrats in order to get it going, and that, I think, is a very important point in its favor. It means that in Boston, for example, the extended 221 insurance provisions become immediately available in Dorchester, which is the largest

district of the city and one which can be preserved without the need for extensive urban renewal if this kind of mortgage insurance is available quickly enough and effectively enough.

¶ In every city I am familiar with there are one or more neighborhoods like Dorchester which can be preserved as decent, pleasant places to live if adequate mortgage insurance is easily available.

¶ I also view this proposal as a simple and direct means of providing housing for moderate income families, something the program has so far failed to achieve. The most important stock of decent housing for moderate income families is in the existing middle-aged neighborhoods of our cities. This stock is being blighted year after year for lack of a program like this.

Favors Lower Interest Rates

¶ I would also like to endorse the special provisions for lower interest rates for lower income families. This program has tremendous potential in providing for a more effective kind of relocation housing than has been possible in the past.

¶ The Section 220 program has been a disappointment to date, particularly in relation to rehabilitation. The specific modifications proposed in Title II grow out of the frustrations in city after city in trying to make rehabilitation work. Making rehabilitation loans available on much the same basis outside urban renewal areas makes perfect sense and will help to create a more balanced and effective program.

Modest Provisions on Housing

¶ The public housing provisions of the bill are modest. They put great emphasis on housing for the elderly which is certainly as acute a housing need as the country has. All the statistics point to an ever-increasing need in the years ahead. ¶ The provisions giving greater discretion to local housing authorities

is an improvement in a program characterized by too much central office rigidity.

¶ I believe the public housing provisions of the bill would get far more support if there were an explicit recognition of the failure of the large public housing projects to achieve the ends originally sought and a clear statement that every encouragement would be given to local housing authorities which come up with more flexible programs emphasizing small projects integrated into existing neighborhoods.

From Retail to Wholesale

¶ In my judgment Section 506 of the bill does not go far enough in encouraging cities to reorient their public housing programs. I would hope that at least 25 per cent of the total units authorized be reserved for smaller projects, scattered site projects, and rehabilitated units. The urban renewal provisions of the bill will ensure that the program will have the continuity it has so badly needed.

¶ Approval by the Congress of a four-year urban renewal program with \$2.5 billion in new capital grant authority will take urban renewal out of the retail stage and put it on the wholesale basis it has so long needed. The permission which would be given for communities to carry out their own rehabilitation demonstrations should guarantee accelerated rehabilitation in urban renewal areas.

¶ There is a clearly demonstrated need for each of the other urban renewal provisions proposed. Section 112 gave special incentives for universities and communities to work together to improve the areas surrounding university campuses. The situation with the hospitals is very much the same, and I would strongly urge the committee that the provisions of Section 112 be extended to include nonprofit hospitals.

Help Us Help Ourselves

¶ If I may sum up in a very few words, S. 1478 is soundly grounded on almost 12 years of experience in trying to make urban renewal work. We have had enough time now to

(Continued on next page.)

FEBRUARY WELFARE COSTS RISE SLIGHTLY

Following is a summary of the Welfare Department report for February 1961:

¶ There were 26,221 cases in receipt of public assistance during February, 1961. Expenditures amounted to \$3,101,944, an average of \$117.72 per case. These payments are exclusive of other income and resources available to the clients, such as Social Security benefits, support from absent fathers, contributions from children and other types of income in cash or kind. There were 1,770 requests for assistance, a slight drop from the peak of 1,819 experienced in January. Of the 1,542 applications processed, 1,284, or 83 per cent were approved; the balance of 258 were rejected or withdrawn.

¶ Old Age Assistance: An increase in expenditures was noted which was the result of a larger number of vendor payments for medical care. The caseload decreased by 260 cases, primarily due to transfers to the Medical Assistance for the Aged program. The caseload as of the end of the month was 12,502.

¶ Medical Assistance for the Aged: This new category approved 403 applications and closed 93 cases, an increase of 310 for the month. In addition to clients receiving institutional care, there are those who have sufficient income to be self-supporting except for personal medical needs. The 3,128 active cases received a total of \$594,931, a monthly average of \$189.04.

¶ Aid to Dependent Children: A slight increase occurred, bringing the caseload up to 4,917. This upward trend has been a factor for many years. Included in the caseload are 17,134 persons; 4,836 parents and 12,298 children. Total expenditures for this category were \$814,559.

¶ Disability Assistance: There were 104 requests approved and 124 cases closed, a net drop of 20 cases. For the most part, illness and transfers from General Relief accounted for the approved cases. Death and transfers to Medical Assistance for the Aged were responsible, in a large degree, for closings. The cost for this program was \$444,125.

¶ General Relief: Unemployment was the reason for 462 applications being approved for this category during February. Actually, there was a total of 547 cases added with 458 closed, an increase of 89. Expenditures amounted to \$157,776 paid to 2,138 active cases making an average of \$72.76.

Renewal . . .

(Continued from previous page.)

know what our problems are and to know where we need help the most.

¶ From the point of view of a local official I can say categorically that this bill will enable the federal government to become a far more effective partner in urban renewal than it has ever been before.

¶ If the Congress passes S. 1478 in more or less its present form it will certainly have discharged its responsibility in the area of urban renewal. The challenge will then lie with the executive branch to administrate this program imaginatively and with a minimum of red tape. The way in which the Housing Administrator and his team have taken hold gives me confidence that we can be sure that any legislation which you approve will get sympathetic and vigorous administration in the executive branch. The cities of our country are in far more serious trouble than most of us realize. S. 1478 will help us help ourselves and I would strongly urge you, the committee, to take favorable action on the bill at the earliest possible date.

Relocation . . .

(Continued from front page.)

whole as well as their own relocation needs.

¶ Business firms within the project area may voluntarily vacate their present quarters at any time after the date on which the Boston Redevelopment Authority condemns property in the area, and still remain eligible for the financial assistance outlined below. No business firm, however, will be required by the Boston Redevelopment Authority to move before September 1, 1961, or in less than ninety (90) days after condemnation, whichever is later.

¶ In any event, all business firms within the project area will be required by the Boston Redevelopment Authority to vacate their present quarters and leave the project area no later than June 1, 1962.

¶ Where particular properties must have vacated during the effective relocation period as outlined above,

individual business firms will be given as much notice to vacate as possible consistent with their own relocation requirements and with the requirements of the demolition program, but in no event will they be required to vacate with less than forty-five (45) days' notice. Every effort will be made by the Boston Redevelopment Authority to stage building demolition and site clearance within the project area in such a manner as to minimize dislocation and to permit as many businesses as possible to remain in their present locations until a new location is available.

Within Project Area

¶ The Boston Redevelopment Authority recognizes the fact that for many businesses relocation within the project area would be desirable. With this in mind, the Authority is attempting to determine whether there will be land remaining within the project area which can be devoted to business re-use after the primary building needs of federal, state, city, and other governmental units are satisfied. If the business re-use of land within the project area is found to be possible, priority in that use will be given to displaced businesses for (1) the acquisition of cleared sites for new business buildings and (2) the occupancy of such buildings.

Payment of Moving Expenses and Direct Property Losses

¶ Under federal law all business firms displaced by the project undertaking are entitled to a payment of up to \$3,000 for (1) reasonable and necessary moving expenses, and (2) actual direct losses of property. This payment can be made to tenants as well as to owner-occupants if the move is made after the date on which the Boston Redevelopment Authority condemns property in the project area, and upon the submission to the Authority of a receipted bill or other written evidence to establish the validity of that portion of the claim for moving expenses, and written evidence, such as appraisals, to support that portion of the claim for actual direct losses of property.

Supplementary Information

¶ When additional facts become known as business relocation surveys and project area plans are prepared and completed, the Boston Redevelopment Authority will release further policy statements.

National Water Shortage Seen

Philadelphia's Mayor Dilworth said there will be a water shortage in the United States within the next few years unless funds are provided for the construction of water facilities. The real shortage is not in water. The shortage is in water works which include the facilities needed to supply water to the consumer, plus collection, storage, transmission, treatment, pumping and distribution, he added.

TRAFFIC RULINGS

Temporary

The Traffic Commissioner on April 6 promulgated the following temporary rulings:

Whereas, If during the period of baseball games at Fenway Park, parking of vehicles were to be allowed in Van Ness street, Boston Proper, conformably to the rules and regulations of the Boston Traffic Commission otherwise operative, public safety would be endangered and public travel would be substantially impeded; and . . .

Whereas, Activities in connection with such games are to commence April 11, 1961; and

Whereas, A meeting of the Boston Traffic Commission is not scheduled to be held before the commencement of such activities; now therefore

I hereby promulgate the following rules and regulations to take effect forthwith and to be operative only until the completion of such installation or the expiration of one month from the date hereof, whichever is earlier:

During the period of baseball games at Fenway Park, parking of vehicles is prohibited in the following street:

Van Ness Street, Boston Proper.

North side, from Jersey street to Ipswich street.

For the period of underground installation of transmission line by the Edison Company, the following rules are effective when and where official signs are in place:

Vehicles are excluded from the following street:

Commonwealth Avenue, Boston Proper.

North surface roadway, from the down ramp of the underpass at Massachusetts avenue to the up ramp of the underpass at Massachusetts avenue.

Parking of vehicles is prohibited in the following street:

Commonwealth Avenue, Boston Proper and Brighton.

North roadway, north side, from Hereford street to Brighton avenue. (Date of Ruling, April 4.)

For the period of reconstruction of the streets listed, vehicles are excluded from the following streets when and where official signs are in place:

Oakcrest Road, Hyde Park.

From River street to Taunton avenue.

Cedarwood Road, West Roxbury.

From Moss Hill road to Hillcroft road.

Highfield Road, West Roxbury.

From Metropolitan avenue to Hemman street.

Hillcroft Road, West Roxbury.

From Centre street to dead end.

POLICE DEPARTMENT ORDERS

March 6.

General Order No. 882.

The Boston Retirement Board having approved the same, the following-named police officer is retired from active duty under the provisions of the State-Boston Retirement System, effective at the close of business as of Tuesday, February 28, 1961:

Patrolman John A. Sloan, Division 16.

March 7.

General Order No. 883.

A trial board, consisting of Captains John J. McArdle, William J. Taylor, and Edward F. Blake, having heard by reference a complaint made by Patrick J. O'Donnell, captain, commanding Division 2, against Patrolman Thomas P. McDonough, Division 2, charging him with violation of the rules and regulations of the Police Department, has reported a finding of guilty, recommending punishment duty of 40 hours.

This recommendation is accepted, and it is ordered that the said Patrolman Thomas P. McDonough perform 40 hours' punishment duty.

March 27.

General Order No. 884.

Leave of absence, without loss of pay, is hereby granted to employees of the department who are of the Jewish faith for the observance of the Passover starting at sundown Friday, March 31, 1961, and ending at sundown on Sunday, April 2, 1961.

March 30.

General Order No. 887.

The Boston Retirement Board having approved of same, the following-named

police officer is retired from active duty under the provisions of the State-Boston Retirement System, effective at the close of business, Friday, March 31, 1961:

Detective First Grade John J. McDermott, Detective Bureau (detailed to Division 4).

Health Department
Résumé for February

For month ending February 28, 1961

Population estimate, July, 1960, 677,626.

Number of Deaths: Residents, 650; nonresidents, 354; total, 1,004.

Deaths by Age Periods: Under one year, 74; one year to four, 14; sixty years and over, 646.

Total Deaths by Sex: Males, 595; females, 409; total, 1,004.

Hospitals and institutions, 464.

Total deaths, February, 1960, 1,329.

FEBRUARY, 1961

Infant and Maternal Mortality, February, 1961, with Comparable Figures for February, 1960.

1961—Live births, 1,903; maternal deaths, 0; infant mortality, 74.

1960—Live births, 2,066; maternal deaths, 0; infant mortality, 62.

THE INTERNATIONAL METHOD OF MORTALITY CLASSIFICATION

Each death certificate filed with the Bureau of Vital Statistics of the Boston Health Department is classified according to the International Method of the World Health Organization on mortality classification. The system of classification is outlined in the manuals of the International Classification of Diseases, Injuries, and Causes of Death. It is based on the recommendations of the seventh revision conference, 1955, and adopted by the Ninth World Health Assembly under the World Health Organization Nomenclature Regulations. The manuals are printed in Geneva, Switzerland. They consist of two volumes. One volume is an alphabetical index listing all diseases and external injuries codes. The other volume contains a more detailed listing of all the codes and their inclusions. From time to time, the World Health Organization makes suggestions to the members of their body who in turn institute the norms for all federal and municipal agencies involved. In Boston, physicians are using more care in placing the diagnosis on the death certificates. In 1960, as compared with 1959, there were less calls made by the classifier in querying about the death certificates. Where one cause of death is mentioned on the death record, there is no problem involved. It is when there are several causes that it becomes imperative for the physician to put the causes of death in the proper sequence and adhere to the standard rules of classification. The International Method fulfills the vital need for universal uniformity in mortality reporting and through categorical groups used in classification provides a means to accurately compare statistics with other health departments.

Jersey City Tax Rate Nears \$100

Jersey City, New Jersey, recently announced its annual property tax rate totaling \$99.70 for each \$1,000 of valuation.

VETERANS' SERVICES DEPARTMENT.

Expenditures for veterans' benefits for January, 1961, show an increase of \$22,769.45 in comparison with expenditures for the corresponding period of 1960.

The 1,445 cases aided during the month of January, 1961, represented a total of 3,475 individuals benefited through the facilities of the Veterans' Services Department.

There were 132 cases closed during the month of January, 1961, because of obtaining employment, having been awarded unemployment compensation, receiving social security and becoming ineligible to receive financial assistance for miscellaneous other reasons.

During the month of January, 1961, the department collected \$4,755 which represents refunds by former beneficiaries of veterans' benefits who were found to have drawn aid under circumstances which warranted its return to the City of Boston.

EDMUND F. HOHMANN, *Commissioner.*

Students Earn and Learn

Four thousand New York City high school boys and girls alternate classwork with nursing, office work, printing or department store work. The students are enrolled in the cooperative education program in operation in forty academic and vocational high schools.

The cooperation is between the schools, which teach the students useful skills, and more than 200 businesses, which give them an opportunity to exercise those skills under supervision while completing their high school education.

The students, screened for their jobs, are placed through the central office of cooperative education. They are paid for their work at the prevailing rate, and many who would otherwise quit school to work are able to earn their diplomas while earning their way.

Mortality Report

For the week ending April 8, 1961.

Population as of July, 1959, Massachusetts State Census, 677,626; number of deaths (stillbirths excluded): Residents, 177; nonresidents, 88; total, 265.

Death rate per 1,000 of population: All deaths, 20.47; nonresidents deducted, 13.47.

Death rate per 1,000 of population:

Last week, 17.24; corresponding week last year, 17.63.

Deaths by age periods, sex, etc.: Under one year, 20; one year to four years, inclusive, 4; sixty years and over, 167. Total deaths: Males, 154; females, 111; deaths in hospitals and institutions, 139.

AMENDMENTS TO ORIGINAL
AWARDS OF DAMAGES

The Mayor and Public Improvement Commission have approved the following:

That the amount of \$1,240 is awarded to James L. and Margaret E. Lynch for all damages sustained under the order of the Public Improvement Commission and Mayor of April 8, 1959, for the laying out and construction of Salman street, West Roxbury.

That the amount of \$1,395 is awarded to John J. and Jane E. Touhey for all damages sustained under the order of the Public Improvement Commission and Mayor of April 8, 1959, for the laying out and construction of Glenellen road, West Roxbury.

EXTENSION OF CONTRACTS

The Mayor has approved extension of the time limit on completion of the following contracts:

DEPARTMENT OF SCHOOL BUILDINGS.

Contract with D. Antonellis, Inc., for additions and alterations to the Roxbury Memorial High School to house the new Boston Technical High School, extended from March 1, 1961, to May 1, 1961, because the winter months prevented completion of the ground and site work.

Contract with L. & L. Building Wrecking for demolition in the Lowell School District, extended from March 16, 1961, to June 16, 1961, because one of the houses to be demolished is currently occupied.

Contract with John J. Hourihan for roofing repairs and related work at the William E. Russell School, extended from April 3, 1961, to May 3, 1961, due to inclement weather.

PUBLIC WORKS DEPARTMENT.

Contract with Baker & Co. for bituminous concrete pavement in Drury road, Poydras street, Providence street, River street, Tacoma street, Thatcher street, Walter street, and Warren avenue, extended from November 16, 1960, to November 16, 1960, due to inclement weather.

TRAFFIC DEPARTMENT.

Contract for furnishing and installing traffic control signals at three intersections in the City of Boston made with New England Traffic Signals, Inc., extended from March 17, 1961, to April 30, 1961, because the contractor did not receive one of the controllers necessary for the completion of the job.

GAS FITTING PERMITS

The Building Department has issued the following gas fitting permits for installation of appliances for the week ending April 1:

Note: Wards are indicated in parentheses (4), (16), etc., following name of street.

Item 9. 3,000 Pounds Breakfast Cocoa, Bulk (50-Pound or 100-Pound Bags or Boxes), Per Pound.—Allied Bakers Supply, Inc., 29½ cents.*

* Contract awarded.

Castings and Fittings

Furnishing iron castings and bronze fittings to the Public Works Department awarded to Mechanics Iron Foundry Company, in the amount of \$15,025.25, net.

The bids were:

Item 1:

Class A. 140,000 Pounds Common Castings, Per Pound.—E. G. Leon & Co., 12.5 cents; Mechanics Iron Foundry Company, 10 cents.*

Class B. 1,000 Pounds Heavy Castings, Per Pound.—E. G. Leon & Co., 11.5 cents; Mechanics Iron Foundry Company, 11 cents.*

Class C. 5,000 Pounds Special Castings, Per Pound.—E. G. Leon & Co., 13.5 cents; Mechanics Iron Foundry Company, 11.5 cents.*

Class D. 1,200 Pounds Catch Basin Traps and Pipe Inlets, As Per Specifications, Per Pound.—E. G. Leon & Co., 45 cents; Mechanics Iron Foundry Company, 23 cents.*

Item 2. 15 Pounds Bronze Pins, As Per Specifications, Per Pound.—E. G. Leon & Co., \$1.75; Mechanics Iron Foundry Company, \$1.10.*

Item 3. 25 Pounds Bronze Fittings, Bolts, Nuts, Etc., As Per Specifications, Per Pound.—E. G. Leon & Co., \$1.60; Mechanics Iron Foundry Company, \$1.25.*

Item 4. 15 Pounds Tobin Bronze, or Equivalent, in Tensile Strength and Ductility, As Per Specifications, Per Pound.—E. G. Leon & Co., \$1.30; Mechanics Iron Foundry Company, \$1.10.*

* Contract awarded.

DEPARTMENT OF SCHOOL BUILDINGS.

Elevator Repairs

Elevator repairs in various Boston school buildings awarded to Consolidated Elevator Company in the amount of \$3,125.

The other bid was:

Beckwith Elevator Company, Inc., \$3,179.

HEALTH DEPARTMENT.

Registry Division.

Microfilming

Microfilming and making of electrostatic prints of Birth, Marriage, and Death certificates awarded to Remington Rand Corporation in the amount of \$6,500.

Unit bids were as follows:

Remington Rand Corporation, 9.43 cents; Graphic Microfilm of New England, 9.5 cents; Zerox Reproduction Service, 10.2 cents.

PAKES AND RECREATION DEPARTMENT.

Play Area, Franklin Park

Reconstruction of play area at Franklin Park, West Roxbury, awarded to Albert C. Graglia Company, Inc., in the amount of \$16,762.50.

The other bidders were:

J. A. Sircarella Company, \$16,896.50; David J. Casey, Inc., \$18,226; Faletra Brothers, Inc., \$18,850; Moss Hill Construction Company, Inc., \$19,328.76; John J. Botti Company, Inc., \$19,988.75.

PUBLIC WORKS DEPARTMENT.

Erection of Wire Fence

Demolition of a two-story brick building and wall and the erection of a wire fence at 650 Albany street, Public Works District 1, awarded to James Scimone, in the amount of \$2,345.

The other bidders were:

U. S. Wrecking Corporation, \$2,340; Mystic Building Wrecking Company, Inc., \$3,490; Allstate Building Wrecking Company, \$5,198; George M. Byrne Company, Inc., \$5,410; New York Building Wrecking Company, Inc., bid rejected (bidder failed to put written amounts in Auditor's copy).

Emergency Repairs to Sewers and Maintenance Work

Emergency repairs to sewers and maintenance work awarded to James A. Freaney, Inc., in the amount of \$13,535.

The other bidders were:

John J. Botti Company, Inc., \$28,055; R. A. Buccella & Sons, Inc., \$31,069.

Highway Construction

Highway construction in Balina place, Birchland avenue, Birchland terrace, Braeburn road (part), Lawton street, Kittredge court, Linley terrace, Manor street (part), Matignon road, and Merola park, Public Works Districts 5, 6, 7, and 8, South Boston, West Roxbury, Dorchester, and Hyde Park, awarded to J. A. Susi & Sons, Inc., in the amount of \$92,521.70.

The other bids were:

John J. Botti Company, Inc., \$98,751; S. J. Tomasello Corporation, \$99,729.20.

Purchase of Garbage

At West Roxbury

Purchase of garbage at Gardner street, West Roxbury, for a one-year period starting April 1, 1961, and ending March 31, 1962, awarded to Kennedy Brothers, the only bidder, in the amount of \$2,500, for the one-year period.

Kennedy Brothers purchased garbage from the city from 1951 to 1953 and during that period proved to be a reliable firm, states Public Works Commissioner James W. Haley.

Purchase of Garbage

At Dorchester

Purchase of garbage at Victory road, Dorchester, for a one-year period starting April 1, 1961, and ending March 31, 1962, awarded to Kristoff Brothers, the only bidder, in the amount of \$1,500, for the one-year period.

Kristoff Brothers have been purchasing garbage from the city for the past seven years and they have proven to be a reliable firm, and we have not received one complaint due

to their operations, states Public Works Commissioner James W. Haley.

REAL PROPERTY DEPARTMENT.

Building Maintenance

Cleaning, polishing, and maintenance services at Veterans' Services Department and at Quincy Market Building, awarded to Custom Wax and Chemical Company in the amount of \$4,770.

The other bids were:

Boston Window and Floor Cleaning Company, \$7,188; Clean-Brite, Inc., \$7,267; Careful Cleaning Company, \$18,270; Aetna Window Cleaning Company, Inc., \$20,270.70.

Elevator Maintenance

Maintenance services, including certain repairs and replacements as required, and inspection services upon designated elevators in City Hall Annex, awarded to the only bidder, Consolidated Elevator Company, in the amount of \$5,232.

CONTRACTS AWARDED WITHOUT ADVERTISING

The Mayor approved the award of contracts, without advertising, based on the following communications:

ADMINISTRATIVE SERVICES DEPARTMENT.

Purchasing Division.

Office Equipment

DEAR MR. MAYOR:

This office is in receipt of a requisition from the Boston City Hospital for 108,000 Triplicate Keysort Analysis Sets. Royal McBee Corporation has submitted an informal written quotation.

Royal McBee Corporation is the sole producer of the above and owing to this fact it is my opinion that no advantage would be gained by publicly advertising for bids. Authority is therefore requested to dispense with publicly advertising and award a contract, without public advertisement, to Royal McBee Corporation. It is my opinion that the best interests of the city will be served by awarding the contract as requested.

Approximate total amount of contract will be \$2,453.12, net.

Respectfully yours,

MICHAEL A. DESIMONE,
Purchasing Agent.

ASSESSING DEPARTMENT.

Office Machinery

DEAR SIR:

The approval of your Honor is requested in order to make possible the award of a contract, without advertising, to Remington Rand, Division of Sperry Rand Corporation, substantially as follows as per contract attached:

To pay the sum of \$9,652.30 during the period from April 1, 1961, to March 31, 1962, for the maintenance of Remington Rand punched card equipment, as particularly detailed, in the best interests of the city as there is no agency, other than the Remington Rand, that can provide maintenance service on the machines purchased from them.

These machines have been owned outright by the department for many years, and this award contemplates maintenance thereon only, and no additional purchases are intended at this time.

Your approval is respectfully requested.

Very truly yours,

ADOLPH H. BRAUNES,
Assessor.

HOSPITAL DEPARTMENT.

Bus Service

DEAR MR. MAYOR:

I respectfully request your authorization to dispense with public advertising and to award a contract to the Eastern Massachusetts Street Railway Company, a Massachusetts corporation, with offices at 165 Devonshire street, Boston, Mass., providing for the furnishing of daily bus service from the rapid transit station at Fields Corner to Long Island

Hospital, Boston, Mass., commencing with April 1, 1961, and ending June 30, 1961, at a cost not in excess of \$11,000. The proposed contract will contain the same reasonable rates as they are currently charging the city for these services.

The aforementioned firm has operated this bus service since its beginning in the summer of 1951 and has performed the work efficiently and satisfactorily.

On the basis of the foregoing and as this company holds the franchise over the route and since it proposed to continue its service under the existing terms and conditions, it is my opinion that public advertising for performance of the subject bus service would be of no avail.

Respectfully yours,

BOARD OF TRUSTEES OF THE

HOSPITAL DEPARTMENT,
WILLIAM H. ELLIS, JR.,
President.

PARKS AND RECREATION DEPARTMENT.

Golf Professional's Concession,
Franklin Park Golf Course

DEAR SIR:

The three-year agreement between the City of Boston Parks and Recreation Department and Mr. Charles Malloy of 355 Belmont street, Wollaston, for the golf professional's concession and sports shop concession at the Franklin Park Golf Course terminated on February 28, 1961. This privilege includes the right to teach golf at the Franklin Park Course and to sell golfers' supplies, the income from these services to be retained by the concessionaire.

It is the custom in most cities with public golf courses to hire a golf instructor and pay him a substantial salary for his services as well as allowing him the privilege of selling golf supplies. As the City of Boston is not faced with this salary problem, we have allowed Mr. Malloy to operate the Franklin Park golf professional's concession and sports shop concession for the sum of \$25 per year.

This method of furnishing professional instruction at the golf course has worked out very satisfactorily and I believe nothing would be gained by publicly advertising for bids and that the city's best interests would be served by renewing the agreement with Mr. Malloy.

ADVERTISEMENT

THE SCHOOL COMMITTEE OF THE CITY OF BOSTON.

ADMINISTRATION BUILDING, 15 BEACON STREET,
OFFICE OF THE BUSINESS MANAGER.

PROPOSALS FOR FURNISHING SEWING SUPPLIES
FOR THE BOSTON PUBLIC SCHOOLS.

The School Committee of the City of Boston invites bids for furnishing and delivering to the Supply Room of the School Committee, sewing supplies for the Boston public schools. Proposal forms are obtainable at the office of the Business Manager of the School Committee, tenth floor, 15 Beacon street. Envelopes containing proposals must be sealed and plainly marked "Proposal for Furnishing Sewing Supplies for the Boston Public Schools." The bid must be in duplicate. One copy, signed by the bidder, and accompanied by a certified check, payable to the City of Boston, in the amount of one hundred dollars (\$100), must be left at the office of the Business Manager on or before twelve o'clock noon on Friday, April 28, 1961. Copies filed with the Business Manager will be publicly opened at twelve o'clock noon of the day stated. The other copy, also signed by the bidder, must be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for the opening of bids. The School Committee reserves the right to reject any or all bids and to accept the bid or bids which it deems best for the interests of the city. The successful bidders will be required to furnish a suitable bond or deposit of money or other security in the amount of not less than 50 per cent of the amount of the contract.

LEO J. BURKE,

Business Manager of the School Committee,
(April 15.)

Your permission is therefore respectfully requested to enter into another three-year agreement with Mr. Charles Malloy, 355 Belmont street, Wollaston, for the golf professional and sports shop privilege at the Franklin Park Golf Course, for a term of three years beginning March 1, 1961, and terminating on February 28, 1964, for the sum of \$25 per year during the term of the agreement.

Respectfully yours,

MARTIN F. WALSH,
Commissioner.

PENAL INSTITUTIONS DEPARTMENT.

Prisoner Photographs

DEAR SIR:

We are required by law to take photos of all inmates who are committed to our institution and must forward them to the Commissioner of Public Safety (chapter 69, Acts of 1941). This law took effect on June 8, 1941, and since that date it has been compulsory that we do this.

Proposals for this work for the period ending March 31, 1960, were invited by an advertisement in the *City Record* of February 21, 1959. No proposals were taken out or received.

In order not to expend additional public funds by advertising since it might be of little avail, I respectfully request your Honor's permission to award a contract, without public advertising, to Fay Foto Service, Inc., providing for the taking of photographs of persons committed to the House of Correction, Deer Island, at a unit price of two dollars and twenty-five cents (\$2.25) for each set of pictures (two each) of each person photographed. The contract shall be for a period beginning with the first day of April, 1961, and ending on the thirty-first day of March, 1962. The proposed unit price is the same as is being paid now for these prints and the total cost is not to exceed two thousand four hundred and seventy-five dollars (\$2,475).

The Fay Foto Service, Inc., is performing this service for us at the present time and has done so for a number of years in a highly satisfactory, efficient, and cooperative manner.

Furthermore, in view of the somewhat confidential nature of this work, I am of the opinion that it would, under all the circumstances, be of advantage to the city to re-engage this firm for the performance of these services.

Very truly yours,

ALBERT E. DESAULNIERS,
Penal Institutions Commissioner.

REAL PROPERTY DEPARTMENT.

Towel Service

DEAR MR. MAYOR:

Under an oral agreement with this division, the Federal National Linen Service Company, Inc., have been furnishing hand towels to all offices in City Hall and City Hall Annex. The agreement calls for delivery of approximately 1,125 towels a week.

The towel service already rendered by the above company has proven satisfactory, and in my opinion nothing could be gained by publicly advertising for bids for this type of work.

In view of the above, I respectfully request permission to issue orders to the Federal National Linen Service, Inc., in an amount not to exceed two thousand nine hundred twenty-four dollars and forty cents (\$2,924.40).

Respectfully yours,

ALBERT F. DONNELLY,
Assistant Commissioner.

TRAFFIC DEPARTMENT.

Parking Meter Mechanisms

DEAR SIR:

At a meeting of the Boston Traffic Commission held March 3, 1961, it was voted to authorize the chairman to enter into an agreement with the Michaels Art Bronze Company, Covington, Kentucky, for the purchase of 4,500 new Mi-Co parking meter mechanisms at a price of twenty-nine dollars and ninety cents (\$29.90) per mechanism, less five dollars (\$5) allowance for each old mechanism which makes a net price of twenty-four dollars and ninety cents (\$24.90) each.

The total amount of the contract will not exceed one hundred twelve thousand and fifty dollars (\$112,050).

This purchase will enable the Boston Traffic Commission to convert the present Mi-Co meters from 5 cents per hour to 10 cents per hour.

Under the terms of the agreement no cash outlay will be required. The money necessary to provide payment to the vendor will be made payable from parking meter fees received from the use of the parking meters at a rate of eleven thousand two hundred and five dollars (\$11,205) per month for a period of ten (10) months. The first payment will start thirty (30) days after the new mechanisms are completely installed.

Inasmuch as the Michaels Art Bronze Company is the only manufacturer of the Mi-Co meter mechanisms which are necessary to convert the existing Mi-Co meters to a 10-cent per hour operation no benefit would accrue to the City of Boston by publicly advertising for bids in the present transaction.

For the above reasons I respectfully request your permission to award a contract, without public advertising, to the Michaels Art Bronze Company, P. O. Box 668, Covington, Kentucky, for the purchase of 4,500 new Mi-Co parking meter mechanisms at a net unit price of twenty-four dollars and ninety cents (\$24.90) for a total contract price not to exceed one hundred twelve thousand and fifty dollars (\$112,050).

Respectfully submitted,

THOMAS J. GRIFFIN,
Traffic Commissioner.

TREASURY DEPARTMENT.

Engraving Coupon Bond Certificates

DEAR MR. MAYOR:

The Security-Columbian Banknote Company, 74 India street, Boston, Mass., and the American Bank Note Company, 150 Causeway street, Boston, Mass., have submitted bids for the engraving of 20,000 City of Boston coupon bond certificates bearing one sheet of coupons to be used in connection with the issuance of various loans.

These companies are the two largest engravers of bonds in the country, and both companies are in possession of the engraved plates to do this work.

Security-Columbian Banknote Company has submitted a bid of 27 cents each for the 20,000 certificates bearing one sheet of coupons with imprinting charges as follows:

Base charge for imprinting 1,000 blue border certificates with additional charge of 11.2 cents for each additional certificate, \$585; additional charge for each purpose, \$46.50; additional charge for each interest rate, \$46.50; additional charge for each maturity, \$2.50.

On sample illustrative loans used to determine the low bidder, the total cost to the city would be \$11,966.50.

American Bank Note Company has submitted a bid of 34 cents each for the 20,000 certificates bearing one sheet of coupons with imprinting charges as follows:

Base charge for imprinting 1,000 blue border certificates, including 1 purpose and 1 interest rate, with additional charge of 12 cents for each additional certificate, \$450; additional charge for each purpose, \$45; additional charge for each interest rate, \$45; additional charge for each maturity, \$4.

On sample illustrative loans used to determine the low bidder, the total cost to the city would be \$13,085.

These two bank note companies are the only engravers in possession of the necessary plates, and since no purpose will be served by publicly advertising, I respectfully request approval to award a contract, without advertising, to the Security-Columbian Banknote Company, the low bidder, for 20,000 City of Boston blue border coupon bond certificates bearing one sheet of coupons at a cost of \$5,400 with additional imprinting charges at the following rates:

Base charge for imprinting 1,000 blue border certificates with additional charge of 11.2 cents for each additional certificate, \$585; additional charge for each purpose, \$46.50; additional charge for each interest rate, \$46.50; additional charge for each maturity, \$2.50.

Very truly yours,

JAMES E. GILDEA,
Collector-Treasurer.

New Police Center Has Drive-In Window

In Dearborn, Michigan, the new \$1,400,000 police headquarters in the Civic Center has electrically operated doors which open and close with the touch of a lever on a remote control panel. There are 23 cells, each with a blanketed steel slab, on which the prisoner sleeps. There is a handsome lobby for the public, plus a drive-in window for paying traffic fines. A television cable makes it possible for a municipal court judge within to see and talk with the person paying the fine. In a nearby fire station, there are no dormitories, because the firemen work on eight-hour

ADDITIONS AND DEDUCTIONS IN CONTRACTS

DEPARTMENT OF SCHOOL BUILDINGS.

John F. Hynes, Inc., in connection with work at the Boston School of Business Education, has been directed to make the following additions to his contract:

Patchplaster wall where slate blackboard was removed in new eye conservation office toilet room; provide and install three toilet compartment doors in third floor of girls' toilet, for the sum of \$200.

PENAL INSTITUTIONS DEPARTMENT.

SALE OF PIGS AT THE HOUSE OF CORRECTION, DEER ISLAND, BOSTON, MASS.

SOLICITATION OF BIDS TO PURCHASE PIGS AT DEER ISLAND, BOSTON, MASS.

Sealed bids for the sale of one hundred (100) surplus pigs, weight about one hundred (100) pounds each, will be received by the Penal Institutions Commissioner, Room 805, City Hall Annex, Boston, Mass., up to 10 A.M. (Eastern Daylight Saving Time), May 1, 1961, and shall immediately thereafter be publicly opened and read aloud.

Said pigs were raised at Deer Island and may be seen there any day, except Sundays and holidays, between 8 A.M. and 4 P.M.

The conditions of sale of pigs will be as follows:

1. Bids are to be made on a basis of price per pound for the entire lot.
2. Weighing of pigs to be by a representative of the Sealer of Weights and Measures Department, City of Boston.
3. The delivery of the pigs will be made at the piggery at Deer Island.
4. Any attendant charges in connection with the sale are to be assumed by the successful bidder.
5. Terms of Sale: F.O.B. Deer Island. The sum of two hundred and fifty dollars (\$250), cash or certified check, made payable to the City of Boston, is to be deposited by each bidder together with the bid. The \$250 shall be considered as part payment for the pigs by the successful bidder. The balance, cash or certified check, made payable to the City of Boston, is to be paid on delivery of pigs after being weighed.
6. The bid deposits of all other bidders will be returned immediately following payment of balance of purchase price by the successful bidder. If the successful bidder does not pay the balance of the purchase price and remove the pigs from Deer Island not later than May 9, 1961, the bid deposit shall become the property of the City of Boston as liquidated damages. The next highest bidder will then be designated as the successful bidder by the Penal Institutions Commissioner.
7. The successful bidder will provide the transportation for the pigs from Deer Island and shall remove the pigs from Deer Island not later than 4 P.M. (Eastern Daylight Saving Time), May 9, 1961.
8. The Commissioner reserves the right to accept or reject any and all bids.

ALBERT E. DESAULNIERS,
Penal Institutions Commissioner.
(April 15.)

Cadets Check Parking Violations

Detroit police cadets are to be assigned to the parking enforcement bureau to check on meter violations, thus freeing an estimated 55 policemen for other duties. The program will be on a test basis. It was decided that this assignment would be more economical and would entail fewer administrative problems than the hiring of meter maids to check parking violations.

BOSTON TRAFFIC DEPARTMENT.

PROPOSALS FOR PAINTING PAVEMENT MARKINGS ON VARIOUS ROAD SURFACES IN THE CITY OF BOSTON, MASS.

The City of Boston, acting by the Traffic Commissioner, hereinafter referred to as the Commissioner, with offices at 112 Southamptown street, invites proposals from citizens of the United States and corporations or other legal associations wherein the controlling interest to the extent of at least over one half thereof is owned by a citizen or citizens of the United States for painting pavement markings on various road surfaces in the City of Boston, Mass. A performance bond and also a payment bond, each of a surety company satisfactory to the Commissioner and each in the sum of 100 per cent of the contract price will be required of the successful contractor. Forms of proposals may be obtained at 112 Southamptown street. Each proposal should be filled out, signed, enclosed in an envelope, sealed, marked, "Proposal for Painting Pavement Markings on Various Road Surfaces in the City of Boston, Mass.," one copy of which is to be left at 112 Southamptown street, before 12 M. (Eastern Daylight Saving Time), on Monday, May 1, 1961, with a certified check for twenty-five hundred (2,500) dollars payable to and to become the property of the city if the proposal after acceptance is not carried out. The proposals will then and there be publicly opened and read.

Proposals must be made in duplicate, the sealed duplicate, without check, to be deposited by the bidder with the City Auditor previous to the time named for opening the bids. If the unit price on any item appears to the Commissioner to be abnormally high or low, it may lead to the rejection of the proposal. The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor, at the office of the Commissioner. Before commencing performance of this contract, the contractor shall provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law so called) to all persons to be employed under this contract and shall continue such insurance in full force and effect during the term of this contract. The undersigned reserves the right to reject any or all proposals or to accept any proposal or any part of a proposal should he deem it to be for the best interest of the city so to do.

CITY OF BOSTON,
THOMAS J. GRIFFIN,
Traffic Commissioner.

Proposals for Miscellaneous Repairs to Ford Trucks.

The Commissioner of Public Works of the City of Boston, Room 511 (Contract Office), City Hall Annex, invites proposals from citizens of the United States and corporations or other legal associations wherein the controlling interest to the extent of at least over one half thereof is owned by a citizen or citizens of the United States, for miscellaneous repairs to Ford trucks. A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and each in the sum of 100 per cent of the contract price will be required of the successful contractor. Forms of proposals may be obtained at Room 511 (Contract Office), City Hall Annex. The proposal should be signed, enclosed in an envelope, sealed, marked "Proposal for Miscellaneous Repairs to Ford Trucks," and left at Room 511 (Contract Office), fifth floor, City Hall Annex, before 2 P.M. of TUESDAY, APRIL 25, 1961, with a certified check for TWO HUNDRED FIFTY (250) DOLLARS, payable to and to become the property of the city if the proposal after acceptance is not carried out. The proposal will then be publicly opened and read in the Hearing Room, 401 City Hall Annex.

Proposals must be made in duplicate, the sealed duplicate, without check, to be deposited by the bidder with the City Auditor previous to the time named for opening the bids. All proposals must be from bidders of record on file at Room 511, City Hall Annex. There will be a charge of two dollars (\$2), NOT REFUNDABLE, for each set of contract documents taken out. If the bidder neglects to bid on each and every item, it may lead to the rejection of the proposal. Before commencing performance of this contract, the Contractor shall provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law, so called) to all persons to be employed under this contract and shall continue such insurance in full force and effect during the term of this contract.

The Commissioner reserves the right to reject any and all proposals, or any item or items of the proposal should he deem it to be for the best interest of the city so to do.

DEPARTMENT OF SCHOOL BUILDINGS.

TO BUILDING WRECKING CONTRACTORS.

INVITATION FOR GENERAL BIDS FOR RAZING OF
HUGH O'BRIEN SCHOOL, 464 DUDLEY STREET,
ROXBURY, MASS.

The City of Boston, acting by the Superintendent of Construction of the Department of School Buildings, Boston, Mass., hereinafter referred to as the Awarding Authority, invites sealed general bids for razing of Hugh O'Brien School, 464 Dudley street, Roxbury, Mass.

General bids will be received up until 12 o'clock noon (Eastern Daylight Saving Time), Monday, May 1, 1961, at the office of the Awarding Authority, fourth floor, 26 Norman street, Boston, Mass., at which time and place they will be publicly opened and read.

General bids must be submitted in duplicate on forms obtained from the Awarding Authority. Each copy of the general bid shall be completely filled in, signed, inclosed in an envelope, sealed, and plainly marked with the description of the work to be done. One copy of the general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, in the sum of \$1,000. The other copy of the general bid shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded), from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, sections 26-27D, inclusive, as amended, a schedule of which appears in the specifications.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

Specifications and other contract documents may be obtained at the office of the Awarding Authority.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 per cent of the contract price, will be required of the successful general bidder.

The Awarding Authority reserves the right to waive any informalities. The Awarding Authority also reserves the right to reject any or all general bids, if it be in the public interest so to do.

GOVERNMENT CENTER FAMILY RELOCATION PROCEDURE DRAFTED

Documented proposals for relocation affecting an estimated 570 families who now occupy the present site of the Government Center were submitted on April 12 to the Boston Redevelopment Authority by Edward J. Logue, development administrator.

These proposals, drafted at the request of the Authority, are now being reviewed by the board members so that any modifications which they may suggest may be incorporated in them.

As tentatively drafted, the proposals build upon the experience of the Authority in the past and reflect its determination to carry out a careful and successful program in the future. They are the general framework; specific details will be worked out further with the cooperation of community agencies and realtors, Mr. Logue points out.

The document reads as follows, in its preliminary text:

PROPOSALS FOR RELOCATION

A. Administrative Organization

1. Name of Agency which will administer relocation operations.

The Boston Redevelopment Authority will be the sole agency responsible for the relocation of all residents displaced from the project area.

2. Description of Organization of Relocation Staff.

The staff responsible for relocation of residents from the project area will consist of:

Project Manager

Responsible for all aspects of project execution, including relocation.

Family Relocation Officer

Responsible for the relocation of all families and individuals from the project area.

Social Worker

The services of a trained and qualified social worker will be available to the relocation officer and his staff.

Field Workers

Assistants to Family Relocation Officer in carrying out relocation.

Housing Inspectors

Responsible for the standards of relocation housing.

Clerical Assistants

B. Relocation Standards

Each dwelling unit offered for relocation housing will be inspected by a trained housing inspector to establish the fact that the dwelling is decent, safe, and sanitary and that it meets the following standards:

1. Physical Standards

Sanitary, heating, cooling, and lighting facilities.

Each family shall occupy a dwelling unit which shall meet the following standards and which shall have the following facilities for the exclusive use of the family.

The dwelling unit must have:

A kitchen sink which is in good working condition and which is properly connected to the city water and sewer system.

Safe and adequate cooking facilities.

Safe and adequate heating facilities.

A room which affords privacy to a person within it and which contains a flush water closet and a lavatory basin in good working condition and properly connected to the city water and sewer system.

A room which affords privacy to a person within it and which contains a bathtub or shower in good working condition and properly connected to the city water and sewer system.

Adequate rubbish storage facilities and garbage disposal facilities.

Adequate and properly connected water heating facilities.

Every kitchen sink, lavatory basin, and bathtub or shower required as equipment for a standard dwelling unit shall be properly connected with both hot and cold water lines.

It shall be adequately lighted and ventilated.

Government Center . . .

(Continued from front page.)

2. Structural Conditions

It shall be structurally sound, in good repair, and shall be in an adequate state of maintenance.

3. Occupancy

There shall be a 150-square foot of floor space for the first occupant of a standard dwelling unit and at least 100 additional square feet of floor space for each additional occupant; floor space to be computed shall be the total habitable room area. Floor space shall be subdivided into sufficient rooms to be adequate for the family. There shall be two safe, unobstructed means of egress leading to safe and open space at ground level.

4. Standards for Displacee's Ability to Pay

The net monthly rental of the apartment, excluding the cost of electricity and gas, but including the cost of heat and water, shall not be more than 25 per cent of the family's monthly income before taxes.

The ability to purchase housing shall also be related to family income. With the use of Section 221 of the National Housing Act, and taking into consideration local financing practices, property taxes, maintenance, utility, and operating charges, the following relations of sales price to income are feasible in the Boston area:

Sales Price	Required Income Level
\$6,500-\$10,000	\$3,000-\$4,000
\$10,000-\$14,000	\$4,000-\$6,000
\$14,000 and over	\$6,000 and over

5. Location Standards

The dwelling unit offered for relocation housing shall be located:

So that the principal worker in the family can reach his place of employment within a reasonable time at a reasonable commuting expense.

In an area which meets the family's essential needs for public and commercial facilities.

The Family Relocation Officer will consult with the planning staff to ascertain areas scheduled for clearance in order to avoid insofar as possible a second future relocation of the family.

6. Temporary Relocation

Temporary relocation will be held to a minimum. It shall occur into a dwelling unit which

Contains facilities in working order.

Is in safe and habitable condition.

Is sufficiently large for the family.

If temporary relocation is made for the convenience of the Authority, the cost of the move will not be charged to the resident's allowable relocation payment. Any other temporary move

will be charged against the resident's maximum allowable Relocation Payment.

The Authority is responsible for the relocation of every resident in the Project Area.

C. Proposals for Obtaining Relocation Housing

1. Arrangements made with sources of existing private and public housing for obtaining:

Notification of vacancies

Public Housing

A relocation field worker will be designated to act as liaison between the relocation staff and the Tenant Selection Department of the Boston Housing Authority. Vacancy information obtained from the Housing Authority will be matched with the space requirements and project preferences of those families interested in and eligible for public housing.

Private Housing

Business, social, and civic groups have indicated that they will cooperate in locating available accommodations. A working arrangement for obtaining information on available housing vacancies will be set up with agencies and real estate offices. Newspaper advertisements on vacancies will be checked.

Past experience indicates that available vacancies cover a range of size and rent levels. At the time that the relocation office is notified of available vacancies, information on the size of the unit and the rent level will be requested.

Admission preferences for referred families.

Displaced eligible families will be given preference in housing units located in renewal or redevelopment projects.

Such families are also given priority in admission to public housing units.

The Special Admission Limits to public housing for families displaced by public redevelopment action are:

Family Composition	Special Admission Limits (Net Income before Exemptions)
1-2 persons	\$4,500 per annum
3-4 persons	\$4,750 per annum
5-6 persons	\$5,125 per annum
7 or more persons	\$5,500 per annum

2. Adequacy of supply of existing housing expected to become available during the displacement period.

It is estimated that 575 families will need to be relocated from the project area.

Public Housing Supply

The Boston Housing Authority is presently operating 13,837 dwelling units, 10,156 federally-aided and 3,681 state-aided. In 1960, the Boston Housing Authority had 1,882 dwellings vacated, a turnover rate of 13.6 per cent.

The Boston Housing Authority is currently planning and constructing 400 new units for the elderly; these

units will be available for occupancy in 1961 and 1962.

Private Housing Supply

The 1960 U. S. Census indicates a total of 224,690 private dwelling units in the City of Boston, of which 5.9 per cent or 13,258 are vacant. A survey undertaken by the Post Office Department under the direction of the F.H.A. in 1958 indicated a vacancy ratio of 2.5 per cent in the city. Conservatively, assuming that 2.5 per cent represents the availability of standard nonseasonal units, then approximately 5,600 units are available for private relocation housing in the City of Boston.

The City of Boston has been certified as eligible for 500 units of Section 221 housing by the H.H.F.A. Administrator.

3. Adequacy of supply of standard housing for low-income families.

It is expected that the supply of public housing which will become available in the displacement period will be sufficient to meet the requirements of low-income families.

D. Relations with Site Occupants

1. Interviews with site occupants . . .

A registered letter with request for receipts to be returned will be prepared and sent to each site occupant, whether tenant or owner, on the date of recording of eminent domain.

This letter will notify the site occupant:

that the Redevelopment Authority has acquired the property by eminent domain on said date;

of the reason for the acquisition;

of the Authority's basic objectives and policies with respect to relocation;

of the Authority's legal responsibility and obligations on relocations;

of the opening of a field office for official contacts, assistance and information, and the name of the person in charge, the address, and the hours of business;

of the availability of "Relocation Payment;"

of the rental obligations to the Authority;

of the fact that no resident in the project area has to vacate his dwelling before ninety (90) days after the taking of the property by the Authority;

of the prospective visit of a field worker for the purpose of survey and assistance.

A site occupant survey will be made by the staff field workers to obtain complete factual information, family location requirements and desires, special problems requiring social agency attention, etc., for the residential occupants; and the space requirements, rental capacity and other operational specifications or data for the nonresidential site tenants. The site occupant survey will commence as soon as possible after the acquisition of the project area and will be undertaken simultaneously with the title

searches and engineering surveys in preparation for the eminent domain taking. An unofficial preliminary site occupant survey has been conducted recently.

2. General location and approximate business hours of the Family Relocation Office.

The Relocation Office will be located in the project area. It will be open from 9 A.M. to 5 P.M., five days a week; and if it appears necessary, evening and Saturday hours will be arranged.

3. Referrals to cooperating private real estate firms and the Housing Authority.

Site occupants will be referred to private real estate firms, landlords, builders, etc., after the dwelling unit offered by a firm has been inspected and approved by a housing inspector of the Redevelopment Authority.

4. Inspection of relocation housing.

Private housing will be inspected by trained housing inspectors to see that the dwelling meets the standards specified.

All dwelling units will be inspected prior to occupancy, including, if possible, those of self-relocated families.

If the dwelling into which a family has moved itself is substandard, the Authority will make a strong effort to move the family into a standard unit.

5. Tracing of families who have left without leaving a new address.

In order to ensure that a family has moved to a suitable dwelling the Authority will undertake a reasonable search for the family. Records of the post office, telephone, and utility companies will be checked twice, two months apart. If the family cannot be located by these means, it will be dropped from the work load.

6. Assistance to prospective home buyers in obtaining mortgage financing.

A certificate of eligibility under Section 221 of the National Housing Act will be provided to prospective buyers if housing under Section 221 becomes available.

E. The Eviction Policy of the Boston Redevelopment Authority

The Authority will make all possible efforts to avoid the eviction of any family from the project area. Eviction shall occur only against site families who:

are financially able to and refuse to pay rent to the Authority;

use the premises for illegal purposes;

refuse without valid reason two or more referrals of suitable and approved accommodations;

are squatters in dwellings vacated by families who have been relocated.

Prior to eviction, the family will be offered all of the relocation services offered by the Authority. In addi-

tion, an attempt will be made to enlist the services of the appropriate community social service agency if it appears that the family requires special assistance. Finally, each case must be approved by the Executive Director or Assistant Executive Director prior to eviction.

F. Relocation Payments

All relocation payments will be made in accordance with the rules and regulations governing relocation payments, as prescribed by the H.H.F.A. in the Urban Renewal Manual, Section 16-3-1. Detailed information on the method of payment will be made available at the site office.

1. **Eligibility**
Relocation payments will be made to families, individuals, and businesses in the project area who are eligible according to the above regulations.
2. **Time Limit**
The claim for relocation payment for moving expense or direct loss of property must be filed with the Authority by the claimant within six (6) months of the time that the expense has been incurred.
3. **Method of Payment**
Relocation payments will be made to all eligible families on the following basis:

Size of unit occupied	Fixed Amount
1 room.....	\$30
2 rooms.....	42
3 rooms.....	60
4 rooms.....	72
5 rooms.....	84
6 rooms.....	96

Size of Unit Occupied	Fixed Amount
7 or more rooms.....	\$100
Single persons not owning furniture.....	5
Family not owning furniture.....	10

The Authority will pay the actual and necessary moving expenses, plus personal property losses, in lieu of the above schedule, but not to exceed \$200, if the family being relocated so desires.

G. Services to Be Provided by the Authority to:

1. **Individuals occupying separate housekeeping units.**
Individuals occupying separate housekeeping units will be provided with the same relocation services described above for families.
2. **Other individuals.**
Individuals residing in the project area but not occupying housekeeping units will be provided with the same relocation services described above for individuals occupying housekeeping units. A transient individual (one who has lived in his quarters for less than three months prior to displacement) will also be offered the Authority's relocation services; however, he will not be eligible to receive any relocation payments.
3. **Business concerns**
See supplementary sheet, the Business Relocation Policy of the Boston Redevelopment Authority.

H. Additional State or Local Relocation Requirements

There are no additional relocation requirements specified in applicable state laws or local ordinances.

Prudential Asked to Permit Progress of Center Application

The Boston Redevelopment Authority, on April 14, released the following communication:

HENRY H. MEYER, ESQUIRE,
Rackemann, Sawyer & Brewster,
53 State Street,
Boston, Mass.

DEAR MR. MEYER:

¶ At its regular meeting on April 12, 1961, Boston Redevelopment Authority voted to request that the Prudential Insurance Company withdraw its request to the Authority that action be postponed on its application for approval of the Prudential Center project.

¶ The Authority believes strongly that it is in the public interest for it to make its determination on the

present application on which the Authority has held a public hearing and received the testimony of many public officials and private citizens. The Authority expects to be in a position to make its decision in this matter on April 19, 1961.

¶ The Authority has further indicated that should the project be approved and should there be a change in the Massachusetts Turnpike making a change in the location and design of the project necessary or desirable, the Authority would accept an amendment to the application to meet the new situation.

¶ The Prudential Insurance Company has made clear to the Authority and to the community at large its insistence that the Authority's determination on the project be submitted to the Supreme Judicial Court at the earliest time, in fact

even before the summer recess of the court. It is the Authority's judgment that any legal issues which may be involved in this matter may be satisfactorily decided without final settlement of Turnpike problems. The Authority is concerned about not unnecessarily imposing upon the Supreme Judicial Court and is desirous of making a final determination on its part in order that any litigation which may result may proceed without delay.

¶ The Authority has, therefore, asked me to urge you, in the interest of expediting this project, to have your client withdraw its request for postponement.

Very truly yours,

MSGR. FRANCIS J. LALLY,
Chairman.

MAYOR REPORTS ON HIS STUDY OF THE SCHOOL BUDGET

Mayor John F. Collins, on April 18, approved an increase in the school budgetary request of \$1,769,977 over School Department expenditures in 1960.

Teacher salary increases voted by the School Committee were substantially left intact although the Mayor reduced the general school purposes budget by \$1,101,400 principally through projection of anticipated payroll savings expected to result because of resignations, retirements, etc.

Mayor's Recommendations

Following are the Mayor's recommendations:

¶ I recommend \$35,414,803 for schools, \$33,687,003 for general school purposes, \$1,636,600 for alterations and repairs, and \$91,200 for land and buildings.

¶ This approved budget (excluding the nominal allowance of \$91,200 for land and buildings to supervise new school construction) adds up to \$446 per pupil in average daily attendance.

¶ If pensions for retired school personnel, which are not included in the school budget but are part of a separate tax rate item, were added to this figure, it would climb above \$470 per pupil.

¶ This budget provides an allowance per pupil which compares very favorably with that of the large school systems of the country.

¶ According to the January, 1961, issue of *School Management*, the median figure in 1960-1961 for the top ten spenders among school districts with over 25,000 pupils was \$406.

¶ For the top ten spenders among school districts in the northeast region of the country the median figure was \$419.

Budget Is 5.2 Per Cent Over 1960

¶ This budget is \$1,769,977 or 5.2 per cent above actual expenditures in 1960. Recommended allowances for general school purposes are \$1,360,689 or 4.2 per cent above actual expenditures for these purposes in 1960. Recommended allowances for alterations and repairs

are \$406,570 above actual expenditures in 1960 for these purposes.

¶ The approved total for general school purposes is \$7.8 million or 30 per cent over actual expenditures in 1955.

¶ The increase by over \$1.3 million for general school purposes in 1961 continues the consistently upward trend shown below.

Increases in Expenditures for General School Purposes Over Previous Year's Expenditures

1961	\$1,360,689*
1960	936,224
1959	1,389,050
1958	1,456,627
1957	1,547,830
1956	1,148,560

* Based on recommended budget.

¶ The approved total for general school purposes leaves requested funds intact to make full year's payments of academic salary increases granted last year.

¶ The approved total for general school purposes leaves requested funds intact to increase the maximum for academic personnel by another \$240 as of September 1, 1961, as already voted by the School Committee.

Many Requests Left Intact

¶ The approved total for general school purposes leaves requested

funds intact to continue last year's increase to \$18 per day for temporary teachers.

¶ The approved total for general school purposes leaves requested funds intact to pay increments to all personnel not yet at maximum salaries.

¶ The approved total for general school purposes leaves requested funds intact to fill 164 vacant permanent teaching positions in high, junior high, and elementary schools designated for filling by September 1, 1961.

¶ The approved total for general school purposes leaves requested funds intact to make full year's payments of salary increases to non-academic employees granted in the closing days of 1960.

¶ The approved total for general school purposes leaves requested funds intact to enter into the \$150,000 matching funds program under Title III of the National Defense Education Act as recommended by the Superintendent of Schools.

¶ The approved total for general school purposes leaves requested funds intact for instructional supplies (per capita) in the high, junior high, and elementary schools amounting to over \$650,000 for 1961 despite the fact that the School Committee transferred almost \$100,000 from these purposes late in 1960 to finance salary increases

CITY RECORD

STREET AGENCIES.

Old South News Stand, Old South entrance to subway. Also News Stand, first floor, City Hall Annex.

Advertising.

A rate of \$4 per inch of 12 lines (set solid) has been established for such advertisements as under the law must be printed in the City Record. Advertising and other copy must be in hand by 5 P.M. Wednesday of each week to insure its publication in the Saturday issue.

Merger of Health Services

¶ I urge the School Committee to approve the merger of school health services as recommended by Health Commissioner. The \$300,000 which should be transferred from the School Committee budget to the Health Department budget to effect the transfer as of August 1 has not been included in my recommended reductions. It should be treated as a separate transaction.

¶ I have fortified the School Committee's desire to cooperate in our no-hire, no-fire policy for non-academic employees by eliminating funds to fill unneeded new non-

academic positions and to fill existing vacancies in nonacademic positions which can remain unfilled.

¶ I have taken over \$500,000 in slack out of salary budget requests by careful figuring of requirements based on payroll expenditures to date.

School Consolidation

¶ I urge acceleration of school consolidation to transfer school children from under-used old and obsolete schools to better school buildings. I shall not approve contracts for major repairs of schools where consolidation is indicated unless consolidation is effected, *i.e.*, Eliot with Michelangelo.

¶ The recommended allowance of \$1,636,600 for alterations and repairs plus the recommended allowance of \$110,380 for replacement of equipment in the general school purposes budget provides a total of \$1,746,980 for maintenance of plant. This is equivalent to \$22 per pupil in average daily attendance. It compares favorably with the median figure of \$21.80 per pupil for maintenance of plant for the top ten spenders among school districts with over 25,000 pupils. It compares favorably with the median figure of \$15.63 per pupil for the top ten spenders among school districts in the northeast region of the country.

Maintenance Supervision

¶ The over-all budget for maintenance is not out of line. What is out of line is the fact that over 20 per cent of the school maintenance budget goes for expense of administration, supervision, and inspection, rather than for productive maintenance activity.

¶ The recommended allowance of \$91,200 for land and buildings provides what is needed to supervise new school construction. Now under construction are several new schools which are being financed from the remaining \$5 million in bond authorizations.

¶ Additional funds for new schools will not be needed until 1962. By that time, our future needs for new schools coordinated carefully with the city's urban renewal program will have been determined through a new study now being planned.

Fin. Com. Critical of Assessing Dept. Reorganization Plan

April 14, 1961.

To the Honorable the City Council.

The Finance Commission of the City of Boston wishes to express its views with respect to the proposed ordinance under consideration which looks to a reorganization of the Assessing Department.

The Commission supports the several provisions of the ordinance with the exception of the provision which relates to the Board of Review. The specific element in this provision which appears questionable is that the Board of Review is to:

"Report to the Commissioner of Assessing its findings and recommendations . . . including such suggestion for settlement . . . the Board may think proper." (It appears that the Commissioner has final authority.)

Weakens Review Board

This appears to be a departure from the pattern recommended in the Reeves report which was published by the Finance Commission in 1948, and submitted to the Mayor and Council. The author of that report specified a Board of Review enjoying an independent status. In fact, he suggested that the composition of such an independent board be representatives of the areas of law, realty, and construction.

The proposed ordinance has the Board report to the Commissioner of Assessing; this obviously weakens the independent character of the Board of Review.

The survey group which has been studying the operations of the Assessing Department has come up with an impressive chart of reorganization which emphasizes internal control. The provisions of this chart, however, below the level of associate commissioner, are not spelled out in the proposed ordinance. The nearest reference to a basis for such internal reorganization is that part of the ordinance which provides that:

"Said Board shall divide the Assessing Department from time to time into a real estate ap-

praisal division, a statistical research division, and such other divisions as said Board shall adjudge necessary for the proper conduct of the department."

As a matter of fact, the internal organization below the level of associate commissioner could apparently be done under the existing ordinance.

Several Shortcomings

There are several shortcomings of the proposed ordinance with respect to the Board of Review contemplated by that ordinance.

(1) It is important that a Board of Review have an independent status as a means of reducing the workload of cases pending before the Appellate Tax Board. As of December 31, 1960, there were 9,700 Boston cases pending before the Appellate Tax Board.

(2) If the taxpayer is denied an independent review board, his redress must lie in the expensive and lengthy process of the Appellate Tax Board proceedings.

(3) The presence of the Director of Research and Standards on the Board of Review, as proposed in the ordinance, raises a dilemma. The Division of Research and Standards was finally established as an important progressive step in assessing administration. It would seem that the full time and attention of the Director would be needed in this important work. If he is also required to meet the heavy demand on his time imposed by membership on the Board of Review, obviously the Division of Research and Standards must suffer.

The principal question raised by the Finance Commission in examining the proposed ordinance, relates to the Board of Review.

Respectfully submitted,

EDWARD W. BROOKE, *Chairman*,
ROGER J. ABIZAID, M.D.,
MAXWELL B. GROSSMAN,
ANTHONY J. YOUNG,
JOSEPH P. McNAMARA,

The Finance Commission.

THOMAS J. MURPHY,
Executive Secretary.

HEALTH DEPARTMENT ANNOUNCES ORAL POLIO CLINIC SCHEDULE

Dr. F. Robert Freckleton, Boston's Health Commissioner, announced on April 18 the schedule for Boston's oral polio vaccine clinics to be held the week of April 24. "About 3,000 Boston residents between the ages of 7 months and 40 years will have an opportunity to get the oral vaccine," said Dr. Freckleton. The vaccine will be given by mouth, in three doses, one month apart. One dose is given for each of the three types of polio virus, Types I, II, and III. Laboratory tests will be necessary. Study of these tests will reveal whether or not a person is immune to the different polio viruses.

The Health Commissioner issued the following facts with respect to oral polio vaccine:

Fact Sheet

IS POLIO ALWAYS CAUSED BY THE SAME VIRUS?

There are three different known strains of polio virus which cause poliomyelitis. In order to be protected against polio, an individual must be protected against all three strains.

WHAT IS THE ORAL VACCINE?

It is a live virus vaccine which has been modified (weakened) for the purpose of producing immunity without producing clinical illness. (It is like smallpox vaccine which is also a live virus.)

WHAT IS THE DIFFERENCE BETWEEN SABIN ORAL VACCINE AND THE SALK VACCINE?

The Salk vaccine is produced from a dead virus and the three strains are combined, but three shots must be given. With Sabin oral vaccine, each strain is given separately by mouth, a month apart. Thus, greater immunity can be acquired more quickly against Types I, II, and III of the polio viruses.

IS THE SABIN ORAL VACCINE SAFE?

The vaccine to be used has been safely given to over 60 million people in Russia, Mexico, Czechoslo-

vakia, and Yugoslavia. Several hundred thousand doses have been given in the United States so far, with satisfactory results.

HOW EFFECTIVE IS THE SABIN ORAL VACCINE?

Because the oral vaccine produces an intestinal barrier against infection in 90 per cent of those who receive it, it is expected that the vaccine will be more effective than any presently available.

HOW WILL IMMUNITY TO POLIO BE TESTED?

Those receiving oral vaccine will be asked to consent to the taking of blood samples and rectal swabs. Study of these samples will tell whether or not a person is immune to the different polio viruses. These expensive laboratory tests are available free to those who receive oral vaccine. A report on the level of your immunity, as determined by these tests, will be given to you or to your doctor.

SHOULD YOU HAVE ORAL VACCINE IF YOU HAVE ALREADY HAD SALK VACCINE?

Yes, it is wise to take the oral vaccine. It should increase your protection.

HOW IS IT GIVEN?

A measured dose of vaccine is mixed with distilled water. The three doses are given by mouth, a month apart.

WHO MAY GET THE ORAL VACCINE?

About 3,000 Boston residents, between the ages of 7 months and 40 years, who volunteer will receive the oral polio vaccine without charge from the Boston Health Department. We hope parents as well as children will take advantage of this opportunity for full family polio protection.

MAYOR URGES SUPPORT OF COMBINED JEWISH APPEAL

The Mayor, on April 14, sent the following communication to all department heads:

¶ The 1961 Combined Jewish Appeal is now in progress. It has my sincere personal support and that of the City of Boston. Money raised in this campaign will aid those in need right here in our own community.

¶ In order that employees of the City of Boston may have the opportunity to contribute to this important philanthropic campaign, I should appreciate your appointing a captain from your department to cooperate with Mr. John P. McMorro and Mr. Elmer C. Foster, whom I have designated as chairman of city employees for this purpose.

¶ Please send the name of your designee as soon as possible to Mr. Foster at the Department of Citizens' Relations in the Mayor's Office.

FANEUIL HALL UNDERGOES EXTERIOR REFURBISHING

The long neglected repainting of Boston's historic Faneuil Hall is under way, and should be completed within a month, according to Col. Paul Hines, of the Mayor's staff.

Financed by funds being contributed by Mayor John F. Collins and members of the Greater Boston Chamber of Commerce the complete job is expected to cost \$10,000, of which \$6,500 has already been raised, Colonel Hines, the Mayor's coordinator of the project, said. Patrick B. McGinnis, chairman of the Faneuil Hall Commission, is in charge of the money-raising campaign.

The marquee, its supporting columns, window trim, and entrances are to be redecorated first, followed by the upper portions, including the steeple and dome, which will receive a layer of 23-carat gold leaf, Col. Hines said.

Considerable improvements to the exterior of the ground floor had been made by the City of Boston Parks, Public Works, and Public Buildings Departments.

Walls Sandblasted

Walls were sandblasted, many abandoned fixtures and wires were removed, the exterior lighting system was repaired, the marquee was patched, leaking gutters and pipes were repaired, and holes in the sidewalks were filled, according to the Faneuil Hall Rehabilitation Committee.

These repairs, together with the current repainting job, are only temporary, however, the committee says. To be properly preserved, the structure should be renovated from cellar to roof, according to studies by the Faneuil Hall Commission, the Boston Underwriters, and other building experts. Total cost of repairs and redecoration would amount to about \$500,000, they estimated.

Recently Representative Torbert H. Macdonald (D) of Massachusetts, petitioned the Federal Historic Shrines Commission to designate the hall a national historic shrine, Colonel Hines said. Should this be approved, the federal gov-

ernment would probably take over, renovate, and maintain the site, he stated.

A report submitted to Congress by the Boston National Historic Sites Commission recently suggested that a cooperative agreement be worked out between the federal government and the City of Boston to take care of Faneuil Hall adequately.

FIRE DEPARTMENT ORDERS
General Order No. 16.
April 18.

I. RETIREMENTS.

The following retirements, in accordance with sections 7 and 94 of chapter

Mortality Report
For the week ending April 15, 1961.

Population as of July, 1960, Massachusetts Fed. Census, 697,170; number of deaths (stillbirths excluded): Residents, 157; nonresidents, 92; total, 249.

Death rate per 1,000 of population: All deaths, 18.85; nonresidents deducted, 11.52.

Death rate per 1,000 of population: Last week, 20.47; corresponding week last year, 18.64.

Deaths by age periods, sex, etc. Under one year, 15; one year to four years' inclusive, 3; sixty years and over, 164. Total deaths: Males, 138; females, 111; deaths in hospitals and institutions, 194.

REPORTABLE DISEASES: CASES AND DEATHS.*

*Residents and nonresidents included.

32, General Laws, as amended, which will become effective at 8 A.M., Monday, May 1, 1961, are hereby announced:

District Fire Chief Henry W. Shafer, 640 Huntington avenue, Boston, of District 3.

Fire Lieutenant Charles M. Flynn, 118 Wrentham street, Dorchester, of Fire Prevention Division.

The following retirement in accordance with chapter 521, Acts of 1922, and section 94 of chapter 32, General Laws, as amended, which will become effective at 8 A.M., Monday, May 1, 1961, is hereby announced:

Fire Fighter John M. Maguire, 18 Pratt street, Allston, Ladder Company 14.

District Fire Chief Shafer was appointed to the department on May 31, 1929. He was promoted to the grade of fire lieutenant on October 16, 1940, to fire captain on September 26, 1945, and to district fire chief on September 17, 1947. Fire Lieutenant Flynn was appointed on February 1, 1924, and was promoted to fire lieutenant on February 2, 1944. Fire Fighter Maguire was appointed June 11, 1941.

All the foregoing-named members leave the department with the best wishes of their associates.

II. ASSIGNMENT OF FIRE FIGHTER TO ENGINEER, MOTOR SQUAD.

The following assignment, which will become effective at 8 A.M., Wednesday, April 19, 1961, is hereby announced:

Fire Fighter John T. Moran, Maintenance Division, to fire fighter (engineer) Motor Squad.

III. FIRE ALARM BOX DISCONTINUED.

The following fire alarm box has been removed from service and discontinued permanently:

12-3175, Miner Home, 40 Mill street. Company commanders will delete the above box from assignment card for Box 3175 and also delete this box from circuit card No. 39.

IV. BOSTON AUTOMATIC ASSIGNMENT.

Company commanders shall add the following signal number to running cards of the Boston Automatic Company in this department:

Signal 461, 452-462 Boylston street. (Sprinkler.) Apparatus to respond: Engine 33, Ladder 15, District Chief 4. Nearest box is 1535.

V. COMBINED JEWISH APPEAL.

His Honor, Mayor John F. Collins, has asked that all city employees contribute to the Combined Jewish Appeal now in progress as this cause is a worthy one and gives assistance to many people and organizations each year.

Fire Fighter Simon Escott of Engine Squad 18 has been designated as department captain and will accept donations from any members who desire to contribute on Wednesday of each week

at Fire Headquarters between the hours of 11.30 A.M. and 12.30 P.M., and he will also canvass the various firehouses for collection purposes until Friday, May 19, 1961.

VI. TRANSFERS.

The following transfers will become effective at 8 A.M., Wednesday, April 19, 1961:

District Fire Chief Clarence X. Frost, from Districts 5 and 11 to District 11.

District Fire Chief Emilio F. Marino, from Special Service Unit to Districts 5 and 11.

District Fire Chief Michael L. Galvin, from Engine 4 to Special Service Unit.

District Fire Chief Charles G. Robertson, from Ladder 20 to Special Service Unit.

District Fire Chief William L. Kilduff, from Engine 7 to Special Service Unit.

Fire Captain William R. Lovett, from Engine Squad 11 to Ladder 20.

Fire Captain Max Kneller, from Engine 36 to Engine 4.

Fire Captain Charles F. Griffin, from Headquarters to Engine 7.

Fire Captain James M. Finn, from Engine Squad 14 to Engine 36.

Fire Captain Leo D. Stapleton, from Ladder 13 to Headquarters.

Fire Captain James A. Donovan, from Ladder 23 to Engine Squad 11.

Fire Lieutenant Robert J. Shaughnessy, from Engine 10 to Ladder 13.

Fire Lieutenant Paul L. Saulnier, from Ladder 16 to Engine 2.

Fire Lieutenant Gerald P. Hart, from Engine 50 to Ladder 21.

Fire Lieutenant Richard R. Thompson, from Engine 34 to Engine Squad 29.

Fire Lieutenant Robert A. Doyle, from Ladder 10 to Engine Squad 14.

Fire Fighter Robert C. Merritt, from Ladder 22 to Ladder 11.

Fire Fighter Robert P. Hobin, from Ladder 8 to Ladder 20.

Fire Fighter James F. O'Brien, from Ladder 1 to Engine 49.

Fire Fighter James M. Kenealy, from Engine 24 to Engine 48.

Fire Fighter Peter T. Anastasia, from Engine 5 to Engine Squad 11.

Fire Fighter Anthony P. Menno, from Engine 49 to Fire Prevention.

Fire Fighter Edward M. McGuire, from Engine 2 to Engine 1.

Fire Fighter Arthur Ceurvels, from Ladder 3 to Headquarters.

VII. HIGH COMMENDATION.

At 2 P.M., March 13, 1961, the department responded to an alarm from Box 2255 for a fire at 14 and 16 Linwood street, Roxbury, a three-story duplex dwelling for which two alarms were sounded.

The fire originated in the first floor bedroom, in left rear section at 16 Linwood street, and extended therefrom to a rear hallway involving the entire rear stairway and further extended to involve another bedroom, kitchen, and front hall before discovery. Upon arrival of the

department, the fire had extended outside the building to rear piazzas and it engulfed the same. It had also extended into the interior to involve practically the whole rear section of the building as well as the first, second, and third floors at 14 Linwood street.

Engine Company 12 was ordered to run their big line to the first floor and upon entering the front door the members noticed a door to the right of the main stair hall from which intense heat and smoke were issuing. Upon entering this door on hands and knees, it was found that a long hallway extended to their left, and to the rear of the building. The fire at this time was overhead in the interior hallway and the room at the end of the hall was totally involved in fire. Members of Engine 12 operated on the overhead fire in the hallway and advanced their line toward the rear room which was completely on fire.

Fire Captain Thomas P. Maguire, 49 Ardale street, West Roxbury, and Fire Fighter Leonard A. D'Amico of 330 Massachusetts avenue, Roxbury, of Engine Company 12, proceeded to investigate the rooms to the right of the hallway, to ventilate and also to search for occupants. In a bedroom leading off the parlor, Fire Fighter D'Amico found an unconscious child on the floor, removed it to the street, and placed the child in an ambulance of the Boston Police Department.

Fire Captain Maguire continued the search in the same bedroom and came across two unconscious children on the floor and removed them to the street where they were turned over to the Police Department and a resuscitation squad. At this time Captain Maguire was informed that there might be two more children in the building. Although he was in a weakened condition due to bodily punishment he had received, he again entered the bedroom under more severe conditions than prevailed at the first rescue, and found two more children, one on the floor and another on a chair and brought them to the street.

Because of the fact that the foregoing rescue work was performed by Fire Captain Maguire and Fire Fighter D'Amico without any thought of their own safety and under severe fire conditions, and because it appears that all the children would have died had they not been removed from the building (three of them survived), the Fire Commissioner is pleased to highly commend Fire Captain Thomas P. Maguire and Fire Fighter Leonard A. D'Amico and their cases are referred to the Board of Merit for further consideration.

WATER SUPPLY

Akron has been spending \$4,000 a year for the hauling of city water by tank truck for use by employees in the municipal sewage treatment plant two miles away. The city plant lost its own water supply when a well failed more than a year ago. Water supplied by a private hauler comes from a hydrant in Akron.

POLICE DEPARTMENT ORDERS

March 3.

General Order No. 881.

The Department of Civil Service and Registration will hold an examination for promotion to the grade of lieutenant in the Boston Police Department, according to the following notice received at this office.

This examination will be held on Saturday, May 6, 1961, and is open to the persons in the Boston Police Department, who have been employed in the grade of permanent police sergeant, after certification, for at least one year prior to the date of examination.

MASSACHUSETTS CIVIL SERVICE EXAMINATION FOR PROMOTION TO POLICE LIEUTENANT, BOSTON POLICE DEPARTMENT, MAY 6, 1961.

1. Salary: \$6,960 a year.

2. Vacancies: From time to time.

3. Eligibility: This examination is open to the permanent police sergeants in the Boston Police Department, who have been employed in this grade, after certification, for at least one year* prior to the date of examination.

*Including periods, if any, during which the applicant was temporarily or provisionally promoted therefrom as provided in section 15F of chapter 31 of the General Laws.

4. Duties: The regular duties of a police lieutenant.

5. Subjects and Weights: Experience, 3; report, 2; practical questions, 10; total 15.

6. Passing Requirements: Applicants must obtain at least 70 per cent in each subject in order to become eligible.

7. Applications: Application blanks may be obtained from the office of Mr. Leo J. Sullivan, Police Commissioner, 154 Berkeley street, Boston. When completed, applications should be sent to the Division of Civil Service, Room 148, State House, Boston. Applications must be placed on file not later than Monday, April 17, 1961.

8. Military Absentees: Under the provisions of chapter 708 of the Acts of 1941, as amended, persons unable to compete in a competitive promotional examination because of absence in military or naval service may be given a qualifying promotional examination if request in writing is made within six months after the termination of such service.

9. Applicants will be notified of the time and place of examination.

THOMAS J. GREEHAN,
Director of Civil Service.

It will be noted particularly that applications, when completed, are to be returned to the Division of Civil Service not later than Monday, April 17, 1961.

Commanding officers will promulgate this order not only by reading it at roll call, but by posting a copy thereof in a conspicuous and accessible place in each station house, where it may be

easily read, and it shall remain posted until after the date of examination.

Commanding officers will secure a fresh copy from the superintendent's office if the posted copy becomes mutilated or destroyed.

March 28.

General Order No. 886.

The Boston Retirement Board having approved the same, the following-named police officers are retired from active duty under the provisions of the State-Boston Retirement System, effective at the close of business Friday, March 31, 1961:

Patrolman Harold L. Bean, Division 13.

Patrolman Timothy F. Egan, Division 18.

Patrolman William H. Miles, Division 6.

Patrolman John F. Sweeny, Division 15.

April 5.

General Order No. 888.

Patrolmen John E. Doran, Joseph Cimino, Leo J. Gulinello, and Edward J. Silva, Division 11, are hereby commended for meritorious police duty.

About 10.10 p.m., Saturday, March 4, 1961, a young girl, 14 years of age, en route to her home by the MTA, after attending a band rehearsal at the East Newton Street Armory, alighted from the Rapid Transit train at Columbia Station, Dorchester, and when walking in Sydney street in the direction of Crescent avenue, she was confronted by an unknown white male who asked her the time and when she replied, he punched her on the right side of the face knocking her to the ground and breaking her glasses.

The assailant then helped her to her feet and threatened to slash her face with a knife if she made an outcry. He then forced the child to accompany him to a vacant lot nearby where he compelled her to enter a parked panel truck and forcibly attacked her twice.

After this vicious assault, he engaged her in conversation and told her his name was Bruce and, at times, was also known as "Lefty." She stated he appeared to be apologetic for perpetrating this vicious assault and then compelled her to accompany him to the Sydney Street entrance of the Columbia MTA Station where he disappeared. The girl then ran to her home arriving about 11.30 p.m., at which time the police were notified and she was removed to the Boston City Hospital. The punch on the right side of the girl's face broke the skin and was bleeding, which, she stated, was caused by an onyx ring with a diamond in the center worn by her assailant.

As the result of this vicious and atrocious attack, Patrolmen Doran, Cimino, Gulinello, and Silva, assigned to plain-clothes duty at night, worked without

regard to hours in the questioning of numerous suspects in an endeavor to bring about the prompt arrest of the criminal. The victim was taken to the Identification Section at Police Headquarters to view pictures of known sex offenders, as well as to State Police Headquarters, without result. A freehand drawing of the facial features from the description given by the girl was made by Patrolman Gulinello, but she could not be sure of identification. The youngster was then taken to the Boston Globe newspaper offices where a Mr. Denver, city editor, assigned two artists to make drawings and she selected three, one by each of the two artists and the one made by Patrolman Gulinello.

These drawings firmly entrenched in the minds of the above-mentioned officers the face of a person originally suspected of this crime, but because of the age bracket in which the victim had placed the perpetrator, about 36-37 years, the officers wanted to make certain the man they had in mind, 21 years of age, was the one responsible. This subject had been arrested for assault with intent to rob an older woman which had been perpetrated at this same location in December of 1960, but the victim in the case refused to prosecute.

A picture of the subject, Bruce A. Tessier, 21 years, married, of 10 Newport street, Dorchester, was obtained and the 14-year-old girl identified him as the man who had attacked her.

On Tuesday, March 7, 1961, Sergeant Detective Mark E. Madden and Detective Edward Murphy arrested the suspect, a lineup was conducted in the Guard Room of Division 11 and the youngster positively identified Bruce Tessier as her assailant.

On Wednesday, March 8, 1961, Tessier was arraigned in Dorchester Municipal Court and the case was continued, at the request of the defendant, to March 22, 1961, and then to March 29, 1961. He was held in \$10,000 bail.

On Wednesday, March 29, 1961, Bruce Tessier appeared before Judge William G. Lynch in the Dorchester Municipal Court, probable cause was found and he was held in \$10,000 for the grand jury.

The Acting Police Commissioner is pleased to recognize the devotion to duty, tireless efforts, and excellent police investigative work of Patrolmen Doran, Cimino, Gulinello, and Silva in this case, who by their perseverance and ability to remember the modus operandi of certain criminals, took into custody a loathsome individual who would have continued his nefarious crimes against young girls and women, if not apprehended.

April 10.

General Order No. 889.

The resignation of Patrolman Joseph T. Graham of Division 14 having been presented, it is hereby accepted, to take effect on Monday, April 17, 1961, at 7.45 o'clock a.m.

April 13.

General Order No. 890.

Sergeant Salvatore J. Ingenere and Patrolmen Fred P. Speranzo and Charles A. McManus, Division 9, are hereby commended for meritorious police duty and each is granted three days' additional vacation.

At about 9.08 p.m., December 26, 1960, the 9-R Radio Car with Patrol Supervisor Sergeant Paul M. Ryan, Patrolmen Luciano L. Bellante and William J. Keane was sent by the dispatcher to 6 Ingleside street, Roxbury, to investigate a stabbing. On arrival, these officers found lying in the second floor hallway of that address, bleeding very badly from the chest and abdomen, one Eugenia Burgo, 21 years, single, of 338C Maxfield street, New Bedford, Mass.

The victim informed the officers that at about 9 p.m., on that date, December 26, 1960, while walking in Ingleside street and when about to enter No. 6 to visit friends, she was accosted by an unknown boy who was walking toward her from the opposite direction and whom she described as 17 to 20 years of age, 5 feet 4 inches, wearing a three-quarter length gray car coat. She stated this boy purposely bumped into her and said, "Excuse me," after which he then stabbed her several times in the chest and abdomen with some unknown instrument, snatched her black leather handbag containing a gentleman's Hamilton white gold wrist watch, a small sum of money, and ran away toward Dacia street. After being stabbed, she entered No. 6 Ingleside street where she collapsed on the second floor landing.

Eugenia Burgo was removed from the scene to the Boston City Hospital in the 900 ambulance by Patrolmen Peter J. Campino and Robert W. McEldowney where she was found to have four distinct stab wounds in the chest and abdomen, one of which had penetrated through the entire abdomen. She was placed on the danger list and an emergency surgery was performed.

On this same date, December 26, 1960, Sergeant Salvatore J. Ingenere, Patrolmen Fred P. Speranzo and Charles A. McManus of Division 9, who perform night plain-clothes duty, were assigned to continue the investigation of this brutal robbery in an effort to learn the identity and cause the arrest of the perpetrator. They worked beyond their regular tours of duty making inquiries of residents and business people in the area where this crime was committed and questioning all possible suspects. These officers then centered their investigation on Wayland street, Roxbury, which is located a short distance from the scene of this crime.

The day following, December 27, 1960, at about 10 p.m., they observed a suspect later identified as Judge McCall, alias Judge Mitchell, 16 years of age, leaving his home at 68 Wayland street, wearing a gray car coat and answering the de-

scription given by the victim. He was questioned and taken to Division 9 where he was booked for being a delinquent by reason of armed robbery, after which he was then conveyed to the bedside of the victim, Eugenia Burgo, at the Boston City Hospital, where she made positive identification stating, "This is the boy who stabbed me." The following morning, December 28, 1960, Sergeant Ingenere together with Lieutenant-Detective John J. Donovan and stenographer Thomas Burke of the Homicide Unit, again took this prisoner, Judge McCall, to her bedside where she again made positive identification.

On December 28, 1960, Sergeant Ingenere and Patrolmen Speranzo and McManus made complaints against this subject in the Roxbury Municipal Court for being a delinquent by reason of armed robbery and assault and battery by means of a dangerous weapon upon Eugenia Burgo. He was arraigned before Judge Charles I. Taylor, his case was continued to January 19, 1961, and he was held in \$20,000 bail. Being unable to raise bail, he was ordered committed to the Charles Street Jail.

On January 19, 1961, this defendant was tried in the Roxbury Juvenile Court before Judge Charles I. Taylor on these charges where he was found guilty and sentenced to the Youth Service Board. He appealed the finding and was held in \$20,000 bail for his appearance in Suffolk Superior Court.

On March 15, 1961, the subject, Judge McCall, alias Judge Mitchell, was tried in the Juvenile Session of Suffolk Superior Court before Judge Jesse P. Morton, found guilty and committed to the Youth Service Board.

The Police Commissioner is pleased to recognize the outstanding work performed by Sergeant Ingenere and Patrolmen Speranzo and McManus in this case, who by their persistent and thorough investigation, without regard to hours, accomplished the apprehension of the person responsible for this vicious crime.

IMPROVEMENTS VOTED

The Mayor and Public Improvement Commission have approved the following:

Specific Repairs, River Street

That this commission, having passed the order of notice relating to the public improvement hereinafter described, and having caused a copy of said order to be published February 4 and February 7, 1961, in the *Boston American* and the *Boston Herald*, two daily newspapers published in the City of Boston, and having given the public hearing, notice of which was given in said order, and being of the opinion that public necessity and convenience require, does hereby order that specific repairs be made in River street (Logan square), Hyde Park district, at Fairmount avenue, con-

sisting of alterations in the proposed traffic islands, as shown on a plan marked "City of Boston, Fairmount Avenue-River Street, Hyde Park, November 16, 1959, James W. Haley, Division Engineer, Survey Division, Public Works Department," amended February 13, 1961, and on file in the office of said department.

LAND-TAKING HEARINGS

The Mayor and Public Improvement Commission have approved the following:

Land For Library

Ordered, That due notice be given that this commission is of the opinion that public necessity requires the taking of the following parcels of land, for library purposes, situated in the Boston Proper district:

Southeasterly by Blagden street; southwesterly by land supposed to belong to the City of Boston; northeasterly by person or persons unknown (known as Alley No. 447), and northeasterly by land supposed to belong to the City of Boston, containing approximately 2,150 square feet; a parcel of land supposed to belong to person or persons unknown (known as Alley No. 447), from Exeter street approximately 270 feet northeasterly, containing approximately 6,600 square feet; substantially as shown on a plan in the office of this commission, that it intends to pass an order for making said taking, and that it appoints eleven o'clock A.M. of Wednesday, March 29, 1961, and the office of this commission, 401 City Hall Annex, as the time and place for the public hearing in the matter.

Land For Fire Station

Ordered, That due notice be given that this commission is of the opinion that public necessity requires the taking of a parcel of land, for Fire Department purposes, situated in the Boston Proper district, and bounded as follows:

Southwesterly by Cambridge street, northwesterly by land supposed to belong to New England Telephone & Telegraph Company; northeasterly by land of the City of Boston; again northeasterly by land supposed to belong to Bowdoin Amusement Company, Inc.; southeasterly by land supposed to belong to Fitzgerald Investment Trust; again southeasterly by Alden court; and again southeasterly by land supposed to belong to John B. Ciampa, containing approximately 14,000 square feet, more or less; substantially as shown on a plan in the office of this commission, that it intends to pass an order for making said taking, and that it appoints ten-thirty o'clock A.M. of Wednesday, March 29, 1961, and the office of this commission, 401 City Hall Annex, as the time and place for the public hearing in the matter.

FLORENCE ST. WIDENING

West Roxbury

The Mayor and Public Improvement Commission have approved the widening and construction of Florence street, West Roxbury district, on the northerly side, at a point approximately 100 feet west of Cummins Highway.

The project is described as follows:

The highway named Florence street is hereby widened on the northerly side at a point approximately 100 feet west of Cummins Highway, and ordered constructed.

For the making of the aforesaid improvement an easement for street purposes is hereby taken in the following-described land, exclusive of trees, shrubs, or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to Rocco P. and Phyllis Sperazzo, bounded:

Southerly by the northerly line of Florence street as it existed prior to this order, thirty-four and 30-100 feet; westerly by land hereinafter described as taken from Matthew and Margaret Welby, five and 64-100 feet, and northerly by the northerly line of Florence street as widened under this order, thirty-four and 73-100 feet on a curve of one hundred five and 99-100 feet radius, containing sixty-four square feet, more or less.

A parcel of land, supposed to belong to Matthew and Margaret Welby, bounded:

Easterly by land hereinbefore described as taken from Rocco P. and Phyllis Sperazzo, five and 64-100 feet; southerly by the northerly line of Florence street as it existed prior to this order, by two measurements, 70-100 feet, and thirty-five and 00-100 feet, and northerly by the northerly line of Florence street as widened under this order, thirty-two and 88-100 feet on a curve of one hundred five and 99-100 feet radius, containing sixty-three square feet, more or less.

Trees, shrubs, or structures standing upon or affixed to the aforescribed land shall be removed therefrom within thirty (30) days following the city's recording of this order.

Said Florence street as hereby widened is bounded:

Southerly by the northerly line of Florence street as it existed prior to this order, by three measurements, thirty-four and 30-100 feet, 70-100 feet, and thirty-five and 00-00 feet, and northerly by the northerly line of Florence street as hereby widened, sixty-seven and 61-100 feet on a curve of one hundred five and 99-100 feet radius.

No betterments are to be assessed for the making of the aforesaid improvement.

ACTION ON DAMAGES

Voted, That this commission determines that the undermentioned persons

sustain damages in their estates by the making of the public improvement consisting of the widening and construction of Florence street, West Roxbury district, on the northerly side at a point approximately 100 feet west of Cummins Highway, under an order of the commission of March 15, 1961, in the amounts hereinafter respectively set against them, and awards said amounts therefor.

Rocco P. and Phyllis Sperazzo, 64 square feet, \$1.

Matthew and Margaret Welby, 63 square feet, \$1.

OVERTIME ALLOWED

The Mayor has approved the following requests:

DEPARTMENT OF SCHOOL BUILDINGS.

Joseph E. Smith, senior supervisor of school buildings plumbing and gasfitting, 15 hours at \$3 an hour.

Donovan, Daniel Downey, Francis A. Doyle, George N. Dunn, Richard Fannon, Joseph Ferrara, John Flanagan, Timothy Foley, Brainerd Hughes, Martin E. Hynes, Joseph Kelly, Francis Killen, Richard Leonard, Joseph P. Long, Frank Mangiacotti, 8 hours each; John McCarey, 16 hours; William McDonald, 20 hours; Donald McKellar, James P. Meade, 8 hours each; John J. Moulton, 16 hours; Edward O'Connor, Salvatore Pettinato, John Prendergast, Frederick Randall, John J. Shearns, John Slattery, Thomas Sullivan, Jerome Tracy, 8 hours each.

PHILADELPHIA SEEKS SUNDAY QUIET

Philadelphia has a blue-law squad in action. Police Chief Carl Shuptrine's beefed-up blue law squad recently had no specific assignments for a recent Sunday and cruised the city in plain clothes looking for violations.

The squad has been increased from eight to ten men—two detectives and eight patrolmen—and told to try to spot illegal sales.

UNDERGROUND PERMITS

The Mayor and Public Improvement Commission have approved the following:

Gas Mains

That permission be granted to Boston Gas Company to lay and maintain an underground structure (575 feet of 6-inch low pressure steel main) in Glenciff road, West Roxbury district, southerly from the existing 6-inch main in Glenciff road, substantially as shown on a plan marked "Proposed Location of 6-Inch Gas Main in Glenciff Road, West Roxbury, Boston Gas Company, March 31, 1961," and on file in the office of the Commissioner of Public Works.

That permission be granted to Boston Gas Company to lay and maintain an underground structure (12 feet of 3-inch intermediate pressure steel main) in Rockwood street, West Roxbury district, northeast of the existing 3-inch main, substantially as shown on a plan marked "Proposed Location of 3-Inch (I.P.) Gas Main in Rockwood Street, West Roxbury, Boston Gas Company, March 10, 1961," and on file in the office of the Commissioner of Public Works.

Conduit Line

That permission be granted to Boston Edison Company to lay, construct, and maintain an underground structure (pipe or conduit line for conveying steam, manholes in said line, service connections thereto, and drain pipes) in Boylston street, opposite Carver street, a distance of about 30 feet, substantially as shown on a plan marked "Boston Edison Company, Engineering and Construction Department, Boylston street, Boston (Ward 5), Showing Proposed Steam Service, February 13, 1961," and on file in the office of the Commissioner of Public Works.

CONTRACTS AWARDED

The Mayor approved the award of the following contracts to the lowest eligible bidders:

REFUSE CONTRACT AWARDED FOR WEST ROXBURY AREA

PUBLIC WORKS DEPARTMENT.

A contract for collecting and removing garbage and refuse in Public Works District 6, West Roxbury, awarded to F. J. Cavaliere & Co., Inc., the lowest bidder, in the amount of \$214,110.

This contract is being awarded under an item that requires the city to furnish the necessary packer-type trucks to the contractor for work in this district. The total cost to the city, including the furnishing of trucks, is less than the price of the next lowest bidder who bid on a basis of providing his own trucks for doing the work.

The work to be done under this contract is for the period April 1, 1961, to March 31, 1962, with options for a second year and a third year renewal contract, if the city so elects.

The following proposals were received:

F. J. Cavaliere & Co., Inc., \$214,110.
Marinucci Brothers & Co., Inc., \$255,551.40.
Carriere Construction Company, \$273,000.
Dooley Brothers, Inc., \$283,764.
W. J. Banfield Corporation, \$319,735.

ADMINISTRATIVE SERVICES DEPARTMENT.

Purchasing Division.
Sand and Gravel

Furnishing sand and gravel to the various city departments from April 1, 1961, to March 31, 1962, awarded as follows:

Atlas Sand and Gravel Company, Inc., \$23,225, less 3 per cent discount, time of payment; A. A. Will Sand and Gravel Corporation, \$1,355, less 2 per cent discount, time of payment; Lexington Sand and Gravel Company, \$2,980, less 2 per cent discount, time of payment.

The bids were:

District 4, Brighton.

Bank Sand, 2,000 Tons, Per Ton.—Atlas Sand and Gravel Company, Inc., \$1.58; Highland Sand and Gravel Company, Inc., \$1.85; Lexington Sand and Gravel Company, \$1.49; Tresca Brothers Sand and Gravel, \$1.79; A. A. Will Sand and Gravel Corporation, \$2.

Brick and Concrete Sand, 100 Tons, Per Ton.—Atlas Sand and Gravel Company, Inc., \$1.58; Highland Sand and Gravel Company, Inc., \$1.95; Lexington Sand and Gravel Company, \$1.85; Tresca Brothers Sand and Gravel, \$2.09; A. A. Will Sand and Gravel Corporation, \$2.

Bank Gravel, 50 Tons, Per Ton.—Atlas Sand and Gravel Company, Inc., \$1.58; Lexington Sand and Gravel Company, \$1.50; Tresca Brothers Sand and Gravel, \$1.69; A. A. Will Sand and Gravel Corporation, \$1.50.*

District 9 (East Boston).

Bank Sand, 2,000 Tons, Per Ton.—Lexington Sand and Gravel Company, \$2; A. A. Will Sand and Gravel Corporation, \$2.*

Brick and Concrete Sand, 100 Tons, Per Ton.—Lexington Sand and Gravel Company, \$2.25; A. A. Will Sand and Gravel Corporation, \$2.*

Bank Gravel, 50 Tons, Per Ton.—Lexington Sand and Gravel Company, \$1.90; A. A. Will Sand and Gravel Corporation, \$1.60.*

Districts 1, 2, 3, 5, 6, 7, 8 and 10 (Boston Proper, Jamaica Plain, Dorchester North, South Boston, West Roxbury, Dorchester South, Hyde Park, Roxbury).

Bank Sand, 13,000 Tons, Per Ton.—Atlas Sand and Gravel Company, Inc., \$1.58; Highland Sand and Gravel Company, Inc., \$1.60; Lexington Sand and Gravel Company, \$1.65; Charles Todesca, \$1.90; Tresca Brothers Sand and Gravel, \$1.68; A. A. Will Sand and Gravel Corporation, \$1.65.

Brick and Concrete Sand, 1,500 Tons, Per Ton.—Atlas Sand and Gravel Company, Inc., \$1.58; Highland Sand and Gravel Company, Inc., \$1.70; Lexington Sand and Gravel Company, \$2.20; Charles Todesca, \$1.85; Tresca Brothers Sand and Gravel, \$1.98; A. A. Will Sand and Gravel Corporation, \$1.65.

Bank Gravel, 100 Tons, Per Ton.—Atlas Sand and Gravel Company, Inc., \$1.58; Lexington Sand and Gravel Company, \$1.75; Charles Todesca, \$1.69; Tresca Brothers Sand and Gravel, \$1.58; A. A. Will Sand and Gravel Corporation, \$1.50.*

For A.M. Delivery At Hopper.

Bank Sand, Per Ton.—Atlas Sand and Gravel Company, Inc., 60 cents; Lexington Sand and Gravel Company, 80 cents; Tresca Brothers Sand and Gravel, 75 cents; A. A. Will Sand and Gravel Corporation, \$1.

Brick and Concrete Sand, Per Ton.—Atlas Sand and Gravel Company, Inc., 60 cents; Lexington Sand and Gravel Company, \$1.10; Tresca Brothers Sand and Gravel, 90 cents; A. A. Will Sand and Gravel Corporation, \$1.

Bank Gravel, Per Ton.—Atlas Sand and Gravel Company, Inc., 60 cents; Lexington Sand and Gravel Company, 50 cents; Tresca Brothers Sand and Gravel, 60 cents; A. A. Will Sand and Gravel Corporation, 75 cents.

For P.M. Delivery At Hopper.

Bank Sand, Per Ton.—Atlas Sand and Gravel Company, Inc., 75 cents; Lexington Sand and Gravel Company, \$1; Tresca Brothers Sand and Gravel, 85 cents; A. A. Will Sand and Gravel Corporation, \$1.

Brick and Concrete Sand, Per Ton.—Atlas Sand and Gravel Company, Inc., 75 cents; Lexington Sand and Gravel Company, \$1.30; Tresca Brothers Sand and Gravel, \$1; A. A. Will Sand and Gravel Corporation, \$1.

Bank Gravel, Per Ton.—Atlas Sand and Gravel Company, Inc., 75 cents; Lexington Sand and Gravel Company, 65 cents; Tresca Brothers Sand and Gravel, 70 cents; A. A. Will Sand and Gravel Corporation, 75 cents.

* Contract awarded.

Item 21. 10,000, Veterans Instructions, Orange, No Card Columns (To Be Punch Card, Not a Flat Print), Per M.—Remington Rand Univac, \$1.10.*

* Contract awarded.

CONTRACTS AWARDED WITHOUT ADVERTISING

The Mayor approved the award of contracts, without advertising, based on the following communications:

PARKS AND RECREATION DEPARTMENT. Refreshment Concession in George Wright Golf Clubhouse

DEAR SIR:

The license for operation of the refreshment privilege in the George Wright Golf Course Clubhouse, held by Mr. John E. Crowley of 149 Beaver street, Hyde Park, will terminate as of March 31, 1961. Mr. Crowley has operated the clubhouse restaurant since April 1, 1957, at which time the concession was awarded to him after it had been publicly advertised for bids. Mr. Crowley's bid of \$601 per year was the highest of five received.

During these years the business has been operated in a manner very satisfactory to the Parks and Recreation Commission and to the golfers who patronize the George Wright Course. The concessionaire has invested a considerable sum of money in new equipment such as a sandwich bar with refrigeration and the installation of an up-to-date grille, and he has painted and renovated the kitchen and made other improvements at his own expense.

Mr. Crowley requests renewal of the license for a period of three years beginning April 1, 1961, at the same rental of \$601 per year. As he has been a very satisfactory tenant and in view of the fact that he has made a large investment in equipment and renovations, I believe the city's best interests would be served by renewing the license.

I therefore request approval to dispense with public advertising for bids and to award a license to Mr. John E. Crowley of 149 Beaver street, Hyde Park, for the refreshment concession in the George Wright Golf Clubhouse, in Hyde Park, Mass., for a term of three years beginning April 1, 1961, and ending March 31, 1964, at a rental of \$601 per year during the term of the license.

Respectfully yours,

MARTIN F. WALSH,
Commissioner.

TREASURY DEPARTMENT.

Treasury Division.

Transportation of City Funds

DEAR MR. MAYOR:

Your permission is respectfully requested for the awarding of a contract, without publicly advertising for bids, between the City of Boston and Brink's, Inc., 711 West Monroe street, Chicago, Illinois, for the daily transportation of city funds between City Hall and the First National Bank of Boston and between the National Shawmut Bank of Boston and City Hall.

Brink's, Inc., agrees to assume full liability for any loss of any shipment up to the amount of \$500,000, except for approximately fifteen uncertain dates and between the period of September 4 and November 4 when it will be \$5,000,000. The cost to the city will be \$233 per month for the period of one year beginning April 1, 1961.

The price proposed in the new contract is \$92 per month less than that provided in the contract expiring March 31, 1961, with the same company. This reduced price reflects the reduction in number of daily deliveries of funds from the National Shawmut Bank of Boston to City Hall because of the change in the method of payroll payments at the Boston City Hospital from cash to check.

This company has provided this service for the department for a long period of years. It has been our experience that the other financial transportation companies either do not care to bid for this service, do not have sufficient insurance coverage, or have consistently bid a higher rate.

It is my opinion that no purpose will be served by publicly advertising for bids.

Very truly yours,

JAMES E. GILDEA,
Collector-Treasurer.

Collecting Division. Office Machinery

DEAR MR. MAYOR:

Permission is respectfully requested to dispense with the usual form of advertising and to award a contract for maintenance of two sorters, one interpreter, two tabulating machines, and four punch machines to Remington Rand, Inc., 857 Commonwealth avenue, Boston, at an annual cost of \$3,233.20, from April 1, 1961, to March 31, 1962, inclusive.

There is no competition in the awarding of this contract as Remington Rand, Inc., is the only company with available facilities to properly service their machines.

Respectfully yours,

JAMES E. GILDEA,
Collector-Treasurer.

WELFARE DEPARTMENT. Office Machinery

DEAR MAYOR COLLINS:

The Welfare Department is desirous of continuing its contract for a twelve-month period with the International Business Machines Corporation for the equipment listed herein, such contract to commence April 1, 1961, and to expire March 31, 1962, in an amount not to exceed thirty-five thousand eight hundred and ninety-eight (\$35,898) dollars, and respectfully requests your approval to such contract.

Card Punch, Serial No. 10 10868, \$10 a month.

Electric Punch, Serial No. 11 14048, \$7.50 a month.

Printing Key Punch, Serial No. 26 10600, \$60 a month.

Printing Key Punch, Serial No. 26 10636, \$60 a month.

Printing Key Punch, Serial No. 26 15900, \$60 a month.

Printing Key Punch, Serial No. 26 18480, \$60 a month.

Printing Key Punch, Serial No. 26 26271, \$60 a month.

Verifier, Serial No. 56 25562, \$50 a month.

Verifier, Serial No. 56 25639, \$50 a month.

Electronic Sorter, Serial No. 82 15163, \$55 a month.

Electronic Sorter, Serial No. 82 15175, \$55 a month.

Alphabetical Collator, Serial No. 89 10389, \$190 a month.

Alphabetical Accounting Machine, Serial No. 402 21312, \$432 a month.

Alphabetical Accounting Machine, Serial No. 403 14498, \$560 a month.

Alphabetical Accounting Machine, Serial No. 403 14507, \$460 a month.

Numeric Accounting Machine, Serial No. 416 91045, \$155 a month.

Reproducing Punch, Serial No. 514 23797, \$136 a month.

Reproducing Punch, Serial No. 514 24826, \$111 a month.

Alphabetical Interpreter, Serial No. 557 11250, \$165 a month.

Calculating Punch Model, Serial No. 602 21906, \$220 a month.

Facsimile Posting Machine, Serial No. 954 14446, \$35 a month.

This equipment can only be obtained from the International Business Machines Corporation and no advantage would be gained by a public advertisement for bids.

Very truly yours,

WILLIAM F. LALLY, Director.

SUFFOLK COUNTY.

REGISTRY OF DEEDS. Photostatic Paper

DEAR MR. MAYOR:

This is to advise you that we had requested bids for photostatic paper used in connection with our Registry, and said bids having been filed with us, we find it to be to the advantage of our Registry to reject same, and hereby respectfully request from your Honor written authority to dispense with publicly advertising

for bids, and, following the effective date of the 1961 budget, to enter into contract with the Haloid Xerox, Inc., of 2-20 Haloid street, Rochester, New York, for 140 rolls, 11½ inches by 300 feet, Grade HH, photographic paper, fast record duplex, at \$62.25 per roll, and 120 rolls, 11½ inches by 350 feet, copy projection paper, at \$18.75 per roll. Grade HH fast record duplex shall be coated on linen ledger water marked stock, 100 per cent white rag; said contract being for the period commencing April 1, 1961, and ending March 31, 1962.

The approximate amount contemplated for expenditure under the proposed contract is \$11,965.

The aforementioned firm, Haloid Xerox, Inc., has supplied the Registry with the same materials for the past year, and their products have been consistently of the very highest quality.

Service for the machines is an important part of the operation, and Haloid Xerox, Inc., has agreed to service same and supply all necessary parts without charge.

Respectfully yours,

JOSEPH D. COUGHLIN,
Register of Deeds.

Office Machinery

YOUR HONOR:

Having introduced an IBM system in the Suffolk Registry of Deeds with the permission and consent of the Deputy Mayor, John F. McMorrow, at which time I refrained from replacing four employees, as this new system eliminates the need for handwriting of required books, I now respectfully request your Honor's permission to dispense with publicly advertising for bids, and following the effective date of the 1961 budget, to enter into a contract for the period April 1, 1961, to March 31, 1962, inclusive, with the International Business Machines Corporation for the leasing and servicing of the following equipment:

Printing card punch, Serial Number 26-41811, \$73 a month.

Sorter, Serial Number 82-32027, \$55 a month.

Collator, Serial Number 85-10632, \$125 a month.

Two typewriter card punch, Serial Number 826-11035, 826-11036, \$123 a month.

Total, \$499 a month.

The total amount of this contract is not to exceed the sum of five thousand nine hundred and eighty-eight dollars (\$5,988).

This equipment can only be obtained from the International Business Machines Corporation and no advantage would be gained by a public advertisement for bids.

Very truly yours,

JOSEPH D. COUGHLIN,
Register of Deeds.

MUNICIPAL COURT OF BOSTON.

Traffic Violation Slips

DEAR SIR:

In accordance with the provisions of chapter 216 of the Acts of 1950, chapter 182 of the Acts of 1951, I respectfully request permission to award a contract for traffic violation slips to Henry Rosnosky of 16 Lincoln street, Boston, without advertising, for the calendar year of 1961.

I have made inquiries of other printing firms and have received a bid in writing from the New England Imprinting and Offset Company in an amount considerably higher than the written bid made by Mr. Rosnosky. The New England Imprinting and Offset Company offered to do the required work at ten dollars and thirty-two cents (\$10.32) per thousand sets as compared with the Rosnosky bid of nine dollars and seventy cents (\$9.70) per thousand sets. Under the circumstances I believe that the best interests of the city would be served by giving the contract to Mr. Rosnosky.

I am estimating at the present time that there will be needed two hundred and eighty-five thousand (285,000) sets of traffic violation slips in triplicate, eighty-five thousand (85,000) for downtown offences and two hundred thousand (200,000) for uptown offences.

As indicated above, these slips are to cost nine dollars and seventy cents (\$9.70) per thousand sets, including one-time carbons, three slips to a set, or a total of two thousand seven hundred and sixty-four dollars and fifty cents (\$2,764.50).

Respectfully yours,

DANIEL J. LYNCH,
Clerk of the Court.

DEPARTMENT CHANGES

The Director of Administrative Services has approved the following personnel changes:

HOSPITAL DEPARTMENT.

Main Division.

For the week ending March 28:

CLAIMS APPROVED

The Mayor, on recommendation of the Corporation Counsel, has approved the following votes of the City Council Committee on Claims:

Robert D. Magrath, 75 Glendower road, Roslindale, an employee of the Public Works Department, Water Division, who, on May 18, 1960, while in the performance of his duty, was operating a city-owned vehicle on Washington street, Roslindale, when he struck a parked car owned by James E. Quinn, causing damage thereto, by payment of \$121.40.

Edward H. Dolan, 24 Sherwood street, Roslindale, an employee of the Public Works Department, Highway Division, who, on September 9, 1960, while in the performance of his duty, was operating a city-owned vehicle on F street, South Boston, when he struck a parked car owned by Vito Auciello, causing damage thereto, by payment of \$100.

John J. Doucette, 41 Whitfield street, Dorchester, an employee of the Fire Department, Maintenance Division, who, on January 16, 1961, while in the performance of his duty, was operating a city-owned vehicle on Gallivan Boulevard and Carruth street, Dorchester, when he collided with a car owned and operated by Patrick O. Morrissey, causing damages thereto, by payment of \$357.19.

Helen D. and Thomas J. Norton, 5 Annapolis street, Dorchester, for damage to property by collapse of water boiler on June 2, 1960, during change of water meter, by payment of \$200.

TRAFFIC RULINGS

Permanent

OFFICIAL ADVERTISEMENT

BOSTON TRAFFIC COMMISSION

April 17, 1961.

Voted, That pursuant to the fifth paragraph of section 20A of chapter 90 of the General Laws, as appearing in section 3 of chapter 233 of the Acts of 1961, Article X of the Traffic Rules and Regulations of the City of Boston in force under chapter 263 of the Acts of 1929, as amended, be, and the same hereby is, amended by inserting after section 1 the following section:

SECTION 1A. SCHEDULE OF FINES FOR THE NONCRIMINAL DISPOSITION OF PARKING VIOLATIONS.

The fine which, if paid, shall operate under section 20A of chapter 90 of the General Laws as a final disposition of an offense subject to said section committed in the City of Boston shall be as follows:

IN DOWNTOWN BOSTON

For the first offense subject to said section committed by the offender in the calendar year within the jurisdiction of the court and in the downtown area of the City of Boston as defined in the sixth sentence of section 2 of chapter 263 of the Acts of 1929 as appearing in section 5 of chapter 233 of the Acts of 1961, \$1.

For the second, third, fourth, or fifth such offense so committed in the calendar year, \$2.

For the sixth, seventh, eighth, ninth, tenth, eleventh, twelfth, thirteenth, fourteenth, or fifteenth such offense so committed in the calendar year, \$3.

For the sixteenth or subsequent such offense so committed in the calendar year, \$5.

OUTSIDE DOWNTOWN BOSTON

For the first offense subject to said section committed by the offender in the calendar year within the jurisdiction of the court and in the City of Boston but not in the aforesaid downtown area thereof, nothing.

For the second, third, fourth, or fifth such offense so committed in the calendar year, \$1.

For the sixth or subsequent such offense so committed in the calendar year, \$2.

Whenever it becomes necessary to ascertain whether a person owning two or more motor vehicles is chargeable as such owner with a first, second, third, fourth, fifth, sixth, seventh, eighth, ninth, tenth, eleventh, twelfth, thirteenth, fourteenth, fifteenth, sixteenth, or subsequent offense, such question shall, in the case of vehicles singly registered, be determined separately with respect to the

particular vehicle involved in such violation and, in the case of vehicles subject to section 5 of said chapter 90, with respect to the particular number plate or plates used on the vehicle involved in such violation at the time thereof.

The provisions of this section shall be construed not as new enactments but as a continuation of those provisions of section 20A of chapter 90 of the General Laws which were applicable to the City of Boston immediately prior to the taking effect of chapter 233 of the Acts of 1961.

PROPOSALS FOR FURNISHING WATER WORKS SUPPLIES (COCKS, COUPLINGS, AND NIPPLES).

Proposals may be obtained at Room 53, City Hall. At this room, the bids will be opened and read Tuesday, May 2, 1961, at 12 m. (Eastern Daylight Saving Time). The bidder must leave his proposal with a certified check for \$100, payable to and to become the property of the City of Boston if the proposal is not carried out. A duplicate bid, without check, must be left with the Auditor prior to the time for opening bids. Envelopes containing bids to be sealed and marked "Proposal for Water Works Supplies." The successful bidder must furnish a faithful performance bond for one half the total estimated amount of the contract with a surety company authorized to do business in Massachusetts. The Purchasing Agent reserves the right to accept or reject any and all bids, or any part of a bid, and to award the contract as he deems for the best interests of the city.

OFFICIAL CHRONICLE OF BOSTON MUNICIPAL AFFAIRS.

VOL. 53

SATURDAY, APRIL 29, 1961

No. 17

REVISED FAMILY RELOCATION PROCEDURE FOR GOVT. CENTER APPROVED

The Boston Redevelopment Authority, on April 24, approved a revised Family Relocation Procedure for the Government Center Development as submitted by Edward J. Logue, Development Administrator, as follows:

Editor's Note—The original Family Relocation Procedure statement appeared in the "City Record" issue of April 22, 1961. The following is the revised version:

PROPOSALS FOR RELOCATION

A. Administrative Organization

1. Name of Agency which will administer relocation operations.

The Boston Redevelopment Authority will be the sole agency responsible for the relocation of all residents displaced from the project area.

2. Description of Organization of Relocation Staff.
The staff responsible for relocation of residents from the project area will consist of:

Project Manager

Responsible for all aspects of project execution, including relocation.

Family Relocation Officer

Responsible for the relocation of all families and individuals from the project area.

Social Worker

The services of a trained and qualified social worker will be available to the relocation officer and his staff.

Relocation Specialists

Assistants to Family Relocation Officer in carrying out relocation.

Housing Inspectors

Responsible for the standards of relocation housing.

Clerical Assistants

B. Relocation Standards

Each dwelling unit offered for relocation housing will be inspected by a trained housing inspector to establish the fact that the dwelling is decent, safe, and sanitary and that it meets the following standards:

1. Physical Standards

Sanitary, heating, cooling, and lighting facilities.

Each family shall occupy a dwelling unit which shall meet the following standards and which shall have the following facilities for the exclusive use of the family.

The dwelling unit must have:

A kitchen sink which is in good working condition and which is properly connected to the city water and sewer system.

Safe and adequate cooking facilities.

Safe and adequate heating facilities.

A room which affords privacy to a person within it and which contains a flush water closet and a lavatory basin in good working condition and properly connected to the city water and sewer system.

A room which affords privacy to a person within it and which contains a bathtub or shower in good working condition and properly connected to the city water and sewer system.

Adequate rubbish storage facilities and garbage disposal facilities.

Adequate and properly connected water heating facilities.

Every kitchen sink, lavatory basin, and bathtub or shower required as equipment for a standard dwelling unit shall be properly connected with both hot and cold water lines.

It shall be adequately lighted and ventilated.

ELECTED TO PUBLIC SERVICE FOR 33 CONSECUTIVE YEARS

Through his son, Secretary of State Kevin H. White, City Councillor Joseph C. White, on April 27, formally submitted his resignation to Mayor Collins, bringing to an end a continuous career of thirty-three years as an elected public official. He is 63 years of age.

Councillor White has been in ill health for several months.

The following formal statement with respect to his retirement was issued:

Councillor White's Statement

"On the advice of my physician I have decided to retire from the Boston City Council.

"It is a decision I made with regret because I feel keenly a responsibility to those who have honored me for so many years with their support and loyalty.

"I have enjoyed my active participation in the political life of Boston and Massachusetts. I have found that public service provides a continuing sense of purpose in a man's life at times, a sense of satisfaction that results from the realization of accomplishment.

"For the privilege of representing so many people for so many years in public office I am very grateful. I hope to continue to be useful in other capacities that will serve the common good and retain the respect of my friends who, for 33 years, have publicly affirmed their confidence in my ability to administer public affairs in good faith.

Mayor's Remarks

In connection with the resignation of Councillor White, Mayor Collins stated as follows:

"City Councillor White has compiled an enviable record of public service both to the Commonwealth and to the City of Boston spanning a period of more than 30 years.

"The late John Griffin, former editor of the *Boston Post*, referred editorially to Councillor White as "one of the best public servants in Boston's history." All who know Joe White or know of him certainly agree.

"As Mayor of Boston it is with a feeling of regret that I learn of his resignation from the City Council and on behalf of each and every citizen of Boston, I want to thank him for his public service and to wish him good health and happiness in the years that lie ahead.

Launched Career in 1928

Mr. White launched his career in public service back in 1928. He was elected to the House of Representatives from Jamaica Plain and served four years. Following this he was elected to the Massachusetts Senate and served four years. He occupied the same Senate seat to be won 15 years later by John F. Collins, now Mayor.

In the service of the City of Boston, Mr. White was a member of the School Committee from 1936 through 1950.

With the advent of the new Plan A, nine-man City Council in 1952, City Councillor White won a seat in that Body, having placed high on the list of choices in the 1951 municipal election. He held his Council seat in five consecutive elections. He served as President of the City Council in 1954.

Although he made an unsuccessful bid for Lieutenant Governor and later for Sheriff of Suffolk County, Mr. White carried the Boston vote in those two contests.

Since 1937 Mr. White has held the position of Director of the Telephone and Telegraph Division of the Massachusetts Department of Public Utilities.

The close association of the White family with the political life of the city is indicated by the fact that Mrs. White is the daughter of the late Henry Hagan of Dorchester, former President of the City Council and Mr. White's eldest son, the Secretary of State, is married to the daughter of former City Council President William Galvin of Charlestown.

According to the office of the Secretary of State, the only elected

public officials in Massachusetts who have had longer records of continuous service than Mr. White are U. S. House Majority Leader John W. McCormack and former U. S. House Speaker Joseph W. Martin of North Attleboro.

TRAFFIC RULINGS

Temporary

The Traffic Commission has voted as follows:

That as urgently required by considerations of public safety and convenience, the Traffic Rules and Regulations of the City of Boston are amended as follows, from April 4, 1961, to May 31, 1961, inclusive:

The provisions of Article IV, section 15A, prohibiting parking on alternate sides of the street on alternate days outside the downtown area of the city are suspended and the following regulation is substituted therefor:

Parking of vehicles is prohibited between 12.01 A.M. and 8 A.M. on the even-numbered side of all streets outside the downtown area of the city; provided that this regulation shall not apply on the even-numbered side of any street where parking is prohibited at all times on the odd-numbered side of such street, unless parking is otherwise prohibited.

That as urgently required by considerations of public safety and convenience, during the period of resetting of rails by the Metropolitan Transit Authority, estimated to be sixty (60) days, the following traffic rules and regulations are effective when and where official signs are in place beginning April 3, 1961:

The following left turn is prohibited: Commonwealth Avenue, Boston Proper.

Into Boston University Bridge, northerly.

The following left turn prohibition is suspended:

Commonwealth Avenue, Boston Proper.

Into driveway crossing streetcar reservation five hundred and fifty (550) feet east of Mountfort street, northerly, 8 A.M. to 9.30 A.M.

That as urgently required by considerations of public safety and convenience, during the New England Hotel and Restaurant Show, vehicles are excluded from the following street from April 24 to April 28, 1961, inclusive:

Gaffney Street, Boston Proper.

From Commonwealth Avenue to the Boston & Albany Railroad.

Government Center . . .

(Continued from front page.)

2. Structural Conditions

It shall be structurally sound, in good repair, and shall be in an adequate state of maintenance.

3. Occupancy

There shall be a 150-square foot of floor space for the first occupant of a standard dwelling unit and at least 100 additional square feet of floor space for each additional occupant; floor space to be computed shall be the total habitable room area. Floor space shall be subdivided into sufficient rooms to be adequate for the family.

There shall be two safe, unobstructed means of egress leading to safe and open space at ground level.

4. Standards for Displacee's Ability to Pay

The net monthly rental of the apartment, excluding the cost of electricity and gas, but including the cost of heat and water, shall not be more than 25 per cent of the family's monthly income before taxes.

The ability to purchase housing shall also be related to family income. With the use of Section 221 of the National Housing Act, and taking into consideration local financing practices, property taxes, maintenance, utility, and operating charges, the following relations of sales price to income are feasible in the Boston area:

Sales Price	Required Income Level
\$6,500-\$10,000	\$3,000-\$4,000
\$10,000-\$14,000	\$4,000-\$6,000
\$14,000 and over	\$6,000 and over

5. Location Standards

The dwelling unit offered for relocation housing shall be located:

So that the principal worker in the family can reach his place of employment within a reasonable time at a reasonable commuting expense.

In an area which meets the family's essential needs for public and commercial facilities.

The Family Relocation Officer will consult with the planning staff to ascertain areas scheduled for clearance in order to avoid insofar as possible a second future relocation of the family.

6. Temporary Relocation

Temporary relocation will be held to a minimum. It shall occur into a dwelling unit which

Contains facilities in working order.

Is in safe and habitable condition.

Is sufficiently large for the family.

If temporary relocation is made for the convenience of the Authority, the cost of the move will not be charged to the resident's allowable relocation payment. Any other temporary move will be charged against the resident's maximum allowable Relocation Payment.

The Authority is responsible for the relocation of every resident in the Project Area.

C. Proposals for Obtaining Relocation Housing

1. Arrangements made with sources of existing private and public housing for obtaining:

Notification of vacancies

Public Housing

A relocation field worker will be designated to act as liaison between the relocation staff and the Tenant Selection Department of the Boston Housing Authority. Vacancy information obtained from the Housing Authority will be matched with the space requirements and project preferences of those families interested in and eligible for public housing.

Private Housing

Business, social, and civic groups have indicated that they will cooperate in locating available accommodations. A working arrangement for obtaining information on available housing vacancies will be set up with agencies and real estate offices. Newspaper advertisements on vacancies will be checked.

Information on size and rent of available units

Public Housing

The dwelling units managed by the Boston Housing Authority range from one-bedroom to five-bedroom units. The turnover and vacancy rates are highest in the two- and three-bedroom units and thus these size units are most readily available.

Monthly rent for public housing unit is based upon income and family-size. The minimum rent is \$35.

Private Housing

Past experience indicates that available vacancies cover a range of size and rent levels. At the time that the relocation office is notified of available vacancies, information on the size of the unit and the rent level will be requested.

Admission preferences for referred families.

Displaced eligible families will be given preference in housing units located in renewal or redevelopment projects.

Such families are also given priority in admission to public housing units.

The Special Admission Limits to public housing for families displaced by public redevelopment action are:

Family Composition	Special Admission Limits (Net Income before Exemptions)
1-2 persons	\$4,500 per annum
3-4 persons	\$4,750 per annum
5-6 persons	\$5,125 per annum
7 or more persons	\$5,500 per annum

2. Adequacy of supply of existing housing expected to become available during the displacement period.

It is estimated that 575 families will need to be relocated from the project area.

Public Housing Supply

The Boston Housing Authority is presently operating 13,837 dwelling units, 10,156 federally-aided and

3,681 state-aided. In 1960, the Boston Housing Authority had 1,882 dwellings vacated, a turnover rate of 13.6 per cent.

The Boston Housing Authority is currently planning and constructing 400 new units for the elderly; these units will be available for occupancy in 1961 and 1962.

Private Housing Supply

A special tabulation of the 1960 U.S. Census of Housing obtained by the Boston Housing Authority indicates that there were 6,295 standard, year around, vacant dwelling units in the City of Boston in 1960, 2.6 per cent of the total supply. If this vacancy ratio is applied to the total supply of private units in the city (224,690), then approximately 5,800 standard units are available for private relocation housing in Boston.

The City of Boston has been certified as eligible for 500 units of section 221 housing by the H.H.F.A. Administrator.

3. Adequacy of supply of standard housing for low-income families.

It is expected that the supply of public housing which will become available in the displacement period will be sufficient to meet the requirements of low-income families.

D. Relations with Site Occupants

1. Interviews with site occupants . . .

A registered letter with request for receipts to be returned will be prepared and sent to each site occupant, whether tenant or owner, on the date of recording of eminent domain.

This letter will notify the site occupant:

that the Redevelopment Authority has acquired the property by eminent domain on said date;

of the reason for the acquisition;

of the Authority's basic objectives and policies with respect to relocation;

of the Authority's legal responsibility and obligations on relocations;

of the opening of a field office for official contacts, assistance and information, and the name of the person in charge, the address, and the hours of business;

of the availability of "Relocation Payment;"

of the rental obligations to the Authority;

of the fact that no resident in the project area has to vacate his dwelling before ninety (90) days after the taking of the property by the Authority;

of the prospective visit of a field worker for the purpose of survey and assistance.

A site occupant survey will be made by the staff field workers to obtain complete factual information, family location requirements and desires, special problems requiring social agency attention, etc., for the residential occupants; and the space requirements, rental capacity and other operational specifications or data for the nonresidential site tenants.

The site occupant survey will commence as soon as possible after the acquisition of the project area and will be undertaken simultaneously with the title searches and engineering surveys in preparation for the eminent domain taking. An unofficial preliminary site occupant survey has been conducted recently.

2. General location and approximate business hours of the Family Relocation Office.

The Relocation Office will be located in the project area. It will be open from 9 A.M. to 5 P.M., five days a week; and if it appears necessary, evening and Saturday hours will be arranged.

3. Referrals to cooperating private real estate firms and the Housing Authority.

Site occupants will be referred to private real estate firms, landlords, builders, etc., after the dwelling unit offered by a firm has been inspected and approved by a housing inspector of the Redevelopment Authority.

4. Inspection of relocation housing.

Private housing will be inspected by trained housing inspectors to see that the dwelling meets the standards specified.

All dwelling units will be inspected prior to occupancy, including, if possible, those of self-relocated families.

If the dwelling into which a family has moved itself is substandard, the Authority will make a strong effort to move the family into a standard unit.

5. Tracing of families who have left without leaving a new address.

In order to ensure that a family has moved to a suitable dwelling the Authority will undertake a reasonable search for the family. Records of the post office, telephone, and utility companies will be checked twice, two months apart. If the family cannot be located by these means, it will be dropped from the work load.

6. Assistance to prospective home buyers in obtaining mortgage financing.

A certificate of eligibility under Section 221 of the National Housing Act will be provided to prospective buyers if housing under Section 221 becomes available.

E. The Eviction Policy of the Boston Redevelopment Authority

The Authority will make all possible efforts to avoid the eviction of any family from the project area. Eviction shall occur only against site families who:

are financially able to and refuse to pay rent to the Authority;

use the premises for illegal purposes;

refuse without valid reason two or more referrals of suitable and approved accommodations;

are squatters in dwellings vacated by families who have been relocated.

Prior to eviction, the family will be offered all of the relocation services offered by the Authority. In addi-

tion, an attempt will be made to enlist the services of the appropriate community social service agency if it appears that the family requires special assistance. Finally, each case must be approved by the Executive Director or Assistant Executive Director prior to eviction.

F. Relocation Payments

All relocation payments will be made in accordance with the rules and regulations governing relocation payments, as prescribed by the H.H.F.A. in the Urban Renewal Manual, Section 16-3-1. Detailed information on the method of payment will be made available at the site office.

1. Eligibility

Relocation payments will be made to families, individuals, and businesses in the project area who are eligible according to the above regulations.

2. Time Limit

The claim for relocation payment for moving expense or direct loss of property must be filed with the Authority by the claimant within six (6) months of the time that the expense has been incurred.

3. Method of Payment

Relocation payments will be made to all eligible families on the following basis:

Size of Unit Occupied	Fixed Amount
1 room.....	\$30
2 rooms.....	42
3 rooms.....	60
4 rooms.....	72
5 rooms.....	84
6 rooms.....	96

Size of Unit Occupied	Fixed Amount
7 or more rooms.....	\$100
Single persons not owning furniture.....	5
Family not owning furniture.....	10

The Authority will pay the actual and necessary moving expenses, plus personal property losses, in lieu of the above schedule, but not to exceed \$200, if the family being relocated so desires.

G. Services to Be Provided by the Authority to:

1. Individuals occupying separate housekeeping units

Individuals occupying separate housekeeping units will be provided with the same relocation services described above for families.

2. Other individuals

Individuals residing in the project area but not occupying housekeeping units will be provided with the same relocation services described above for individuals occupying housekeeping units.

A transient individual (one who has lived in his quarters for less than three months prior to displacement) will also be offered the Authority's relocation services; however, he will not be eligible to receive any relocation payments.

3. Business concerns

See supplementary sheet, the Business Relocation Policy of the Boston Redevelopment Authority.

H. Additional State or Local Relocation Requirements

There are no additional relocation requirements specified in applicable state laws or local ordinances.

REVISED BUSINESS RELOCATION POLICY FOR GOVT. CENTER APPROVED

The Boston Redevelopment Authority, on April 24, approved a revised Business Relocation Policy for the Government Center project as submitted by Edward J. Logue, Development Administrator, as follows:

(Editor's Note.—The original Business Relocation Policy statement appeared in the "City Record" issue of April 15, 1961.)

Business Relocation Policy Statement

Execution of the Government Center project is an essential step in Boston's long-range development program. The success of this program requires that the Boston Redevelopment Authority act now to acquire land in the project area and to make the area available at an early date for new construction.

Execution of the Government Center project by the Boston Redevelopment Authority will require the displacement of businesses now located in the project area. In order to minimize the problems in business relocation and to insure that the project undertaking is carried forward according to plan, the Boston Redevelopment Authority has established a policy of assisting displaced businesses to find new quarters.

To implement this policy, the Authority is making the following information available to businesses located within the project area:

Schedule of Property Acquisition

Acquisition of all properties located within the project area is scheduled to occur in June, 1961.

Negotiations with property owners will begin at that time. In acquiring property within the project area, the Boston Redevelopment Authority will pay the owner the fair market value of his property. In the event the owner and the Authority are not able to agree on price, the matter may be settled in the courts.

In some instances where businesses occupy their present quarters, the tenant, under the terms of his lease, may have an interest in the proceeds of any property settlement between the owner and the Boston Redevelopment Authority. In that situation, the property owner will have to share the proceeds of the settlement with his tenant. The Boston Redevelopment Authority, to insure consideration of the

rights of the tenant, will require a release of the lease prior to final settlement with the owner. If it is impossible to secure such a release because of inability of owner and tenant to agree on the claim of the tenant, the sharing of the proceeds will be settled by the courts.

Establishment of Project Office

In order to help businesses within the project area to relocate, the Boston Redevelopment Authority will establish a Business Relocation Office within, or adjacent to, the area.

This office will be opened at the time of the acquisition of property by the Authority. Business firms who, before this date, desire information about project plans and project execution activities may inquire directly at the office of the Authority's Operations Department located at 73 Tremont street, Boston. Telephone inquiries to that office may be made by calling RI 2-0500.

Business Relocation Survey

In order to help businesses within the project area to find suitable quarters, the Boston Redevelopment Authority is now conducting a survey to determine the relocation requirements of individual business firms. When this survey has been completed, the Authority will report on total relocation requirements involved in the project undertaking. In an effort to see that these requirements are met the Authority will work closely with the Boston Real Estate Board, the Greater Boston Chamber of Commerce, the Associated Industries of Massachusetts, and the Small Business Administration of the U. S. Department of Commerce. The Authority will also make its report on business relocation requirements available to professional real estate brokers.

Relocation Schedule

After the date of property condemnation, the Authority will again carry out a survey of businesses in the project area, and will meet with individual business firms to establish a realistic schedule for the relocation of each firm according to a schedule which is consistent with site clearance and building demolition requirements for the site as a whole as well as their own relocation needs.

Business firms within the project area may voluntarily vacate their present quarters at any time after the date on which the Boston Redevelopment Authority acquires property in the area, and still remain eligible for the financial assistance outlined below. No business firm, however, will be required by the Boston Redevelopment Authority to move in less than ninety (90) days after acquisition of property by the Authority.

It is the intention of the Boston Redevelopment Authority to go forward with the Government Center

project by stages. Priority will be given to clearing the site for the new City Hall and Federal Building. Structures which are dilapidated, vacant, or potential sources of danger will be torn down as quickly as possible. The exact date for the demolition of the many structures within the Government Center area will depend on the progress of plans for the redevelopment and re-use of the sites.

Individual business firms will be given as much notice to vacate as possible consistent with their own relocation requirements and with the requirements of the demolition program. Every effort will be made by the Boston Redevelopment Authority to stage building demolition and site clearance within the project area in such a manner as to minimize the effects of dislocation and to permit as many businesses as possible to remain in their present locations until a new location is available.

Availability of New Business Accommodations Within the Project Area

The Boston Redevelopment Authority recognizes the fact that for many businesses, relocation within the project area would be desirable. With this in mind, the Authority is determining how much land will be available within the project area which can be devoted to business re-use after the primary building needs of federal, state, city, and other governmental units are satisfied. Where business re-use of land within the project area is permitted, priority in that use will be given, to the extent practicable, to displaced businesses for (1) the acquisition of cleared sites for new business buildings and (2) the occupancy of such buildings.

Payment of Moving Expenses and Actual Direct Property Losses

Under federal law all business firms displaced by the project undertaking are entitled to a payment of up to \$3,000 for (1) reasonable and necessary moving expenses, and (2) actual direct losses of property. This payment can be made to tenants as well as to owner-occupants if the move is made after the date on which the Boston Redevelopment Authority acquires property in the project area, and upon the submission to the Authority of a receipted bill or other written evidence to establish the validity of that portion of the claim for moving expenses, and written evidence, such as appraisals, to support that portion of the claim for actual direct losses of property.

Supplementary Information

In order to keep businesses in the project area fully informed on the timetable for action, relocation schedules, procedures, etc., the Redevelopment Authority will release further policy statements as soon as final relocation surveys and plans are completed and additional facts are available.

Fin Com Supplements Views on Assessing Reorganization Plan

April 24, 1961.

To the Honorable the City Council.

The Finance Commission wishes to supplement its statement, presented to the City Council on Friday, April 14, 1961, in relation to the proposed ordinance seeking to reorganize the Assessing Department. The only question raised by the Finance Commission in examining the proposed ordinance related to the Board of Review.

Further Concept

The Finance Commission wishes to develop further the concept of an independent Board of Review.

One salient point made by the proponents of the concept of a Board of Review as contemplated by the proposed ordinance was:

The presence on the Board of Review of the Director of Research and Standards and a District Director of Assistant Assessors would be a guarantee that the newly devised standards of assessment had been carried out in the setting of the original assessment. This Board, in turn, would report to the Commissioner of Assessors. Thus, in effect, the Board of Review would become a Board of Administrative Review to determine to what extent assessing standards had been carried out.

Should Be Amended

In this connection, it is pertinent to quote a paragraph from "Assessment Organization and Personnel" published by the National Association of Assessing Officers:

"There is little doubt in our minds that there should be separate agencies for original local assessment and review. The review board should not be merely an arm of the assessor's office or the finance department. To make it such not only offends the public sense of justice but practically assures that the courts will play major role in the assessment process either by statutory authority

or by usurpation under their conceptions of 'due process of law'. This we believe to be undesirable. Furthermore, the occasional combination of assessment and review functions in a single agency is one reason for the persistence of boards of assessors despite widespread conviction that the assessment department should be headed by a single administrator."

The Finance Commission believes that the proposed ordinance now before your Honorable Body should be amended with respect to the establishment of a Board of Review. This amendment should contain the following elements:

1. The board should consist of three members appointed by the Mayor from nominees named by organizations representing law, realty, and construction. This idea stems from a recommendation in the Reeves Report made for the Finance Commission in 1948.

"The great accumulation of Boston tax cases is unlikely to diminish much under present procedure; some means must be developed to relieve the Appellate Tax Board. A full-time auxiliary Board, interested and diligent in its task, could dispose rapidly of most of the 'informal' group of cases (about 75 per cent of the total, by number) and also help reduce the number involving more important properties. Such a Board might be composed of three men appointed by the Governor, or, as in the case of appeals from city building regulations, by the Mayor, from nominees named by organizations representing law, realty, and construction."

Precedent Cited

A precedent for selecting members of a municipal board of appeal is found in the composition of the Board of Appeal in the City of Boston which draws its membership as follows:

"The Board consists of five members appointed by the Mayor in the following manner: One member from two candidates,

one to be nominated by the Boston Real Estate Board and one by the Massachusetts Real Estate Association; one member from two candidates, one nominated by the Boston Society of Architects and one by the Boston Society of Civil Engineers; one member from three candidates, one to be nominated by the Master Builders' Association of Boston, one by the Building Trades Employers' Association of the City of Boston, and one by the Associated General Contractors of Massachusetts, Inc.; one member from two candidates nominated by the Building Trades Council of Boston and vicinity; and one member selected by the Mayor. The term of office is five years. Each member is paid \$25 per diem for actual service, but not more than \$3,500 in any one year for the aggregate services rendered by him under building code and zoning law."

2. The Mayor should designate the Chairman of the Board.

3. The members of the Board should be compensated.

4. The members should serve overlapping terms.

5. The valuation found by the Board of Review should be adhered to for the next three years, as is customarily followed in honoring the decisions of the Appellate Tax Board for a period of three years.

In an effort to learn something of the prevailing pattern of boards of review in various large cities and jurisdictions, the National Association of Assessing Officers was contacted. It was found that there is no one prevailing pattern. In general, however, the board of review lies outside the framework of the Assessing Department. Apparently, each city must solve its own problem in this matter.

The Supreme Court of Wisconsin outlined the philosophy of a board of review in the following language:

"A board of review is not an assessing body, but is a quasi-judicial body whose duty it is to hear evidence tending to show errors in the assessment roll, and to decide on such evi-

dence whether or not the assessor's valuation is correct."

Respectfully submitted,

EDWARD W. BROOKE, *Chairman*,
ROGER J. ABIZAID, M.D.,
MAXWELL B. GROSSMAN,
ANTHONY J. YOUNG,
JOSEPH P. McNAMARA,
The Finance Commission.

THOMAS J. MURPHY,
Executive Secretary.

CANCER FUND DRIVE

The Mayor, on April 14, sent the following communication to all department heads and employees:

¶ The progress being made in the fight against cancer is most worthy of the attention and support of all. Research and accomplishment indicate that the strides being made toward ultimate success must be further supplemented by the necessary funds in this all-out effort.

¶ Accordingly, the Massachusetts Chapter of the American Cancer Society, are again calling upon us to participate in the annual drive for funds. I know that the employees and officials of the various municipal departments recognize the need of further concentrated effort and that contributions will be generous. ¶ I have designated Duncan T. Foley, Supervisor of Personnel, Administrative Services Department, as Chairman for the City Employees Group, and I will appreciate the usual good cooperation of all officials and employees.

Respectfully,

JOHN F. COLLINS,
Mayor.

VETERANS' SERVICES DEPARTMENT.

Expenditures for veterans' benefits for February, 1961, show an increase of \$40,853.54 in comparison with expenditures for the corresponding period of 1960.

The 1,528 cases aided during the month of February, 1961, represented a total of 3,643 individuals benefited through the facilities of the Veterans' Services Department.

There were 94 cases closed during the month of February, 1961, because of obtaining employment, having been awarded unemployment compensation, receiving social security, and becoming ineligible to receive financial assistance for miscellaneous other reasons.

Nicaraguan War—Unemployable veteran—1.

During the month of February, 1961, the department collected \$867.95 which represents refunds by former beneficiaries of veterans' benefits who were found to have drawn aid under circumstances which warranted its return to the City of Boston.

EDMUND F. HOHMANN, *Commissioner.*

Mortality Report

For the week ending April 22, 1961.

Population as of July, 1960, Massachusetts Fed. Census, 697,170; number of deaths (stillbirths excluded): Residents, 160; nonresidents, 91; total, 251.

Death rate per 1,000 of population: All deaths, 18.85; nonresidents deducted, 12.04.

Death rate per 1,000 of population:

Last week, 18.85; corresponding week last year, 17.12.

Deaths by age periods, sex, etc.: Under one year, 15; one year to four years, inclusive, 9; sixty years and over, 169. Total deaths: Males, 123; females, 128; deaths in hospitals and institutions, 190.

POLICE DEPARTMENT ORDERS

April 20.

General Order No. 891.

The following-named officers having requested retirement under the provisions of the Statutes of 1892, chapter 353 as amended for the reason that they are incapacitated, it is hereby

Ordered, His Honor the Mayor having approved the same, that they be retired from active service in the Police Department, effective Wednesday, April 26, 1961, at 7.45 o'clock A.M.:

Captain George F. Snell, Bureau of Criminal Investigation, 41 years of service.

Patrolman Albert E. Swift, Division 10, 40 years of service.

April 20.

General Order No. 892.

Patrolman John F. Allen, Division 14, honorably discharged veteran, having arrived at age of sixty-five years, having been in service of the City of Boston for thirty-two years, and having requested retirement under provisions of section 58, chapter 32, General Laws (Ter. Edit.), as amended, it is hereby

Ordered, His Honor the Mayor having approved the same, Patrolman John F. Allen will be retired from active duty in the Police Department, effective Tuesday, April 25, 1961, at 5.45 o'clock P.M.

April 21.

General Order No. 893.

Detectives First Grade Edward J. Walsh and Thomas E. Connolly, Special Service Squad, Bureau of Criminal Investigation, are hereby commended for the performance of meritorious police duty.

Following a robbery at the Industrial National Bank, Warwick, Rhode Island, on March 23, 1961, by three armed men who took \$34,123, and as the result of certain information received on March 26, Detectives Walsh and Connolly, during their tours of duty and on their own time, made daily and nightly observation at three locations, two in the South Boston area and one in Charlestown, at O'Brien court. Their efforts at that time were unsuccessful.

On April 6, 1961, Detectives Walsh and Connolly observed in a blue Pontiac sedan two young men, both of whom were known to them, and stopped them for questioning. As a result of this interrogation, both were lodged at Station 4 for safekeeping while the detectives proceeded immediately to the premises previously visited at O'Brien court, Charlestown. Here, after an extensive search, they found hidden under various wrappings a brown valise containing \$3,706 in U. S. currency and also uncovered two boxes of ammunition, one containing 44 rounds of .38 caliber, the other 43 rounds of .25 caliber; an airlines insurance policy covering a flight

from Miami to Boston on April 5, 1961; and two keys to a safe deposit box at the Charlestown branch of a Boston bank. Returning to Headquarters, the officers checked the money found in the valise and established that \$4 of the bills, in different denominations, tallied with the list sent out in a flier by the Rhode Island State Police.

The above two suspects were questioned at length by Detectives Walsh and Connolly. Lacking sufficient evidence and subsequent identification by witnesses, one of them was released. The other, one Kenneth R. Hudson, 24 years, single, of 2433 Massachusetts avenue, Cambridge, finally admitted that the valise was his and the money found therein taken in the commission of the bank robbery at Warwick, Rhode Island, on March 23, 1961. Hudson related the following story to the officers:

On that date he and three unknown men stole a green Buick sedan in Cambridge and with four large, empty cardboard cartons purchased at a hardware store proceeded to Warwick, Rhode Island. They left the Buick and one man at the Warwick Airport, stole a cream-colored sedan and drove to the Industrial National Bank. Hudson, armed with a sawed-off shotgun and carrying a shopping bag, in company with the two unknown subjects, one carrying a shopping bag and the other armed with a silver-plated revolver, entered the bank. Hudson called out, ("This is a holdup") then vaulted over the counter, ordering the employees into the safety vault. He emptied the contents of four tellers' drawers into one of the shopping bags and one of his accomplices entered the vault and passed out money which was placed in the other bag. Meanwhile, several customers who had entered the bank were ordered into the vault. Hudson and his two accomplices then left the bank and in the cream-colored sedan, with Hudson driving, proceeded to the airport, where the third accomplice was waiting in the green Buick, with motor running. Here all entered the Buick, and Hudson at the wheel, the other three hidden under the empty cartons, they returned to Cambridge, where they abandoned the Buick. They then divided the money, each receiving approximately \$9,000.

Hudson went to his home in Cambridge, put the money, the sawed-off shot gun and a .38 caliber revolver into the brown valise and left for Florida by plane at 8 P.M. that same date, March 23. He stated that while in Miami, he spent \$1,500 on clothing and lost \$3,000 betting on the horses and dogs; and that he had thrown the shotgun and revolver into a water canal there.

Kenneth R. Hudson was booked, fingerprinted, and photographed and remanded to City Prison to await the morning line-up on April 7, 1961, and the captain of the Warwick police was notified of this arrest.

Meanwhile, in the early morning of April 7, as the result of information received, officers of the Special Service Squad arrested outside of his home at 10 Victoria street, Somerville, on suspicion of armed robbery in the above case, one John H. Taylor, 25 years, single.

In the morning line-up, witnesses who appeared definitely established that Hudson and Taylor were two of the men participating in the Warwick holdup. Hudson is also wanted by the Connecticut State Police in connection with the holdup of a manufacturing plant in Bloomfield on March 1, 1961, when \$3,000 in U. S. currency was taken.

On April 7, Hudson and Taylor, with moneys recovered and the boxes of ammunition, were turned over to agents of the Federal Bureau of Investigation. Teletype has been issued in an effort to locate the other two involved.

The commissioner is pleased to recognize the devotion to duty displayed by Detectives Connolly and Walsh in their untiring and intelligent investigation of this case, resulting in the solution of a substantial bank robbery and the arrest of two of the felons involved.

April 21.

General Order No. 894.

The reassignment of the following-named police officer is hereby ordered, effective Monday, April 24, 1961, at 7.45 o'clock A.M.:

Lieut. John R. West, from Division 3 to Central Complaint and Records Bureau.

CIVIL SERVICE EXAMINATIONS.

The following Massachusetts Civil Service examinations are scheduled:

Social Worker, Welfare Departments of all Massachusetts cities and towns, including Boston, to be held June 24. Last date for filing applications, June 5. Examination open to men and women.

Welfare Worker, Welfare Departments, all Massachusetts cities and towns, including Boston, to be held June 24. Last date for filing applications, June 5. Examination open to men and women.

Caddy Master, Boston Parks and Recreation Department, to be held May 20. Last date for filing applications, Monday, May 1. Salary range, \$63.75 to \$76.25. Five vacancies.

Senior Clerk and Stenographer, Boston Traffic Department, to be held May 27, 1961. Last date for filing applications, Monday, May 8, 1961. Salary range, \$66.25 to \$78.75. One vacancy.

Senior Clerk and Typist, Parks and Recreation Department, to be held May 27, last date for filing applications, May 8. Salary range, \$66.25 to \$78.75. One vacancy for a woman.

Information pertaining to the above examinations may be had at the Civil Service Division, Rooms 145-152, State House.

FIRE DEPARTMENT ORDERS

April 24.

General Order No. 19.

I. BOARD OF MERIT.

The Board of Merit of the Boston Fire Department, consisting of the chief of department, the chief of staff, the assistant fire chiefs, and the deputy fire chiefs, has considered all meritorious acts referred to it for the year 1960. After careful consideration and study, the Board submitted the following recommendations which are hereby approved by the Fire Commissioner:

1. CASES OF FIRE CAPTAIN DANTE C. CIAMPA, LADDER COMPANY 13, AND FIRE FIGHTER THOMAS L. CUSHING, LADDER COMPANY 13.

At 6:32 P.M., January 23, 1960, the department responded to Box 1544 for a fire at 75 Appleton street. Upon arrival Captain Ciampa was told that there was a crippled person on the second floor. Captain Ciampa and Fire Fighter Cushing entered the building which was heavily charged with smoke and heat and made their way to the second floor. Groping around in the smoke, they found a crippled person under the bed and in a semiconscious condition. They carried him down the stairway to the street.

They were informed that there was another man trapped on the second floor, and although they were exhausted and weak, they again ascended the stairway under much more severe conditions because the fire had extended, they located the man and brought him to the street.

This rescue work was performed while the lines were being run and before proper ventilation had been effected. Because of the quick action and extreme personal risk to which they were exposed, the Fire Commissioner commended them highly in General Order No. 16, 1960.

The Board recommends that Fire Captain Dante C. Ciampa be awarded the John E. Fitzgerald Medal for Most Meritorious Act, and that Fire Fighter Thomas L. Cushing be awarded the Walter Scott Medal for Valor.

2. CASE OF FIRE FIGHTER ROBERT F. CLEMENTS, ENGINE COMPANY 43.

During the fire at Box 3256, about 12:03 A.M., June 23, 1960, involving an old railroad trestle spanning the Neponset River, a spectator who had ventured out on the trestle in the darkness fell into the river.

Upon hearing the victim's cries for help, Fire Fighter Robert F. Clements of Engine Company 43 raced back to the nearest piece of apparatus and obtained a life line. He returned to the victim and found that the man was being carried away by the receding tide beyond the reach of the life line.

Fire Fighter Clements, although encumbered by the weight of heavy clothing, including night hitch and rubber boots, dove into the river which was approximately 20 feet below. With considerable difficulty he managed to reach the drowning man and supported him while he made his way to a point near the riverbank. Here other members of the company pulled both men to safety. The rescued man, not wishing to be identified, left the scene so hurriedly that it was impossible to obtain his name.

Because Fire Fighter Clements performed this rescue under extremely hazardous conditions, at great risk and without thought for his own safety, the Fire Commissioner commended him highly in General Order No. 38 of 1960.

The Board recommends that he be awarded the Patrick J. Kennedy Medal of Honor.

April 25.

General Order No. 20.

I. CHANGE IN TIME.

Sunday, April 30, 1961, is the day required by law to make a change in clock time. In order to conform with the law, clocks in department stations will be set ahead one hour at 2 A.M. All tower clocks maintained by the department will be set ahead one hour at 6 A.M., or as soon thereafter as is practical, by the men regularly assigned to wind clocks.

II. HOUSE JOURNALS.

Company commanders shall forward to Headquarters, on Form 5A, on or before May 1, 1961, a request for the number of House Journals which will be required for use at the patrol desk in their respective quarters for the year beginning June 1, 1961.

III. CHANGE IN DESIGNATION OF FIRE ALARM BOXES.

The name of the High School of Practical Arts has been changed to Girls' High School, and the name of the Boston Clerical School has been changed to Boston School of Business Education.

The designation of Fire Alarm Box 2136, and Fire Alarm Box 2145, will be changed to read as follows:

13-2136, Girls' High School, 49 Greenville street.

2145, Warren and Montrose streets, AUX. Boston School of Business Education.

The designation of Fire Alarm Box 6237 will be corrected to read as follows:

6237, Orient avenue and Drumlin road.

Company commanders will make the foregoing changes in designation on assignment cards for Boxes 13-2136, and 6237.

IV. UNITED STATES SAVINGS BONDS.

His Honor, Mayor John F. Collins, has asked all city employees to take part in the nationwide drive by the Treasury Department of the United States to encourage the purchase of United States Savings Bonds through the Payroll Savings plan. A city-wide program is being conducted from April 24 through May 5, 1961.

At a time when our nation's military and economic strength is so vital to maintaining world peace, the United States Government is asking that we lend our support through the purchase of Savings Bonds.

By participating in this program:

1. You establish an automatic, easy plan of savings.

2. You build a nest egg for a rainy day.

3. You contribute substantially to the fight against inflation.

4. You help your country maintain its power for peace.

Cards authorizing payroll deductions for the purchase of Savings Bonds are being forwarded to the department today, together with explanatory literature giving detailed information concerning the purchase of Savings Bonds. Company commanders and branch division heads are requested to bring to the attention of all employees in their commands the facts concerning this campaign.

Members desiring to purchase Savings Bonds through the Payroll Savings plan should fill out one of the white cards, printing their names on the top left line, the company number on the middle line, and their payroll numbers on the line indicating "Check or Badge Number." The name of company or organization to be inserted is "City of Boston Fire Department." Also insert the amount to be deducted from the weekly pay, and the date that the deductions should start (Wednesday of any week). Also check the box indicating the amount of bond to be purchased. Payroll deductions may be made only in the amounts shown in the Pamphlet SBD-610-60.

Members should print in the name of the owner or owners of the bond, also the co-owner or beneficiary, if desired. All cards must be dated and signed by the purchaser.

When completed, all cards should be forwarded to Head Clerk Rosemary Griffin in the Payroll Division. Additional cards may be obtained from the Payroll Division in Headquarters.

V. COMMENDATION.

Fire Fighter Felix Cosgrove of Engine Company 2 is hereby commended for responding to Box 2886 before the arrival of apparatus on April 10, 1961, while he was off duty, and giving first aid to civilian who had taken poison.

Fire Fighter Cosgrove's quick action probably prevented a tragedy.

 James F. Kane, Jr., supervisor of highway maintenance (temporary), from \$104.75 to \$109.50 a week.

CONTRACT AWARDED WITHOUT ADVERTISING

The Mayor approved the award of a contract, without advertising, based on the following communication:

PUBLIC WORKS DEPARTMENT.

Garbage-Refuse Collection

District 6.

DEAR MR. MAYOR:

On April 10, 1961, the City of Boston contracted with F. J. Cavaliere & Co., Inc., for the

collection of garbage and refuse in Public Works District 6, West Roxbury, for the one-year period April 1, 1961, to March 31, 1962. This company was low bidder on a publicly advertised proposal, which was opened and read in this office on Wednesday, March 15, 1961.

The F. J. Cavaliere & Co., Inc., bid totaled \$214,110 for making weekly refuse and garbage collections at \$3.890 per week, and extra weekly summer garbage collections for \$510 per week, with all collections to be in vehicles furnished by the city. The F. J. Cavaliere & Co., Inc., did not bid on an alternate providing for collection in vehicles furnished by the contractor. All other bids for District 6 were only for the alternate of collections in vehicles furnished by the contractor. Under the alternate, the lowest bid received was \$253,551. After determining that vehicles could be furnished by the city for considerably less than the \$41,441 difference in low bids, the contract award was recommended for the F. J. Cavaliere & Co., Inc., as the low bidder.

In planning the refuse contracts for the current season, it was anticipated that funds for the purchase of vehicles to be furnished by the city to the successful bidder on that basis would be available from the proposed \$3,000,000 equipment loan. To date, funds from this proposed source are not available. Inasmuch as these vehicles must be furnished under the terms of the subject contract no later than May 1, 1961, I have taken up with the contractor negotiations for his providing collection trucks.

In these negotiations, the F. J. Cavaliere & Co., Inc., proposed furnishing all enclosed steel body refuse collection vehicles for \$50 per week, per vehicle, over and above the present contract rates. The contract requirements for provision by the city of a maximum of seven vehicles for regular collections and a maximum of two additional vehicles for extra summer garbage collection could, therefore, be fulfilled by the contractor for that part of the contract between May 1, 1961, and March 31, 1962, in lieu of by the city, at a total increased cost to the city of not to exceed \$18,200. This amount is, however, considerably below the prevailing costs for the hire of the quantity and type of trucks in question and, in fact, is even less than the estimated depreciation for such number of those vehicles as might have been furnished by the city.

The total cost for the full twelve-month contract period, under this proposed arrangement for eleven of the twelve-month period for the West Roxbury District would be \$232,310.

Accordingly, and for the aforesaid reasons, including the city's great reluctance to breach a contract involving such a vital service to this community, your approval is respectfully requested to dispense with public advertising and to amend forthwith, to be effective as of May 1, 1961, the F. J. Cavaliere & Co., Inc., contract: (1) so as to stipulate that the contractor shall have the obligation of providing up to a maximum of seven vehicles for regular collections and likewise up to a maximum of two additional vehicles for extra summer garbage collections, all as necessary for the work, for the respective rates that are now set forth in the contract based on the premise that it would be the duty of the city to supply the closed-type trucks; and (2) by incorporating supplemental items in the contract to further provide for the furnishing of "all enclosed steel body refuse trucks" by the contractor, at the added rate of fifty dollars (\$50) per week for each vehicle actually used on the work, thus increasing the expenditures authorized under the contract in the sum of not to exceed \$18,200 for such trucks so furnished and used in the work, resulting in a new overall contract cost of \$232,310.

For your Honor's further information, the proposed amendment is not to be operative until May 1, 1961, because, as is required under the terms of the contract, the city did offer to furnish open-body trucks to the contractor for use during the month of April, 1961, since being unable to supply the closed-body type itself, but instead, the contractor elected to use his own trucks, at his own expense and so cannot be paid an added \$50 per truck, per week, for the month of April, 1961.

Respectfully yours,

JAMES W. HALEY
Commissioner of Public Works.

EXTENSION OF CONTRACTS

The Mayor has approved extension of the time limit on completion of the following contracts:

PUBLIC WORKS DEPARTMENT.

Contract with John F. Kelleher for earth excavation and relling to assist the Water Division employees to install, regulate, or repair Water Division structures and other incidental work in Area 1, Charlestown, North and West Ends, Back Bay, Stuart, South End, East Boston, Elm Hill, Dudley, Mission Hill, and Roxbury Districts, extended from March 31, 1961, to April 30, 1961, due to inclement weather during the months of January and February.

Contract with Metcalf & Eddy for manual for operating South Bay incinerator and for related services of engineering consultant extended from March 31, 1961, to June 30, 1961, because steam transfer from the incinerator to the Boston City Hospital will be in its initial stages during this period and the services of the engineer will be needed during this period.

READVERTISMENT

CITY OF BOSTON.

PARKS AND RECREATION DEPARTMENT.

INVITATION FOR BIDS FOR FURNISHING AND PLANTING TREES ON STREETS AND PARKWAYS IN BOSTON, MASS.

The City of Boston, acting by the Commissioner of Parks and Recreation, hereinafter referred to as the Commissioner, invites sealed proposals for furnishing and planting trees on streets and parkways in Boston, Mass.

Proposals will be received until 2 o'clock P.M. (Eastern Daylight Saving Time), Tuesday, May 9, 1961, at the office of the Commissioner, first floor, 33 Beacon street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Proposals shall be submitted in duplicate on forms obtained at the Engineer's office, Parks and Recreation Department, 33 Beacon street, Boston, Mass. Each copy of the proposal shall be properly filled out, signed and enclosed in a sealed envelope, plainly marked with the name of the bidder and the description of the work bid upon. One copy shall be filed at the office of the Commissioner, designated above, and the other copy shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of the proposals.

A bid deposit in the form of a certified check on a responsible bank or trust company, payable to the City of Boston, in the sum of \$1,500, shall be submitted with the copy of the proposal filed with the Commissioner. The bid deposit shall be in a separate envelope, plainly marked. Bid bonds will not be accepted.

No bidder may withdraw his bid within thirty days after the actual date of the opening thereof.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and each in the sum of 100 per cent of the contract price, will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any and all bids if it be in the public interest so to do.

CITY OF BOSTON,
MARTIN F. WALSH,

Commissioner of Parks and Recreation.
(April 29.)

OVERTIME ALLOWED

The Mayor has approved the following requests:

HEALTH DEPARTMENT.

Registry Division.

Approval has been granted to pay overtime at \$3 an hour to the following employees:

Charles H. Mackie, city registrar, 13 hours; Mary E. Manning, second assistant registrar, 24 hours; Helen T. Collins, third assistant registrar, 22 hours; Margaret M. Barry, head clerk, 26 hours.

CITY OF BOSTON.

PUBLIC WORKS DEPARTMENT.

Proposals for Highway Reconstruction in Rutherford Avenue, Public Works District 1, Charlestown.

The Commissioner of Public Works of the City of Boston, Room 511 (Contract Office), City Hall Annex, invites proposals from citizens of the United States and corporations or other legal associations wherein the controlling interest to the extent of at least over one half thereof is owned by a citizen or citizens of the United States, for highway reconstruction in Rutherford Avenue, Public Works District 1, Charlestown. A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and each in the sum of 100 per cent of the contract price will be required of the successful contractor. Forms of proposals may be obtained at Room 511 (Contract Office), City Hall Annex. The proposal should be signed, enclosed in an envelope, sealed, marked "Proposal for Highway Reconstruction in Rutherford Avenue, Public Works District 1, Charlestown," and left at Room 511 (Contract Office), fifth floor, City Hall Annex, before 2 P.M. (Eastern Daylight Saving Time) of THURSDAY, MAY 11, 1961, with a certified check for THREE HUNDRED (300) DOLLARS, payable to and to become the property of the city if the proposal after acceptance is not carried out. The proposals will then be publicly opened and read in the Hearing Room, 401 City Hall Annex.

Proposals must be made in duplicate, the sealed duplicate, without check, to be deposited by the bidder with the City Auditor previous to the time named for opening the bids. All proposals must be from bidders of record on file at Room 511, City Hall Annex. There will be a charge of two dollars (\$2), NOT REFUNDABLE, for each set of contract documents taken out. If the bidder neglects to bid on each and every item, it may lead to the rejection of the proposal. The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed under the contract, shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained without cost upon application therefor at the office of the Commissioner of Public Works. Before commencing performance of this contract, the Contractor shall provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law, so called) to all persons to be employed under this contract and shall continue such insurance in full force and effect during the term of this contract.

ATTENTION IS CALLED TO CHAPTER 316 OF THE ACTS OF 1959, WHICH MUST BE STRICTLY COMPLIED WITH. The Commissioner reserves the right to reject any and all proposals, or any item or items of the proposal should he deem it to be for the best interest of the city so to do.

JAMES W. HALEY,

HOSPITAL DEPARTMENT.

Main Division.

Approval has been granted for the payment of overtime to the following employees at \$3 an hour:

Daniel Sullivan, boiler maintenance man, 16 hours; Frederick Freeman, Robert Hansen, first-class steam firemen, 16 hours each; Walter Molter, chief power plant engineer, 15 hours; Charles Thornton, Richard McCluskey, Rocco Farino, first-class steam firemen, 8 hours each; Mark McCormack, John

INVITATION FOR PROPOSALS FOR PAINTING AND
RENOVATING THE EXTERIOR SURFACES OF
THE WELFARE DEPARTMENT BUILDINGS,
AND APPURTENANCES THERETO BELONG-
ING, AT 41 HAWKINS STREET, 43 HAWK-
KINS STREET, AND 41 CHARDON STREET,
BOSTON, MASS.

The City of Boston, acting by the Overseers of the Public Welfare, Welfare Department, Boston, Mass., hereinafter referred to as the Awarding Authority, invites sealed proposals for painting and renovating the exterior surfaces of the Welfare Department buildings at 41 Hawkins street, 43 Hawkins street, and 41 Chardon street, Boston, Mass.

Proposals will be received until twelve o'clock noon (Eastern Daylight Saving Time), Wednesday, May 10, 1961, at the office of the Awarding Authority, first floor, 43 Hawkins street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Proposals shall be submitted in duplicate on forms obtained from the Awarding Authority. Each copy of the proposal shall be properly filled out, signed and enclosed in a sealed envelope, plainly marked with the name of the bidder and the description of the work bid upon. One copy shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of proposals.

A bid deposit in the form of certified check issued by a responsible bank or trust company, payable to the City of Boston, in the sum of two hundred dollars (\$200), shall be submitted with the copy of the proposal filed with the Awarding Authority. The bid deposit shall be in a separate envelope, properly marked. Bid bonds will not be accepted.

No bidder may withdraw his bid within thirty days after the actual date of the opening thereof.

Specifications and proposal forms may be obtained on and after May 3, 1961, at the office of the Awarding Authority, first floor, 43 Hawkins street, Boston.

The rate per hour of wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, a schedule of which appears in the specifications.

The successful bidder will be required to provide by insurance for the payment of

compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond issued by a surety company satisfactory to the Awarding Authority in the full amount of the contract will be required of the successful bidder; also a payment bond as provided by G.L. (Ter. Ed.), chapter 149, section 29, as amended.

The Awarding Authority reserves the right to accept or reject any or all bids, and to award the contract as it deems for the best interests of the city.

LIBRARY DEPARTMENT.

TO PAINTING CONTRACTORS.

INVITATION FOR GENERAL BIDS FOR CERTAIN
PAINTING AND PAINTERS' WORK AT LOWER
MILLS BRANCH LIBRARY, 1110 WASHINGTON
STREET, DORCHESTER; KIRSTEIN BUSINESS
BRANCH LIBRARY, 20 CITY HALL AVENUE,
BOSTON; PARKER HILL BRANCH LIBRARY,
1497 TREMONT STREET, ROXBURY.

The Trustees of the Public Library of the City of Boston, hereinafter referred to as the Awarding Authority, invite sealed general bids for certain painting and painters' work at the branch libraries listed above.

General bids will be received until twelve o'clock noon (Eastern Daylight Saving Time), Friday, May 12, 1961, at the office of the Awarding Authority, at which time and place they will be publicly opened and read aloud.

General bids must be submitted in duplicate on forms obtained from the Awarding Authority. Each copy of the general bid shall be properly filled out, signed, and enclosed in an envelope, sealed and plainly marked with the name of the bidder and the description of the work bid upon. One copy of the general bid shall be filed at the office of the Awarding Authority, designated above, accompanied by a bid deposit in the form of cash or a certified check on, or a treasurer's or a cashier's check issued by, a responsible bank or trust company, payable to the City of Boston in the sum of \$500. The bid deposit shall be in a separate envelope, properly marked. The other copy of the general bid shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of proposals.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, a schedule of which appears in the specifications.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

Specifications, plans, and other documents may be obtained on and after twelve o'clock noon (Eastern Daylight Saving Time), Tuesday, May 2, 1961, at the Business Office, Boston Public Library, Copley square, Boston, Mass.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 per cent of the contract price, will be required of the successful general contractor.

The Awarding Authority reserves the right to accept or reject any or all bids, and to accept or reject any portion or portions of bids, and to award the contract as it deems for the best interest of the city.

THE TRUSTEES OF THE PUBLIC LIBRARY
OF THE CITY OF BOSTON,

By JOHN CONNOLLY,

(April 29.) Assistant Director.

EXTENSION OF CONTRACTS

PUBLIC WORKS DEPARTMENT.

The Mayor has approved extension of the time limit on completion of the following contracts:

Contract with James A. Freaney, Inc., for earth excavation and refilling to assist the Water Division employees to install, regulate, or repair Water Division structures and other incidental work in Area 3, Dorchester (North), South Boston, and Dorchester (South) districts, extended from March 31, 1961, to April 30, 1961, due to inclement weather.

REAL PROPERTY DEPARTMENT.

Contract with Park Construction Company, Inc., for the erecting and completing of an off-street parking structure on Kilby and Central streets, extended to May 5, 1961, due to adverse weather conditions.

NEW ZONING CODE READY FOR FINAL HEARINGS

Final public hearings on Boston's proposed new zoning code are to be held by the Zoning Commission at the City Council Chamber, City Hall, starting Wednesday, May 10, at 2 P.M.

Chairman Albert V. Colman announced on May 5 that the code has been reprinted and copies are available at Room 1108, City Hall Annex. The reprint contains some hundreds of changes made since the last printing of the code and the public hearings held a year ago. In connection with the final hearings Chairman Colman stated as follows:

Eight Years of Study

¶ Work on the preparation of the code started eight years ago, when an intensive three-year study was made by the now dissolved City Planning Board, under the direction and guidance of the nationally known consultant firm of Adams, Howard & Greeley. This study resulted in three published reports, "Zoning Policies" in 1953; "Proposed Zoning Regulation" in 1957; and "Proposed Zoning" in 1958, a revised report with maps. During the course of these studies, some forty informal public meetings were held in various districts of the city. ¶ The Zoning Commission, which was appointed in January of 1959, now feels after extensive reviews and prolonged discussions with business, real estate, professional, civic, and other groups that the code is pretty much ready for adoption. The code has been referred to the Boston Redevelopment Authority for further recommendations and following completion of changes

that may result from the scheduled public hearing, the code will be sent to the Mayor for his approval or recommendation. Upon approval by the Mayor, the code will be reported to the General Court and under present legislation it cannot become effective until one year after such filing.

Part of Renewal Effort

¶ The proposed zoning code is part of the renewal effort since the code can be a vital tool in achieving the goals of urban renewal. The regulation provides a number of controls and requirements which are most significant not only for future planning but for the renewal of our built-up physical plant. It improves the control over population density of a neighborhood. Its flexibility allows for greater aesthetic and functional freedom in design of our neighborhoods. It requires, but not retroactively, off-street parking and loading facilities to help reduce traffic congestion. It assures greater compatibility between land uses throughout the community and it provides more stringent controls regarding the continuance of nonconforming uses.

Floor Area Ratio

¶ The new zoning code regulates building density by the floor area ratio method of control.

The floor area ratio is the ratio of the total gross floor area of a structure to the total area of the lot.

¶ Thus the floor area ratio of 1.0 could represent a one-story building

covering the entire lot, or the same floor area in a two-story building covering one half the lot or a four-story building on a quarter of a lot. ¶ A district allowing a floor area ratio of 4 would permit an eight-story building covering one half the lot or a sixteen-story building covering one quarter of the lot.

¶ In the high density districts there will then be no established height limit, except in the Beacon Hill historic area which retains an absolute 65-foot height limit.

District Regulations

¶ The new zoning regulation, similar to the old, has three broad classifications of zoning districts: residential, business, and industrial.

¶ There are nine types of residential districts: two for single-family dwellings, two for two-family and low-density garden apartments, and five apartment districts, allowing progressively higher floor area ratios or density.

¶ Eight types of business districts: three local, and five general business districts. These are more specific than the present classifications which are too general in character and inadequate for proper control. Separation of business and manufacturing uses has been a primary consideration in the new code, particularly in the general business districts, which presently allow food, clothing, and other manufacturing uses. In the new code, manufacturing uses have been placed in their proper industrial category.

TRAFFIC COMMISSION VOTES NEW PARKING FINE SCHEDULE

The Boston Traffic Commission on May 1, 1961, voted as follows:

¶ That pursuant to the fifth paragraph of Section 20A of Chapter 90 of the General Laws, as appearing in Section 3 of Chapter 233 of the Acts of 1961, Article X of the Traffic Rules and Regulations of the City of Boston in force under Chapter 263 of the Acts of 1929, as amended, be, and the same hereby is, amended, effective August 1, 1961, by striking out Section 1A inserted by vote passed by this Commission on April 17, 1961 (which vote was approved by an order adopted by the City Council on April 17, 1961, and approved by the Mayor on April 17, 1961), and inserting in place thereof the following section:—

SECTION 1A. SCHEDULE OF FINES FOR THE NON-CRIMINAL DISPOSITION OF PARKING VIOLATIONS.

¶ (1) The words "downtown area", as used in this section, shall be deemed to mean that part of the city of Boston bounded by (a) the westerly line of Massachusetts avenue, (b) the Charles River, (c) the easterly line of the bridge constructed under Chapter 217 of the Acts of 1894 and connecting the city proper, so called, with that part of the city which was formerly Charlestown, (d) the easterly line of Washington Street North, (e) the southerly line of Cooper street (f) the westerly line of Endicott street, (g) the north, erly line of Stillman street, (h) the westerly end of Stillman street, (i) the southerly line of Stillman street, (j) the westerly line of Endicott street, (k) the northerly line of Cross street, (l) the easterly line of Hanover street, (m) the southerly line of Richmond street, (n) the easterly line of North street, (o) the northerly line of Clark street and said line extended to Boston harbor, (p) Boston harbor and Fort Point Channel, (q) the westerly line of the Broadway Bridge, (r) the westerly line of Broadway, (s) the northerly line of Herald street and said line extended to the northwesterly line of Chandler street extended, (t) the northwesterly line of Chandler street and said line extended to the northerly line of Herald street extended, (u) the easterly line of Berkeley street, and (v) the southerly line of the right of way of the New York, New Haven and Hartford Railroad.

¶ (2) The fine the payment of which shall operate under Section 20A of Chapter 90 of the General Laws as a final disposition of an offense subject to said section committed in the city of Boston shall be as follows:

A. IN DOWNTOWN BOSTON

¶ (a) For every offense subject to said section committed by the offender within the jurisdiction of the court and in the aforesaid downtown area of the city of Boston —

¶ (i) If such offense is a violation either of clause (5) or clause (6) or clause (10) or clause (12) of section 1 of Article IV of these rules and regulations, or of clause (5) or clause (6) or clause

(10) or clause (12) of section 2 of Article IV A of these rules and regulations, which clauses respectively prohibit in the parts of said downtown area respectively covered by said Articles parking near a fire station, parking near a hydrant, parking so as not to leave a clear and unobstructed lane at least ten feet wide, and parking in such a manner as to obstruct the movement of a street car, trackless trolley or bus—Fifteen Dollars

¶ (ii) If such offense is a violation either of clause (1) or clause (11) or clause (16) of section 1 of Article IV of these rules and regulations or of clause (1) or clause (11) or clause (16) of section 2 of Article IV A of these rules and regulations, which clauses respectively prohibit in the parts of said downtown area respectively covered by said Articles parking within an intersection, parking on the roadway side of a vehicle stopped or parked at the curb or edge of a roadway, and parking where signs have been placed for the purpose of facilitating street cleaning or snow removal — Ten Dollars

¶ (iii) If such offense is a violation of section 15A of Article IV of these rules and regulations prohibiting, with certain exceptions, parking between 12.01 A.M. and 8 A.M. — Two Dollars

¶ (b) For every other such offense so committed —

¶ (i) If it is the first, second or third other such offense so committed in any one calendar year — Three Dollars

¶ (ii) If it is the fourth, fifth, sixth, seventh, eighth or ninth other such offense so committed in such calendar year — Five Dollars

¶ (iii) If it is the tenth or subsequent other such offense so committed in such calendar year— Ten Dollars

B. OUTSIDE DOWNTOWN BOSTON

¶ (a) For every offense subject to said section committed by the offender within the jurisdiction of the court and in the city of Boston but not in the aforesaid downtown area thereof —

¶ (i) If such offense is a violation of clause (5), or of clause (6), or of clause (10), or of clause (12), of section 1 of Article IV of these rules and regulations prohibiting, respectively, parking near a fire station, parking near a hydrant, parking so as not to leave a clear and unobstructed lane at least ten feet wide, and parking in such a manner as to obstruct the movement of a streetcar, trackless trolley or bus — Three Dollars

¶ (b) For every other such offense so committed — Two Dollars

¶ (3) Whenever it becomes necessary to ascertain whether a person owning two or more motor vehicles

is chargeable as such owner with a first, second, third, fourth, fifth, sixth, seventh, eighth, ninth, tenth or subsequent offense, such question shall, in the case of vehicles singly registered, be determined separately with respect to the particular vehicle involved in such violation and, in the case of vehicles subject to Section 5 of said Chapter 90, with respect to the particular

number plate or plates used on the vehicle involved in such violation at the time thereof.

¶ (4) For the purposes of this section, the period beginning with August 1, 1961, and ending with December 31, 1961, shall not be deemed to be a part of the calendar year 1961, but shall constitute a separate calendar year.

Zoning Code . . .

(Continued from front page.)

¶ Three types of industrial districts: light manufacturing, general or heavy industry, and a water front industrial zone. An endeavor has been made to establish classifications by degree of annoyance, particularly where noise and vibration are concerned. In the case of the water front zone, the intent is to reserve the limited water front area for uses that require waterborne facilities as an aid to the highest potential development of these areas.

Conditional Uses

¶ A feature introduced in the new code concerns conditional uses. A conditional use, not to be confused with a variance, is a permitted use in certain designated districts, provided it meets specific requirements as set forth in the code. Approval of the Board of Appeal is, however, required after public notice and hearing.

Parking and Off-Street Loading Provisions

¶ One of the most critical omissions in the present zoning law is the complete absence of any requirement for the off-street parking of automobiles. The proposed zoning code requires off-street parking in all districts except the B-8 and B-10 districts in the downtown area. It is considered that the city's program of municipal garages will adequately provide for needed parking facilities, although where parking is provided by a builder in these districts an increase in floor area ratio is allowed on a graduated scale.

¶ Parking requirements vary with building density and type of use. This is based on accessibility by rapid transit, with maximum parking requirements in outlying low-density areas, somewhat less in outer areas of high accessibility, and least in the business districts of

the central area, where economics require dependence on municipal or commercial off-street parking.

¶ Closely allied to off-street parking is the problem of off-street loading. It is the intent of the new code that all structures and uses requiring the delivery of goods as part of their function eventually be provided with necessary space for off-street loading. Though not retroactive, the code requires an existing structure, when increased in floor area by 15,000 square feet or more, to provide off-street loading facilities for the additional area.

¶ The Commission is comprised of eleven members, three of whom were selected at large by the Mayor and the remaining eight were appointed from nominations by designated business and professional organizations. The Mayor's representatives are Albert V. Colman, attorney, Chairman of the Commission; General Timothy J. Regan, utility executive, and Nathan C. Young, Jr., an attorney. Alfred Gross represents the Master Builders Association; Theodore W. Paul, the Massachusetts Motor Truck Association; William L. Hyland, Boston Society of Civil Engineers; Antonino F. Iovino, Greater Boston Chamber of Commerce; Stanley Underhill, Boston Society of Landscape Architects; Robert T. Fowler, Greater Boston Real Estate Board; Charles F. Spillane, Boston Central Labor Union, and David F. Supple, Associated Industries of Massachusetts.

Annual Adjustments Of Housing Rentals

Edward D. Hassan, Chairman of the Boston Housing Authority, announced that the annual review of tenants' incomes on all developments had been completed and that rents would be adjusted as of June

1, 1961. The Authority issued the following:

¶ Notices of the adjustments were placed in the mail April 27, 1961, so that they were received by the tenants on Friday, April 28, 1961.

¶ Adjustments of rents have been made every year since 1940 in the federally-aided developments and in the state-aided developments since 1955.

¶ All developments in the city in both programs are affected.

¶ There are fifteen (15) federally-aided developments, containing some 10,156 apartments affected, as well as the 3,681 apartments in the ten (10) state-aided developments.

¶ All developments involved contain 13,837 families, with an estimated population of 54,000.

¶ The incomes of all members of the families are used in determining the rents to be paid. The incomes of minors, however, are excluded in determining the eligibility of a family to remain in residence.

¶ Heat, hot water, gas, and electricity are supplied for the amount of rent paid in all of the developments except that at Gallivan Boulevard. This development consists of only duplex and single houses with individual heating plants, so that the tenants pay for all of their own utilities, and a different rent schedule is used to reflect the charges paid by the tenants.

¶ Since there has been no change in rental schedules, any changes in rent are due to an upward or downward revision in income of the family so affected.

¶ The city-wide change in rents for tenants on the federally-aided developments averages an upward revision of \$0.89 a month, and on the state-aided developments averages an upward revision of \$1.05 a month.

¶ The new rents on the federally-aided developments average \$53.94 a month.

¶ The new rents on the state-aided developments average \$66.14 a month.

¶ Of the total number of tenant families re-examined on a city-wide basis, 28.9 per cent or 3,143 families had their rent adjusted upwards because of income increases. Downward rent adjustments because of decreased incomes were given 7.5 per cent or 804 families. For another 6,911 families, or 63.6 per cent, there was no change in the rental.

¶ A total of 71.1 per cent, or 7,715, of the families either had their rent adjusted downward or had no change in rent.

¶ The average annual family income on the federally-aided developments is now \$2,919.38, and \$3,754.49 annually in the state-aided developments.

¶ The review indicated that 289 families would be notified of their ineligibility because of excess income. Of this group 139 families reside in state-aided developments, and 150 families make their homes in federally-aided developments.

¶ Although all ineligible tenants will be notified of their ineligibility, which will be followed later by the required legal notice to vacate, the Authority emphasized that there will be no mass evictions. All ineligible tenants will be requested by the several housing managers to move from the developments as promptly as possible. In the event that such ineligible tenants do not vacate within a reasonable time, the Authority will be obliged to institute legal proceedings.

¶ In the notices being sent to the tenants they were all reminded that the housing managers at the several developments will explain to them any matters concerning the review of their status.

¶ All of the figures used in this release are based on a tabulation of 10,858 families.

Punch Card File on Auto Owners To Be Supplied to Police

Following is a description of the services to be performed by OMS

Mail Advertising Company supplying to the Police Department, by contract, on punch cards, pertinent information with respect to every automobile registration in Massachusetts:

¶ OMS Mail Advertising will furnish the City of Boston Police Department all passenger automobile owners on IBM key-punched cards covering the calendar year January 1, 1961, through December 31, 1961.

¶ Reissues on passenger cars during this period will also be furnished to the Police Department throughout the year.

¶ OMS will supply the IBM cards, form No. ABS11313, as shown.

¶ OMS will arrange the IBM key-punched cards in numerical order by registration number, packaged in cartons of 10,000, clearly marked to expedite filing.

¶ The Boston Police Department will pick up these IBM cards at least twice a week.

¶ The IBM card will show the following information:

Registration number
Name, address, and city
Make, style of car
Year of car
City code

¶ For the purpose of expediting the delivery of these IBM cards the original set of IBM cards which were key punched on our 026 IBM equipment will be furnished.

¶ OMS will furnish the Boston Police Department specified six digits registration numbers according to preference. Letter registration numbers will follow the six digit numbers.

¶ OMS agrees to furnish at least 250,000 registrations per week. This service will start within one week from the time authorization is given to begin.

Price:

\$8.50 per thousand registration cards.

\$7.50 per thousand registration cards (if IBM cards are furnished OMS by Boston Police Department).

Mortality Report

For the week ending April 29, 1961.

Population as of July, 1960, Massachusetts Fed. Census, 697,170; number of deaths (stillbirths excluded): Residents, 138; nonresidents, 108; total, 246.

Death rate per 1,000 of population: All deaths, 18.32; nonresidents deducted, 10.47.

Death rate per 1,000 of population: Last week, 18.85; corresponding week last year, 17.12.

Deaths by age periods, sex, etc.: Under one year, 16; one year to four years, inclusive, 3; sixty years and over, 157. Total deaths: Males, 117; females, 129; deaths in hospitals and institutions, 192.

CITY REGISTRAR'S REPORT FOR APRIL, 1961

City Registrar Charles H. Mackie has published the monthly figures on Boston births, marriages, and deaths for April as follows:

	1961	1960
Births.....	2,100	2,125
Marriages.....	583	699
Deaths.....	983	1,036

Totals for four months, January to April, are as follows:

	1961	1960
Births.....	7,163	7,489
Marriages.....	1,817	1,863
Deaths.....	4,046	4,583

The above figures refer to births, marriages, and deaths which occurred in Boston regardless of official places of residence.

MARCH WELFARE COSTS RISE SLIGHTLY

Following is a summary of the Welfare Department's report for March:

¶ Departmental expenditures for March amounted to \$3,166,812, an increase of \$64,868 compared to the previous month. This was caused by two factors: an increased caseload and five payrolls for General Relief. There were 26,166 cases which received assistance during the month. The average monthly cost per case was \$120.28, of which two thirds were in the form of direct payments to recipients and the balance for medical and other costs.

¶ Old Age Assistance: The downward trend continued with a decrease of 107 cases which brought the caseload down to 12,395 as of the end of the month. For the most part this decrease was caused by transfers to the new category, Medical Assistance for the Aged.

¶ Medical Assistance for the Aged: As was anticipated, the caseload rose from 3,073 to 3,322 within the month. There were 355 applications approved and 106 cases closed. Of the total number of applications processed, 136 or slightly under one third were rejected or withdrawn. Since all recipients of this program require medical care, the average cost was \$196.30 making it the most expensive category on a cost-per-case basis.

¶ Aid to Dependent Children: The caseload rose to 4,998 as of the end of March. There were 184 applications approved and 103 cases closed resulting in an increase of 81 cases. With changes in eligibility for estrangement and illness effective April 1, many General Relief recipients will be transferred to Aid to Dependent Children. There were 5,064 families who received an average of \$166.19. The total cost was \$841,788 for 4,917 grantee-relatives and 12,523 children.

¶ Disability Assistance: This was the only category showing a drop in both cost and caseload. Of the 209 applications serviced, 109 were approved and 100 were rejected or withdrawn. For the most part, the latter group did not meet medical eligibility. Expenditures for the month were \$425,327; the caseload, 3,099.

¶ General Relief: Recipients of this type of aid are paid weekly. Since there were five payrolls during the month, this increased the expenditure by \$40,757 over that of the previous month. There were 582 applications approved and 524 cases closed, an increase of 58 cases. The caseload as of the end of the month was 1,790.

POLICE DEPARTMENT ORDERS

April 26.

General Order No. 896.

Detective Frederick C. Nolan and Patrolmen Daniel J. Harrington and Robert J. Wilson, Special Service Squad of the Bureau of Criminal Investigation, are hereby commended for meritorious police duty and each is granted three days' additional vacation.

As the result of the large number of cars being stolen in and around the Grove Hall area, as well as a number of breaks occurring along Blue Hill avenue, the above officers concentrated their activities in this area in an endeavor to apprehend the perpetrators.

On March 13, 1961, at about 9.30 P.M., these officers while cruising in Geneva avenue and when in the rear of the Jeremiah E. Burke School observed a 1953 Chevrolet sedan with a young boy at the wheel of the car acting in a suspicious manner. When the officers stopped to question the boy, who was 16 years of age, he made an attempt to flee but was quickly apprehended and brought to Headquarters. After questioning, he admitted stealing said motor vehicle a short time before from the corner of Columbia road and Geneva avenue. He was booked as a delinquent child by reason of using a motor vehicle without authority.

As a result of interrogating this youth concerning a 1959 Cadillac sedan stolen from Grove Hall on March 11, 1961, which contained a \$1,000 diamond ring, as well as \$800 worth of radios, wrist watches, and auto accessories, he admitted he and a companion who lived on Dorchester avenue, Dorchester, had stolen the car and removed the contents to the cellar of the companion's address. The officers and the boy went to the Roger Clapp School, Harvest street, Dorchester, where they recovered the Cadillac car, then went to the Dorchester avenue address, arrested the minor, and recovered the diamond ring, several watches, radios, and an assortment of new auto accessories, totaling \$1,899 in value.

The officers, after further observation in the Grove Hall area, arrested another youth, 16 years of age, without a warrant, as a delinquent child by reason of using a motor vehicle without authority, who gave the information that resulted in the recovery of two vehicles, a 1955 Cadillac sedan stolen from in front of 40 Stanwood street, Division 9, and a 1953 Buick sedan, which had been stolen from the vicinity of 3920 Washington street, Division 13.

The two youths in Roxbury Municipal Court were held in \$2,000 bail and the minor in \$5,000 bail. On March 23, 1961, Judge McKenney presiding, found the minor guilty of larceny of merchandise valued at \$1,800, conspiracy to commit larceny and using a motor vehicle without authority, and sentenced him to three concurrent one-year sentences, which were suspended, and he was placed on probation for one year. On

the same date, March 23, 1961, in the Roxbury Juvenile Court, Judge Taylor presiding, the two youths were found guilty and sentenced to an indefinite term to the Youth Service Board.

Continuing their investigation of automobile thefts, on March 20, 1961, Detective Nolan and Patrolmen Harrington and Wilson arrested two additional youths in a 1957 Chevrolet sedan which they admitted having stolen earlier that evening from the corner of Blue Hill avenue and Columbia road. As the result of this arrest, a 1953 Buick sedan was recovered in South Boston. Both boys, 16 years of age, on interrogation, admitted they had each stolen about five cars during the previous two weeks.

As the result of further information obtained, these officers went to the rear of 10 Bellevue street, Dorchester, and in a garage at that location found a boy, 16 years of age, a minor, and a female juvenile living in a 1950 Ford sedan. At the time of arrest, the officers recovered a fully-loaded 6.5 Italian Carbine belonging to one of the youths who was wanted on Division 9 for questioning regarding an assault with this rifle.

On March 21, 1961, Judge Shulman in Dorchester District Court found all defendants guilty as follows: the two youths, delinquency by reason of using a motor vehicle without authority and placed on probation for six months. The minor was found guilty of a morals charge. He was given three months suspended sentence and placed on probation for one year. The female juvenile was placed on probation for one year as a delinquent.

Detective Nolan and Patrolmen Wilson and Harrington continued their investigation in that area and on March 22, 1961, at about 11 p.m., as the result of information, they visited the mother of a boy in Dorchester to inquire about the activities of her minor son. The officers left the apartment shortly thereafter, but kept the house under surveillance. At about 11:45 p.m., they observed the young man walking towards his home. He was stopped by the officers and inasmuch as he failed to give satisfactory answers to their questions, he was taken to Police Headquarters. After lengthy questioning, he admitted participation in five breaks within a two-month period, all committed on Blue Hill avenue, which involved merchandise and moneys to the value of approximately \$1,200.

On March 23, 1961, in Roxbury District Court, Judge Tracy presiding, this minor pleaded guilty to five counts of breaking and entering and larceny in the nighttime and he was held in \$5,000 for the grand jury.

The Police Commissioner is pleased to recognize the outstanding police work performed by Detective Frederick C. Nolan and Patrolmen Daniel J. Harrington

ton and Robert J. Wilson in this case, who, as the result of perseverance and devotion to duty, cleared the many automobile thefts and breaks in business establishments which had been committed over a period of time by these youthful offenders and terminated a condition which was corrupting the morals of several juveniles.

April 27.

General Order No. 897.

The Boston Retirement Board having approved the same, the following-named police officers are retired from active duty under the provisions of the State-Boston Retirement System, effective at the close of business, Sunday, April 30, 1961:

Detective First Grade Francis J. Hailer, Detective Bureau.
Patrolman James F. Mulhern, Division 2.

May 1.

General Order No. 898.

The Boston Retirement Board having approved the same, the following-named police officer was retired from active duty under the provisions of the State-Boston Retirement System, effective at the close of business Sunday, April 30, 1961:

Patrolman John J. Counihan, Division 16.

FIRE DEPARTMENT ORDERS

May 2.

General Order No. 21.

I. CHARLES E. DOHERTY.

It is with deep regret that the Fire Commissioner announces the death on April 22, 1961, of Storekeeper Charles E. Doherty of the Maintenance Division. Storekeeper Doherty was appointed to the department on June 12, 1957.

The funeral was held from the John J. O'Connor Funeral Home, 740 Adams street, Dorchester, at 8 A.M., Wednesday, April 26, 1961, followed by a funeral High Mass in St. Mark's Church, Dorchester avenue, Dorchester, at 9 A.M.

Members of the Maintenance Division were excused from duty in order to attend the funeral services.

II. RETIREMENTS.

The following retirement, in accordance with section 7 and 94 of chapter 32 of the General Laws, as amended, which became effective at 8 A.M., Monday, May 1, 1961, is hereby announced:

District Fire Chief Daniel P. Hegarty, 75 Perthshire road, Brighton, of Headquarters.

The following retirement, in accordance with section 7, chapter 32 of the General Laws, as amended, which became effective at 8 A.M., Monday, May 1, 1961, is hereby announced:

Fire Fighter William W. Austin, 389 Cambridge street, Brighton, of Ladder Company 26.

District Fire Chief Hegarty was appointed to the department on February 1, 1924. He was promoted to fire lieutenant on October 16, 1940, to fire captain on November 5, 1945, and to district fire chief on February 2, 1949. Fire Fighter Austin was appointed to the department on May 26, 1943.

Both the foregoing named members leave the department with the best wishes of their associates.

III. BOSTON AUTOMATIC ASSIGNMENTS.

Company commanders shall add the following signal numbers to running cards of the Boston Automatic Company in this department:

Signal 459, 940-944 Dorchester avenue. (Sprinkler.) Apparatus to respond: Engine 21, Ladder 20, District Chief 7. Nearest box is 1823.

Signal 462, 20-34 Topalian street. (Sprinkler.) Apparatus to respond: Engine 48, Ladder 28, District Chief 10. Nearest box is 366.

Signal 1316, 25 Leonard street, St. Ambrose School.

Signal 1317, 25 Leonard street, St. Ambrose School, blind attic. Apparatus to respond to both signals: Engine 17, Ladder 7, District Chief 7. Nearest box is 13-3148.

Notice has been received from the Boston Automatic Company that the following signals have been discontinued: Signal 49, 67-73 Sudbury street.

Signal 1216, 4 Charlesgate East, B. U. Girls' Dormitory.

IV. CHANGE IN DESIGNATION OF F. A. BOX.

The Warren and Copley Schools have been abandoned, and the auxiliary fire alarm system to these schools has been discontinued. The designation for Fire Alarm Box 4151 will be corrected by deleting "AUX. Warren and Copley Schools." Designation will be:

4151, Summer and School streets.

Company commanders will make the above change on assignment cards for this box.

V. CHANGES IN RESPONSE.

Effective at 8 A.M., Monday, May 8, 1961, the following changes will be made on assignment cards in this department:

On any box in Division 2 where Engine 13 does not appear on the running card on either the first or second alarm response, it shall be added to the second alarm response.

Boxes 181 through 1825

2d alarm cover: drop E13 to E17; add E20 to E17

3d alarm response: drop E13; add E20

4th alarm response: drop E20; add E25

5th alarm cover: drop E25 to E43; drop E50 to E3; add E50 to E43

Boxes 211 through 2126

2d alarm cover: drop E13 to E12; add E39 to E12

3d alarm response: drop E13; add E39

and on Boxes 2122, 2133, 2144, 2125, and 2126 on second alarm cover: add L29 to L23

Box 221, 2d alarm cover: drop E13 to E22; add E39 to E22

3d alarm response: drop E13; add E39

Boxes 2211, 2212, 2213, 2214, 2215

2d alarm cover: drop E13 to E14

3d alarm response: drop E13; add E39

3d alarm response should read: E10, E42, E43, E39

Box 2216, 2d alarm cover: drop E13 to E14; add E42 to E14

3d alarm response: drop E13; add E42

5th alarm response: drop E42; add E12

5th alarm cover: drop E16 to E21; add E16 to E12

Boxes 2217, 2218, 2219

2d alarm cover: drop E13 to E14

3d alarm response: drop E13; add E12

3d alarm cover: add E20 to E12

4th alarm cover: drop E20 to E21

5th alarm cover: drop E16 to E21; add E16 to E12

Boxes 2221, 2223, 2224, 2226

2d alarm cover: drop E13 to E14

3d alarm response: drop E13; add E42

5th alarm response: drop E42; add E20

5th alarm response should read: E27, E32, E21, E20

On the remaining boxes of the 2200 series where E13 formerly covered on the second alarm, the assignments of E13 will be assumed by E39.

2300 Series

On all boxes in the 2300 series where E13 formerly covered on the second alarm, their assignments will be assumed by E39.

2600 Series

Boxes 2653, 2654, 2656, 2661, 2662, 2663, 2673, 2674, 2675. On the above boxes E12 will assume the former assignments of E13. E39 will cover E12 on these boxes on the second alarm.

2700 Series

Box 2729, 2d alarm response: drop E42; add E13

2d alarm cover: drop E13 to E30; add E42 to E30

3d alarm response: drop E13; add E42

Boxes 273 through 2797

E12 will assume the former assignments of E13

E39 will cover E12 on second alarm.

2800 Series

Boxes 281 through 2867

E16 will assume the former assignments of E13

5th alarm cover: drop E16 to E30; add E3 to E30; add E32 to E52

Boxes 287 through 2888

E12 will assume the former assignments of E13

E39 will cover E12 on second alarm

2900 Series

E12 will assume the former assignments of E13; E39 will cover E12 on second alarm.

3600 Series

Boxes 366 through 3669 and Boxes 369 through 3697

E49 will assume the former assignments of E13 on these boxes.

3700 Series

Boxes 371 through 3718, E49 will assume the former assignments of E13

Boxes 3723 through 3792, E12 will assume the former assignments of E13

E39 will cover E12 on second alarm.

3800 Series

E12 will assume the former assignments of E13

E39 will cover E12 on second alarm.

5100 Series

E39 will assume the former assignments of E13

Boxes 5193, 5195

Add E40 to E39 on 4th alarm cover.

5200 Series

E39 will assume the former assignments of E13.

5300 Series

E39 will assume the former assignments of E13

4th alarm cover: add E40 to E39.

5400 Series

E39 will assume the former assignments of E13

4th alarm cover: add E40 to E39.

TRAFFIC RULINGS

Temporary

The Traffic Commission has voted as follows:

That as urgently required by considerations of public safety and convenience, for a trial period of sixty (60) days, the Traffic Rules and Regulations of the City of Boston are amended as follows, effective April 4, 1961:

Article IV, Section 3, Part 2 (Prohibition of Parking), is amended by inserting in its proper place in the alphabetical arrangement under the caption "Roxbury" the following:

Topeka Street.

Both sides, from Southamptton street to South Bay avenue, 24 hours.

That as urgently required by considerations of public safety and convenience, the following temporary traffic regulation which was adopted March 1, 1961, and was effective March 2, 1961, for one (1) month, during building demolition, is hereby extended for a period estimated to be sixty (60) days from March 30, 1961:

Vehicles are excluded from the following street when and where official signs are in place:

St. James Avenue, Boston Proper.

From Clarendon street to Trinity place, 9 A.M. to 4 P.M.

That as urgently required by considerations of public safety and convenience, during the period of street construction estimated to be ninety (90) days, vehicles are excluded from the following streets, when and where official signs are in place, effective April 12, 1961:

Hackensack Road, West Roxbury.

From Hackensack terrace to dead end.

Stratford Street, West Roxbury.

From Bellevue Hill road to Saville street.

To Be Used in District 1, Boston Proper and Charlestown.

Item 1. 1,800 Tons Hot Bituminous Patch Mix, Per Ton.—Essex Bituminous Concrete Corporation, \$4.50; Hottop Pavements, Inc., \$5.50; Trimount Bituminous Products Company, \$4.75*; Vulcan Construction Company, \$5.

Item 1A. 200 Tons Sheet Asphalt, Per Ton.—Essex Bituminous Concrete Corporation, \$6.50; Hottop Pavements, Inc., \$6.50; Trimount Bituminous Products Company, \$6.75*; Vulcan Construction Company, \$6.

Item 1B. 800 Tons Cold Bituminous Patch Mix, Per Ton.—Essex Bituminous Concrete Corporation, \$5.90; Hottop Pavements, Inc., \$6.90; Trimount Bituminous Products Company, \$5.44*.

Item 1C. 60 Gallons of R. S. 2, Per Gallon.—Essex Bituminous Concrete Corporation, 25 cents; Hottop Pavements, Inc., 43 cents; Trimount Bituminous Products Company, 55 cents*; Vulcan Construction Company, 50 cents.

To Be Used in District 2, Jamaica Plain.

Item 2. 700 Tons Hot Bituminous Patch Mix, Per Ton.—Hottop Pavements, Inc., \$5.50*; Trimount Bituminous Products Company, \$4.75; Vulcan Construction Company, \$5.

Item 2A. 25 Tons Sheet Asphalt, Per Ton.—Hottop Pavements, Inc., \$6.50*; Trimount Bituminous Products Company, \$6.57; Vulcan Construction Company, \$6.

Item 2B. 300 Tons Cold Bituminous Patch Mix, Per Ton.—Hottop Pavements, Inc., \$6.75; Trimount Bituminous Products Company, \$5.47*.

Item 2C. 30 Gallons R. S. 2, Per Gallon.—Hottop Pavements, Inc., 43 cents*; Trimount Bituminous Products Company, 55 cents; Vulcan Construction Company, 50 cents.

To Be Used in District 3, Dorchester North.

Item 3. 1,000 Tons Hot Bituminous Patch Mix, Per Ton.—Hottop Pavements, Inc., \$5.50*; Trimount Bituminous Products Company, \$4.75; Vulcan Construction Company, \$5.

Item 3A. 50 Tons Sheet Asphalt, Per Ton.—Hottop Pavements, Inc., \$6.50*; Trimount Bituminous Products Company, \$6.75; Vulcan Construction Company, \$6.

Item 3B. 450 Tons Cold Bituminous Patch Mix, Per Ton.—Hottop Pavements, Inc., \$6.75; Trimount Bituminous Products Company, \$5.44*.

Item 3C. 40 Gallons R. S. 2, Per Gallon.—Hottop Pavements, Inc., 43 cents*; Trimount Bituminous Products Company, 55 cents; Vulcan Construction Company, 50 cents.

To Be Used in District 4, Brighton.

Item 4. 700 Tons Hot Bituminous Patch Mix, Per Ton.—Hottop Pavements, Inc., \$5.50; Trimount Bituminous Products Company, \$4.75; Vulcan Construction Company, \$5*.

Item 4A. 25 Tons Sheet Asphalt, Per Ton.—Hottop Pavements, Inc., \$6.50; Trimount Bituminous Products Company, \$6.75; Vulcan Construction Company, \$6*.

Item 4B. 300 Tons Cold Bituminous Patch Mix, Per Ton.—Hottop Pavements, Inc., \$6.90; Trimount Bituminous Products Company, \$5.44*.

Item 4C. 30 Gallons R. S. 2, Per Gallon.—Hottop Pavements, Inc., 43 cents; Trimount Bituminous Products Company, 55 cents; Vulcan Construction Company, 50 cents*.

To Be Used in District 5, South Boston.

Item 5. 700 Tons Hot Bituminous Patch Mix, Per Ton.—Essex Bituminous Concrete Corporation, \$4.50; Hottop Pavements, Inc., \$5.50; Trimount Bituminous Products Company, \$4.75*; Vulcan Construction Company, \$5.

Item 5A. 25 Tons Sheet Asphalt, Per Ton.—Essex Bituminous Concrete Corporation, \$6.50; Hottop Pavements, Inc., \$6.50; Trimount Bituminous Products Company, \$6.75*; Vulcan Construction Company, \$6.

Item 5B. 300 Tons Cold Bituminous Patch Mix, Per Ton.—Essex Bituminous Concrete Corporation, \$6.10; Hottop Pavements, Inc., \$6.75; Trimount Bituminous Products Company, \$5.44*.

Item 5C. 30 Gallons R. S. 2, Gallon.—Essex Bituminous Concrete Corporation, 25 cents; Hottop Pavements, Inc., 43 cents; Trimount Bituminous Products Company, 55 cents*; Vulcan Construction Company, 50 cents.

To Be Used in District 6, West Roxbury.

Item 6. 700 Tons Hot Bituminous Patch Mix, Per Ton.—Hottop Pavements, Inc., \$5.50*; Trimount Bituminous Products Company, \$4.75; Vulcan Construction Company, \$5.

Item 6A. 25 Tons Sheet Asphalt, Per Ton.—Hottop Pavements, Inc., \$6.50*; Trimount Bituminous Products Company, \$6.75; Vulcan Construction Company, \$6.

Item 6B. 300 Tons Cold Bituminous Patch Mix, Per Ton.—Hottop Pavements, Inc., \$6.70; Trimount Bituminous Products Company, \$5.59*.

Item 6C. 30 Gallons R. S. 2, Per Gallon.—Hottop Pavements, Inc., 43 cents*; Trimount Bituminous Products Company, 55 cents; Vulcan Construction Company, 50 cents.

To Be Used in District 7, Dorchester South.

Item 7. 1,000 Tons Hot Bituminous Patch Mix, Per Ton.—Hottop Pavements, Inc., \$5.50*; Trimount Bituminous Products Company, \$4.75; Vulcan Construction Company, \$5.

Item 7A. 50 Tons Sheet Asphalt, Per Ton.—Hottop Pavements, Inc., \$6.50*; Trimount Bituminous Products Company, \$6.75; Vulcan Construction Company, \$6.

Item 7B. 450 Tons Cold Bituminous Patch Mix, Per Ton.—Hottop Pavements, Inc., \$6.70; Trimount Bituminous Products Company, \$5.44*.

Item 7C. 40 Gallons R. S. 2, Per Gallon.—Hottop Pavements, Inc., 43 cents*; Trimount Bituminous Products Company, 55 cents; Vulcan Construction Company, 50 cents.

To Be Used in District 8, Hyde Park.

Item 8. 700 Tons Hot Bituminous Patch Mix, Per Ton.—Hottop Pavements, Inc., \$5.50*; Trimount Bituminous Products Company, \$4.75; Vulcan Construction Company, \$5.

Item 8A. 25 Tons Sheet Asphalt, Per Ton.—Hottop Pavements, Inc., \$6.50*; Trimount Bituminous Products Company, \$6.75; Vulcan Construction Company, \$6.

Item 8B. 300 Tons Cold Bituminous Patch Mix, Per Ton.—Hottop Pavements, Inc., \$6.70; Trimount Bituminous Products Company, \$5.64*.

Item 8C. 50 Gallons R. S. 2, Per Gallon.—Hottop Pavements, Inc., 43 cents*; Trimount Bituminous Products Company, 55 cents; Vulcan Construction Company, 50 cents.

To Be Used in District 9, East Boston.

Item 9. 700 Tons Hot Bituminous Patch Mix, Per Ton.—Essex Bituminous Concrete Corporation, \$4.50; Hottop Pavements, Inc., \$5.50; Trimount Bituminous Products Company, \$4.75*; Vulcan Construction Company, \$5.

Item 9A. 25 Tons Sheet Asphalt, Per Ton.—Essex Bituminous Concrete Corporation, \$6.50; Hottop Pavements, Inc., \$6.50; Trimount Bituminous Products Company, \$6.75*; Vulcan Construction Company, \$6.

Item 9B. 300 Tons Cold Bituminous Patch Mix, Per Ton.—Essex Bituminous Concrete Corporation, \$5.90; Hottop Pavements, Inc., \$7.25; Trimount Bituminous Products Company, \$5.29*.

Item 9C. 30 Gallons R. S. 2, Per Gallon.—Essex Bituminous Concrete Corporation, 25 cents; Hottop Pavements, Inc., 43 cents; Trimount Bituminous Products Company, 55 cents; Vulcan Construction Company, 50 cents.

To Be Used in District 10, Roxbury.

Item 10. 1,100 Tons Hot Bituminous Patch Mix, Per Ton.—Hottop Pavements, Inc., \$5.50*; Trimount Bituminous Products Company, \$4.75; Vulcan Construction Company, \$5.

The other bidder was:

Contract Interiors, Inc., \$11,493.52.

MAYOR'S OFFICE.

The Mayor, on April 24, issued the following:

Dog Officer Services

TO WHOM IT MAY CONCERN:

Pursuant to the power vested in me by section 151 of chapter 140 of the General Laws, as amended, I am this day awarding a contract to the Animal Rescue League of Boston which contract calls for the league to perform the duties required of dog officers in the City of Boston, as set forth in the aforesaid chapter 140, and to receive as full compensation therefor \$85 a day (Saturdays, Sundays, and legal holidays included). The contract, which is for the period from 12.01 A.M. on May 1, 1961, to 12.01 A.M. on May 1, 1962, may be terminated by the league giving written notice to the City of Boston of its intention to terminate this contract on a date which shall be specified in such notice and shall not be less than ninety (90) days after the date of the sending of such notice.

In view of the nature of the work to be performed, the facilities needed and the expert staff necessary to carry out the prescribed duties of dog officer, and of the further fact that the league has performed the duties of dog officer in a most satisfactory manner for many years past, it is my opinion that no advantage would be gained by public advertising, and I am therefore dispensing with it.

JOHN F. COLLINS, Mayor.

PARKS AND RECREATION DEPARTMENT.

Pavement Repairs

Repairs to bituminous pavement at Parks and Recreation Department roadways in Boston, awarded to S. J. Tomasello Corporation, in the amount of \$3,158.

THE SCHOOL COMMITTEE OF THE CITY OF BOSTON.

ADMINISTRATION BUILDING, 15 BEACON STREET, OFFICE OF THE BUSINESS MANAGER.

PROPOSALS FOR FURNISHING AUDIO VISUAL EQUIPMENT FOR BOSTON PUBLIC SCHOOLS.

The School Committee of the City of Boston invites bids for furnishing and delivering audio visual equipment for the Boston public schools. Proposal forms are obtainable at the office of the Business Manager of the School Committee, tenth floor, 15 Beacon street. Envelopes containing proposals must be sealed and plainly marked "Proposal for Audio Visual Equipment." The bid must be in duplicate. One copy, signed by the bidder, and accompanied by a certified check in the amount of two hundred dollars (\$200), payable to the City of Boston, must be left at the office of the Business Manager on or before Thursday, May 18, 1961, at 12 o'clock noon (Eastern Daylight Saving Time). Copies filed with the Business Manager will be publicly opened and read at 12 o'clock noon of the day stated. The other copy, also signed by the bidder, must be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for the opening of the bids. The School Committee reserves the right to reject any or all bids, and to accept the bid or bids which it deems best for the interests of the city. The successful bidder will be required to furnish a suitable bond or deposit of money or other security in the amount of not less than 50 per cent of the amount of the contract.

LEO J. BURKE,
Business Manager of the School Committee.

CITY OF BOSTON.

PARKS AND RECREATION DEPARTMENT.

INVITATION FOR BIDS FOR REPAIRING AND PAINTING GREENHOUSES AT FRANKLIN PARK, WEST ROXBURY, MASS.

The Commissioner of Parks and Recreation of the City of Boston, 33 Beacon street, Boston, Mass., hereinafter referred to as the Awarding Authority, invites sealed proposals for repairing and painting greenhouses at Franklin Park, West Roxbury, Mass.

Proposals will be received until 2 o'clock P.M. (Eastern Daylight Saving Time), Tuesday, May 16, 1961, at the office of the Awarding Authority, 33 Beacon street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Proposals must be submitted in duplicate on

forms obtained at the Engineer's office of the Parks and Recreation Department, 33 Beacon street, Boston, Mass. Each copy of the proposal shall be properly filled out, signed, enclosed in an envelope, sealed and plainly marked with the description of the work to be done. One copy shall be filed at the office of the Awarding Authority, designated above, and the other copy shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of proposals.

A bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, in the sum of \$700, shall be submitted with the copy of the proposal filed with the Awarding Authority. The bid deposit shall be in a separate envelope, properly marked.

No bidder may withdraw his bid within thirty days after the actual date of the opening thereof.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, a schedule of which appears in the specifications.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 per cent of the contract price, will be required of the successful contractor.

The Awarding Authority reserves the right to waive any informalities and to reject any or all bids if it be in the public interest so to do. The Awarding Authority also reserves the right to reject all bids in accordance with the provisions of sections 44A to 44E, inclusive, of chapter 149 of the General Laws, as amended.

CITY OF BOSTON,
MARTIN F. WALSH,
Commissioner of Parks and Recreation.

Article IV, Section 3, Part 2 (Prohibition of Parking), is amended by inserting in its proper place in the alphabetical arrangement under the caption "Roxbury" the following:

Parker Hill Terrace.
South side, from Parker Hill avenue to the dead end, 24 hours.

Article IV, Section 3, Part 2 (Prohibition of Parking), is amended by inserting in its proper place in the alphabetical arrangement under the caption "South Boston" the following:

East Seventh Street.
Both sides, from a point thirty-five (35) feet west of O street to O street, 24 hours.

Article IV, Section 3, Part 2 (Prohibition of Parking), is amended by inserting in its proper place in the alphabetical arrangement under the caption "West Roxbury" each of the following:

Pershing Road.
South side, from Centre street to Pond View avenue, 8 A.M. to 6 P.M.
School Street.

Northeast side, from Washington street to opposite Egleston street, 8 A.M. to 6 P.M.

Southwest side, from Washington street to Amory street, 24 hours.

A true excerpt from the minutes of the April 12, 1961, meeting of the Boston Traffic Commission.

Attest:

WILLIAM T. DOYLE,
Deputy Commissioner and Secretary.
(May 6.)

CLAIM APPROVED

The Mayor, on recommendation of the Corporation Counsel has approved the following vote of the Committee on Claims of the City Council:

James J. Lynch, 41 East High street, Avon, an employee of the Public Works Department, Highway Division, who, on October 9, 1960, while in the performance of his duty, was operating a city-owned vehicle on Tremont and Stuart streets, when he collided with a car owned by Edwin T. Heath, and operated by Patrick Smith, causing damage thereto, by payment of \$50.

THE SCHOOL COMMITTEE OF THE CITY OF BOSTON.

ADMINISTRATION BUILDING, 15 BEACON STREET,
OFFICE OF THE BUSINESS MANAGER.

PROPOSALS FOR FURNISHING KITCHEN EQUIPMENT, CHINA, TABLEWARE, ETC., FOR BOSTON PUBLIC SCHOOL KITCHENS AND CAFETERIAS.

The School Committee of the City of Boston invites bids for furnishing kitchen equipment, china, tableware, etc., for Boston public school kitchens and cafeterias. Proposal forms are obtainable at the office of the Business Manager of the School Committee, tenth floor, 15 Beacon street. Envelopes containing proposals must be sealed and plainly marked "Proposal for Furnishing Kitchen Equipment, China, Tableware, etc." The bid must be in duplicate. One copy, signed by the bidder, and accompanied by a certified check, payable to the City of Boston, in the amount of two hundred dollars (\$200), must be left at the office of the Business Manager on or before twelve o'clock noon (Eastern Daylight Saving Time), on Friday, May 19, 1961. Copies filed with the Business Manager will be publicly opened at twelve o'clock noon of the day stated. The other copy, also signed by the bidder, must be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bids. The School Committee reserves the right to reject any or all bids and to accept the bid or bids which it deems best for the interests of the city. The successful bidders will be required to furnish a suitable bond or deposit of money or other security in the amount of not less than 50 per cent of the amount of the contract.

LEO J. BURKE,

Business Manager of the School Committee.

CITY OF BOSTON.

PUBLIC WORKS DEPARTMENT.

Proposals for Repairs to Roadways and Sidewalks in All Areas of the City of Boston.

The Commissioner of Public Works of the City of Boston, Room 511 (Contract Office), City Hall Annex, invites proposals from citizens of the United States and corporations or other legal associations wherein the controlling interest to the extent of at least over one half thereof is owned by a citizen or citizens of the United States, for repairs to roadways and sidewalks in all areas of the City of Boston. A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and each in the sum of 100 per cent of the contract price, less the amount of \$19,000, will be required of the successful contractor. Forms of proposals may be obtained at Room 511 (Contract Office), City Hall Annex. The proposal should be signed, enclosed in an envelope, sealed, marked "Proposal for Repairs to Roadways and Sidewalks in All Areas of the City of Boston," and left at Room 511

(Contract Office), fifth floor, City Hall Annex, before 2 P.M. (Eastern Daylight Saving Time) of WEDNESDAY, MAY 17, 1961, with a certified check for FIVE THOUSAND (5,000) DOLLARS, payable to and to become the property of the city if the proposal after acceptance is not carried out. The proposals will then be publicly opened and read in the Hearing Room, 401 City Hall Annex.

Proposals must be made in duplicate, the sealed duplicate, without check, to be deposited by the bidder with the City Auditor previous to the time named for opening the bids. All proposals must be from bidders of record on file at Room 511, City Hall Annex. *There will be a charge of two dollars (\$2), NOT REFUNDABLE, for each set of contract documents taken out.* If the bidder neglects to bid on each and every item, it may lead to the rejection of the proposal. The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed under the contract, shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the office of the Commissioner of Public Works. Before commencing performance of this contract, the Contractor shall provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law, so called) to all persons to be employed under this contract and shall continue such insurance in full force and effect during the term of this contract.

ATTENTION IS CALLED TO CHAPTER 316 OF THE ACTS OF 1959, WHICH MUST BE STRICTLY COMPLIED WITH. The Commissioner reserves the right to reject any and all proposals, or any item or items of the proposal should he deem it to be for the best interest of the city so to do.

JAMES W. HALEY,

(May 6.) Commissioner of Public Works.

REAL PROPERTY BOARD OF THE CITY OF BOSTON.

INVITATION FOR PROPOSALS FOR LEASING OF PUBLIC PARKING FACILITY AT 30 KILBY STREET, BOSTON.

The Real Property Board of the City of Boston, hereinafter called the Board, invites from individual citizens of the United States and corporations or other legal associations wherein the controlling interest to the extent of at least over one half thereof is owned by a citizen or citizens of the United States, proposals for leasing for the term of three (3) years beginning May 24, 1961, and ending May 23, 1964, the public parking facility situated in Boston at 30 Kilby street, upon the covenants, agreements, and conditions contained in the form of lease which, with the form of proposal, may be obtained daily (except Saturdays, Sundays, and holidays), between 9 A.M. and 5 P.M. (Eastern Daylight Saving Time), at the office of the Board, Room 811, City Hall Annex, Court street, Boston. The covenants and agreements contained in the lease will require, among other conditions, that the lessee will maintain and operate the parking facility at all times in a manner fully satisfactory to the Real Property Board of the City of Boston and to cause such improvements to be installed in said parking facility as in the opinion of the Real Property Board, will preserve and enhance the facility in the best interests of the city.

Proposals shall be submitted in duplicate on forms obtained as aforesaid. Each copy of the proposal shall be properly filled out, signed, enclosed in an envelope, sealed, and marked "Proposal for Leasing of Public Parking Facility at 30 Kilby Street, Boston." One copy of the proposal shall be filed with the Board at its said office on or before 12 o'clock noon (Eastern Daylight Saving Time), on Tuesday, May 16, 1961, at which time and place all proposals will be publicly opened and read. The copy of the proposal filed with

the Board shall be accompanied by a bid deposit of fifteen thousand dollars (\$15,000) made under the terms stated in the form of proposal, in the form of CASH or a CERTIFIED CHECK payable to the City of Boston, and shall also be accompanied by written evidence of the ability of the bidder to furnish the performance bond (or cash in lieu thereof), provided in the form of lease. The other copy of the proposal shall be filed by the bidder before said day and hour at the office of the City Auditor, City Hall, School street, Boston.

No proposal shall be withdrawn after the day and hour hereinbefore set for the opening of proposals.

The Board reserves the right to reject any and all proposals.

JAMES J. SULLIVAN, JR., Chairman,

ALBERT F. DONNELLY,

WILLIAM F. KEESLER,

HOSPITAL DEPARTMENT.

INVITATION FOR GENERAL BIDS FOR PROVIDING MAINTENANCE SERVICES, INCLUDING CERTAIN REPAIRS AND REPLACEMENTS, AS REQUIRED, AND INSPECTION SERVICES, UPON DESIGNATED ELEVATORS, DURING THE PERIOD JULY 17, 1961, TO MARCH 31, 1962, AT BOSTON CITY HOSPITAL, INCLUDING EAST BOSTON RELIEF STATION.

The City of Boston, acting by the Board of Trustees of the Hospital Department, and of the Boston City Hospital, hereinafter referred to as the Awarding Authority, invites sealed general bids for providing, during the period July 17, 1961, to March 31, 1962, maintenance services, including certain repairs and replacements, as required, and inspection services, including certain repairs and replacements, as required, and inspection services, upon designated elevators at Boston City Hospital, including East Boston Relief Station, Boston, Mass.

General bids will be received until two o'clock P.M. (Eastern Daylight Saving Time), Friday, May 19, 1961, at the office of the Superintendent of the Boston City Hospital, 818 Harrison avenue, Boston, at which time and place they will be publicly opened and read aloud.

General bids must be submitted in duplicate on forms obtained from the Awarding Authority. Each copy of the general bid shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. One copy of the bid, which shall not be detached from the contract form and specifications to which it is attached, shall be filed with the Awarding Authority at the office designated above, accompanied by a bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, in the sum of \$2,000. The other copy of the bid shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of the bids.

No bidder may withdraw his bid within thirty days after the actual date of the opening of bids (Saturdays, Sundays, and legal holidays excluded).

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, sections 26-27D, inclusive, as amended, a schedule of which appears in the specifications.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

Forms of general bid, including the form of contract and specifications may be obtained at the office of the Awarding Authority, designated above, on and after Monday, May 22, 1961.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 per cent of the contract price, will be required of the successful bidder.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest so to do, in accordance with section 44D, chapter 149, of the General Laws as amended.

BOSTON REDEVELOPMENT
AUTHORITYRESOLUTION RE DETERMINATIONS AND FINDINGS
IN THE GOVERNMENT
CENTER PROJECT MASS.
R=35.

Whereas, Boston Redevelopment Authority (hereinafter called the "Authority") is a public body, politic and corporate, duly organized and existing under the provisions of the Housing Authority Law of the Commonwealth of Massachusetts and having a usual place of business in the City of Boston, Massachusetts; and

Whereas, The Authority has, with the approval of the Mayor and City Council of the City of Boston and with financial assistance provided under Title I of the Housing Act of 1949, as amended, by the Housing and Home Finance Agency of the United States of America, undertaken and conducted surveys, studies and inspections of an area in the City of Boston, known and referred to as the Government Center Project Area (hereinafter called the "Project Area"), for which area the Authority is preparing a land assembly and redevelopment plan or an urban renewal plan, said area being more particularly described in Exhibit "A" attached hereto and made a part of this resolution; and

Whereas, The Authority has, after due and proper notice, held a public hearing with respect to the Project Area and, at said hearing, received and heard extensive evidence, data, exhibits, views and opinions with respect to said Project Area and its condition, including (a) statements,

data and statistics presented by officials of the City of Boston respecting fire control problems in the Project Area and their causes, traffic control problems in the Project Area and their causes, and law enforcement problems in the Project Area and their causes, (b) statements, study reports and extensive exhibits prepared and presented by members of the Authority's staff, including detailed explanations of the study procedures used by the staff, detailed descriptions of the Project Area, the physical conditions and uses of land and structures therein, historical data respecting the economic and land use trends therein, inspection reports respecting the physical condition of every structure in the area, and extensive folios of interior and exterior photographs disclosing the appearance and physical condition of structures throughout the area and in every section thereof and (c) statements, opinions, views and data from various interested individuals, and representatives of various organizations pertaining to the conditions existing in the area; now therefore be it

Resolved, That the Boston Redevelopment Authority acting under and pursuant to its powers under the provisions of said Housing Authority Law and any other powers thereunto enabling, does hereby determine, declare and find that the Project Area is a decadent area in that it is an area which is detrimental to safety, health, morals, welfare and the sound growth of the community because of one or more of the following reasons and conditions, namely, because of the existence of buildings which are out of repair, physically deteriorated, unfit for human habitation and obsolete, in need of major maintenance and repair, because buildings have been torn down and not replaced and in which under existing conditions it is improbable that the buildings will be replaced, because of a substantial change in business and economic conditions, because of inadequate light, air and open space, because of excessive land coverage, because diversity of ownership, irregular lot sizes and obsolete street patterns make it improbable that the area will be redeveloped by the ordinary operations of private enterprise.

And more particularly, the Authority does hereby determine, declare and find as follows:

1. The Project Area consists of 53.5 acres, of which nearly one half (22.6 acres) consists of a tangle of narrow streets, alleys and ill-defined squares, leaving a net balance of 30.9 acres, which is solidly built up, predominantly by commercial buildings occupying close to 100 per cent of each block except where demolition has resulted in parking lots.

2. The Project Area includes 364 major structures, containing approximately 4,372,000 square feet, exclusive of basements. Of this, approximately 692,500 square feet, or 16 per cent, are vacant. The vacancy ratio in this part of the downtown city area is three times the estimated 5 per cent vacancy ratio in the entire downtown city area. Many of Area contain exposed electrical wiring

the nonresidential buildings were conversions from original residential uses, and many were designed for the nonresidential requirements of the 19th century. These structures are obsolete and ill-adapted to contemporary use.

3. During the past 35 years, 78 structures have been demolished and only one building has been replaced or built. About 75 per cent of the structures in the Project Area were built prior to 1900 and about one half of these (37 per cent of the total) were constructed more than 100 years ago. There is little or no likelihood that buildings will be replaced or redeveloped by the ordinary operations of private enterprise.

4. Most of the structures having been constructed before the City of Boston Fire Code was adopted, only about 6.5 per cent of the present buildings are fire-proof or fire-resistive. Most of the Project Area is within a so-called congested value district as designated by the National Board of Fire Underwriters. In 93 or 25.5 per cent of the structures in the Project Area combustible debris is accumulated to a degree resulting in a serious fire hazard. Three hundred three or 83.2 per cent of the structures in the Project Area have stairways that are not enclosed, constituting a fire hazard. The preponderance of nonfireproof buildings, the construction of buildings out to the sidewalks, and the narrow, congested streets with their sharp corners make it extremely difficult to move fire-fighting equipment quickly and expeditiously to the scene of a fire within the Project Area and creates a major fire control problem. During the past two years, there was an average of one fire for every six buildings in the Project Area, which is more than five times the average for the entire city. Of the fires within the Project Area, 5 per cent were major fires, as compared with an average of 2 per cent for the entire city.

5. Building and environmental deficiencies are numerous and widespread throughout the Project Area. One hundred ninety-five or 53.6 per cent of the structures in the Project Area have roofs which are deteriorated and in need of major repair. One hundred sixty-one or 44.2 per cent of the structures in the Project Area have walls which are deteriorated and in need of major repair. One hundred ninety or 52.2 per cent of the structures have outside walls which have broken or loose surfaces or holes or badly worn surfaces and are in need of major repairs. Two hundred twenty-seven or 62.4 per cent of the structures have inside walls or ceilings which have cracks, holes or badly worn surfaces. Two hundred thirty-four or 64.3 per cent of the structures have evidence of leaks and/or missing plaster on inside walls or ceilings. Two hundred fifteen or 59.1 per cent of the structures in the Project Area are reported as being vermin-infested, resulting in a health hazard. One hundred forty-seven or 40.4 per cent of the structures in the Project Area lack hot running water. Two hundred thirty-three or 64.0 per cent of the structures in the Project

constituting a hazard. Two hundred eighty or 76.9 per cent of the structures have floors that sag. One hundred three or 28.3 per cent of the structures have faulty foundations. One hundred four or 28.6 per cent of the structures have split or deteriorated framing. One hundred thirty-eight or 37.9 per cent of the structures in the Project Area possess exposed electrical panels constituting a hazard. Two hundred fifty or 68.7 per cent of the structures in the Project Area have obsolete plumbing. One hundred seventy-two or 47.3 per cent of the structures in the Project Area have toilets without proper ventilation. Forty-five or 12.4 per cent of the structures in the Project Area lack artificial lighting in public hallways, constituting a hazard. About 40 per cent of the lodging houses in the Project Area have lodging rooms which lack access to two means of egress, and about 65 per cent have less than one toilet for each eight (8) persons of licensed capacity.

6. The Project Area presents very serious traffic control problems which cannot be solved adequately, under the existing street patterns, by traffic signals and other traffic engineering means. It would be prohibitively expensive and inefficient to attempt to improve the street pattern by selective demolition of existing structures without a complete redevelopment of the entire Area. Of the total length of streets (about 4.9 miles) in the Project Area, about one third consists of roadways less than 28 feet in width, and unable to accommodate two lanes for traffic movement with parking on one side of the street. Many of the streets are too narrow for expeditious traffic movement particularly when, due to the absence of off-street loading facilities, streets are used continuously for pickup and delivery purposes by truck serving the commercial and business uses in the Area. Two hundred and fifty-three, or 95.8%, of the nonresidential structures in the Project Area lack off-street loading facilities. The pattern of narrow streets is now obsolete, and this condition will be further aggravated with the completion of additional highway access to the Central Business District now under construction.

The Project Area has 78 street intersections, of which only 32 are right-angle intersections. Some of the intersections are large "squares" having as many as 9 intersecting or entering streets, creating dangerous and costly traffic control problems as well as pedestrian crossing difficulties. The area has a high accident experience.

7. The Project Area has in recent years experienced substantial adverse changes in economic and business conditions. The total of real estate assessments in the Project Area decreased from over \$27,000,000 in 1946 to less than \$17,000,000 in 1960. The number of private businesses and the number of persons employed in private enterprise in the Area have also decreased. The decreases in the Project Area have been substantially greater than those experienced in the city as a whole.

EXHIBIT A

Beginning at the intersection of the extended center line of Stanford street with the extended northerly sideline of Merrimac street;

Thence running in a southerly direction along the center line of Stanford street to the intersection of the center line of Stanford street extended to intersect with the southerly sideline of Cambridge street;

CITY OF BOSTON.

OVERSEERS OF THE PUBLIC WELFARE.

INVITATION FOR PROPOSALS FOR PAINTING AND RENOVATING THE EXTERIOR SURFACES OF THE WELFARE DEPARTMENT BUILDINGS, AND APPURTENANCES THERETO BELONGING, AT 41 HAWKINS STREET, 43 HAWKINS STREET, AND 41 CHARDON STREET, BOSTON, MASS.

The City of Boston, acting by the Overseers of the Public Welfare, Welfare Department, Boston, Mass., hereinafter referred to as the Awarding Authority, invites sealed proposals for painting and renovating the exterior surfaces of the Welfare Department buildings at 41 Hawkins street, 43 Hawkins street, and 41 Chardon street, Boston, Mass.

Proposals will be received until twelve o'clock noon (Eastern Daylight Saving Time), Wednesday, May 10, 1961, at the office of the Awarding Authority, first floor, 43 Hawkins street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Proposals shall be submitted in duplicate on forms obtained from the Awarding Authority. Each copy of the proposal shall be properly filled out, signed and enclosed in a sealed envelope, plainly marked with the name of the bidder and the description of the work bid upon. One copy shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of proposals.

A bid deposit in the form of certified check issued by a responsible bank or trust company, payable to the City of Boston, in the sum of two hundred dollars (\$200), shall be submitted with the copy of the proposal filed with the Awarding Authority. The bid deposit shall be in a separate envelope, properly marked. Bid bonds will not be accepted.

No bidder may withdraw his bid within thirty days after the actual date of the opening thereof.

Specifications and proposal forms may be obtained on and after May 3, 1961, at the office of the Awarding Authority, first floor, 43 Hawkins street, Boston.

The rate per hour of wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, a schedule of which appears in the specifications.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond issued by a surety company satisfactory to the Awarding Authority in the full amount of the contract will be required of the successful bidder; also a payment bond as provided by G.L. (Ter. Ed.), chapter 149, section 29, as amended.

The Awarding Authority reserves the right to accept or reject any or all bids, and to award the contract as it deems for the best interests of the city.

CITY OF BOSTON,

By WILLIAM F. LALLY,
Secretary, Board of Overseers.

(April 29-May 6.)

ADVERTISEMENT**CITY OF BOSTON.****HOSPITAL DEPARTMENT.****NOTICE TO CONTRACTORS.**

INVITATION FOR PROPOSALS FOR MOTOR BUS SERVICE FROM FIELDS CORNER, DORCHESTER, TO LONG ISLAND HOSPITAL, LONG ISLAND, BOSTON, MASS.

The City of Boston, acting by the Board of Trustees, Hospital Department and of the Boston City Hospital, hereinafter referred to as the Awarding Authority, invites sealed proposals for motor bus service from Fields Corner, Dorchester, to Long Island Hospital, Long Island, Boston, Mass.

Proposals will be received up until twelve o'clock noon (Eastern Daylight Saving Time), Monday, May 29, 1961, at the office of the Awarding Authority (Long Island Hospital Division), 25 Church street, Boston, at which time and place they will be publicly opened and read aloud.

Proposals must be submitted in duplicate on forms obtained from the Awarding Authority. Each copy of the proposal shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. One copy of the proposal which shall not be removed from contract form to which it is attached, shall be filed with the Awarding Authority at the office designated above, accompanied by a bid deposit in the form of a certified check on a responsible bank or trust company, payable to the City of Boston, in the sum of \$4,500. The other copy of the proposal which shall not be removed from the contract form to which it is attached, shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of proposals.

No proposals may be withdrawn after the time limit for filing proposals and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the proposals. In addition, no proposal filed by the three lowest responsible and eligible bidders may be withdrawn prior to execution and delivery of the contract, unless no award has been made within 20 calendar days from the day specified for the opening of proposals.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, section 27-F, as amended, a schedule of which is attached to the form of contract.

The successful bidder will be required to furnish various insurances as follows: (a) as specified in contract Article 11, by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract and (b) to provide Motor Vehicle Insurances as specified in contract Article 12 and (c) to provide Public Liability and Property Damage Insurances as specified in Article 12-A. Sufficient proof of compliance with all of the foregoing stipulations will be required of the successful bidder by the Awarding Authority, before commencing performance of the contract.

Proposals may be obtained on and after 9 A.M., May 9, 1961, at the office designated above, upon deposit of a certified check for \$10, payable to the City of Boston. The full amount of the deposit will be refunded upon return of all documents in good condition not later than twenty calendar days after the opening of proposals. A performance bond of a surety company qualified to do business under the laws of the Commonwealth and

satisfactory to the Awarding Authority in the sum of 100 per cent of the contract sum will be required of the successful bidder.

The Awarding Authority reserves the right to waive any informalities and to reject any or all proposals if it be in the public interest so to do.

CITY OF BOSTON,

BOARD OF TRUSTEES, HOSPITAL DEPARTMENT,
AND OF THE BOSTON CITY HOSPITAL,
WILLIAM H. ELLIS, President.
(May 6.)

ADVERTISEMENT**CITY OF BOSTON.****PARKS AND RECREATION DEPARTMENT.**

INVITATION FOR GENERAL BIDS FOR DEVELOPING BURIAL ARBAS AND RESURFACING ROADWAYS AT PARKS AND RECREATION DEPARTMENT CEMETERIES, IN BOSTON, MASS.

The City of Boston, acting by the Commissioner of Parks and Recreation, hereinafter referred to as the Commissioner, invites sealed proposals for developing burial areas and resurfacing roadways at Parks and Recreation Department cemeteries, in Boston, Mass.

Proposals will be received until 2 o'clock P.M. (Eastern Daylight Saving Time), Tuesday, May 16, 1961, at the office of the Commissioner, first floor, 33 Beacon street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Proposals shall be submitted in duplicate on forms obtained at the Engineer's office, Parks and Recreation Department, 33 Beacon street, Boston, Mass. Each copy of the proposal shall be properly filled out, signed and enclosed in a sealed envelope, plainly marked with the name of the bidder and the description of the work bid upon. One copy shall be filed at the office of the Commissioner, designated above, and the other copy shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of the proposals.

A bid deposit in the form of a certified check on a responsible bank or trust company, payable to the City of Boston, in the sum of \$3,500, shall be submitted with the copy of the proposal filed with the Commissioner. The bid deposit shall be in a separate envelope, plainly marked. Bid bonds will not be accepted.

No bidder may withdraw his bid within thirty days after the actual date of the opening thereof. The rate per hour of the wages to be paid to mechanics, chauffeurs, and laborers in the work to be performed under the contract shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the Engineer's office of the Parks and Recreation Department.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and each in the sum of 100 per cent of the contract price, will be required of the successful general contractor.

The Commissioner reserves the right to waive any informalities and to reject any and all bids if it be in the public interest so to do.

CITY OF BOSTON,

MARTIN F. WALSH,
Commissioner of Parks and Recreation.

OFFICIAL CHRONICLE OF BOSTON MUNICIPAL AFFAIRS.

VOL. 53

SATURDAY, MAY 13, 1961

No. 19

CLEANER BOSTON CITIZENS COMMITTEE FORMED

Addressing the newly formed Cleaner Boston Citizens Committee, on May 11, Mayor Collins stated as follows:

¶ It is good to meet with you in this your first meeting. As some of you know, the Cleaner Boston Citizens Committee is nonpartisan and nonpolitical. You were picked for this challenging work by your respective organizations.

¶ It is my hope that you will pattern your committee after the Citizens Committee to Keep New York City Clean, Inc., which has done such a superb job for New York. My executive director of the clean-up campaign, Mr. Salvatore J. Messina, will discuss the New York group with you in detail.

The Four Ingredients

¶ There are four ingredients necessary to keep a city clean.

¶ 1. Education. This is the area in which you will primarily work. It should be your function to educate the public so that it becomes litter conscious. Your program must be vigorous and continuous. ¶ Money will have to be raised to carry out this program. We want you to feel free at all times to make whatever recommendations you feel will help us improve our own operation. I hope that there will be the closest and most harmonious liaison between your committee and my office.

¶ 2. Law Enforcement. No clean-up program can succeed without law enforcement. Police Commissioner Leo J. Sullivan has promised that his department will give us whatever assistance is necessary.

¶ In a pilot law enforcement project in the South End, two plain-clothes men have apprehended more litterbugs in two months than were apprehended in any previous year. These two plain-clothes men were assigned to this project at our request.

¶ It is our hope that the Commissioner will later expand this two-man team to a full squad to cover all critical areas of our city. It is also hoped that enforcement of the anti-litter laws will be vigorously exercised by all members of the Police Department.

¶ 3. Equipment. We now have a total of 20 mechanical street sweepers, 11 of which have recently been purchased. Six more are to be added. While on this subject, I would like to say, equipment alone cannot effectively sweep our streets.

Problem of Parked Cars

¶ The big problem is parked automobiles. Litter usually ends up in the gutters. When cars are parked on both sides of a street, it is impossible to clean it. So we are studying an alternate parking plan similar to that in New York.

¶ Meanwhile, we are now engaged in a street-sweeping drive in which all streets will first be posted by Public Works Department with "No Parking" signs. We have enlisted the aid of community groups throughout the city in getting citizen cooperation for this drive.

¶ 4. Ordinances. We are now in the process of putting teeth into existing ordinances and drawing up

new ones which we feel are necessary. For example, one of our proposed ordinances will make it

mandatory that all abutters to public sidewalks keep them free of litter.

¶ To deal with special situations such as parking lots which abut on public sidewalks and streets another ordinance will make it mandatory that merchants keep their estate abutting public land free of litter. We shall also ask that the present fine of \$20 be increased to \$50, the maximum provided by state statute. Over 40 states have anti-litter laws which provide for fines up to \$100 or a year imprisonment.

Suggested Legislation

¶ We are also studying the feasibility of filing a statute which will make litter bags mandatory equipment for all automobiles. Plans are underway which will provide that students taking driver education be given a 30-minute orientation on litterbugging. Mr. Messina is working on these plans with Mr. Eugene J. Fanning, head of the Driver Education Division, Registry of Motor Vehicles.

¶ The problem of cleaning up our city and keeping it clean is indeed a challenging task, but it is a task that must be met and accomplished. Dirty streets and sidewalks are not only aesthetically undesirable, but also mean lowered property value, health menaces, and even deaths.

¶ Last year throughout the nation approximately 1,000 people were killed and 100,000 seriously injured in cars that hit or had to swerve to avoid trash thought-

ASSIGNMENTS MADE TO FOUR ASSESSING DISTRICTS OF CITY

Assessing Commissioner Robert A. Grimes, on May 9, made the following temporary appointments, with the approval of Civil Service, to the positions of supervisors of assessors in the four assessing districts of the city.

George A. Maloney for the "Downtown District," Willard F. O'Brien for the "Back Bay District," John Lanning for the "Waterfront and other Wards District," and Maurice F. Joyce for the "Apartment House and Suburban District."

Mr. Maloney had been a full-time assessor. The others had been converted from part-time assessors to full-time assessors about a month ago.

Work Assignments

After making these appointments, Attorney Grimes made the following assignments of work in the organization for the present:

The assessing year will be started on September 15 this year for next year's tax roll, in order to give more opportunity to do a more thorough job.

Between May 15 and September 15, six full-time assessors are being assigned to Paul M. Finan, Director of Standards, to work on bringing the Standards' records, which were created in 1958, up to date.

Director James F. Farrell, with the assistance of one full-time assessor, has been assigned the task of completing the survey of the parking lots of Boston, so as to try to equalize and standardize the assessing of the parking lots.

Several full-time assessors are being assigned to Director Frank J. Cuddy to study the assessing of all the funeral homes in Boston, so as to equalize and standardize assessments of them.

Several full-time assessors will be assigned to Director Bernard F. Shadrawy to study the assessing of all the nursing homes in Boston, so as to equalize and standardize assessments of them.

Several full-time assessors are being assigned to Director John J. Riley, Jr., to make a start on equalizing and standardizing the assessments on industrial properties.

Part of Program

According to Attorney Grimes, these activities are part of a continuing program to introduce equity and fairness between taxpayers in the city on these types of property. It is Attorney Grimes' contention that equitable assessing procedures in the first instance, through the use of assessing standards, will do more to stabilize Boston's tax base and cut down the number of requests for abatements than any other single action.

Commissioner Grimes also announced the appointment of Charles J. Mehegan of Brighton, as temporary chief clerk of the Department, to replace the late Jeremiah Coakley, who served 46 years in the department, the last 12 years as chief clerk. Mr. Mehegan has been associated with the department for 30 years, is married and has five children. He has been the Chief Clerk of the Files up until now.

In addition to the technical assessing projects that have been assigned, administrative procedures are being established under the

reorganization. Implementation of the reorganization as far as streamlining the clerical staff will take place shortly.

Cleaner Boston . . .

(Continued from front page.)

lessly thrown on the streets. The loss of property resulting from fires started by litter is staggering. It is estimated that it runs close to a billion dollars. The cost of cleaning up the streets, highways, parks, and beaches of our country is also staggering for it too is estimated to run around a billion dollars.

¶ It is vital that we succeed in our task for a successful clean-up campaign is essential to the revitalization of our city.

The following are the members of the Cleaner Boston Citizens Committee:

Miss Margaret Divver, Greater Boston Chamber of Commerce (Vice President John Hancock), 200 Berkeley street, Boston.

Rt. Rev. Edmund F. Hackett, personal representative of Cardinal Cushing (Catholic Archdiocese) Administrator, Cathedral of Holy Cross, 75 Union Park street, Boston.

Rabbi Sidney Steiman, Jewish Community Council of Metropolitan Boston, Temple Beth Hillel, 800 Morton street, Mattapan.

Rev. Frederick M. Meek, D.D., Boston Council of Churches (Protestant), Old South Church, 645 Boylston street.

Mr. Charles Whitlock, Harvard University, Assistant for Civic Affairs to President Nathan Pusey, Harvard University, Cambridge.

Professor Bernard Rubin, Boston University, School of Public Relations and Communications, 640 Commonwealth avenue, Boston.

General James McCormack, Massachusetts Institute of Technology, Vice President of Institute, 42 West Cedar street, Boston.

Edward S. Parsons, Northeastern University, Business Manager of University, 360 Huntington avenue, Boston.

Rev. W. Seavey Joyce, S. J., Boston College, Dean, College of Business Administration, Boston College, Chestnut Hill.

Dr. Anthony A. Abruzzese, Boston Home and School Association, 2303 Centre street, West Roxbury.

VANDALISM IN COPP'S HILL BURYING GROUND, NO. END

Commissioner of Parks and Recreation Martin F. Walsh, on May 10, stated as follows:

¶ The press on Tuesday evening, May 9, carried a story depicting the vandalism that had occurred on Copp's Hill Burying Ground in Boston's North End section.

¶ Recently, on week ends and late at night, vandals or other persons bent on destruction have entered this famed shrine, which is in close proximity to the Old North Church. The Reverend Howard Kellett, rector of Old North, has tried to

watch the area in his off-work hours in an endeavor to apprehend those causing the damage. I am hopeful that the police might be extra vigilant during the late evening hours and over week ends in protecting this historic cemetery.

¶ Copp's Hill Burying Ground is one of the oldest in the city, having been established in 1659. Many of the early settlers of Boston, among whom were some of the most prominent citizens of the time, are interred at this location.

¶ Immediate steps are being taken to have the monuments that have been desecrated with marking of names, and chipped and damaged in other ways, corrected before Memorial Day. It is planned to clean and sandblast the memorial markers. This cemetery, like others in the city of a historic nature that are under the care and custody of the Parks and Recreation Department, is kept in such a manner as to reflect credit on the city for its efforts to care for historic shrines.

¶ Something must be done to make those causing such damage aware of the callous disrespect shown the memory of these honored dead. It is vital that all the gates

of the historic cemeteries continue to be closed and locked at five o'clock each evening, particularly those cemeteries in the intown areas, to prevent damage that would occur if the gates were left open during the evening hours.

WELFARE BOARD OFFICERS ANNUAL ELECTION RESULT

At the annual meeting of the Board of Overseers of the Public Welfare held on Monday, May 1, 1961, the following were unanimously elected to serve as officers of the Board for the ensuing year:

Chairman, Mrs. Ida Mae Kahn.
Vice-Chairman, Mr. James Leo Mulvey.

Treasurer, Mr. James F. Bowers.
Secretary, Mr. William F. Lally.

CIVIL SERVICE EXAMINATIONS.

The following Massachusetts Civil Service examinations are scheduled:

Social Worker, Welfare Departments of all Massachusetts cities and towns, including Boston, to be held June 24. Last date for filing applications, June 5. Examination open to men and women.

Welfare Worker, Welfare Departments, all Massachusetts cities and towns, including Boston, to be held June 24. Last date for filing applications, June 5. Examination open to men and women.

Information pertaining to the above examinations may be had at the Civil Service Division, Rooms 145-152, State House.

TRAFFIC RULINGS

Temporary

The Traffic Commissioner has announced that during the period of conduit installation by the Telephone Company, the following rules are effective when and where official signs are in place:

Parking of vehicles is prohibited in the following street:

Adams Street, Dorchester.

East side, from Dorchester avenue to opposite Robinson street.

The following street is one way in the direction indicated:

Adams Street, Dorchester.

From Dorchester avenue to Leeds-ville street.

During the period of foundation construction for the Boston University garage in Cummington street, Boston Proper, parking of vehicles is prohibited in the following street when and where official signs are in place:

Cummington Street, Boston Proper.

Both sides, from Blandford street to the bend, 24 hours.

Both sides, from Commonwealth avenue to the bend, 24 hours.

Million-Dollar School To Be Erected In Charlestown

Mayor John F. Collins on May 4 approved a contract for the construction of a million-dollar elementary school in Charlestown.

The structure, to be located on a site bounded by High, Pearl, and School streets, will contain 19 classrooms, a 2,400-square-foot gymnasium, with kitchen facilities for neighborhood activities; an assembly hall, also for community use, which will accommodate 400 people; two kindergarten rooms; a work shop; sewing room and health room.

The contract in the amount of \$986,000 was awarded to Sawyer Construction Company, the lowest of five eligible bidders.

EDITOR'S NOTE:—See "Contracts Awarded" in this issue.

CIVIL SERVICE EXAMINATIONS.

X-Ray Technician, Health Department, to be held June 10, 1961. Last date for filing applications, Monday, May 22. The minimum salary is \$56.25 a week; the maximum salary is \$68.75 a week. At present there is one vacancy to be filled on a permanent basis.

Building Inspector, Building Department, to be held June 10, 1961. Last date for filing applications is Monday, May 22. The minimum salary is \$81.25 a week; the maximum salary is \$97.75 a week. At present there are three vacancies for males, to be filled on a permanent basis.

For the above examinations application blanks may be obtained by applying in person or by letter at the office of the Division of Civil Service, Rooms 145-152 State House, Boston.

FIN. COM. SEEKS TIGHTER CONTROL OF WATER SERVICE CHARGES

May 5, 1961.

To the Honorable the Mayor.

¶ The City of Boston is losing thousands of dollars annually from an inept system of control and billing in a special area.

¶ An area of the City of Boston water service which calls for immediate attention is that relating to the temporary hydrant use by contractors using water in relatively large volume. Three aspects of this matter give it a special significance at this time.

¶ The money value of water is due for an increase in the wake of an expected 50 per cent increase in water rates.

¶ The historical picture of water charges and control of water use in this area has been completely unsatisfactory. Immediate changes are needed. Recommendations to that end may be found in this report.

¶ The City is about to undertake a massive redevelopment program, in the form of the Government Center, as well as a general urban renewal program over a large part of the City. This will entail vast area clearance and voluminous use of water. It is important that adequate controls be established immediately, and put into effect.

DESCRIPTION OF OPERATIONS

PERMITS

¶ There are two types of permits involved in this area of water use: (1) Water Division permit to use a hydrant; (2) Health Department permit to operate a dump.

¶ The Water Division permit to use a hydrant is issued to various contractors on the following conditions: The applicant deposits \$50 for the use of a hydrant wrench and \$50 for the use of a hydrant chuck; in addition, the applicant receives a badge of authorization to use the hydrant. Upon the return of the said tools and badge, the money is refunded minus the estimate of a charge for the water used. In most instances, the user is charged \$50; in some instances,

the total \$100 is retained by the department.

¶ The Health Department application for a permit to dump refuse and ashes contains an agreement signed by the applicant, including the following: "Sufficient fire hose, with proper connection to the City service, will be provided and maintained to enable the extinguishing of accidental or spontaneous fires on any part of the dump." The Fire Department also signs a statement that "the means provided for fire protection on this dump are satisfactory."

Findings on the Issuance and Control of Hydrant Permits

¶ There is an obvious ambiguity in that it appears that the charge is made for the use of the badge, wrench, and chuck, and not for the use of water. However, a sum of money is retained to cover an estimated use of water.

¶ In no case is the charge for water used more than \$100; in most cases, the charge is \$50.

¶ This standard charge practice applies for a variety of situations; some reportedly entailing little water, some entailing great quantities of water.

¶ The two elements which form the basis of the estimate of water used are, as generally reported by the contractor, (1) the nature of the job at which the water is to be used (the time element), and (2) the size of the nozzle involved.

¶ Although one permit will stipulate a specific location and a specific use of the water, another will grant blanket permission to operate anywhere in the City for a year. Yet both require the same deposit.

¶ There are several areas involving the use of a hydrant permit worth noting. One conspicuous case involving extensive use of water for a relatively paltry sum was the West End Project demolition, wherein only \$100 was paid each year for a very extensive use of water in 1959 and 1960. The large volume of water was used to

control the dust and fire nuisance involved in the clearance of approximately 50 acres of a largely residential area, by the John J. Duane Company, Inc.

¶ Another area in which permit issuance and control of water use is inadequate involves repair or construction work done by contractors in roadways for paving, sewerage, water, and public utilities.

¶ Records show that hydrant permits for water for various purposes have been limited to a surprisingly small number of users, as the following table indicates:

In 1960.....	13 permits
In 1959.....	11 permits
In 1958.....	12 permits
In 1957.....	13 permits
In 1956.....	10 permits
In 1955.....	11 permits
In 1954.....	9 permits
In 1953.....	12 permits
In 1952.....	15 permits
In 1951.....	12 permits

¶ It is important that inspectors of the Public Works Department report on water use on all Public Works Department projects and require contractors to obtain permits.

Use of Water on Dumps

¶ There are privately operated dumps in the City operating under Health Department permits. One of the requirements in the latter permit is "sufficient fire hose, with proper connection to the City service, will be provided and maintained to enable the extinguishing of accidental or spontaneous fires on any part of the dump."

¶ Free and uncontrolled use of the water on such private dumps had been the regular practice until about a year ago, when the Public Works Commissioner decided to levy a charge on the estimated volume of water used. Charges totaling \$10,129.20 were made for the estimated use of water during 1960 against the Marinucci dump, located off Hallet street, Dorchester. The bill was challenged by the contractor, Marinucci Company, Inc., and was canceled or

abated by the commissioner on the grounds that the basis of billing adopted was untenable. The estimating method used in this case was the application of a Pitot's Tube which measures the volume of flow; the time factor was a matter of guesswork.

¶ In a letter, dated February 2, 1961, the Public Works Commissioner notified Michael J. Verrochi that the Marinucci dump could no longer receive water unless application were made for metered service. A visit to the Marinucci dump on April 25 by a Finance Commission representative indicated that the water was being used for several hours per day in flagrant violation of the Public Works Commissioner's order.

¶ Although the charges for water use against the Marinucci dump were canceled or abated because of the uncertainty of the basis of the charge, the Mile Road dump (operated by Coleman Brothers) with a permanent unmetered connection to the City's water supply was charged \$100 for the use of water for said dump yearly. Such an arbitrary amount strengthens the case for metered service. It is reported that this dump is presently without water service due to disrepair of its pipe line.

¶ At the present, neither dump has available use of water. This means that both are in direct violation of the requirements of the Health Department and Fire Department. The Health Department requires "sufficient fire hose, with proper connection to the City service, will be provided and maintained." The Fire Department requires "the means provided for fire protection on this dump are satisfactory to the Fire Department."

Summary and Recommendations

¶ It is clear that this area of the City of Boston water service is in a state of confusion:

There is no tenable basis for estimating the volume of water used by contractors and other permit users.

There has been inconsistency in the billing for water used on privately operated dumps.

The system used for year-round authorization of hydrant use is difficult to control.

The permit to use the hydrant contains ambiguous language in its conditions. In fact, there is no clearly expressed basis for charging for the water used.

¶ At first glance, the apparent solution indicated is the general use of metering. However, disadvantages of a universal use of metering to meet the situation outweigh the advantages.

¶ The recommendation of the Finance Commission is that adequate meters be used on privately owned dumps or on other occasions requiring the extraordinary use of water in large volume, but that in the case of the numerous permits that should be issued for various time periods and in various locations, a system of per diem rates should be established.

¶ Another recommendation is that Public Works Department inspectors include in their reports the use of hydrant water by contractors engaged in Public Works Department projects, to provide as close a control as possible.

The conditions of the hydrant permit should be clarified.

Respectfully submitted,

EDWARD W. BROOKE,

Chairman,

ROGER J. ABIZAID, M.D.,

MAXWELL B. GROSSMAN,

ANTHONY J. YOUNG,

JOSEPH P. McNAMARA,

The Finance Commission.

THOMAS J. MURPHY,

Executive Secretary.

APPOINTMENTS BY THE MAYOR

Mayor John F. Collins recently made the following appointments of public-spirited citizens to act in an advisory capacity to the Health and Welfare Departments:

New appointments to the Public Health Council were as follows:

George P. Condakes, 15 Woodland road, Jamaica Plain.

Hon. Charles J. Artesani, 175 Commonwealth avenue, Newton.

Reappointments to Public Health Council were as follows:

Paul E. Landry, 60 School street, Boston.

Robert G. Hill, D.D.S., 212 Ashmont street, Dorchester.

Albert A. Horner, M.D., 319 Longwood avenue, Boston.

New Appointments to Overseers of Public Welfare were as follows:

James L. Mulvey, 24 Lenoxdale avenue, Dorchester.

Joseph S. Dow, Attorney, 54 De Soto road, West Roxbury.

Mrs. Melnea A. Cass, 135 Harold street, Roxbury.

R. C. Lavrakas, M.D., 11 March avenue, West Roxbury.

Reappointments to Overseers of Public Welfare were as follows:

James F. Bowers, 87 Theodore Parker road, West Roxbury.

Ida M. Kahn, 6 Cummings road, Brighton.

REPORTS OF RECENT OUT-OF-TOWN MEETINGS

The following reports on conventions or meetings are on file at the Mayor's office:

Annual Meeting of School Building Inspectors, New York City, attended by Edmund J. Morgan, Chief Building Inspector, Building Department.

Meeting of Philadelphia Association for Youth and Crime Prevention Association, attended by Henry R. Previte, Assistant Director of Youth Activities Bureau, Parks and Recreation Department.

The following reports on conventions attended by School Department officials are on file at the School Department:

Eastern Business Teachers Association, New York City, attended by John M. Canty, Director, Business Education.

National Association of Secondary School Principals, Detroit, Michigan, attended by Joseph L. Malone, Head Master, Boston English High School.

Annual Meeting, Department of Elementary School Principals, N. E. A., Atlantic City, New Jersey, attended by Grace M. Toland, President, Boston Elementary Principals Association.

TRAFFIC RULINGS

Temporary

That as urgently required by considerations of public safety and convenience, during the period of the Electrical Manufacturers Trade Show at the Commonwealth Armory, vehicles are excluded from the following street from April 17 to April 21, 1961, inclusive:

Gaffney Street, Boston Proper.

From Commonwealth avenue to the Boston & Albany Railroad.

That as urgently required by considerations of public safety and convenience, during the period of the Wallace Brothers and Pan-American Circus at the Boston Arena, parking of vehicles is prohibited in the following street from April 16 to April 23, 1961, inclusive:

St. Botolph Street, Roxbury.

Both sides, from Massachusetts avenue to Gainsborough street, 24 hours.

That as urgently required by considerations of public safety and convenience, during the period of the B. A. A. Marathon Run on Wednesday, April 19, 1961, between the hours of 1 P.M. and 4 P.M., vehicles are excluded from the following streets:

Beacon Street, Boston Proper.

South roadway, from St. Mary's street to Brookline avenue.

Commonwealth Avenue, Boston Proper and Roxbury.

South roadway, from Brookline avenue to Exeter street.

Exeter Street, Boston Proper.

From Commonwealth avenue to Huntington avenue.

That as urgently required by considerations of public safety and convenience, for a trial period of sixty (60) days, the Traffic Rules and Regulations of the City of Boston are amended as follows, effective April 20, 1961:

Article IV, Section 3, Part 2 (Prohibition of Parking), is amended by striking out the following:

Seaver Street, West Roxbury.

Southwest roadway, southwest side, from Walnut avenue to Blue Hill avenue, 24 hours.

Article IV, Section 3, Part 2 (Prohibition of Parking), is amended by inserting in its proper place in the alphabetical arrangement under the caption "West Roxbury" the following:

Seaver Street.

Southwest roadway, southwest side, from Walnut avenue to Old Trail road, 24 hours.

That as urgently required by considerations of public safety and convenience, during the period of street construction, estimated to be ninety (90) days, vehicles are excluded from the following streets, when and where official signs are in place, effective April 17, 1961:

Deering Road, Dorchester.

From Blue Hill avenue to Harvard street.

Florence Street, West Roxbury.

From Poplar street to Firth road.

That as urgently required by considerations of public safety and convenience, during the period of the Metropolitan Opera Season, the following rules are effective from April 17, 1961, to April 23, 1961, inclusive:

Vehicles are excluded from the following street:

Dillaway Street, Boston Proper.

From Hollis street to Dore street.

Parking of vehicles is prohibited in the following streets:

Hollis Street, Boston Proper.

South side, from Tremont street to

Washington street, 24 hours.

Tremont Street, Boston Proper.

East side, from Hollis street to Shawmut avenue, 24 hours.

That the Traffic Rules and Regulations of the City of Boston are amended as follows, effective May 23, 1961:

Article VI, Section 17 (Isolated "Stop" Streets), is amended by inserting in its proper place in the alphabetical arrangement under the caption "West Roxbury" the following:

South Street.

At Congreve street.

At Walworth street.

During the period of roadway construction in Brier road, West Roxbury and Robin street, West Roxbury, motor vehicles will be excluded from the following streets when and where official signs are in place:

Brier Road, West Roxbury.

From La Grange street to St. Theresa avenue.

Robin Street, West Roxbury.

From La Grange street to Bellevue street.

That as urgently required by considerations of public safety and convenience, the following temporary traffic regulations which were adopted March 14, 1961, and were effective March 20, 1961, for one (1) month, during the construction of the Lieut. William F. Callahan, Jr., Tunnel, are hereby extended for a period estimated to be sixty (60) days from March 30, 1961:

Vehicles are excluded from the following streets:

North Street, Boston Proper.

From Lewis street to North square.

Sun Court Street, Boston Proper.

From Moon street to North street.

Stopping, standing, or parking of vehicles is prohibited in the following streets when and where official signs are in place:

North Street, Boston Proper.

From Lewis street to North square.

Sun Court Street, Boston Proper.

From Moon street to North street.

TRAFFIC RULINGS

(Continued from previous page.)

That as urgently required by considerations of public safety and convenience, during the period of moving of heavy equipment, vehicles are excluded from the following street when and where official signs are in place on the following dates:

March 31 to April 2, 1961, inclusive.
April 7 to April 8, 1961, inclusive.
April 28 to April 30, 1961, inclusive.

Pitts Street, Boston Proper.

From Green street to Merrimac street.

That as urgently required by considerations of public safety and convenience, during the period of horse racing at Suffolk Downs from April 17, 1961, to July 1, 1961, parking of vehicles is prohibited in the following street:

Waldemar Avenue, East Boston.

Both sides, from Walley street to Race Track road, 24 hours.

North side, from Race Track road to McClellan Highway, 24 hours.

That the Traffic Rules and Regulations of the City of Boston are amended as follows, effective May 23, 1961:

Article IV, Section 3, Part 2 (Prohibition of Parking), is amended by striking out the following:

St. Martin Street, Charlestown.

Southeast side, from Bunker Hill street to the dead end, 24 hours.

School Street, West Roxbury.

Both sides, from Washington street to Egleston street, 24 hours.

Article IV, Section 3, Part 2 (Prohibition of Parking), is amended by inserting in its proper place in the alphabetical arrangement under the caption "Brighton" each of the following:

Egremont Road.

Southeast side, from Washington street to Cummings road, 24 hours.

Nottingham Road.

East side, from Blenford road to No.

16 Nottingham road, 24 hours.

Even-numbered side, from No. 24 Nottingham road to No. 100 Nottingham road, 24 hours.

Article IV, Section 3, Part 2 (Prohibition of Parking), is amended by inserting in its proper place in the alphabetical arrangement under the caption "Charlestown" each of the following:

Cedar Street.

Both sides, from High street to Bartlett street, 24 hours.

St. Martin Street.

Southeast side, from Bunker Hill street to a point one hundred (100) feet northeast of Bunker Hill street, 24 hours.

Article IV, Section 3, Part 2 (Prohibition of Parking), is amended by inserting in its proper place in the alphabetical arrangement under the caption "Dorchester" the following:

Barry Park.

Southwest side, from Barry street to the dead end, 24 hours.

Article IV, Section 3, Part 2 (Prohibition of Parking), is amended by inserting in its proper place in the alphabetical arrangement under the caption "Roxbury" the following:

Parker Hill Terrace.

South side, from Parker Hill avenue to the dead end, 24 hours.

Article IV, Section 3, Part 2 (Prohibition of Parking), is amended by inserting in its proper place in the alphabetical arrangement under the caption "South Boston" the following:

East Seventh Street.

Both sides, from a point thirty-five (35) feet west of O street to O street, 24 hours.

Article IV, Section 3, Part 2 (Prohibition of Parking), is amended by inserting in its proper place in the alphabetical arrangement under the caption "West Roxbury" each of the following:

Pershing Road.

South side, from Centre street to Pond View avenue, 8 A.M. to 6 P.M.

School Street.

Northeast side, from Washington street to opposite Eggleston street, 8 A.M. to 6 P.M.

Southwest side, from Washington street to Amory street, 24 hours.

That as urgently required by considerations of public safety and convenience, the following temporary traffic regulation which was adopted April 6, 1961, and effective April 11, 1961, for one (1) month during the period of baseball games at Fenway Park, is hereby extended from April 12, 1961, to September 27, 1961, inclusive:

Parking of vehicles is prohibited in the following street:

Van Ness Street, Boston Proper.

North side, from Jersey street to Ipswich street.

That as urgently required by considerations of public safety and convenience, the following temporary traffic regulations which were adopted and effective April 4, 1961, for one (1) month, are hereby extended for a period estimated to be ninety (90) days from April 12, 1961, occasioned by underground construction by the Boston Edison Company:

The following rules are effective when and where official signs are in place:

Vehicles are excluded from the following street:

Commonwealth Avenue, Boston Proper.

North surface roadway, from the down ramp of the underpass at Massachusetts avenue to the up ramp of the underpass at Massachusetts avenue.

Parking of vehicles is prohibited in the following street:

TRAFFIC RULINGS

(Continued from previous page.)

Commonwealth Avenue, Boston Proper and Brighton.
 North roadway, north side, from Hereford street to Brighton avenue.

That as urgently required by considerations of public safety and convenience, during the period of the Esso Standard Oil Company stockholders' meeting at the Metropolitan Theatre, vehicles are excluded from the following street on May 24, 1961, from 8.30 A.M. to 2 P.M.:

Dillaway Street, Boston Proper.

From Hollis street to Dore street.

That as urgently required by considerations of public safety and convenience, during the period of remodeling of the Boston Safe Deposit Company building, estimated to be eighteen (18) months, parking of vehicles is prohibited in the following street when and where official signs are in place, effective April 12, 1961:

Arch Street, Boston Proper.

Both sides, from Franklin street to Hawley place, 24 hours.

That as urgently required by considerations of public safety and convenience, during the period of resetting of rails by the Metropolitan Transit Authority, estimated to be ninety (90) days, parking of vehicles is prohibited in the following street, when and where official signs are in place, effective April 12, 1961:

South Street, West Roxbury.

Both sides, from Hall street to Centre street, 24 hours.

That as urgently required by considerations of public safety and convenience, during the drill meet of the Twelfth Regimental Headquarters of the National Society of Pershing Rifles, vehicles are excluded from the following street on April 15, 1961:

Gaffney Street, Boston Proper.

From Commonwealth avenue to the Boston & Albany Railroad.

That as urgently required by considerations of public safety and convenience, the following temporary traffic regulation which was adopted and effective March 20, 1961, for one (1) month, during the period of roadway resurfacing, is hereby extended for a period estimated to be sixty (60) days from March 30, 1961:

Parking of vehicles is prohibited in the following street when and where official signs are in place:

West Broadway, South Boston.

Both sides, from Dorchester avenue to Dorchester street.

During the period of roadway construction in Braeburn road, Hyde Park, motor vehicles will be excluded from the following street when and where official signs are in place:

Braeburn Road, Hyde Park.
From Beaver street to dead end.

FIRE DEPARTMENT ORDERS

May 9.

General Order No. 22.

I. CHANGE IN DESIGNATION OF FIRE ALARM BOX.

The Stephen M. Weld School was discontinued as a public school several years ago.

The designation for Fire Alarm Box 2649 will be corrected by deleting "Aux. Stephen M. Weld School" from the assignment card.

The designation of this fire alarm box will read as follows:

2649, Seymour and Rowe streets.

Company commanders will make the above change on assignment cards for Box 2649.

II. CORRECTION IN DESIGNATION OF FIRE ALARM BOX.

The assignment cards for Box 1353 list the location as "Cambridge and North Grove Streets."

This designation will be corrected to read as follows:

1353, Cambridge and Grove streets.

This change in designation was given in General Order No. 33, dated May 28, 1956.

Company commanders will make the above change in designation on assignment cards for Box 1353.

III. A. D. T. DATA.

Notice has been received from the American District Telegraph Company that the following signal has been canceled:

Signal 461, Harrington King Company, 79 and 81 Commercial street.

Company commanders shall add the following signal number to running cards of the A. D. T. Company in this department:

Signal 983, C & L Tire Company, 25-35 Chesterton street. (Sprinkler.) Apparatus to respond: Engine 12, Ladder 4, District 5. Nearest box is 7271.

IV. BOSTON AUTOMATIC ASSIGNMENT.

Company commanders shall add the following signal number to running cards of the Boston Automatic Company in this department:

Signal 1778, 25A Leonard street (St. Ambrose Convent), manual. Apparatus to respond: Engine 17, Ladder 7, District 7. Nearest box is 13-3148.

V. CHANGES IN ASSIGNMENTS.

Company commanders shall make the following changes on assignment cards:

Boxes 2661, 2662, 2663, third alarm cover should read E52 to E48 instead of E52 to E28.

VETERANS' SERVICES DEPARTMENT

Expenditures for veterans' benefits for March, 1961, show a decrease of \$73,861.91 in comparison with expenditures for the corresponding period of 1960.

The 1,521 cases aided during the month of March, 1961, represented a total of 3,253 individuals benefited through the facilities of the Veterans' Services Department.

There were 129 cases closed during the month of March, 1961, because of obtaining employment, having been awarded unemployment compensation, receiving social security and becoming ineligible to receive financial assistance for miscellaneous reasons.

Expenditures for March, 1961

Regular	\$89,106 80
Emergencies	18,963 95
Bills	46,844 22
Burials	743 08
Hospital	12,055 46
Supplementary	8,408 92
	\$176,122 43

Relief Expenditures Comparison

	Mar., 1961	Feb., 1961	Mar., 1960
Regular payrolls	\$89,106 80	\$86,313 65	\$103,777 55
Emergencies	18,963 95	19,189 65	23,826 50
Bills	46,844 22	40,541 56	74,347 78
Burials	743 08	1,651 80	1,380 59
Hospital	12,055 46	44,704 88	37,405 98
Supplementary	8,408 92	4,080 71	9,425 94
	\$176,122 43	\$196,482 25	\$249,984 34

Total Cases Aided

Mar., 1961	Feb., 1961	Mar., 1960
1,521	1,528	1,742

Classification of Cases Aided

Unemployable veterans	584
Employable veterans	249
Wives	16
Widows	342
Children	15
Mothers	297
Fathers	18
	1,521

During the month of March, 1961, the department collected \$733.12 which represents refunds for former beneficiaries of veterans' benefits who were found to have drawn aid under circumstances which warranted its return to the City of Boston.

WELFARE DEPARTMENT. Central Office.

Maureen E. Coffey, 57 Sudan street, Dorchester, clerk and typist, \$58.75 a week.

Reinstatements.

Construction Company, Inc., \$74,607.50; Salah & Pecci Construction Company, Inc., \$75,708.60; Mystic Construction Company, Inc., \$76,177.50; John J. Botti Company, Inc., \$77,502.50; C. Justino, Inc., \$82,166.25.

SCHOOL COMMITTEE.

Truck

Proposals for furnishing GMC truck for Boston public schools were opened on January 5, 1961. Bid was received from the following concern:

GMC Truck and Coach Division, General Motors Corporation.

Award was as follows:

GMC Truck and Coach Division, General Motors Corporation, \$5,398.

Panel Truck

Proposals for furnishing panel truck for Boston public schools were opened on December 14, 1960. Bid was received from the following concern:

Commonwealth Chevrolet Company.

Award was as follows:

Commonwealth Chevrolet Company, \$2,329.95.

Kindergarten Supplies

Proposals for furnishing kindergarten supplies for Boston public schools were opened on January 23, 1961. Bids were received from the following concerns:

Milton Bradley Company, Cascade Paper Company, Commercial Paste Company, Gledhill Brothers, Inc., Hans Haber, J. L. Hammett Company, Hinkson Paper Company, Judy Company, Pepperell Braiding Company, Inc., Henry S. Wolkins Company.

Award was as follows:

J. L. Hammett Company, \$4,733.43.

Awards on purchase orders were as follows:

Gledhill Brothers, Inc., \$848.43; Cascade Paper Company, \$912.20; Judy Company, \$726.50; Milton Bradley Company, \$343.98; Pepperell Braiding Company, Inc., \$624.80; Henry S. Wolkins Company, \$961.31.

Movie Film Equipment

Proposals for furnishing automatic inspection machine and film splicers for Boston public schools were opened on January 31, 1961. Bid was received from the following concern:

Stanley-Winthrop's, Inc.

Award was as follows:

Stanley-Winthrop's Inc., \$2,900.

Coal

Proposals for furnishing semibituminous coal for Boston public schools were opened on February 16, 1961. Bids were received from the following concerns:

Burton-Furber Company, Crystal Coal and Oil Company, Inc., Glendale Coal and Oil Company, Staples Coal Company, Stetson Solid Fuel, Inc.

Awards were made to the lowest responsible bidders, as follows:

Burton-Furber Company, \$46,200; Glendale Coal and Oil Company, \$16,800; Stetson Solid Fuel, Inc., \$205,000.

Fuel Analysis

Proposals for furnishing fuel sampling, analysis, and engineering service for Boston public schools were opened on February 16, 1961. Bid was received from the following concern:

Hub Testing Laboratory.

Award was as follows:

Hub Testing Laboratory, \$3,000.

SCHOOL COMMITTEE.

Toilet Paper

Proposals for furnishing toilet paper in rolls for Boston public schools were opened on January 19, 1961. Bids were received from the following concerns:

Andrews Paper Company, J. L. Hammett Company, Stone & Forsyth Company, Sugarman Brothers, Inc.

Sugarman Brothers, Inc., \$5,559.

Educational Material

Proposals for furnishing educational material for first six grades for Boston public schools were opened on January 9, 1961. Bids were received from the following concerns:

Cascade Paper Company, Gel Stem Supply Company, Gledhill Brothers, Inc., J. L. Hammett Company, Mainco Trading Company, Milton Bradley Company, S. S. Stafford Company, Inc., Vaporite Products, Henry S. Wolkins Company, Commercial Paste Company.

Award was made to the lowest responsible bidder, as follows:

J. L. Hammett Company, \$2,574.39.

Awards on purchase orders were as follows: Gledhill Brothers, Inc., \$492.18; Cascade Paper Company, \$1,001.89; Milton Bradley Company, \$963.03; Vaporite Products, \$56.45; Commercial Paste Company, \$1,461.57; Henry S. Wolkins Company, \$186.20.

Paper Towels

Proposals for furnishing interfolded paper towels for Boston public schools were opened on January 19, 1961. Bids were received from the following concerns:

Andrews Paper Company, Fort Hill Paper Company, G. M. C. Paper Supplies, Inc., J. L. Hammett Company, Horn Packaging and Paper Company, Inc., D. F. Munroe Company, Stone & Forsyth Company, Sugarman Brothers, Inc., Tagsons Papers, Inc., Waltham Paper Products, Inc.

Award was made to the lowest responsible bidder, as follows:

G. M. C. Paper Supplies, Inc., \$14,070.

TRAFFIC DEPARTMENT.

Parking Meters

The Mayor has approved the following:

DEAR SIR:

The following publicly advertised bids for the purchase of two thousand (2,000) parking meters (with attachments to secure the meter to the meter post), less installation, pipe, and base cover were opened on March 29, 1961.

The following proposals were received:

Michaels Art Bronze Company, Covington, Kentucky, unit price, \$45.95, total price, \$91,900, 5 per cent, 30 days, 5-year guarantee delivery, 2 weeks.

Middlesex Equipment Company, Somerville, Mass., unit price, \$45.70, total price, \$91,400, no discount, 5-year guarantee, delivery, 30 days.

Magee-Hale Park-O-Meter Company, Oklahoma City, Oklahoma, unit price, \$44.95, total price, \$89,900, no discount, 1-year guarantee, delivery, 60 days.

Dual Parking Meter Company, Pittsburgh, Pennsylvania, unit price, \$38, total price, \$76,000, 5 per cent, 30 days, 5-year guarantee, delivery, 30 to 45 days.

At a meeting of the Boston Traffic Commission held April 21, 1961, it was unanimously voted to award the contract to the Michaels Art Bronze Company, Covington, Kentucky, at a price not to exceed the sum of ninety-one thousand nine hundred dollars (\$91,900) and to authorize the chairman to enter into a contract.

In respect to the proposal submitted by Middlesex Equipment Company, the difference in price between its meter and the meter of the Michaels Art Bronze Company is only twenty-five cents (\$.25) per meter and if purchased would require the expenditure of additional money to buy parts to maintain the meter whereas the department now has on hand a substantial supply of Mi-Co meter parts.

The proposal of Magee-Hale Park-O-Meter Company offers only a one (1) year guarantee against defective workmanship and materials as compared to the five (5) year guarantee submitted by the Michaels Art Bronze Company, and the experience of this department through the years proves quite conclusively that a guarantee of only one year would prove unsatisfactory since it would be to the financial disadvantage of the city. In short, if breakdowns occurred at the end of one year, the city would have no redress against the supplier of the "Park-O-Meter."

The proposal of the Dual Parking Meter Company is responsive to our published invitation to bids, however, our examination of the meter which it offers to supply reveals that although it is this company's newest manual meter, it is so complicated in its construction that it would be difficult to maintain in operation on the streets.

This commission has presently in operation about six hundred (600) Dual meters and our experience with this model is unsatisfactory. Although the company claims that the meter now offered is a new model and has been in operation in other areas for the past eight (8) months, it is our opinion that the city should not experiment with an untried device.

For the aforementioned reasons it is our opinion that the best interests of the city would be served by awarding the contract to Michaels Art Bronze Company and your permission is respectfully requested to make the award as voted by the Boston Traffic Commission.

Under the terms of the contract, no expenditure of appropriated funds will be required. The City of Boston, from the fees received by it from the use of the new meters will pay to the vendor ninety-one hundred and ninety dollars (\$9,190) per month for a period of ten months. The first payment will start thirty (30) days after the new meters are completely installed and in operation.

Respectfully submitted,

THOMAS J. GRIFFIN,
Traffic Commissioner.

Pavement Markings

Painting pavement markings in the City of Boston awarded to White Lines, Inc., in the amount of \$47,873.75.

The other bids were:
Safety-Line Company, \$48,882.50; Traffic Control and Signal Company, \$49,175.

CONTRACTS AWARDED
WITHOUT ADVERTISING

The Mayor approved the award of contracts, without advertising, based on the following communications:

ADMINISTRATIVE SERVICES DEPARTMENT.

Purchasing Division.

Perishable Foods

DEAR MR. MAYOR:

In accordance with the letter approved by your Honor on February 9, 1961, authority is requested to award a contract, without public advertisement to the following-named company for furnishing perishable foods, etc., to the various city departments from May 1, 1961, to March 31, 1962, inclusive:

Henry Bass, Peter Koines, a partnership, doing business as Boston Fruit Center, 7 South Side, Faneuil Hall Market, Boston, Mass.

Respectfully yours,

MICHAEL A. DESIMONE,
Purchasing Agent.

Wheat Light Parts

DEAR MR. MAYOR:

This office is in receipt of a requisition from the Fire Department for wheat light parts as manufactured by Koehler Manufacturing Company. An informal written quotation has been submitted to this office by this company.

Inasmuch as Koehler Manufacturing Company is the manufacturer and only supplier of the parts requested, it is my opinion that no advantage would be gained by publicly advertising for prices. Authority is therefore requested to dispense with public advertisement and award a contract, without public advertisement, to Koehler Manufacturing Company. In this way, the best interests of the city will be served.

Approximate total amount of contract will be \$4,942.25, less 1 per cent discount for payment within ten days.

Respectfully yours,

MICHAEL A. DESIMONE,
Purchasing Agent.

Drugs

DEAR MR. MAYOR:

The original letter of award on drugs dated March 30, 1961, stated that no bids were received on Items 162 and 179 and that the bids received on Items 31, 107, and 170 were being rejected. On Item 31, Pfizer Laboratories, Division of Charles Pfizer & Co., Inc., submitted the lowest price for a product other than that specified but it is ac-

ceptable. Authority is therefore requested to dispense with further advertising for prices on this item and award a contract, without public advertisement, to the aforementioned company.

The manufacturers of Items 107, 162, 170, and 179 did not submit any bids for these items at the public opening on February 27, 1961. Subsequently, these manufacturers submitted letters quoting prices on their respective products. Inasmuch as the companies involved for these items are the manufacturers, it is my opinion that no advantage would be gained by readvertising for prices. Authority is therefore requested to dispense with further public advertising and award contracts, without public advertisement, to the manufacturers. It is my opinion that the best interests of the city will be served by awarding the contracts as requested.

Approximate total amounts of all contracts will be as follows:

E. R. Squibb & Sons, \$15,000, less 2 per cent discount, 30 days; Organon, Inc., \$14,500, net; Pfizer Laboratories, Division of Charles Pfizer & Co., \$7,600, net; American Home Products Corporation, \$7,000, net, 30 days; Hellwig, Inc., \$4,800, less 1 per cent discount, ten days.

Respectfully yours,

MICHAEL A. DESIMONE,
Purchasing Agent.

DEAR MR. MAYOR:

The original letter of award on drugs dated March 30, 1961, stated that no award was being made on Item 37 at that time.

It is now requested that authority be granted me to award a contract for Item 37 to the lowest acceptable bidder, Ortho Pharmaceutical Corporation, at the price submitted by this company on the publicly opened bid of February 27, 1961. Period of contract will be from April 1, 1961, to March 31, 1962, inclusive.

Approximate total amount of contract will be \$6,500, net, 30 days.

Respectfully yours,

MICHAEL A. DESIMONE,
Purchasing Agent.

HOSPITAL DEPARTMENT.

Engineering Services

DEAR MR. MAYOR:

We respectfully request your permission to dispense with publicly advertising for bids, and to award a contract to Justin M. Kearney, 1054 Brook road, Milton, Mass., for expert consulting engineering services in hospital planning and plant operations in all institutions within the Hospital Department for the period beginning April 1, 1961, and ending March 31, 1962, at the rate of \$100 per diem, the total contract cost not to exceed the sum of \$10,400.

The recent contract with Mr. Kearney for similar services expires on March 31, 1961. However, the need for these expert services is one of a constantly recurrent nature, and this renewal of the contract for the subject services is proposed for that reason, and also because it appears to be the more certain way of having such expert assistance readily available in the solution of a variety of Hospital Department problems.

The Board of Trustees desires to avail itself of the services of Mr. Kearney in the same capacity, namely, consulting engineer in hospital planning and plant operations for all institutions within the Hospital Department, and therefore, request that permission be granted to enter into a new contract for the period beginning April 1, 1961, and ending March 31, 1962. The consultant shall serve two days per week during the contract period at the daily rate of \$100. The consultant's services are to be continued on a month to month basis subject to the approval of the trustees as the need for such services continues to exist. The total contract price is not to exceed the sum of \$10,400.

In view of the professional nature of the services to be provided, it is not felt that a public solicitation of proposals would be of any avail or serve any useful purpose of the city.

Respectfully yours,

BOARD OF TRUSTEES, HOSPITAL DEPARTMENT,
AND BOSTON CITY HOSPITAL,
By WILLIAM H. ELLIS,
President.

POLICE DEPARTMENT.

Punch Cards

DEAR SIR:

Pursuant to the authorization of the Registrar of Motor Vehicles, negotiations have been made with OMS Mail Advertising, Inc., for a contract with this department to produce a duplicate set of punched cards containing information relative to all registered passenger vehicles for the year 1961. OMS produced the original set of cards under contract with the Registrar and the duplicates will be used by this department as the source of registration information for the processing of parking violations under General Laws, chapter 90, section 20A.

It is proposed that the contractor furnish approximately two million (2,000,000) punched cards at an agreed price of eight dollars and fifty cents (\$8.50) per thousand, the total contract price not to exceed seventeen thousand dollars (\$17,000).

As OMS is the only possible source of this service and the negotiated price is fair and reasonable, it is requested that you give your approval to the award of the contract, without competitive bidding, in conformity with section 30 of the City Charter.

Very truly yours,

LEO J. SULLIVAN,
Police Commissioner.

Engineering Services

DEAR MR. MAYOR:

The South Bay incinerator has been in operation since September, 1959. At that time, refuse was delivered to the plant from all of City Proper, including the South End and Back Bay, and from the Charlestown, South Boston, and Roxbury districts. Since April 1, 1960, refuse from the Dorchester North district has been disposed of at the incinerator, and it is proposed, commencing April 1 of this year, to add the refuse from the Dorchester South district to the quantity now being disposed of at the incinerator. This will require twenty-four-hour operation, seven days a week, burning refuse in order to dispose of all the material to be delivered.

In view of these circumstances, it is deemed advisable to obtain the services of an experienced and competent engineer to act in an advisory capacity in regard to operating and maintenance procedure. As Metcalf & Eddy, Engineers, designed and had immediate supervision of the construction of this plant, and are familiar with all of its various parts and equipment, I requested them and they have submitted a proposal for furnishing such services over a twelve-month period for the sum of \$3,000 for the services of a consultant to spend one full day each week at the incinerator during the first month, and for the remaining eleven months to spend one full day each month, and during that period make two additional inspection visits each month, and prepare and submit to the Public Works Department monthly reports that will incorporate his observations, conclusions, and recommendations with respect to the operation of the incinerator. They also will make available on call during the same period the above-mentioned consultant and such other personnel as may be required to confer and advise on questions that may arise in relation to the operation of the incinerator and that would require time to be spent outside of and in addition to that already outlined, and to provide these services on a time charge basis at the rate of \$12 per hour not to exceed 150 hours or \$1,800.

As I believe that the aforementioned services are necessary for the proper and most economical operation and maintenance of the South Bay incinerator, and that there would be no advantage to the city in publicly advertising for such service, I respectfully request your approval to dispense with advertising and to award a contract, without advertising, to Metcalf & Eddy, engineers, Statler Building, Boston, to furnish the services of a competent engineer to act as advisory consultant at the South Bay incinerator for a period of twelve (12) months, beginning in April, 1961, for the lump sum of three thousand (\$3,000) dollars payable in equal quarterly installments of seven hundred and fifty (750) dollars each on July 1 and October 1, 1961, on January 1, and in April of 1962,

to provide additional consultant services, outside the time covered by the regular services, at a rate of twelve (12) dollars per hour, not to exceed a total of one hundred and fifty (150) hours or eighteen hundred (1,800) dollars, all as described above, at a cost not to exceed four thousand eight hundred (4,800) dollars.

Respectfully submitted,

JAMES W. HALEY,
Commissioner of Public Works.

EXTENSION OF CONTRACT

The Mayor has approved extension of the time limit on completion of the following contract:

PUBLIC WORKS DEPARTMENT.

Contract with John F. Kelleher for earth excavation and refilling to assist the Water Division employees to install, regulate, or repair Water Division structures and other incidental work in Area 1, Charlestown, North and West Ends, Back Bay, Stuart, South End, East Boston, Elm Hill, Dudley, Mission Hill, and Roxbury Districts, extended from April 30, 1961, to June 30, 1961, due to inclement weather during the months of January and February.

Contract with John J. Botti Company, Inc., for earth excavation and refilling to assist the Water Division employees to install, regulate or repair Water Division structures and other incidental work in Area 2, Jamaica Plain, Brighton, West Roxbury, and Hyde Park districts, extended from April 30, 1961, to June 30, 1961, due to inclement weather.

AMENDMENTS TO ORIGINAL AWARDS OF DAMAGES

The Mayor and Public Improvement Commission have approved the following:

That the amount of \$500 is awarded to John A. and Annabella H. Giesco for all damages sustained under the order of the Public Improvement Commission and Mayor of May 8, 1959, for the laying out and construction of Salman street, West Roxbury.

That the amount of \$200 is awarded to Nicholas A. and Clara V. Champa for all damages sustained under the order of the Public Improvement Commission and Mayor of November 25, 1959, for the laying out and construction of an extension of Lorna road, Dorchester.

CLAIMS APPROVED

The Mayor, on recommendation of the Corporation Counsel, has approved the following votes of the City Council Committee on Claims:

Mrs. Alice Cusack, 50 Antwerp street, Brighton, for damage to property in the months of July and August, 1960, caused by backing up of sewerage due to defect, by payment of \$485.

John F. MacDonald, 58 Sullivan street, Charlestown, to be reimbursed on account of an accident on September 28, 1960, while in the performance of his duty as an employee of the Public Works Department, Highway Division, he was operating a city-owned vehicle on Third street, Chelsea, when he struck a parked car owned by Evelyn Shapiro, causing damage thereto, by payment of \$126.20.

Joseph J. Otto, 15 Bateman street, Roslindale, to be reimbursed as the result of an accident on March 5, 1960, while in the performance of his duties as an employee of the Fire Department, Engine 42, he was operating a city-owned vehicle on Homestead street, Roxbury, when he struck a parked car owned by Philip J. Green, causing damage thereto, by payment of \$100.

BUILDING PERMITS

Permanent

OFFICIAL ADVERTISEMENT BOSTON TRAFFIC COMMISSION

March 30, 1961.

Voted, That the Traffic Rules and Regulations of the City of Boston are amended as follows, effective May 2, 1961:

Article I, Section 1 (Definitions), is amended by striking out under the caption "Authorized Emergency Vehicles" after the words "United States mail vehicles" the words "eleven (11) vehicles" and inserting in place thereof the words "fifteen (15) vehicles."

A true excerpt from the minutes of the March 30, 1961, meeting of the Boston Traffic Commission.

Attest:

W. T. DOYLE,

Deputy Commissioner and Secretary.
(April 29.)

TRAFFIC RULINGS

Permanent

OFFICIAL ADVERTISEMENT BOSTON TRAFFIC COMMISSION

May 1, 1961.

That pursuant to the fifth paragraph of Section 20 A of Chapter 90 of the General Laws, as appearing in Section 3 of Chapter 233 of the Acts of 1961, Article X of the Traffic Rules and Regulations of the City of Boston in force under Chapter 263 of the Acts of 1929, as amended, be and the same hereby is, amended, effective August 1, 1961, by striking out Section 1A inserted by vote passed by this Commission on April 17, 1961 (which vote was approved by an order adopted by the City Council on April 17, 1961, and approved by the Mayor on April 17, 1961), and inserting in place thereof the following section:-

SECTION 1A. SCHEDULE OF FINES FOR THE NONCRIMINAL DISPOSITION OF PARKING VIOLATIONS.

(1) The words "downtown area", as used in this section, shall be deemed to mean that part of the city of Boston bounded by (a) the westerly line of Massachusetts avenue, (b) the Charles River, (c) the easterly line of the bridge constructed under Chapter 217 of the Acts of 1894 and connecting the city proper, so called, with that part of the city which was formerly Charlestown, (d) the easterly line of Washington Street North, (e) the southerly line of Cooper street, (f) the westerly line of Endicott street, (g) the northerly line of Stillman street, (h) the westerly end of Stillman street, (i) the southerly line of Stillman street, (j) the westerly line of Endicott street, (k) the northerly line of Cross street, (l) the easterly line of Hanover street, (m) the southerly line of Richmond street, (n) the easterly line of North street, (o) the northerly line of Clark street and said line extended to Boston harbor, (p) Boston harbor and Fort Point Channel, (q) the westerly line of the Broadway Bridge, (r) the westerly line of Broadway, (s) the northerly line of Herald street and said line extended to the northwesterly line of Chandler street extended, (t) the northwesterly line of Chandler street and said line extended to the northerly line of Herald street extended, (u) the easterly line of Berkeley street, and (v) the southerly line of the right of way of the New York, New Haven and Hartford Railroad.

(2) The fine the payment of which shall operate under Section 20A of Chapter 90 of the General Laws as a final disposition of an offense subject to said section committed in the city of Boston shall be as follows:

A. IN DOWNTOWN BOSTON.

(a) For every offense subject to said section committed by the offender within the jurisdiction of the court and in the aforesaid downtown area of the city of Boston—

(i) If such offense is a violation either of clause (5) or clause (6) or clause (10) or clause (12) of section 1 of Article IV of these rules and regulations, or of clause (5) or clause (6) or clause (10) or clause (12) of section 2 of Article IV A of these rules and regulations, which clauses respectively prohibit in the parts of said downtown area respectively covered by said Articles parking near a fire station, parking near a hydrant, parking so as not to leave a clear and unobstructed lane at least ten feet wide, and parking in such a manner as to obstruct the movement of a streetcar, trackless trolley or bus—Fifteen Dollars.

(ii) If such offense is a violation either of clause (1) or clause (11) or clause (16) of section 1 of Article IV of these rules and regulations or of clause (1) or clause (11) or clause (16) of section 2 of Article IV A of these rules and regulations, which clauses

respectively prohibit in the parts of said downtown area respectively covered by said Articles parking within an intersection, parking on the roadway side of a vehicle stopped or parked at the curb or edge of a roadway, and parking where signs have been placed for the purpose of facilitating street cleaning or snow removal—Ten Dollars.

(iii) If such offense is a violation of section 15A of Article IV of these rules and regulations prohibiting, with certain exceptions, parking between 12.01 A.M. and 8 A.M.—Two Dollars.

(b) For every other such offense so committed—

(i) If it is the first, second or third other such offense so committed in any one calendar year—Three Dollars.

(ii) If it is the fourth, fifth, sixth, seventh, eighth or ninth other such offense so committed in such calendar year—Five Dollars.

(iii) If it is the tenth or subsequent other such offense so committed in such calendar year—Ten Dollars.

B. OUTSIDE DOWNTOWN BOSTON.

(a) For every offense subject to said section committed by the offender within the jurisdiction of the court and in the city of Boston but not in the aforesaid downtown area thereof—

(i) If such offense is a violation of clause (5), or of clause (6), or of clause (10), or of clause (12), of section 1 of Article IV of these rules and regulations prohibiting, respectively, parking near a fire station, parking near a hydrant, parking so as not to leave a clear and unobstructed lane at least ten feet wide, and parking in such a manner as to obstruct the movement of a streetcar, trackless trolley or bus—Three Dollars.

(b) For every other such offense so committed—Two Dollars.

(3) Whenever it becomes necessary to ascertain whether a person owning two or more motor vehicles is chargeable as such owner with a first, second, third, fourth, fifth, sixth, seventh, eighth, ninth, tenth or subsequent offense, such question shall, in the case of vehicles singly registered, be determined separately with respect to the particular vehicle involved in such violation and, in the case of vehicles subject to Section 5 of said Chapter 90, with respect to the particular number plate or plates used on the vehicle involved in such violation at the time thereof.

(4) For the purposes of this section, the period beginning with August 1, 1961, and ending with December 31, 1961, shall not be deemed to be a part of the calendar year 1961, but shall constitute a separate calendar year.

WILLIAM T. DOYLE,
Deputy Commissioner and Secretary.
(May 13.)

GAS MAIN PERMIT

The Mayor and Public Improvement Commission have approved the following:

That permission be granted to Boston Gas Company to lay and maintain an underground structure (12 feet of 6-inch low pressure steel main) in Corey street, West Roxbury district, at Furbush road, substantially as shown on a plan marked "Proposed Location of 6-Inch Gas Main in Corey Street, West Roxbury, Boston Gas Company, April 17, 1961," and on file in the office of the Commissioner of Public Works.

Automatic Crossing Gates

That permission be granted to Boston & Maine Railroad, 150 Causeway street, Boston

Proper, to install and maintain the following in Main street, Charlestown district:

Two standard roadway automatic crossing gates and two sidewalk automatic gates (one roadway gate and one sidewalk gate to be located at the approximate curb line of Main street on both north and south sides of crossing over relocated single track as indicated on plan); two flashing light signals at the curb line and two flashing light signals located in front of and attached to the columns supporting the elevated MTA tracks at the approximate center line of the traveled way; substantially as shown on plan marked "Boston & Maine Railroad, Boston Division, Crossing Protection at Main Street, Charlestown, Mass., Office of Division Engineer, March 29, 1960," and on file in the office of the Commissioner of Public Works.

The Commissioner of Public Works is hereby authorized to issue permits for opening and occupying the street for installing and maintaining said gates and light signals, under the conditions set forth in the City Ordinances, and such other terms and conditions as the said commissioner may deem proper.

The work of locating said gates and light

signals to be subject to the approval of said Public Works Commissioner, and the street above referred to is to be kept open for both pedestrian and vehicular traffic during the installation of said gates and light signals.

DETROIT CLEAN-UP DRIVE

More than 800 organizations joined the City of Detroit campaign to keep the city beautiful. Industry and business donated billboard and store front advertising space. More than 600 persons attended a neighborhood organization workshop. A working committee of 50 joined forces with city department heads who formed a coordinating group.

PROPOSALS FOR MULTIGRAPH DUPLICATOR.

The Police Department of the City of Boston invites proposals for furnishing multigraph duplicator. The bidder must use the form of proposal to be obtained at the office of the Property Clerk of the Boston Police Department, Room 105, 154 Berkeley street, Boston, and deposit with his bid at the office of the Police Commissioner, a properly certified check for \$500, payable to and to become the property of the Police Commissioner for the City of Boston if the proposal is not carried out. Proposals will be publicly opened and read on Friday, May 19, 1961, at twelve o'clock noon (Eastern Daylight Saving Time), at the office of the Police Commissioner, 154 Berkeley street, Boston, Mass. The Police Commissioner reserves the right to accept or reject any or all proposals, or any part of a proposal and to award the contract as he deems for the best interests of the Police Department of the City of Boston. Surety bond will be required from the successful bidder in an amount equivalent to 50 per cent of the estimated amount of the contract.

CITY OF BOSTON.

HOSPITAL DEPARTMENT.

INVITATION FOR GENERAL BIDS FOR PROVIDING MAINTENANCE SERVICES, INCLUDING CRACK REPAIRS AND REPLACEMENTS, AS REQUIRED, AND INSPECTION SERVICES, UPON DESIGNATED ELEVATORS, DURING THE PERIOD JULY 17, 1961, TO MARCH 31, 1962, AT BOSTON CITY HOSPITAL, INCLUDING EAST BOSTON RELIEF STATION.

The City of Boston, acting by the Board of Trustees of the Hospital Department, and of the Boston City Hospital, hereinafter referred to as the Awarding Authority, invites sealed general bids for providing, during the period July 17, 1961, to March 31, 1962, maintenance services, including certain repairs and replacements, as required, and inspection services, upon designated elevators at Boston City Hospital, including East Boston Relief Station, Boston, Mass.

General bids will be received until two o'clock P.M. (Eastern Daylight Saving Time), Friday, May 19, 1961, at the office of the Superintendent of the Boston City Hospital, 818 Harrison avenue, Boston, at which time and place they will be publicly opened and read aloud.

General bids must be submitted in duplicate on forms obtained from the Awarding Authority. Each copy of the general bid shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. One copy of the bid, which shall not be detached from the contract form and specifications to which it is attached, shall be filed with the Awarding Authority at the office designated above, accompanied by a bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, in the sum of \$2,000. The other copy of the bid shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of the bids.

No bidder may withdraw his bid within thirty days after the actual date of the opening of bids (Saturdays, Sundays, and legal holidays excluded).

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, sections 26-27D, inclusive, as amended, a schedule of which appears in the specifications.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

Forms of general bid, including the form of contract and specifications may be obtained at the office of the Awarding Authority, designated above, on and after Monday, May 8, 1961.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 per cent of the contract price, will be required of the successful bidder.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest so to do, in accordance with section 44D, chapter 149, of the General Laws as amended.

PROPOSALS FOR TOOL AND KNIFE GRINDING AND SHARPENING, SAW FILING AND SETTING FOR THE BOSTON PUBLIC SCHOOLS.

The School Committee of the City of Boston invites bids for tool and knife grinding and sharpening, saw filing and setting for the Boston public schools. Proposal forms are obtainable at the office of the Business Manager of the School Committee, tenth floor, 15 Beacon street. Envelopes containing proposals must be sealed and plainly marked "Proposal for Tool and Knife Grinding and Sharpening, Saw Filing and Setting for the Boston Public Schools." The bid must be in duplicate. One copy, signed by the bidder, and accompanied by a certified check, payable to the City of Boston, in the amount of one hundred dollars (\$100), must be left at the office of the Business Manager on or before twelve o'clock noon (Eastern Daylight Saving Time), on Wednesday, May 31, 1961. Copies filed with the Business Manager will be publicly opened at twelve o'clock noon of the day stated. The other copy, also signed by the bidder, must be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for the opening of bids. The School Committee reserves the right to reject any or all bids and to accept such bid as may be deemed best for the interests of the city. The successful bidder will be required to furnish a suitable bond or deposit of money or other security in the amount of not less than 50 per cent of the amount of the contract.

DEPARTMENT OF SCHOOL BUILDINGS.

INVITATION FOR GENERAL BIDS FOR BUILDING CONCRETE WALL AT THE WILLIAM BRADFORD SCHOOL, WILLOWWOOD STREET, DORCHESTER, MASS.

The City of Boston, acting by the Superintendent of Construction of the Department of School Buildings, Boston, Mass., hereinafter referred to as the Awarding Authority, invites sealed general bids for building concrete wall at the William Bradford School, Willowwood street, Dorchester, Mass.

General bids will be received up until 12 o'clock noon (Eastern Daylight Saving Time), Monday, May 22, 1961, at the office of the Awarding Authority, fourth floor, 26 Norman street, Boston, Mass., at which time and place they will be publicly opened and read.

General bids must be submitted in duplicate on forms obtained from the Awarding Authority. Each copy of the general bid shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. One copy of the general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, in the sum of \$200. The other copy of the general bid shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded), from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefore.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, sections 26-27D, inclusive, as amended, a schedule of which appears in the specifications.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

Specifications and other contract documents may be obtained at the office of the Awarding Authority.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 per cent of the contract price, will be required of the successful general bidder.

The Awarding Authority reserves the right to waive any informalities. The Awarding Authority also reserves the right to reject any or all general bids, if it be in the public interest so to do.

CITY RECORD

OFFICIAL CHRONICLE OF BOSTON MUNICIPAL AFFAIRS.

VOL. 53

SATURDAY, MAY 20, 1961

No. 20

POLICEMEN ATTEND FIRE DEPT. SAFETY COURSE

"The Fire Problem and Its Relationship to the Police Officer" will be the subject of a course of instruction to be conducted by officers of the Boston Fire Department at the Firemen's Training School on Moon Island starting Monday, May 22.

Some 1,800 Boston police sergeants and patrolmen will attend four-hour classes of instruction and demonstration in groups of between 30 and 40 to the class. The courses will run through the summer months.

Assistant Fire Chief William A. Terrenzi will be in charge of the courses.

Stated Purpose

The foreword in the outline of the course states as follows:

¶ The purpose of this program is to allow members of the Boston Police Department to participate in a course of instructions covering the basic principles of fire safety for the police officer.

¶ The material presented may prove of value should their own or other lives be endangered by our common enemy, fire.

¶ Time does not permit anything but a brief summary of certain important factors.

¶ Police officers receive many detail assignments to places of assembly, and, owing to the fact that they are in uniform, the public immediately looks to them for assistance and direction should any emergency arise. In addition, while patrolling routes, they sometimes discover a fire and find it necessary to take action prior to arrival of the Fire Department. The information obtained in this program is

designed specifically for such situations.

¶ If, under such circumstances, a fire fighter happens to be present, we expect him to handle the duties consistent with his profession, and we know from past experience that any representative from the Police Department will assist and cooperate to the fullest extent.

Subjects of Course

The course of instruction includes the methods of entering a burning building, rescue of victims, evacuation of residents of a building, use of fire extinguishers and inside emergency hoses, and the rules of safe conduct to protect the policeman himself when faced with a fire emergency.

Conclusions set forth in the course outline are as follows:

¶ The Boston Fire Department is cognizant of the fact that fire fighting is not a function of the Police Department. The duties and responsibilities incumbent on a police officer in the highly specialized field of law enforcement preclude his assuming additional duties also of a highly specialized nature. However, as previously noted, situations have and will continue to occur which call for prompt action by the individuals present. It is our sincere hope that the instructions given in this course will prove of value and reduce the danger to which the police officer is exposed at that time.

Of Personal Value

¶ We feel that in the review of certain fundamentals regarding fire

safety, the knowledge of the police officer has been refreshed. We also know from experience that an awareness of such fundamentals can help to promote fire safety in your own home and thus our program assumes a factor of personal interest for all who participate.

The course was prepared under the active supervision and guidance of Acting Fire Commissioner Henry A. Scagnoli, Police Commissioner Leo J. Sullivan, Fire Chief John A. Martin, Police Superintendent Francis J. Hennessey, Assistant Fire Chief William A. Terrenzi, Deputy Police Superintendent Andrew Markhard, and R. P. Seeley of the Fire Alarm Division.

NEW TOP OFFICIALS IN ASSESSING DEPARTMENT

Attorney Robert A. Grimes, former chairman of the Board of Review, became Commissioner of Assessing on May 2. His former duties were taken over by John M. Corcoran, of Dorchester.

Other department heads include James J. Walsh, of Jamaica Plain, representative of the public on the Board of Review, and Paul M. Finan, of Brighton, who became Director of Research and Standards.

Mr. Corcoran, who is 37, was graduated from Boston College in 1948. He is a partner in the building firm of John M. Corcoran & Co., Mattapan. He has been a part-time assessor for six years.

Mr. Finan is 54. He is a Suffolk Law School graduate and a member of the Massachusetts Bar since

RESULTS PUBLISHED ON SURVEY OF ELDERLY POPULATION

The results of a special city-wide survey by the United States Bureau of the Census of the housing conditions of elderly families in Boston were announced, on May 12, by Edward D. Hassan, Chairman of the Boston Housing Authority. He stated as follows:

¶ According to the Census Bureau's report, a total of 8,625 elderly families are living in substandard housing units in the City of Boston. These units where the head of the family is 65 years of age or over were reported as dilapidated to the extent that they do not provide safe and adequate shelter or as lacking basic sanitary facilities.

One in Five

¶ One elderly family in every five was reported to be living in substandard housing. The ratio among all families was one in seven.

¶ A total of 38,932 substandard housing units was reported for the city as a whole. Every fourth occupied substandard unit housed an elderly family.

¶ Not counted in the Census report are additional thousands among the elderly now paying excessive rents or living in housing that is standard but unsuited to their needs.

¶ Reports of the 1960 Census currently being released by the Bureau of the Census show that more than one out of every four housing units in the city is lacking in basic plumbing facilities, dilapidated or deteriorating so as to require more repair than would be provided by regular maintenance. Among rental units the ratio is even higher with nearly every third unit falling into this category. The ratio increases still further among nonwhite families with every other family so housed.

The Goals

¶ The regular reports of the Census Bureau as well as the special report prepared for the Housing Authority emphasize the tremendous scope of the total job that must be done if the goal of a decent home and

a suitable living environment for every family is to be realized.

¶ While continuing to serve the housing needs of low-income families generally, the Housing Authority has focused particular attention in recent years on the pressing housing problems of the elderly. Already housing some 2,800 elderly families in its existing program, the Housing Authority has seven small developments ranging in size from 44 to 96 units and totaling 480 units specially designed for the elderly under or close to construction.

¶ Requests for housing from elderly families continue to increase and currently amount to over 2,500. At the maximum possible rate of admission, it will take more than six years to house all of the elderly applicants now on the waiting list.

Small Developments

¶ To help in meeting this critical need the Housing Authority is seeking the approval of the City Council to obtain federal assistance in building 1,000 additional units. It is planned that this new program will predominantly be designed for elderly occupancy. Any non-elderly housing will be developed to meet the requirements of the city's renewal plans in close coordination with the Boston Redevelopment Authority. Future building under this authorization will consist of small developments with architectural design blending as much as possible into the existing neighborhood.

¶ The Housing Authority was pleased to learn recently that the Greater Boston Real Estate Board was participating in preliminary planning of a 48-unit development for the elderly with estimated rents between \$70 and \$80 a month, including heat and hot water but excluding lighting and cooking costs which would be additional. Private efforts such as this are to be encouraged on a greatly enlarged scale in order to meet the need among elderly families who can afford these rents.

No Competition

¶ The Housing Authority's program on the other hand will serve an average elderly family that can afford to pay only one half the rent estimated for the privately sponsored housing. The typical elderly family now housed by the Authority has an income of \$1,840 a year. One half of this income would have to be spent for rent alone in the planned private development. Monthly rents in the Authority's program will average between \$40 and \$45 including heat, hot water, cooking, and lighting costs.

¶ There is no essential competition between the public low-rent housing program and available decent private housing. The only competition is with substandard housing. The total solution to the housing problem will require the best efforts of private enterprise and public agency.

RECENT STAFF APPOINTMENTS TO DEVELOPMENT PROGRAM

The following staff appointments to the Development Program were approved by the Boston Redevelopment Authority:

Thaddeus J. Tercyak, of Pittsburgh, Pennsylvania, as Development Specialist in the Development Department, at \$9,500 per annum, effective June 15, 1961. Mr. Tercyak's salary will be paid entirely from project funds.

Arnold A. Schuchter, of Cambridge, Massachusetts, as Principal Planner, in the Planning Department, at \$8,000 per annum, effective May 17, 1961. Mr. Schuchter's salary will be paid entirely from project funds.

Miriam Libby Blank, of Brookline, Massachusetts, as Senior Planner, in the Planning Department, at \$6,500 per annum, effective June 12, 1961.

Roy H. Kennix, of Donaldsonville, Louisiana, as Development Assistant in the Development Department, at \$5,500 per annum, effective May 17, 1961. Mr.

Kennix's salary will be paid entirely from project funds.

Margaret A. Wilson, of Boston, Massachusetts, as Secretary, at \$4,200 per annum, effective May 3, 1961.

Carmella I. Jackson, of Somerville, Massachusetts, as Secretary, at \$4,200 per annum, effective May 3, 1961.

Assessing . . .

(Continued from front page.)

1929. He has been an assessor for 25 years.

Mr. Walsh, 51, is a member of the Massachusetts and Federal Bar. He attended Georgetown University and was graduated from Suffolk Law School. He served with the Federal Trade Commission and as a U. S. Customs officer for many years.

Mr. Finan will serve in a dual capacity as Director of Standards, as well as on the Board of Review along with Mr. Walsh and John M. Corcoran as chairman.

The important thing to be emphasized, says Commissioner Grimes, is that all abatement applications must go through channels, through the Deputy Assessor, then through the Director of the District, then through the Board of Review, and then through the Head of the Department, who reserves the right to veto any abatements. No abatements are to be initiated with the Head of the Department as part of the new policy. All will be referred to the channels herein.

FIRE DEPARTMENT ORDERS

May 16.

General Order No. 23.

I. DANIEL A. COLLINS.

It is with deep regret that the Fire Commissioner announces the death on May 12, 1961, of Fire Fighter Daniel A. Collins of the Fire Prevention Division. Fire Fighter Collins was appointed to the department on July 16, 1937.

The funeral was held from the Harold L. O'Neil Funeral Home, 405 Washington street, Dorchester, at 9 A.M., May 15, 1961, followed by a Solemn Requiem High Mass at St. Ann's Church, Neponset avenue, Dorchester, at 10 A.M.

The chief of department made the customary detail to act as funeral escort,

and members of the Fire Prevention Division were excused in order to attend the funeral services.

II. RETIREMENTS.

The following retirement, in accordance with section 57, chapter 32, General Laws, as amended, which will become effective at 5 P.M., Tuesday, May 16, 1961, is hereby announced:

Painter Louis Caso, Maintenance Division.

The following retirements, in accordance with section 7, chapter 32, General Laws, and section 94 of said chapter, which will become effective at 8 A.M., Thursday, June 1, 1961, are hereby announced:

Fire Fighter Francis P. Canney, Engine Company 26.

Fire Fighter John R. Cornish, Ladder Company 29.

Fire Fighter Cornish was appointed to the department on January 22, 1947; Painter Caso was appointed on January 21, 1949, and Fire Fighter Canney was appointed on October 2, 1957.

All the foregoing-named members leave the department with the best wishes of their associates.

III. FIRE ALARM BOX ESTABLISHED.

In the near future the following fire alarm box will be installed:

13-531, Regent Nursing Home, 74 Corey road.

Company commanders will add above box to assignment cards for Box 531.

The circuit number for this box will be announced when the box is installed.

IV. CANCELLATION OF A. D. T. SIGNAL.

Notice has been received from the American District Telegraph Company that the following signal has been canceled:

Signal 635, Thompson Spa, Inc., 219-239 Washington street.

V. RULES AND REGULATIONS.

Rule 65 of the Rules and Regulations of the Boston Fire Department shall be amended by inserting the following sentence at the beginning of this rule:

"All official reports by lieutenants (except morning, fire, death, accident, in-service inspections, emergency) shall be forwarded through their respective captains, who shall approve or disapprove and sign, thence forwarding through department chain of command to the Fire Commissioner. The company commander shall have charge . . . etc."

POLICE DEPARTMENT ORDERS

May 10.

General Order No. 899.

The following changes are hereby made relating to Public Taxicab Stands:

Abolish

North and East of Massachusetts Avenue

(Day and Night)

Division 3, Hancock street (west side), north of Myrtle street, 2 carriages allowed.

Division 3, Mt. Vernon street (north side), east of Louisburg square, 2 carriages allowed.

Division 4, Hudson street, Nos. 1-3, 2 carriages allowed.

May 16.

General Order No. 999.

The Boston Police Department hereby officially records the death of Patrolman Michael J. Crowley, Division 13, from injuries incurred in the performance of his duty on Friday, May 12, 1961. This order serves also as its public expression of sympathy for Mrs. Crowley and her children in their bereavement.

The death of Patrolman Michael J. Crowley is the first occasion for the extension to the dependents of a police officer of the benefits afforded by the One Hundred Club. It is a matter of deep personal satisfaction for the Police Commissioner to have been instrumental in initiating that splendid organization in this community.

The financial hardship imposed on his family is part of the tragedy of Patrolman Crowley's sacrifice. That burden has been materially alleviated by the generosity and high purpose of the One Hundred Club members to whom the commissioner expresses heartfelt gratitude and commendation in behalf of the Crowley family and all the members of this department.

CODMAN HILL AVE. WIDENING

Dorchester

The Mayor and Public Improvement Commission have approved the widening and construction of Codman Hill avenue, Dorchester district, at the southeast corner of Milton avenue.

The project is described as follows:

Southeast Corner of Milton Ave.

The highway named Codman Hill avenue is hereby widened at the southeast corner of Milton avenue, and ordered constructed.

For the making of the aforesaid improvement an easement for highway purposes is hereby taken in the following-described land, exclusive of trees, shrubs, or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to Patrick J. Sullivan, bounded:

Southwesterly by the northeasterly line of Milton avenue, twelve and 00-100 feet; northwesterly by the southeasterly line of Codman Hill avenue as it existed prior to this order, twelve and 00-100 feet, and southeasterly by the southeasterly line of Codman Hill avenue as widened under this order, eighteen and 85-100 feet on a curve of twelve and 00-100 feet radius, containing thirty-one square feet, more or less.

Trees, shrubs, or structures standing upon or affixed to the aforesaid land shall be removed therefrom within thirty (30) days following the city's recording of this order.

Said Codman Hill avenue as hereby widened is bounded:

Southwesterly by the northeasterly line of Milton avenue, twelve and 00-100 feet; northwesterly by the southeasterly line of Codman Hill avenue as it existed prior to this order, twelve and 00-100 feet, and southeasterly by the southeasterly line of Codman Hill avenue as hereby widened, eighteen and 85-100 feet on a curve of twelve and 00-100 feet radius.

No betterments are to be assessed for the making of the aforesaid improvement.

Northeast Corner of Milton Ave.

The highway named Codman Hill avenue is hereby widened at the northeast corner of Milton avenue, and ordered constructed.

For the making of the aforesaid improvement an easement for highway purposes is hereby taken in the following-described land, exclusive of trees, shrubs, or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to Bridget, Mary B., and Helen T. McKeon, bounded:

Southeasterly by the northwesterly line of Codman Hill avenue as it existed prior to this order, twelve and 00-100 feet; southwesterly by the northeasterly line of Milton avenue, twelve and 00-100 feet; and northeasterly by the northeasterly line of Codman Hill avenue as widened under this order, eighteen and 85-100 feet on a curve of twelve and 00-100 feet radius, containing thirty-one square feet, more or less.

Trees, shrubs, or structures standing upon or affixed to the aforesaid land shall be removed therefrom within thirty (30) days following the city's recording of this order.

Said Codman Hill avenue as hereby widened is bounded:

Southeasterly by the northwesterly line of Codman Hill avenue as it existed prior to this order, twelve and 00-100 feet; southwesterly by the northeasterly line of Milton avenue, twelve and 00-100 feet, and northeasterly by the northeasterly line of Codman Hill avenue as hereby widened, eighteen and 85-100 feet on a curve of twelve and 00-100 feet radius.

No betterments are to be assessed for the making of the aforesaid improvement.

ACTION ON DAMAGES

Voted, That this commission determines that the undermentioned persons sustain damages in their estates by the making of the public improvement consisting of the widening and construction of Codman Hill avenue, Dorchester district, at the northeast and southeast corners of Milton avenue, under an

order of the commission of April 26, 1961, in the amounts hereinafter respectively set against them, and awards said amounts therefor.

Bridget, Mary B., and Helen T. McKeon, 31 square feet, \$1.

Patrick J. Sullivan, 31 square feet, \$1.

THEODORE STREET WIDENING

Dorchester

The Mayor and Public Improvement Commission have approved the widening and construction of Theodore street, Dorchester district, at the southwest corner of Middleton street.

The project is described as follows:

Southwest Corner of Middleton St.

The highway named Theodore street is hereby widened at the southwest corner of Middleton street, and ordered constructed.

For the making of the aforesaid improvement an easement for highway purposes is hereby taken in the following-described land, exclusive of trees, shrubs, or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to Bernie Sorota Trust, bounded:

Northwesterly by the southeasterly line of Theodore street as it existed prior to this order, twenty-three and 00-100 feet; northeasterly by the southwesterly line of Middleton street, twenty-three and 00-100 feet, and southwesterly by the southwesterly line of Theodore street as widened under this order, thirty-six and 11-100 feet on a curve of twenty-three and 00-100 feet radius, containing one hundred fourteen square feet, more or less.

Trees, shrubs, or structures standing upon or affixed to the aforesaid land shall be removed therefrom within thirty (30) days following the city's recording of this order.

Said Theodore street as hereby widened is bounded:

Northwesterly by the southeasterly line of Theodore street as it existed prior to this order, twenty-three and 00-100 feet; northeasterly by the southwesterly line of Middleton street, twenty-three and 00-100 feet, and southwesterly by the southwesterly line of Theodore street as hereby widened, thirty-six and 11-100 feet on a curve of twenty-three and 00-100 feet radius.

No betterments are to be assessed for the making of the aforesaid improvement.

Northeast Corner of Morton Street

The highway named Theodore street is hereby widened at the northeast corner of Morton street, and ordered constructed.

For the making of the aforesaid improvement an easement for highway purposes is hereby taken in the following-described land, exclusive of trees, shrubs, or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to Louis Epstein, bounded:

Southeasterly by the northwesterly line of Theodore street as it existed prior to this order, twelve and 44-100 feet; southwesterly by the northeasterly line of Morton street, twelve and 17-100 feet, and northeasterly by the northeasterly line of Theodore street as widened under this order, nineteen and 61-100 feet on a curve of thirteen and 08-100 feet radius, containing thirty-two square feet, more or less.

Trees, shrubs, or structures standing upon or affixed to the aforesaid land shall be removed therefrom within thirty (30) days following the city's recording of this order.

Said Theodore street as hereby widened is bounded:

Southeasterly by the northwesterly line of Theodore street as it existed prior to this order, twelve and 44-100 feet; southwesterly by the northeasterly line of Morton street, twelve and 17-100 feet; northeasterly by the northeasterly line of Theodore street as hereby widened, nineteen and 61-100 feet on a curve of thirteen and 08-100 feet radius.

No betterments are to be assessed for the making of the aforesaid improvement.

ACTION ON DAMAGES

Voted, That this commission determines that the undermentioned persons sustain damages in their estates by the making of the public improvement consisting of the widening and construction of Theodore street, Dorchester district, at the northeast corner of Morton street and the southwest corner of Middleton street, under an order of the commission of April 26, 1961, in the amounts hereinafter respectively set against them, and awards said amounts therefor.

Bernie Sorota Trust, 114 square feet, \$1.

Louis Epstein, 32 square feet, \$1.

RHOADES STREET WIDENING

Dorchester

The Mayor and Public Improvement Commission have approved the widening and construction of Rhoades street, Dorchester district, at the northeast corner of Morton street.

The project is described as follows:

The highway named Rhoades street is hereby widened at the northeast corner of Morton street, and ordered constructed.

For the making of the aforesaid improvement an easement for street purposes is hereby taken in the following-described land, exclusive of trees, shrubs, or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to Rose Rosenfield, bounded:

Southeasterly by the northwesterly line of Rhoades street as it existed prior to this order, six and 30-100 feet; southwesterly by the northeasterly line of Morton street, six and 30-100 feet;

and northeasterly by the northeasterly line of Rhoades street as widened under this order, ten and 98-100 feet on a curve of eleven and 45-100 feet radius, containing six square feet, more or less.

Trees, shrubs, or structures standing upon or affixed to the aforesaid land shall be removed therefrom within thirty (30) days following the city's recording of this order.

Said Rhoades street as hereby widened is bounded:

Southeasterly by the northwesterly line of Rhoades street as it existed prior to this order, six and 30-100 feet; southwesterly by the northeasterly line of Morton street, six and 30-100 feet, and northeasterly by the northeasterly line of Rhoades street as hereby widened, ten and 98-100 feet on a curve of eleven and 45-100 feet radius.

No betterments are to be assessed for the making of the aforesaid improvement.

ACTION ON DAMAGES

Voted, That this commission determines that the undermentioned person sustains damages in her estate by the making of the public improvement consisting of the widening and construction of Rhoades street, Dorchester district, at the northeast corner of Morton street, under an order of the commission of April 26, 1961, in the amount hereinafter respectively set against it, and awards said amount therefor.

Rose Rosenfield, 6 square feet, \$1.

BALSAM STREET WIDENING

Dorchester

The Mayor and Public Improvement Commission have approved the widening and construction of Balsam street, Dorchester district, at the northwest corner of Lucerne street.

The project is described as follows:

The highway named Balsam street is hereby widened at the northwest corner of Lucerne street, and ordered constructed.

For the making of the aforesaid improvement an easement for street purposes is hereby taken in the following-described land, exclusive of trees, shrubs, or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to Celia Brass, bounded:

Southeasterly by the northwesterly line of Lucerne street, seven and 00-100 feet; southwesterly by the northeasterly line of Balsam street as it existed prior to this order, seven and 00-100 feet, and northwesterly by the northwesterly line of Balsam street as widened under this order, eleven and 00-100 feet on a curve of seven and 00-100 feet radius, containing eleven square feet, more or less.

Trees, shrubs, or structures standing upon or affixed to the aforesaid land shall be removed therefrom within thirty (30) days following the city's

recording of this order.

Said Balsam street as hereby widened is bounded:

Southeasterly by the northwesterly line of Lucerne street, seven and 00-100 feet; southwesterly by the northeasterly line of Balsam street as it existed prior to this order, seven and 00-100 feet, and northwesterly by the northwesterly line of Balsam street as hereby widened, eleven and 00-100 feet on a curve of seven and 00-100 feet radius.

No betterments are to be assessed for the making of the aforesaid improvement.

ACTION ON DAMAGES

Voted, That this commission determines that the undermentioned person sustains damages in her estate by the making of the public improvement consisting of the widening and construction of Balsam street, Dorchester district, at the northwest corner of Lucerne street, under an order of the commission of April 26, 1961, in the amount hereinafter respectively set against it, and awards said amount therefor.

Celia Brass, 11 square feet, \$1.

LORNA ROAD WIDENING

Dorchester

The Mayor and Public Improvement Commission have approved the widening and construction of Lorna road, Dorchester district, at the southeast corner of Lena terrace.

The project is described as follows:

Southwest Corner of Lena Terrace

The highway named Lorna road is hereby widened at the southeast corner of Lena terrace, and ordered constructed.

For the making of the aforesaid improvement an easement for highway purposes is hereby taken in the following-described land, exclusive of trees, shrubs, or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to Samuel and Sarah Rosenfield, bounded:

Southwesterly by the northeasterly line of Lena terrace, thirteen and 00-100 feet; northwesterly by the southeasterly line of Lorna road as it existed prior to this order, thirteen and 00-100 feet, and southeasterly by the southeasterly line of Lorna road as widened under this order, twenty and 42-100 feet on a curve of thirteen and 00-100 feet radius, containing thirty-six square feet, more or less.

Trees, shrubs, or structures standing upon or affixed to the aforesaid land shall be removed therefrom within thirty (30) days of the city's recording of this order.

Said Lorna road as hereby widened is bounded:

Southwesterly by the northeasterly line of Lena terrace, thirteen and 00-100 feet; northwesterly by the southeasterly line of Lorna road as it existed prior to this

order, thirteen and 00-100 feet, and southeasterly by the southeasterly line of Lorna road as widened under this order, twenty and 42-100 feet on a curve of thirteen and 00-100 feet radius.

No betterments are to be assessed for the making of the aforesaid improvement.

Northeast Corner of Lena Terrace

The highway named Lorna road is hereby widened at the northeast corner of Lena terrace, and ordered constructed.

For the making of the aforesaid improvement an easement for highway purposes is hereby taken in the following-described land, exclusive of trees, shrubs, or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to Lillian A. Seigel, bounded:

Southeasterly by the northwesterly line of Lorna road as it existed prior to this order, thirteen and 00-100 feet; southwesterly by the northeasterly line of Lena terrace, thirteen and 00-100 feet, and northeasterly by the northeasterly line of Lorna road as widened under this order, twenty and 42-100 feet on a curve of thirteen and 00-100 feet radius, containing thirty-six square feet, more or less.

Trees, shrubs, or structures standing upon or affixed to the aforesaid land shall be removed therefrom within thirty (30) days following the city's recording of this order.

Said Lorna road as hereby widened is bounded:

Southeasterly by the northwesterly line of Lorna road as it existed prior to this order, thirteen and 00-100 feet; southwesterly by the northeasterly line of Lena terrace, thirteen and 00-100 feet, and northeasterly by the northeasterly line of Lorna road as hereby widened, twenty and 42-100 feet on a curve of thirteen and 00-100 feet radius.

No betterments are to be assessed for the making of the aforesaid improvement.

ACTION ON DAMAGES

Voted, That this commission determines that the undermentioned persons sustain damages in their estates by the making of the public improvement consisting of the widening and construction of Lorna road, Dorchester district, at the northeast and southwest corners of Lena terrace, under an order of the commission of April 26, 1961, in the amounts hereinafter respectively set against them, and awards said amounts therefor.

Samuel and Sarah Rosenfield, 36 square feet, \$1.

Lillian A. Seigel, 36 square feet, \$1.

IMPROVEMENTS VOTED

The Mayor and Public Improvement Commission have approved the following:

Dorchester

Ordered, That 80 feet of minor drain house connections, at an estimated cost

of \$750, be built in Enterprise street, Dorchester district, between Boston street and Fields court.

Ordered, That this commission estimates that the undermentioned parcels of land situated on both sides of Enterprise street, as shown on a plan marked "City of Boston, Plan No. , Sewerage Works, Enterprise Street, Dorchester, April 24, 1961, John J. McCall, Division Engineer, Engineering Division, Public Works Department," and on file in the office of this department, will receive benefit or advantage, beyond the general advantage to all real estate in said city, from the improvements herein ordered, in the amounts hereinafter mentioned.

Brighton Zone Change

The following notice of decision was issued on May 9 by the Board of Zoning Adjustment:

¶ Notice is hereby given that an order has been filed today by the Board of Zoning Adjustment of the City of Boston in the office of the Building Commissioner of the City of Boston to the effect that on petition of William J. Murphy (No. 466), the following change is allowed:

¶ Change from an R-65 (General Residence, 65 feet in height) zone to an R-35 (General Residence, 35 feet in height) zone the area of land in the vicinity of Corey road and Summit avenue in Brighton, bounded as follows: ¶ On the northwest by the center line of Woodstock avenue; on the northeast by the center line of Bellvista road; on the southeast by the Brookline Town line; on the southwest by a broken line formed by the center lines of Westbourne terrace, Corey road, and Summit avenue.

¶ It is further certified that this action is taken in accordance with authority given said Board of Zoning Adjustment by Chapter 488 of the Acts of 1924 and amendments thereto, the Board being of the opinion after hearing all the evidence in the case, that such change will meet the altered needs of the locality and will promote the health, safety, convenience, and welfare of the inhabitants of the City of Boston, such change being made with reasonable consideration, among other things, of the character of the district and its peculiar suitability for particular uses, and with a view to conserving the value of buildings and encouraging the most appropriate use of land.

¶ A complete record of proceedings, together with amended map, has been filed in the office of the Building Commissioner and is open for public inspection.

¶ Any appeal from the above decision must be made to the Superior Court for the County of Suffolk within fifteen days from the date of this notice.

MARY T. DOWNEY,
Secretary.

ARBUTUS STREET WIDENING

Dorchester

The Mayor and Public Improvement Commission have approved the widening and construction of Arbutus street, Dorchester district, at the southwest corner of Lucerne street.

The project is described as follows:

The highway named Arbutus street is hereby widened at southwest corner of Lucerne street, and ordered constructed.

For the making of the aforesaid improvement an easement for street purposes is hereby taken in the following-described land, exclusive of trees, shrubs, or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to Abraham and Bessie Nuremburg, bounded:

Northeasterly by the southwesterly line of Arbutus street as it existed prior to this order, thirteen and 00-100 feet; southeasterly by the northwesterly line of Lucerne street, thirteen and 00-100 feet; and southwesterly by the southwesterly line of Arbutus street as widened under this order, twenty and 42-100 feet on a curve of thirteen and 00-100 feet radius, containing thirty-six square feet, more or less.

Trees, shrubs, or structures standing upon or affixed to the aforesaid land shall be removed therefrom within thirty (30) days following the city's recording of this order.

Said Arbutus street as hereby widened is bounded:

Northeasterly by the southwesterly line of Arbutus street as it existed prior to this order, thirteen and 00-100 feet; southeasterly by the northwesterly line of Lucerne street, thirteen and 00-100 feet, and southwesterly by the southwesterly line of Arbutus street as hereby widened, twenty and 42-100 feet on a curve of thirteen and 00-100 feet radius.

No betterments are to be assessed for the making of the aforesaid improvement.

ACTION ON DAMAGES

Voted, That this commission determines that the undermentioned persons sustained damages in their estates by the making of the public improvement consisting of the widening and construction of Arbutus street, Dorchester district, at the southwest corner of Lucerne street, under an order of the Commission of April 26, 1961, in the amount hereinafter respectively set against it, and awards said amount therefor.

Abraham and Bessie Nuremburg, 36 square feet, \$1.

DOONE AVENUE WIDENING

Dorchester

The Mayor and Public Improvement Commission have approved the widening and construction of Doone avenue, Dorchester district, at the southeast corner of Lorna road.

The project is described as follows:

The highway named Doone avenue is hereby widened at the southeast corner of Lorna road, and ordered constructed.

For the making of the aforesaid improvement an easement for highway purposes is hereby taken in the following-described land, exclusive of trees, shrubs, or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to Nettie Sooper, bounded:

Southwesterly by the northeasterly line of Doone avenue as it existed prior to this order, twelve and 00-100 feet; northwesterly by the southeasterly line of Lorna road, twelve and 00-100 feet, and southeasterly by the southeasterly line of Doone avenue as widened under this order, eighteen and 85-100 feet on a curve of twelve and 00-100 feet radius,

containing thirty-one square feet, more or less.

Trees, shrubs, or structures standing upon or affixed to the aforesaid land shall be removed therefrom within thirty (30) days following the city's recording of this order.

Said Doone avenue as hereby widened is bounded:

Southwesterly by the northeasterly line of Doone avenue as it existed prior to this order, twelve and 00-100 feet; northwesterly by the southeasterly line of Lorna road, twelve and 00-100 feet, and southeasterly by the southeasterly line of Doone avenue as hereby widened, eighteen and 85-100 feet on a curve of twelve and 00-100 feet radius.

No betterments are to be assessed for the making of the aforesaid improvement.

ACTION ON DAMAGES

Voted, That this commission determines that the undermentioned person sustained damages in her estate by the

making of the public improvement consisting of the widening and construction of Doone avenue, Dorchester district, at the southeast corner of Lorna road, under an order of the commission of April 26, 1961, in the amount hereinafter respectively set against it, and awards said amount therefor.

Nettie Sooper, 31 square feet, \$1.

UNEMPLOYED SHUN FREE TRAINING

The Cleveland experiment to train unskilled workers as a demonstration project to show whether retraining will reduce unemployment and relief roles met with trouble in obtaining 20 unemployed men for free training.

To carry out the Thompson Ramo Woolridge, Inc., offer the county welfare department selected 34 men on city relief rolls to take aptitude tests as machine operators to qualify for the free instruction. Eight didn't show up for the tests and of those reporting only 14 prospects were tested.

Item 2.—Four catch-basin cleaners, Clark-Wilcox Company, \$27,600, less \$325 for payment within 20 days.

The bids were as follows:

Item 1. *Four, Only, New, Latest Model, Chassis with Tilt Cabs, As Per Specifications.*—Coombs & McBeath, Inc., list price (4), \$23,308, less trade-in allowance, \$400, total delivered price, \$22,908; Cote Motor Company, list price (4), \$25,656,* less trade discount (4), \$4,000, less trade-in allowance, \$525, total delivered price, \$21,131; Jack Madden Ford Sales, Inc., list price (4), \$25,240, less trade-in allowance, \$750, total delivered price, \$24,490; Silver Lake Motors, Inc., total delivered price, \$23,840.

Item 2. *Four, Only, New, Latest Model, Catch-basin Cleaners, As Per Specifications.*—Casey & Dupuis Equipment Corporation, list price (4), \$26,760, less trade discount (4), \$1,338, total delivered price (4), \$25,422, discount, 1 per cent, 15 days (\$254.22); Clark-Wilcox Company, list price (4), \$27,600,* total delivered price (4), \$27,600, discount, 20 days on delivered price, \$325 (net delivered price, \$27,275.)

* Contract awarded.

DEPARTMENT OF SCHOOL BUILDINGS.

Razing of School

Razing of the Hugh O'Brien School awarded to Joseph A. Jacobs, in the amount of \$8,842. The other bids were:

Central Building Wrecking Company, \$12,460; L & L Building Wrecking, \$13,476.92; Mystic Building Wrecking Company, Inc., \$13,730; Lyons Wrecking Company, \$14,741.

PARKS AND RECREATION DEPARTMENT.

Trees

Furnishing and planting trees on streets and parkways in Boston, awarded to Blueview Nurseries, Inc., in the amount of \$10,520.

The only other bid was that of D. Cicconi Landscape Service, Inc., in the amount of \$10,875.

CONTRACTS AWARDED WITHOUT ADVERTISING

The Mayor approved the award of contracts, without advertising, based on the following communications:

BUILDING DEPARTMENT.

Removal of Steeple

DEAR MR. MAYOR:

On May 8, 1961, a report was received in this department that the steeple of the Clarendon Street Baptist Church, 2 Clarendon street, city, was in an unsafe and dangerous condition. On the morning of May 9, 1961, I made a personal examination and found that the condition was extremely hazardous. Under the provisions of chapter 479, Acts of 1933 as amended, section 116d, on May 9, 1961, the approval of your Honor to enter the premises and to abate the complaint was received.

We find that the steeple is approximately 150 feet in height, that it is constructed of brick and that sections of it are in imminent danger of falling into the street. Accordingly, in conformity with statute, we have closed off the adjacent streets and the church has been forbidden to conduct services in the structure until further notice.

The church is unable to undertake the essential emergency work or the repairs necessary to make this steeple safe. The seriousness of the situation and the possibility of damage to the adjacent properties should the steeple collapse made it necessary for me to solicit verbal bids at the premises on May 11, 1961. We were able to secure a price from one bidder only, and that was the Corey Steeplejacks, Inc., 1500 Middlesex street, Lowell, in the amount of \$4,300. It is believed that the company is qualified to do this work, they have the necessary equipment and are prepared to start at once and to complete the work without unnecessary delay. I feel that it is essential that the work of removing the dangerous portion of the steeple begin not later than Monday, May 15, 1961.

Accordingly, the general public safety requiring immediate action, I ask your Honor's approval of the awarding of the contract to the Corey Steeplejacks, Inc., in the sum of \$4,300, without advertising as required in the City Charter. The unsafe portion of the steeple only will be removed under the proposed contract; no other action is contemplated by the city in the premises at this time.

Very truly yours,

ROBERT E. YORK,
Building Commissioner.

LIBRARY DEPARTMENT.

Book Jacket Covers

DEAR MR. MAYOR:

The Trustees of the Public Library respectfully request the approval of your Honor for the award of a contract, without public advertising, to the Library Service Division of Bro-Dart Industries, 56 Earl street, Newark, New Jersey, for the purchase of Plasti-Kleer book jacket covers for the period April 1, 1961, through December 31, 1961.

Since the Plasti-Kleer book jacket covers are patented items and can be obtained only from the Library Service Division of Bro-Dart Industries, no useful purpose would be served in advertising for bids. The Trustees have therefore

"Voted, That there be entered into with Library Service Division of Bro-Dart Industries, 56 Earl street, Newark, New Jersey, a contract for the purchase of Plasti-Kleer book jacket covers for the period April 1, 1961, through December 31, 1961, at a total cost not to exceed six thousand dollars (\$6,000), and as set forth in the specifications at prices per unit as follows:

"6 inches to 9½ inches, 8.75 cents; 9½ inches to 12 inches, 14.75 cents; 9½ inches to 12 inches (Foldon), 12.25 cents; 12½ inches to 12 inches (Foldon), 19.25 cents."

Inasmuch as the total cost for the covers will exceed two thousand dollars (\$2,000), there is respectfully requested permission of your Honor to enter into this contract without publicly advertising for bids.

Respectfully,

THE TRUSTEES OF THE PUBLIC LIBRARY
OF THE CITY OF BOSTON,
By MILTON E. LORD,
Director.

TRAFFIC DEPARTMENT.

Parking Meter Mechanisms

DEAR SIR:

At a meeting of the Boston Traffic Commission held April 21, 1961, it was voted to authorize the chairman to enter into an agreement with W. H. Rhodes, Inc., 30 Bartholomew avenue, Hartford, Connecticut, for the purchase of 4,000 new 1961 Mark-Time parking meter mechanisms at a price of thirty-one dollars (\$31) per mechanism, less six dollars (\$6) allowance for each old mechanism, at a net price of twenty-five dollars (\$25) each. The total amount of the contract will not exceed one hundred thousand dollars (\$100,000).

This purchase will enable the Boston Traffic Commission to convert the present Mark-Time meters from a penny-nickel per hour meter to a straight nickel per hour meter.

Under the terms of the contract no expenditure of appropriated funds is required. The City of Boston, from the fees received by it from the use of the new four thousand (4,000) converted Mark-Time parking meters, will pay

to the vendor the sum of ten thousand dollars (\$10,000) per month for a period of ten (10) months. The first payment will start thirty (30) days after the new mechanisms are completely installed and in operation.

Inasmuch as W. H. Rhodes, Inc., is the only manufacturer of Mark-Time parking meter mechanisms, which are necessary to convert the present Mark-Time meters to a straight five cent per hour operation, no benefit would accrue to the City of Boston by publicly advertising for bids.

For the above reasons I respectfully request your permission to award a contract, without public advertising, to W. H. Rhodes, Inc., 30 Bartholomew avenue, Hartford, Connecticut, for the purchase of 4,000 new Mark-Time parking meter mechanisms at a net price of twenty-five dollars (\$25) per meter for a total contract price not to exceed one hundred thousand dollars (\$100,000).

Respectfully submitted,

THOMAS J. GRIFFIN,
Traffic Commissioner.

TRANSFERS OF APPROPRIATIONS

The Mayor has approved the following requests for transfers of appropriations:

LAW DEPARTMENT.

From 3-36, Office Supplies and Materials, \$122, to 4-49, Current Charges and Obligations, Rental, Bonds, \$122.

From 3-36, Office Supplies and Materials, \$132, to 5-56, Office Equipment, \$132.

AMENDMENTS TO ORIGINAL AWARDS OF DAMAGES

The Mayor and Public Improvement Commission have approved the following:

That the amount of \$250 is awarded to Robert and Eva Bornstein for all damages sustained under the order of the Public Improvement Commission and Mayor of November 25, 1959, for the laying out and construction of an extension of Lorna road, Dorchester.

That the amount of \$130.50 is awarded to Martin and Judith A. Grossack for all damages sustained under the order of the Public Improvement Commission and Mayor of November 25, 1959, for the laying out and construction of an extension of Lorna road, Dorchester.

That the amount of \$85 is awarded to Peter R. Petro for all damages sustained under the order of the Public Improvement Commission and Mayor of November 25, 1959, for the laying out and construction of an extension of Lorna road, Dorchester.

ADVERTISEMENT CITY OF BOSTON.

LIBRARY DEPARTMENT.

TO CONTRACT DECORATORS.

The Trustees of the Public Library of the City of Boston, hereinafter referred to as the Awarding Authority, invite sealed general bids for certain drapery work at the new Roslindale Branch Library, 4238-4244 Washington street, Roslindale, Mass.

General bids will be received until twelve o'clock noon (Eastern Daylight Saving Time), Thursday, June 1, 1961, at the office of the Awarding Authority, at which time and place they will be publicly opened and read aloud.

General bids must be submitted in duplicate on forms obtained from the Awarding Authority. Each copy of the general bid shall be completely filled out, signed and enclosed in an envelope, sealed and plainly marked with the name of the bidder and the description of the work bid upon. One copy of the general bid shall be filed at the office of the Awarding Authority, designated above, accompanied by a bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston in the sum of \$200. The bid deposit shall be in a separate envelope, properly marked. The other copy of the general bid shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of general bids.

No bidder may withdraw his bid within thirty days after the actual date of the opening of the general bids.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

Specifications may be obtained on and after twelve o'clock noon (Eastern Daylight Saving Time), Monday, May 22, 1961, at the Business Office, Boston Public Library, Copley square, Boston, Mass.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of one hundred (100) per cent of the contract price will be required of the general bidder.

The Awarding Authority reserves the right to accept or reject any or all bids and to award the contract as it deems for the best interest of the city.

THE TRUSTEES OF THE PUBLIC LIBRARY
OF THE CITY OF BOSTON.

By MILTON E. LORD,
(May 20.) Director.

That the amount of \$39 is awarded to Saul L. and Shirley Levine and Herbert and Ida Holman for all damages sustained under the order of the Public Improvement Commission and Mayor of November 25, 1959, for the laying out and construction of an extension of Lorna road, Dorchester.

That the amount of \$175 is awarded to Daniel and Catherine Regan for all damages sustained under the order of the Public Improvement Commission and Mayor of December 16, 1959, for the laying out and construction of an extension of Patterson street, Dorchester.

That the amount of \$250 is awarded to Henry and Gladys Poley for all damages sustained under the order of the Public Improvement Commission and Mayor of No-

vember 25, 1959, for the laying out and construction of an extension of Lorna road, Dorchester.

That the amount of \$250 is awarded to Henry and Gladys Poley for all damages sustained under the order of the Public Improvement Commission and Mayor of November 25, 1959, for the laying out and construction of an extension of Lorna road, Dorchester.

That the amount of \$158 is awarded to Maurice and Clara Kassels for all damages sustained under the order of the Public Improvement Commission and Mayor of November 25, 1959, for the laying out and construction of an extension of Lorna road, Dorchester.

PUBLIC WORKS DEPARTMENT.

Proposals for Highway Reconstruction in Capen Street (Part), Charlemont Street, Delmont Street, Kenmare Road, Mascot Street, Ogden Street, Outlook Road, Paxton Street, and Wilmington Avenue (Part), Public Works District 7, Dorchester.

The Commissioner of Public Works of the City of Boston, Room 511 (Contract Office), City Hall Annex, invites proposals from citizens of the United States and corporations or other legal associations wherein the controlling interest to the extent of at least over one half thereof is owned by a citizen or citizens of the United States, for highway reconstruction in Capen street (part), Charlemont street, Delmont street, Kenmare road, Mascot street, Ogden street, Outlook road, Paxton street and Wilmington avenue (part), Public Works District 7, Dorchester. The Commissioner of Public Works of the City of Boston, Room 511 (Contract Office), City Hall Annex, invites proposals from citizens of the United States and corporations or other legal associations wherein the controlling interest to the extent of at least over one half thereof is owned by a citizen or citizens of the United States, for highway reconstruction in Capen street (part), Charlemont street, Delmont street, Kenmare road, Mascot street, Ogden street, Outlook road, Paxton street, and Wilmington avenue (part), Public Works District 7, Dorchester. A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and each in the sum of 100 per cent of the contract price, less the amount of \$6,000, will be required of the successful contractor. Forms of proposals may be obtained at Room 511 (Contract Office), City Hall Annex. The proposal should be signed, enclosed in an envelope, sealed, marked "Proposal for Highway Reconstruction in Capen Street (Part), Charlemont Street, Delmont Street, Kenmare Road, Mascot Street, Ogden Street, Outlook Road, Paxton Street, and Wilmington Avenue (Part), Public Works District 7, Dorchester," and left at Room 511 (Contract Office), fifth floor, City Hall Annex, before 2 P.M. (Eastern Daylight Saving Time) of THURSDAY, JUNE 1, 1961, with a certified check for FORTY-FIVE HUNDRED (4,500) DOLLARS, payable to and to become the property of the city if the proposal after acceptance is not carried out. The proposal will then be publicly opened and read in the Hearing Room, 401 City Hall Annex, Thursday, June 1, 1961.

Proposals must be made in duplicate, the sealed duplicate, without check, to be deposited by the bidder with the City Auditor previous to the time named for opening the bids. All proposals must be from bidders of record on file at Room 511, City Hall Annex. There will be a charge of two dollars (\$2), NOT REFUNDABLE, for each set of contract documents taken out. If the bidder neglects

to bid on each and every item, it may lead to the rejection of the proposal. The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed under the contract, shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the office of the Commissioner of Public Works. Before commencing performance of this contract, the Contractor shall provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law, so called) to all persons to be employed under this contract and shall continue such insurance in full force and effect during the term of this contract.

ATTENTION IS CALLED TO CHAPTER 316 OF THE ACTS OF 1959, WHICH MUST BE STRICTLY COMPLIED WITH. The Commissioner reserves the right to reject any and all proposals, or any item or items of the proposal should he deem it to be for the best interest of the city so to do.

JAMES W. HALEY,
(May 20.) Commissioner of Public Works.

THE SCHOOL COMMITTEE OF THE CITY OF BOSTON.

ADMINISTRATION BUILDING, 15 BEACON STREET,
OFFICE OF THE BUSINESS MANAGER.

PROPOSALS FOR CLEANSING, STERILIZING, AND RECONDITIONING BASEBALL AND TRACK EQUIPMENT FOR THE BOSTON PUBLIC SCHOOLS.

The School Committee of the City of Boston invites bids for cleansing, sterilizing, and reconditioning baseball and track equipment for the Boston public schools. Proposal forms are obtainable at the office of the Business Manager of the School Committee, 15 Beacon street, tenth floor. Envelopes containing proposals must be sealed and plainly marked "Proposal for Cleansing, Sterilizing, and Reconditioning Baseball and Track Equipment." The bid must be in duplicate. One copy, signed by the bidder, and accompanied by a certified check, payable to the City of Boston, in the amount of one hundred dollars (\$100), must be left at the office of the Business Manager on or before twelve o'clock noon (Eastern Daylight Saving Time), on Friday, June 2, 1961. Copies filed with the Business Manager will be publicly opened and read at twelve o'clock noon of the day stated. The other copy, also signed by the bidder, must be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bids. The School Committee reserves the right to reject any or all bids and to accept the bid or bids which it deems best for the interests of the city. The successful bidders will be required to furnish a suitable bond or deposit of money or other security in the amount of not less than 50 per cent of the amount of the contract.

LEO J. BURKE,
Business Manager of the School Committee.
(May 20.)

CLAIM APPROVED

The Mayor, on recommendation of the Corporation Counsel has approved the following vote of the Committee on Claims of the City Council:

A Stowell Company, 24 Winter street, Boston, for damage to property on December 5, 1960, caused by break in the city water main, by payment of \$97.50.

CITY OF BOSTON.

DEPARTMENT OF SCHOOL BUILDINGS.

INVITATION FOR GENERAL BIDS FOR INSTALLING OIL BURNING EQUIPMENT AT THE BOSTON SCHOOL OF BUSINESS EDUCATION, WARREN STREET, ROXBURY, MASS.

The City of Boston, acting by the Superintendent of Construction of the Department of School Buildings, Boston, Mass., hereinafter referred to as the Awarding Authority, invites sealed general bids for installing oil burning equipment at the Boston School of Business Education, Warren street, Roxbury, Mass.

General bids will be received up until twelve o'clock noon (Eastern Daylight Saving Time), Thursday, June 8, 1961, at the office of the Awarding Authority, fourth floor, 26 Norman street, Boston, Mass., at which time and place they will be publicly opened and read.

General bids must be submitted in duplicate on forms obtained from the Awarding Authority. Each copy of the general bid shall be completely filled in, signed, inclosed in an envelope, sealed and plainly marked with the description of the work to be done. One copy of the general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, in the sum of \$1,000. The other copy of the general bid shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended, a schedule of which appears in the specifications.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

All subbids for a subtrade designated in Item 2 of the general bid form shall be filed with the Awarding Authority at the above office address before twelve o'clock noon (Eastern Daylight Saving Time), Thursday, June 1, 1961, at which hour and place they will be publicly opened and read. Every such subbid must be submitted in a sealed envelope with the following plainly marked on the outside: Title of work, subtrade for which subbid submitted, subbidder's name, subbidder's business address.

Subbids must be submitted on the form for subbid furnished by the Awarding Authority,

and any subbid not filed on the form of subbid furnished by the Awarding Authority shall be rejected.

A bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, in the amount as specified in the following for the subtrade as listed below, shall be submitted by each subbidder with his subbid as filed with the Awarding Authority:

Oil Burning Equipment, Oil Piping,
etc.\$500
Electrical Work.....\$100

No subbid may be withdrawn after the time limit for the filing of subbids and for five days (Saturdays, Sundays, and legal holidays excluded) from the day fixed for the opening of the general bids. In addition, no subbid filed by (a) the three lowest responsible and eligible subbidders for each subtrade, and (b) the subbidders named in the general bids of the three lowest responsible and eligible general bidders, may be withdrawn after the opening of the general bids and for five days (Saturdays, Sundays, and legal holidays excluded), following execution of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

Plans and specifications and other contract documents may be obtained at the office of the Awarding Authority.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 per cent of the contract price, will be required of the successful general bidder.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest so to do. The Awarding Authority also reserves the right to reject any subbid on any subtrade if it determines that such subbid does not represent the subbid of a person competent to perform the work as specified or that only one such subbid was received and that the price is not reasonable for acceptance without competition, in accordance with section 44D, chapter 149, of the General Laws, as amended.

BOSTON REDEVELOPMENT AUTHORITY

CERTIFICATE OF RECORDING OFFICER

The undersigned hereby certifies that:

1. He is the duly qualified and acting Secretary of the Boston Redevelopment Authority (hereinafter called the "Local Public Agency") and the custodian of the records of the Local Public Agency, including the minutes and document book of the proceedings of the Members of the Boston Redevelopment Authority (hereinafter called the "Governing Body") and is duly authorized to execute this certificate.

2. Attached hereto is a true and correct copy of a resolution, including the *Whereas* clauses, adopted at a meeting of the Governing Body held on the 3rd day of May, 1961.

3. Said resolution has been duly recorded in the minutes and document book of said meeting and is now in full force and effect.

4. Said meeting was duly convened and held in all respects in accordance with law and the bylaws of the Local Public Agency. To the extent required by law or said bylaws, due and proper notice of said meeting was given. A legal quorum of members of the Governing Body was present throughout said meeting, and a legally sufficient number of members of the Governing Body voted in the proper manner for the adoption of said resolution. All other requirements and proceedings under law, said bylaws, or otherwise, incident to the proper adoption of said resolution, including any publication, if required by law, have been duly fulfilled, carried out, and otherwise observed.

5. If the seal appears below, it constitutes the official seal of the Local Public Agency and was duly affixed by the undersigned at the time this certificate was signed.

In witness whereof, the undersigned has hereunto set his hand this 11th day of May, 1961.

KANE SIMONIAN,
Secretary.

RESOLUTION RE DETERMINATIONS AND FINDINGS IN THE GOVERNMENT CENTER PROJECT MASS. R-35.

Whereas, Boston Redevelopment Authority (hereinafter called the "Authority") is a public body, politic and corporate, duly organized and existing under the provisions of the Housing Authority Law of the Commonwealth of Massachusetts and having a usual place of business in the City of Boston, Massachusetts; and

Whereas, The Authority has, with the approval of the Mayor and City Council of the City of Boston and with financial

assistance provided under Title I of the Housing Act of 1949, as amended, by the Housing and Home Finance Agency of the United States of America, undertaken and conducted surveys, studies and inspections of an area in the City of Boston, known and referred to as the Government Center Project Area (hereinafter called the "Project Area"), for which area the Authority is preparing a land assembly and redevelopment plan or an urban renewal plan, said area being more particularly described in Exhibit "A" attached hereto and made a part of this resolution; and

Whereas, The Authority has, after due and proper notice, held a public hearing with respect to the Project Area and, at said hearing, received and heard extensive evidence, data, exhibits, views and opinions with respect to said Project Area and its condition, including (a) statements, data and statistics presented by officials of the City of Boston respecting fire control problems in the Project Area and their causes, traffic control problems in the Project Area and their causes, and law enforcement problems in the Project Area and their causes, (b) statements, study reports and extensive exhibits prepared and presented by members of the Authority's staff, including detailed explanations of the study procedures used by the staff, detailed descriptions of the Project Area, the physical conditions and uses of land and structures therein, historical data respecting the economic and land use trends therein, inspection reports respecting the physical condition of every structure in the area, and extensive folios of interior and exterior photographs disclosing the appearance and physical condition of structures throughout the area and in every section thereof and (c) statements, opinions, views and data from various interested individuals, and representatives of various organizations pertaining to the conditions existing in the area; now therefore be it

Resolved, That the Boston Redevelopment Authority acting under and pursuant to its powers under the provisions of said Housing Authority Law and any other powers thereunto enabling, does hereby determine, declare and find that the Project Area is a decadent area in that it is an Area which is detrimental to safety, health, morals, welfare and the sound growth of the community because of one or more of the following reasons and conditions, namely, because of the existence of buildings which are out of repair, physically deteriorated, unfit for human habitation and obsolete, in need of major maintenance and repair, because buildings have been torn down and not replaced and in which under existing conditions it is improbable that the buildings will be replaced, because of a substantial change in business and economic conditions, because of inadequate light, air and open space, because of excessive land coverage, because diversity of ownership, irregular lot sizes and obsolete street patterns make it improbable that the area will be redeveloped by the ordinary operations of private enterprise.

And more particularly, the Authority does hereby determine, declare and find as follows:

1. The Project Area consists of 53.5 acres, of which nearly one half (22.6 acres) consists of a tangle of narrow streets, alleys and ill-defined squares, leaving a net balance of 30.9 acres, which is solidly built up, predominantly by commercial buildings occupying close to 100 per cent of each block except where demolition has resulted in parking lots.

2. The Project Area includes 364 major structures, containing approximately 4,372,000 square feet, exclusive of basements. Of this, approximately 692,500 square feet, or 16 per cent, are vacant. The vacancy ratio in this part of the downtown city area is three times the estimated 5 per cent vacancy ratio in the entire downtown city area. Many of the nonresidential buildings were conversions from original residential uses, and many were designed for the nonresidential requirements of the 19th century. These structures are obsolete and ill-adapted to contemporary use.

3. During the past 35 years, 78 structures have been demolished and only one building has been replaced or built. About 75 per cent of the structures in the Project Area were built prior to 1900 and about one half of these (37 per cent of the total) were constructed more than 100 years ago. There is little or no likelihood that buildings will be replaced or redeveloped by the ordinary operations of private enterprise.

4. Most of the structures having been constructed before the City of Boston Fire Code was adopted, only about 6.5 per cent of the present buildings are fire-proof or fire-resistive. Most of the Project Area is within a so-called congested value district as designated by the National Board of Fire Underwriters. In 93 or 25.5 per cent of the structures in the Project Area combustible debris is accumulated to a degree resulting in a serious fire hazard. Three hundred three or 83.2 per cent of the structures in the Project Area have stairways that are not enclosed, constituting a fire hazard. The preponderance of nonfireproof buildings the construction of buildings out to the sidewalks, and the narrow, congested streets with their sharp corners make it extremely difficult to move fire-fighting equipment quickly and expeditiously to the scene of a fire within the Project Area and creates a major fire control problem. During the past two years, there was an average of one fire for every six buildings in the Project Area, which is more than five times the average for the entire city. Of the fires within the Project Area, 5 per cent were major fires, as compared with an average of 2 per cent for the entire city.

5. Building and environmental deficiencies are numerous and widespread throughout the Project Area. One hundred ninety-five or 53.6 per cent of the structures in the Project Area have roofs which are deteriorated and in need of major repair. One hundred sixty-one or 44.2 per cent of the structures in the

Project Area have walls which are deteriorated and in need of major repair. One hundred ninety or 52.2 per cent of the structures have outside walls which have broken or loose surfaces or holes or badly worn surfaces and are in need of major repairs. Two hundred twenty-seven or 62.4 per cent of the structures have inside walls or ceilings which have cracks, holes or badly worn surfaces. Two hundred thirty-four or 64.3 per cent of the structures have evidence of leaks and/or missing plaster on inside walls or ceilings. Two hundred fifteen or 59.1 per cent of the structures in the Project Area are reported as being vermin-infested, resulting in a health hazard. One hundred forty-seven or 40.4 per cent of the structures in the Project Area lack hot running water. Two hundred thirty-three or 64.0 per cent of the structures in the Project Area contain exposed electrical wiring, constituting a hazard. Two hundred eighty or 76.9 per cent of the structures have floors that sag. One hundred three or 28.3 per cent of the structures have faulty foundations. One hundred four or 28.6 per cent of the structures have split or deteriorated framing. One hundred thirty-eight or 37.9 per cent of the structures in the Project Area possess exposed electrical panels, constituting a hazard. Two hundred fifty or 68.7 per cent of the structures in the Project Area have obsolete plumbing. One hundred seventy-two or 47.3 per cent of the structures in the Project Area have toilets without proper ventilation. Forty-five or 12.4 per cent of the structures in the Project Area lack artificial lighting in public hallways, constituting a hazard. About 40 per cent of the lodging houses in the Project Area have lodging rooms which lack access to two means of egress, and about 65 per cent have less than one toilet for each eight (8) persons of licensed capacity.

6. The Project Area presents very serious traffic control problems which cannot be solved adequately, under the existing street patterns, by traffic signals and other traffic engineering means. It would be prohibitively expensive and inefficient to attempt to improve the street pattern by selective demolition of existing structures without a complete redevelopment of the entire Area. Of the total length of streets (about 4.9 miles) in the Project Area, about one-third consists of roadways less than 28 feet in width, and unable to accommodate two lanes for traffic movement with parking on one side of the street. Many of the streets are too narrow for expeditious traffic movement particularly when, due to the absence of off-street loading facilities, streets are used continuously for pickup and delivery purposes by trucks serving the commercial and business uses in the Area. Two hundred and fifty-three, or 95.8%, of the nonresidential structures in the Project Area lack off-street loading facilities. The pattern of narrow streets is now obsolete, and this condition will be further aggravated with the completion of additional highway access to the Central Business District now under construction.

The Project Area has 78 street intersections, of which only 32 are right-angle intersections. Some of the intersections are large "squares" having as many as 9 intersecting or entering streets, creating dangerous and costly traffic control problems as well as pedestrian-crossing difficulties. The area has a high accident experience.

7. The Project Area has in recent years experienced substantial adverse changes in economic and business conditions. The total of real estate assessments in the Project Area decreased from over \$27,000,000 in 1946 to less than \$17,000,000 in 1960. The number of private businesses and the number of persons employed in private enterprise in the Area have also decreased. The decreases in the Project Area have been substantially greater than those experienced in the City as a whole.

EXHIBIT A

Beginning at the intersection of the extended center line of Staniford street with the extended northerly sideline of Merrimack street;

Thence running in a southerly direction along the center line of Staniford street to the intersection of the center line of Staniford street extended to intersect with the southerly sideline of Cambridge street;

Thence turning and running in an easterly direction along the southerly sideline of Cambridge street to a point which is the intersection of the southeasterly sideline of Chardon street extended to intersect with the southerly sideline of Cambridge street;

Thence turning and running in a northeasterly direction by the extended southeasterly sideline of Chardon street to a point which is the intersection of the southwesterly sideline of Chardon court with the southeasterly sideline of Chardon street;

Thence turning and running by said southwesterly sideline of Chardon court to a point at the end of Chardon court;

Thence turning and running northeasterly by vacant land of the New England Telephone & Telegraph Company to a point which is the northerly corner of said land;

Thence turning and running southeasterly by said land of New England Telephone & Telegraph Company to a point which is the easterly corner of said land;

Thence turning and running southwesterly by said land and by other property of the New England Telephone & Telegraph Company to a point at the northeasterly sideline of Bowdoin square;

Thence turning and running across Bowdoin square and Cambridge street in a southerly direction to a point at the southerly sideline of Cambridge street;

Thence turning and running in an easterly direction by the southerly sideline of Cambridge street to a point which is the intersection of the southerly sideline of Cambridge street with the westerly sideline of Somerset street;

Thence turning and running in a southerly direction along the westerly sideline of Somerset street to a point which is the intersection of the northerly building line of the so-called New Court House extended to intersect with the westerly sideline of Somerset street;

Thence turning and running in an easterly direction by said extended building line and by said building line to a point which is the northeast corner of said New Court House;

Thence turning and running in a southerly direction by the easterly building line of the New Court House and the so-called Old Court House to a point which is the intersection of the easterly building line of the Old Court House extended to meet with the extended northerly property line of number 34 Pemberton square;

Thence turning and running in an easterly direction by said extended property line of 34 Pemberton square and by the northerly property line of 34 Pemberton square to a point which is a northerly corner of said property;

Thence turning and running in a southerly direction to another corner of said property;

Thence turning and running in an easterly direction along another northerly sideline of same said property which is numbered 39 Tremont street;

Thence across Tremont street by last said northerly property line extended to a point at the easterly sideline of Tremont street;

Thence turning and running in a northerly direction along said easterly sideline of Tremont street to a point which is the southerly sideline of 16 Tremont street;

Thence running first in an easterly direction along the southerly sideline of 16 Tremont street;

Thence turning and running in a northerly direction along the easterly sideline of the same said numbered 16 Tremont street which is also numbered 42 Court street to a point in the southerly sideline of Court street;

Thence turning and running in an easterly direction along the southerly sideline of Court street to a point which is the intersection of the easterly sideline of Franklin avenue extended to intersect with the southerly sideline of Court street;

Thence turning and running in a northerly direction along said easterly sideline extended and the easterly sideline of Franklin avenue to a point which is in the southerly sideline of Cornhill;

Thence turning and running in an easterly direction along the southerly sideline of Cornhill to a point in said southerly sideline which is the easterly property line of 30 Cornhill;

Thence turning and running in a southerly direction by various courses and distances along the easterly property lines of number 30 Cornhill to a point which is the intersection of the northerly property line of number 1 Court street with the easterly sideline of the aforesaid number 30 Cornhill, also numbered 17 Court street;

Thence turning and running in an easterly direction along the northerly property line of said number 1 Court street to a point in the westerly sideline of Washington street;

Thence crossing Washington street to a point in the easterly sideline of Washington street which is the intersection point of the northerly property line of number 192 Washington street, with the easterly sideline of Washington street;

Thence turning and running in an easterly direction by the northerly property line of the aforesaid 192 Washington street and by said property line extended to a point in the easterly sideline of Devonshire street;

Thence turning and running in a northerly direction along the easterly sideline of Devonshire street to Dock square;

Thence turning and running by the southerly sideline of Dock square to the easterly sideline of Congress street;

Thence turning and running in a southerly direction by the easterly sideline of Congress street to the northerly sideline of State street;

Thence turning and running in an easterly direction by the northerly sideline of State street to the westerly sideline of 50 State street;

Thence turning and running in a general northerly direction by various courses and distances along the westerly property line of 50 State street also numbered 25 Faneuil Hall square to a point in the southerly sideline of Faneuil Hall square;

Thence turning and running in an easterly direction by the southerly sideline of Faneuil Hall square to a point opposite the westerly building line of Faneuil Hall;

Thence turning and running in a northerly direction across Faneuil Hall square along the westerly face of Faneuil Hall to the northwesterly corner of Faneuil Hall;

Thence turning and running in an easterly direction along the northerly face of Faneuil Hall to the northeasterly corner of Faneuil Hall;

Thence turning and running in a northerly direction to a point in the northwesterly sideline of North street between number 24 and 26 North street;

Thence turning and running in a southwesterly direction along said northwesterly sideline of North street to the corner of Union street;

Thence turning and running in a northwesterly direction by the easterly sideline of Union street to the corner of Hanover street;

Thence turning and running by the southeasterly sideline of Hanover street to the corner of Blackstone street;

Thence turning and running across Hanover street in a northwesterly direction by the southwesterly sideline of Blackstone street which is also a State highway location layout line to the end of Blackstone street at Haymarket square;

Thence turning and running first in a northerly direction and then in a northwesterly direction by the aforesaid State highway location layout line to a point which is the southeasterly corner of property of the City of Boston commonly identified as the Haymarket Relief Station;

Thence turning and running in a southwesterly direction along the southeasterly building line of

aforesaid Haymarket Relief Station to a point in the northeasterly sideline of Canal street;

Thence crossing Canal street in a southwesterly direction to a point in the southwesterly sideline of Canal street which is the intersection point of the northwesterly sideline of 30 Canal street with the aforesaid sideline of Canal street;

Thence turning and running again in a southwesterly direction along the northwesterly sideline of 30 Canal street which is also numbered 27 Merrimac street to a point in the northerly sideline of Merrimac street;

Thence turning and running in a westerly direction along the northerly sideline of Merrimac street to a corner at Friend street;

Thence turning and running in a northwesterly direction along the northeasterly sideline of Friend street to a point opposite the northwesterly sideline of 188 Friend street;

Thence turning and running across Friend street in a southwesterly direction to the northwesterly sideline of 188 Friend street, and running along the aforesaid northwesterly sideline of 188 Friend street extended to intersect with the northerly sideline of Merrimac street;

THE SCHOOL COMMITTEE OF THE CITY OF BOSTON.

ADMINISTRATION BUILDING, 15 BEACON STREET,
OFFICE OF THE BUSINESS MANAGER.

PROPOSALS FOR FURNISHING 16 MM SOUND MOTION PICTURE FILMS FOR BOSTON PUBLIC SCHOOLS.

The School Committee of the City of Boston invites bids for furnishing and delivering 16 MM sound motion picture films for the Boston public schools. Proposal forms are obtainable at the office of the Business Manager of the School Committee, tenth floor, 15 Beacon street. Envelopes containing proposals must be sealed and plainly marked "Proposal for 16 MM Sound Motion Picture Films." The bid must be in duplicate. One copy, signed by the bidder, and accompanied by a certified check in the amount of one hundred dollars (\$100), payable to the City of Boston, must be left at the office of the Business Manager on or before Thursday, June 1, 1961, at 12 noon (Eastern Daylight Saving Time). Copies filed with the Business Manager will be publicly opened at twelve o'clock noon of the day stated. The other copy, also signed by the bidder, must be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for the opening of the bids. The School Committee reserves the right to reject any or all bids, and to accept the bid or bids which it deems best for the interests of the city. The successful bidder will be required to furnish a suitable bond or deposit of money or other security in the amount of not less than 50 per cent of the amount of the contract.

LEO J. BURKE,

Business Manager of the School Committee.

ADVERTISEMENT CITY OF BOSTON.

HOSPITAL DEPARTMENT (SANATORIUM DIVISION).

INVITATION FOR PROPOSALS FOR INTERIOR PAINTING OF BUILDINGS "B" AND "C" AT THE SANATORIUM DIVISION OF THE BOSTON CITY HOSPITAL, 249 RIVER STREET, MATTAPAN, MASS.

The City of Boston, acting by the Board of Trustees, Hospital Department, hereinafter referred to as the Awarding Authority, invites sealed proposals for interior painting of buildings "B" and "C" at the Sanatorium Division of the Boston City Hospital, 249 River street, Mattapan, Mass.

Proposals will be received until twelve o'clock noon (Eastern Daylight Saving Time), Tuesday, June 13, 1961, at the office of the Superintendent, Sanatorium Division, 249 River street, Mattapan, Mass., at which time and place they will be publicly opened and read aloud.

Proposals must be submitted in duplicate on forms obtained from the office of the Superintendent. Each copy of the proposal shall be completely filled in, signed, and enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. One copy of the proposal shall be filed with the Awarding Authority at the office of the Superintendent designated above, accompanied by these specifications and a bid deposit in the form of a certified check on a responsible bank or trust company, payable to the City of Boston, in the sum of \$1,000. The other copy of the proposal shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of the proposals.

No proposal may be withdrawn after the time limit for filing proposals and for two (2) days (Sundays and legal holidays excluded), from the opening of the proposals. In addition, no proposal filed by the three lowest responsible and eligible bidders may be withdrawn prior to execution and delivery of the contract, unless no award has been made at the expiration of thirty days after the opening of proposals.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, as amended, a schedule of which appears in the specifications.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

Specifications and other contract documents may be obtained at the office of the Superintendent, Sanatorium Division, 249 River street, Mattapan, Mass., on Wednesday, May 24, 1961, upon payment of the sum of two dollars (\$2) NOT REFUNDABLE.

A performance bond of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority in the sum of one hundred (100) per cent of the contract price will be required of the successful contractor.

The Awarding Authority reserves the right to waive any informalities. The Awarding Authority also reserves the right to reject any or all bids.

CITY OF BOSTON,
BOARD OF TRUSTEES, HOSPITAL DEPARTMENT,
WILLIAM H. ELLIS,
(May 20.) President.

ADVERTISEMENT CITY OF BOSTON.

DEPARTMENT OF SCHOOL BUILDINGS.

INVITATION FOR GENERAL BIDS FOR PLASTERING WORK AT THE BOSTON LATIN SCHOOL, AVENUE LOUIS PASTEUR, BOSTON, MASS.

The City of Boston, acting by the Superintendent of Construction of the Department of School Buildings, Boston, Mass., hereinafter referred to as the Awarding Authority, invites sealed general bids for plastering work at the Boston Latin School, Avenue Louis Pasteur, Boston, Mass.

General bids will be received up until 12 o'clock noon (Eastern Daylight Saving Time), Monday, May 29, 1961, at the office of the Awarding Authority, fourth floor, 26 Norman street, Boston, Mass., at which time and place they will be publicly opened and read.

General bids must be submitted in duplicate on forms obtained from the Awarding Authority. Each copy of the general bid shall be completely filled in, signed, inclosed in an envelope, sealed, and plainly marked with the description of the work to be done. One copy of the general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, in the sum of \$100. The other copy of the general bid shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded), from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, sections 26-27D, inclusive, as amended, a schedule of which appears in the specifications.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

Specifications and other contract documents may be obtained at the office of the Awarding Authority.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 per cent of the contract price, will be required of the successful general bidder.

The Awarding Authority reserves the right to waive any informalities. The Awarding Authority also reserves the right to reject any or all general bids, if it be in the public interest so to do.

CITY OF BOSTON,
W. A. McPHERSON,
Acting Superintendent of Construction.

CITY RECORD

OFFICIAL CHRONICLE OF BOSTON MUNICIPAL AFFAIRS.

VOL. 53

SATURDAY, MAY 27, 1961

No. 21

MAYOR SEEKS NEW REVENUE FOR CITY HOSPITAL

Mayor John F. Collins, on May 23, asked the City Council to approve adjustments in the rates at Boston City Hospital. The Mayor said he sought approval of the new schedule in order to take more advantage of hospital insurance plans such as Blue Cross. He pointed out, in his formal communication to the Council, that, in some instances, hospital insurance plans provide more coverage than the City Hospital actually charges.

The Mayor's communication was referred to the Council's Committee on Ordinances.

No Hardship on the Poor

Although he was asking for an upward revision in rates, the Mayor said he was instructing hospital officials to "continue his practice of government with a heart and those who are financially unable to pay will not be forced to pay."

"City Hospital," the Mayor said, "was established to serve the sick and needy and no attempt will be made to force those without funds to pay for their hospital care. It is obvious that those who could not pay a \$100 bill certainly could not pay a \$200 bill, so these revisions will have no effect whatsoever on persons that the hospital deems to be incapable of paying for their hospitalization. It will still be the hospital's policy to continue to give anyone, whether rich or poor, the best medical care in the world."

Expects Added \$1.6 Million

The Mayor said a revision of rates would also enable the city to collect its equitable share from non-

residents who go to the City Hospital for treatment because of the hospital's world-renowned reputation.

The new rates, if approved, are expected to bring in at least \$1,600,000 in new revenue from third parties such as welfare agencies and insurance companies without affecting the city's responsibility to the indigent, "for the indigent cannot pay no matter what the rates are," the Mayor said.

Text of Message

Following is the text of the Mayor's communication to the City Council:

GENTLEMEN:

¶ Public assistance programs, health and accident insurance, and workmen's compensation cases are not producing the maximum revenue at the Boston City Hospital which they would if the charges fixed by ordinance for services rendered in the Hospital Department more nearly approximated the cost of those services to the city. Accordingly, I am recommending adoption of the ordinance submitted herewith for the purpose of making those charges more realistic while at the same time keeping them reasonable and retaining the provisions in clause (167) of section 1 of chapter 30 of the Revised Ordinances of 1961 so that in every case in which a rate certified under section 30K of chapter 7 of the General Laws is applicable, such portion of the charges as is in excess of such rate shall be waived and that such portion of such charges as, in the

judgment of the Board of Trustees in charge of the Hospital Department, the patient or persons bound to support him are unable to pay shall be waived.

¶ The principal changes are these:

¶ Increase of \$1 in accident floor admission rates (both at the City Hospital and at the East Boston Relief Station) so as to be \$3 for children under thirteen and \$4 for all others.

¶ Establishment of a charge for ambulance service—\$15 within city limits, \$25 within twenty-five miles of the City Hospital, and such fee, not less than \$25, as the Director of Hospitals may fix in a particular case for a greater distance.

¶ Establishment of a charge for anesthesia in all cases (as distinguished from operations) with the \$5 minimum now current for anesthesia in connection with an operation but with a \$25 maximum in place of the current \$15 maximum.

¶ Establishment of a \$10 a day holding ward rate.

¶ An increase of \$5 in all bed and board rates so as to be \$20 (instead of \$15) in a ward, \$23 (instead of \$18) in a semi-private room, and \$26 (instead of \$21) in a private room.

¶ Establishment of a \$15 a day intense care unit fee.

¶ Establishment of nursery charges while mother remains in hospital—\$12 a day for prematures, and \$5 a day for others.

¶ Increase in charges for nursery after mother leaves hospital—\$20 a day for prematures, and \$15 a day

Hospital Revenue . . .

(Continued from front page.)

for others. (Now \$5 a day in all cases.)

¶ Change in delivery room fee so as not to include anesthesia.

¶ Increase of \$5 in electrocardiogram fee so as to be \$10 instead of the present \$5.

¶ Increase of \$10 in electroencephalogram fee so as to be \$25 instead of \$15.

¶ Increase of \$40 in maximum for laboratory analyses at City Hospital so as to give hospital trustees power to fix a fee up to \$50.

¶ Establishment of fee for handling outside laboratory analyses with power in hospital trustees to fix between \$1 and \$10 according to the cost of handling.

¶ Increase of \$10 in maximum rate for use of operating room so as to be \$35 instead of \$25, with new \$10 charge for use of recovery room.

¶ Change in oxygen mask fee from \$3 primary charge plus 50 cents an hour of use with \$50 limit to a not less than \$3 to not more than \$25 primary fee with cost of materials added and no limit.

¶ Revision of pharmacy provision to include prostheses and medical and surgical supplies.

¶ Change in plaster cast fee so as not to include anesthesia.

¶ Establishment of a \$35 fee for use of radioisotope equipment.

¶ Establishment of minimum \$3 fee for physiotherapy with \$25 maximum therefor.

¶ Establishment of a \$15 fee for use of a shock room.

¶ It is hoped that your Honorable Body will give early attention to this matter so that the new fees may go into effect on July first.

Respectfully,

JOHN F. COLLINS, Mayor.

MAYOR'S CHARITY

FIELD DAY

JUNE 20TH

It Deserves Your Wholehearted Support

APRIL WELFARE COSTS JUMP 9.6% OVER 1960

Following is a summary of the Welfare Department's report for April, 1961:

¶ Increases in medical payments and reimbursements to cities and towns brought the departmental expenditures for April, 1961, to a total of \$3,308,069. With 1,161 applications approved and 952 cases closed, the caseload showed an increase of 209 cases resulting in an end of the month caseload of 25,813. Of the 1,482 applications processed 321, or 21.7 per cent were rejected or withdrawn. Applications pending at the end of the month totaled 2,110, the largest number in years. Primarily, this is due to the new category of Medical Assistance for the Aged and changes in Aid to Dependent Children eligibility requirements.

¶ Old Age Assistance: The average cost for each of the 12,479 Old Age Assistance clients was \$89.48. Actually, direct payments were relatively unchanged while the vendor payments showed an increase. There were 148 applications approved and 174 cases closed, a drop of 26 cases.

¶ Medical Assistance for the Aged: An increase of 156 cases brought the caseload up to 3,478. As of April 30, there were 895 applications pending for this category. Increases in costs for chronic hospital and nursing home care resulted in the expenditure of \$688,388 for 3,208 recipients, an average of \$213.62 for the month.

¶ Aid to Dependent Children: The upward trend continued with 167 approvals and 110 closings, leaving 5,055 cases as of the end of the month. Almost half of the cases approved were transfers from General Relief. Applications pending were 40 per cent higher than the preceding month and reflect the changes in the eligibility factors effective as of April 1.

¶ Disability Assistance: There was a slight increase in the caseload which was accompanied by an increase in medical care payments. The average monthly cost per case amounted to \$142.34 for 3,179 clients. Of the 64 applications rejected, two thirds did not meet the requirements of the State Medical Review Team.

¶ General Relief: This category appears to be leveling off. There were 454 applications approved and 439 cases closed, resulting in an increase of only 15 cases. Although the monthly expenditure decreased by \$52,290, it does not represent a lowering of cost but a normal four-week month compared to the five payrolls in March.

TRAFFIC RULINGS

Temporary

The Traffic Commissioner has promulgated the following:

During the laying of pipeline and the building of manholes in Linden street, Brighton, commencing May 16, parking of vehicles is prohibited in the following street:

Linden Street, Brighton.

Both sides, from Brighton avenue to Cambridge street, 24 hours.

Vehicles are excluded from the following street block by block, when and where official signs are in place:

Linden Street, Brighton.

From Brighton avenue to Cambridge street.

School Department Reports On
Out-of-Town Meetings

The following reports of out-of-town conventions, conferences, and meetings attended by officials and staff personnel of the School Department in recent weeks are on file with the Secretary to the Boston School Committee:

Attendance at the Meeting of Superintendents of Schools in Cities with Population over 200,000, held in Philadelphia, April 20-24, reported on by William H. Ohrenberger, Deputy Superintendent of Public Schools.

Attendance at the Conference of the National Society for the Prevention of Blindness, held in New York City, April 11-14, reported on by Regina I. Driscoll, Assistant in Charge, Conservation of Eyesight Classes.

Seventh Annual National Military, Industrial, and Educational Conference, held in Chicago, April 10-12, reported on by William J. Reid, Head of Department, Hyde Park High School.

Attendance at the Fifth Conference for Supervisors of Elementary Education, held in Washington, April 11-14, reported on by Joanna T. Daly, Director, Elementary Supervisors.

CIVIL SERVICE EXAMINATIONS.

Massachusetts Civil Service examinations are scheduled for the following positions:

Accountant, Boston Public Library, to be held June 24, 1961. Last date for filing applications is Monday, June 5. The minimum salary is \$83.75 a week; the maximum salary is \$101.25 a week. At present there is one vacancy to be filled on a permanent basis.

Statistical Machine Operator in the Boston Fire Department to be held July 8, 1961. Last date for filing applications is Monday, June 19. The minimum salary is \$56.25 a week; the maximum salary is \$68.75 a week. At present there is one vacancy for a female, to be filled on a permanent basis.

Further information and application blanks may be obtained by applying in person or by letter at the office of the Division of Civil Service, Rooms 145-152, State House, Boston.

POLICE DEPARTMENT ORDERS

May 18.

General Order No. 901.

Patrolman Philip F. Henneberry, Division 11, is hereby commended for meritorious police duty and is granted three days' additional vacation.

About 3.22 A.M., Saturday, April 29, 1961, Patrolman Henneberry and Patrolman Pasquale LaVita in the 11-0 Sector Car responded to a radio call from the Central Complaint Room that a man was breaking into the Pizza Villa, 423 Adams street, Dorchester. Upon arrival, the officers ascertained that entrance had been gained into above establishment by means of breaking the glass in the front door. Upon information received from Patrolman Robert W. Whalen of that division, who had arrived on the scene, that he had observed a man running from the vicinity of the burglary, an immediate search was begun throughout the area.

At about 3.45 A.M., Patrolman Henneberry saw a man answering the description given by Patrolman Whalen run out of a back yard into Dix street, Dorchester. Patrolman Henneberry pursued the suspect on foot and when he failed to halt upon the officer's command, he discharged two warning shots from his service revolver over the suspect's head in an endeavor to stop him. The patrolman continued the pursuit on foot to Dix and Lafield streets where the suspect, one Anthony Veranis, 22 years, single, of 1086 Dorchester avenue, Dorchester, was apprehended, and arrested without a warrant as a suspicious person by means of breaking and entering in the nighttime (the Pizza Villa, 423 Adams street, Dorchester), and larceny therein.

The suspect, Anthony Veranis, a former pugilist and on parole from Walpole State Prison, had no intention of submitting to arrest and a violent struggle developed between the officer and the suspect who punched Patrolman Henneberry in the face several times with his right fist in which was enclosed a roll of U. S. coins. In the struggle, the suspect literally ripped the officer's uniform dress coat from his person and attempted to take the officer's service revolver from him. During this time, Patrolman Henneberry struck the prisoner once on the right shoulder with his service baton and managed to subdue him until the arrival of Patrolmen LaVita and Whalen.

Upon interrogating the prisoner at Division 11, it was learned that the suspect, Anthony Veranis, had broken into and entered the Barber Shop at 426 Adams street; the Shoe Repair Shop at 421 Adams street; Joe's Barber Shop, 1084A Dorchester avenue; the United Service Stores at 1068 Dorchester avenue and the Ward Cleansers, 1055 Dorchester avenue, all locations on Division 11, and all committed within a period of two to three weeks.

On Monday, May 1, 1961, Sergeant-Detective Marcus E. Madden, Sergeant

Anthony Conroy, and Patrolmen Henneberry, LaVita, and Whalen arrested and arraigned in the Dorchester Municipal Court the said defendant, Anthony Veranis, on three (3) counts of breaking and entering. These cases were continued to May 9, 1961.

On Tuesday, May 9, 1961, the said defendant was arrested on warrants and arraigned in the Dorchester Municipal Court on three (3) additional counts of breaking and entering in the nighttime, plus one (1) count of assault and battery on a police officer and one (1) count of destruction of one dress coat, property of the City of Boston and valued at \$43. The subject, Anthony Veranis, was held for the grand jury and bail set at \$10,000.

In addition to the above arrest, on Thursday, April 27, 1961, at about 10.25 P.M., Patrolman Henneberry with another officer effected the arrest of an individual who had broken into and entered the Arnold Box Company, 22 Bowdoin street, Dorchester, and had stolen (1) Paymaster System Checkwriter Machine, valued at \$139.50. Subsequently, this individual, one Allen Gillis, 23 years, married, of 15 Josephine street, Dorchester, was prosecuted in Dorchester Municipal Court and held for the grand jury in \$5,000 bail.

The Police Commissioner is pleased to recognize the alertness and devotion to duty demonstrated by Patrolman Henneberry in these cases which resulted in the clearance of numerous burglaries and the removal from society, at least for a time, of two individuals who would have continued in their life of crime.

May 19.

General Order No. 902.

Sergt. Salvatore J. Ingenere, Detective Stephen E. Flaherty, and Patrolmen Charles A. McManus and James E. Kelly, Division 9, are hereby commended for the performance of meritorious police duty, and each is granted three days' additional vacation.

At 9.57 P.M., April 8, 1961, officers of Division 9 responded in a radio car on a call from the dispatcher that a cab holdup had taken place at St. James and Alpine streets. The cab driver, one David Shadoff, reported that about ten minutes earlier he had picked up a man on Warren street near Dale who asked to be taken to St. James street. On arrival there the driver was ordered by his fare to pull over to the curb and stop, which he did, at the same time throwing the flag on the meter. Here the passen-

POLICE DEPARTMENT ORDERS.

(Continued from previous page.)

ger grabbed him from behind around the neck, pressing a knife thereto. The cab driver fought him off by grabbing the wrist of the hand holding the knife, at the same time releasing the emergency brake with his knee, causing the cab to roll down the street, over the curb and onto the sidewalk, at which point the holdup man fled the cab, ran into an alley off St. James street and disappeared. A thorough but unsuccessful search for him was made by the officers, to whom the victim had given a description of his assailant.

About 6 P.M., the following day, Sergeant Ingenere, Detective Flaherty and Patrolmen McManus and Kelly, all assigned to plain-clothes duty, made further investigation at the scene of this attempted holdup. Under the first floor rear porch of the dwelling at 2472 Washington street they found a three-quarter length gray tweed coat, with a knife in the right-hand pocket. On questioning occupants of this dwelling, the officers ascertained that the coat was the property of one George McGregor, 22 years, last known address No. 3 Lorimer place, Roxbury. Inquiries at this address disclosed the fact that McGregor was not known and did not reside there. Obtaining a photograph of the subject from the Bureau of Criminal Investigation, the officers continued their investigation, checking cafes, and liquor establishments, and at about 10.30 that evening, observed in Walnut avenue, near Bainbridge street, a man answering McGregor's description. On seeing the officers, he fled through Bainbridge street to Washington park, pursued by the officers, who apprehended him and placed him under arrest on suspicion of attempted armed robbery of David Shadoff, the cab driver.

After lengthy questioning at Station 9 by the officers, McGregor admitted that he was the owner of the gray jacket and knife, that he had attempted to rob Shadoff; and that over a period of about four months he had committed robberies and attempted robberies of eleven other cab drivers in that area, while being armed with a knife.

In Roxbury Court on April 11, 1961, George F. McGregor was arraigned before Judge Tracey who found probable cause on two counts of armed robbery and held him for the grand jury in \$20,000 bail. On May 1, 1961, the additional complaints for robbery were presented by the officers to the Suffolk grand jury, who returned indictments on all twelve counts. McGregor is now awaiting trial on these charges.

The commissioner is pleased to recognize the devotion to duty of Sergeant Ingenere, Detective Flaherty, and Patrolmen McManus and Kelly. By the thoroughness of their investigation in the above case they were successful in bringing about the speedy apprehension of the criminal responsible for that and a series of other armed holdups.

ALLSTON STREET WIDENING

Brighton

The Mayor and Public Improvement Commission have approved the widening and construction of Allston street, Brighton district, at the southwest corner of Kelton street.

The project is described as follows:

Southwest Corner of Kelton Street

The highway named Allston street is hereby widened at the southwest corner of Kelton street, and ordered constructed.

For the making of the aforesaid improvement an easement for street purposes is hereby taken in the following-described land, exclusive of trees, shrubs, or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to Park Management, Inc., bounded:

Northeasterly by Kelton street, nine and 88-100 feet; southeasterly by Allston street as it existed prior to this order, nine and 88-100 feet, and southwesterly by the southwesterly line of Allston street as widened under this order, sixteen and 53-100 feet on a curve of twelve and 00-100 feet radius, containing nineteen square feet, more or less.

Trees, shrubs, or structures standing upon or affixed to the aforescribed land shall be removed therefrom within thirty (30) days following the city's recording of this order.

Said Allston street as hereby widened is bounded:

Northeasterly by Kelton street, nine and 88-100 feet; southeasterly by Allston street as it existed prior to this order, nine and 88-100 feet, and southwesterly by the southwesterly line of Allston street as hereby widened, sixteen and 53-100 feet on a curve of twelve and 00-100 feet radius.

No betterments are to be assessed for the making of the aforesaid improvement.

Northeast Corner of Kelton Street

The highway named Allston street is hereby widened at the northeast corner of Kelton street, and ordered constructed.

For the making of the aforesaid improvement an easement for street purposes is hereby taken in the following-described land, exclusive of trees, shrubs, or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to Minnie Saperstein, bounded:

Southwesterly by Kelton street, eight and 00-100 feet; northwesterly by Allston street as it existed prior to this order, eight and 00-100 feet, and northeasterly by the northeasterly line of Allston street as widened under this order, thirteen and 37-100 feet on a curve of nine and 67-100 feet radius, containing thirteen and 00-100 square feet, more or less.

Trees, shrubs, or structures standing upon or affixed to the aforescribed land shall be removed therefrom within

thirty (30) days following the city's recording of this order.

Said Allston street as hereby widened is bounded:

Southwesterly by Kelton street, eight and 00-100 feet; northwesterly by Allston street as it existed prior to this order, eight and 00-100 feet, and northeasterly by the northeasterly line of Allston street as hereby widened, thirteen and 37-100 feet on a curve of nine and 67-100 feet radius.

No betterments are to be assessed for the making of the aforesaid improvement.

Northwest Corner of Kelton Street

The highway named Allston street is hereby widened at the northwest corner of Kelton street, and ordered constructed.

For the making of the aforesaid improvement an easement for street purposes is hereby taken in the following-described land, exclusive of trees, shrubs, or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to Y. D. Realty Inc., bounded:

Southwesterly by Kelton street, five and 50-100 feet; southeasterly by Allston street as it existed prior to this order, five and 50-100 feet, and northwesterly by the northwesterly line of Allston street as widened under this order, seven and 01-100 feet, containing fifteen square feet, more or less.

Trees, shrubs, or structures standing upon or affixed to the aforescribed land shall be removed therefrom within thirty (30) days following the city's recording of this order.

Said Allston street as hereby widened is bounded:

Southwesterly by Kelton street, five and 50-100 feet; southeasterly by Allston street as it existed prior to this order, five and 50-100 feet, and northwesterly by the northwesterly line of Allston street as hereby widened, seven and 01-100 feet.

No betterments are to be assessed for the making of the aforesaid improvement.

Southeast Corner of Kelton Street

The highway named Allston street is hereby widened at the southeast corner

of Kelton street, and ordered constructed.

For the making of the aforesaid improvement an easement for street purposes is hereby taken in the following-described land, exclusive of trees, shrubs, or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to Governor Apartments, Inc., bounded:

Northeasterly by Kelton street, eight and 00-100 feet; northwesterly by Allston street as it existed prior to this order, eight and 00-100 feet, and southeasterly by the southeasterly line of Allston street as widened under this order, nineteen and 11-100 feet on a curve of six and 58-100 feet radius, containing fourteen square feet, more or less.

Trees, shrubs, or structures standing upon or affixed to the aforescribed land shall be removed therefrom within thirty (30) days following the city's recording of this order.

Said Allston street as hereby widened is bounded:

Northeasterly by Kelton street, eight and 00-100 feet; northwesterly by Allston street as it existed prior to this order, eight and 00-100 feet, and southeasterly by the southeasterly line of Allston street as hereby widened, nineteen and 11-100 feet on a curve of six and 58-100 feet radius.

No betterments are to be assessed for the making of the aforesaid improvement.

ACTION ON DAMAGES

Voted, That this commission determines that the undermentioned persons sustain damages in their estates by the making of the public improvement consisting of the widening and construction of Allston street, Brighton district, at the southeast, southwest, northeast, and northwest corners of Kelton street; under an order of the commission of May 10, 1961, in the amounts hereinafter respectively set against them, and awards said amounts therefor.

Park Management, Inc., 19 square feet, \$1.

Y. D. Realty, Inc., 15 square feet, \$1.
Governor Apartments, Inc., 14 square feet, \$1.

Minnie Saperstein, 13 square feet, \$1.

TRAFFIC RULINGS

Temporary

The Traffic Commission has voted as follows:

That as urgently required by considerations of public safety and convenience, during the period of demolition of reinforced concrete piers in Chelsea Street Bridge by the United States Army Engineers, vehicles are excluded from the following on April 21, 1961, between the hours of 12 NOON and 4 P.M.

Chelsea Street Bridge, East Boston.

That as urgently required by considerations of public safety and convenience, during the period of street reconstruction,

estimated to be ninety (90) days, vehicles are excluded from the following streets, when and where official signs are in place, effective April 21, 1961:

Bradfield Avenue, West Roxbury.

From Centre street to South street.

Hackensack Terrace, West Roxbury.

From Hackensack road to dead end.

That as urgently required by considerations of public safety and convenience, during underground installation of transmission line by the Boston Edison Company, estimated to be thirty (30) days, parking of vehicles is prohibited in the following street when and where official signs are in place, effective May 1, 1961:

Beacon Street, Boston Proper.

North side, from Raleigh street to Commonwealth avenue.

That as urgently required by considerations of public safety and convenience, the following temporary traffic regulation which was occasioned by street construction and which was adopted and effective April 26, 1961, for one (1) month is hereby extended for a period estimated to be ninety (90) days from May 1, 1961:

Vehicles are excluded from the following street when and where official signs are in place:

Braeburn Road, Hyde Park.

From Beaver street to dead end.

That as urgently required by considerations of public safety and convenience, during the period of street construction, estimated to be ninety (90) days, vehicles are excluded from the following streets when and where official signs are in place, effective May 1, 1961:

Bardwell Street, West Roxbury.

From South street to Ballard street.

Lawton Street, West Roxbury.

From Colchester street to dead end.

That as urgently required by considerations of public safety and convenience, the following temporary traffic regulations which were adopted and effective April 27, 1961, for one (1) month and occasioned by roadway construction, are hereby extended for a period estimated to be ninety (90) days from May 1, 1961:

Vehicles are excluded from the following streets when and where official signs are in place:

Brier Road, West Roxbury.

From La Grange street to St. Theresa avenue.

Robin Street, West Roxbury.

From La Grange street to Bellevue street.

That as urgently required by considerations of public safety and convenience, the following temporary traffic regulations which were adopted and effective April 27, 1961, for one (1) month and occasioned by roadway construction, are hereby extended for a period estimated to be ninety (90) days from May 1, 1961:

Vehicles are excluded from the following streets when and where official signs are in place:

Brier Road, West Roxbury.

From La Grange street to St. Theresa avenue.

Robin Street, West Roxbury.

From La Grange street to Bellevue street.

That as urgently required by considerations of public safety and convenience, for a trial period of sixty (60) days, the Traffic Rules and Regulations of the City of Boston are amended as follows, effective May 16, 1961:

Article IV, Section 3, Part 2 (Prohibition of Parking), is amended by inserting in its proper place in the alphabetical arrangement under the caption "Boston Proper" each of the following:

Melrose Street.

South side, from Arlington street to Broadway, Mondays and Thursdays, 8 A.M. to 12 NOON.

Parking of vehicles is prohibited in the following street:

Brighton Avenue, Brighton.

North side, from Malvern street to Linden street, 24 hours.

FAIRMOUNT ST. WIDENING

Dorchester

The Mayor and Public Improvement Commission have approved the widening and construction of Fairmount street, Dorchester district, at the southeast corner of Milton avenue.

The project is described as follows:

The highway named Fairmount street is hereby widened at the southeast corner of Milton avenue, and ordered constructed.

For the making of the aforesaid improvement an easement for highway purposes is hereby taken in the following-described land, exclusive of trees, shrubs, or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to Louis and Helen Pike, bounded:

Southwesterly by the northeasterly line of Milton avenue, twelve and 77-100 feet; northwesterly by the southeasterly line of Fairmount street as it existed prior to this order, twelve and 77-100 feet, and southeasterly by the southeasterly line of Fairmount street as widened under this order, twenty and 20-100 feet on a curve of thirteen and 03-100 feet radius, containing thirty-five square feet, more or less.

Trees, shrubs, or structures standing upon or affixed to the aforesaid land shall be removed therefrom within thirty (30) days following the city's recording of this order.

Said Fairmount street as hereby widened is bounded:

Southwesterly by the northeasterly line of Milton avenue, twelve and 77-100

feet; northwesterly by the southeasterly line of Fairmount street as it existed prior to this order, twelve and 77-100 feet, and southeasterly by the southeasterly line of Fairmount street as hereby widened, twenty and 20-100 feet on a curve of thirteen and 03-100 feet radius.

No betterments are to be assessed for the making of the aforesaid improvement.

The highway named Fairmount street is hereby widened at the southwest corner of Milton avenue, and ordered constructed.

For the making of the aforesaid improvement an easement for highway purposes is hereby taken in the following-described land, exclusive of trees, shrubs, or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to Francisco J. and Daisy F. Serino; Joseph Alphie; and Margaret J. Deveau, bounded:

Northwesterly by the southeasterly line of Fairmount street as it existed prior to this order, fourteen and 36-100 feet; northeasterly by the southwesterly line of Milton avenue, fourteen and 36-100 feet, and southwesterly by the southwesterly line of Fairmount street as widened under this order, twenty-one and 64-100 feet on a curve of twelve and 90-100 feet radius, containing forty-six square feet, more or less.

Trees, shrubs, or structures standing upon or affixed to the aforesaid land shall be removed therefrom within thirty (30) days following the city's recording of this order.

Said Fairmount street as hereby widened is bounded:

Northwesterly by the southeasterly line of Fairmount street as it existed prior to this order, fourteen and 36-100 feet; northeasterly by the southwesterly line of Milton avenue, fourteen and 36-100 feet; and southwesterly by the southwesterly line of Fairmount street as hereby widened, twenty-one and 64-100 feet on a curve of twelve and 90-100 feet radius.

No betterments are to be assessed for the making of the aforesaid improvement.

ACTION ON DAMAGES

Voted, That this commission determines that the undermentioned persons sustain damages in their estates by the making of the public improvement consisting of the widening and construction of Fairmount street, Dorchester district, at the southeast and southwest corners of Milton avenue, under an order of the commission of April 26, 1961, in the amounts hereinafter respectively set against them, and awards said amount therefor.

Louis and Helen Pike, 35 square feet, \$1.

Francisco J. and Daisy F. Serino; Joseph Alphie; and Margaret J. Deveau, 46 square feet, \$1.

VETERANS' RETIREMENTS

The Mayor has approved the following veterans' applications for retirement:

Marion A. Dustin, 10 Gladeside avenue, Mattapan, public health nurse, Health Department.

Frank J. McGrath, 53 Weybosset street, Mattapan, general foreman of park maintenance, Parks and Recreation Department.

EXTENSION OF CONTRACT

The Mayor has approved extension of the time limit on completion of the following contract:

DEPARTMENT OF SCHOOL BUILDINGS.

Contract with D. Antonellis, Inc., for additions and alterations to the Roxbury Memorial High School to house the New Boston

Technical High School, extended from May 1, 1961, to May 31, 1961, because more time is needed to correct punch list items.

Youth of Our President

President Kennedy's youth has focused attention on the fact that only Theodore Roosevelt, at 42, was younger when he became president. Only five others were under 50 when they were sworn into office.

—American Public Service Bureau.

DEPARTMENT CHANGES

The Director of Administrative Services has approved the following personnel changes:

HOSPITAL DEPARTMENT.

Main Division.

For the week ending April 18:

CONTRACTS AWARDED WITHOUT ADVERTISING

The Mayor approved the award of a contract, without advertising, based on the following communication:

PUBLIC WORKS DEPARTMENT.

Engineering Services

DEAR MR. MAYOR:

As you know, legislation was recently enacted (chapter 311, Acts of 1961) authorizing the City of Boston to levy a charge for sewer use against property owners in the City of Boston. Up to this time, all other cities and towns in Massachusetts have been permitted to levy sewer charges and many of them do.

It is my opinion that sewer charges should be established in Boston in accordance with this new legislation as a means of more equitably distributing the cost of city government in accordance with the benefits derived therefrom.

In order for the City Council to consider an enabling ordinance, to put this mode of

sewer financing into operation, it is necessary that a comprehensive plan be submitted for their consideration. The plan should include sewer apportionment practices in the major cities of the United States, as well as recommended just and equitable charges as required by law.

Recently, in connection with the needs for increasing water charges, we have engaged the engineering firm of Camp, Dresser & McKee, 18 Tremont street, Boston Proper, to conduct a "Water Service" study. Their work,

in this regard, was excellent and in so doing, they became familiar with the over-all operation of the Boston Public Works Department. They are a nationally recognized firm in both sewer and water studies and it is proposed that they be re-engaged at this time to make a "Sewer Service" study on a force account based at a cost not to exceed \$4,000.

Since the work involved is of a professional engineering character and the proposed charges are reasonable, your permission is requested to dispense with the public advertising of bids and to award a contract to Camp, Dresser & McKee, for the study, at a cost not to exceed \$4,000.

Respectfully,

JAMES W. HALEY,
Commissioner of Public Works.

ADVERTISEMENT

CITY OF BOSTON.

LIBRARY DEPARTMENT.

TO PAINTING CONTRACTORS.

INVITATION FOR GENERAL BIDS FOR CERTAIN PAINTING AND PAINTERS' WORK AT CONNOLLY BRANCH LIBRARY, 433 CENTRE STREET, JAMAICA PLAIN; JAMAICA PLAIN BRANCH LIBRARY, 12 SEDGWICK STREET. JAMAICA PLAIN; MATAPAN BRANCH LIBRARY, 8 AND 10 HAZLETON STREET, MATAPAN.

The Trustees of the Public Library of the City of Boston, hereinafter referred to as the Awarding Authority, invite sealed general bids for certain painting and painters' work at the branch libraries listed above.

General bids will be received until twelve o'clock noon (Eastern Daylight Saving Time), Monday, June 12, 1961, at the office of the Awarding Authority, at which time and place they will be publicly opened and read aloud.

General bids must be submitted in duplicate on forms obtained from the Awarding Authority. Each copy of the general bid shall be properly filled out, signed and enclosed in an envelope, sealed and plainly marked with the name of the bidder and the description of the work bid upon. One copy of the general bid shall be filed at the office of the Awarding Authority, designated above, accompanied by a bid deposit in the form of cash or a certified check on, or a treasurer's or a cashier's check issued by, a responsible bank or trust company, payable to the City of Boston in the sum of \$500. The bid deposit shall be in a separate envelope, properly marked. The other copy of the general bid shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of proposals.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, a schedule of which appears in the specifications.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

Specifications, plans, and other documents may be obtained on and after twelve o'clock noon (Eastern Daylight Saving Time), Wednesday, May 31, 1961, at the Business Office, Boston Public Library, Copley square, Boston, Mass.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 per cent of the contract price, will be required of the successful general contractor.

The Awarding Authority reserves the right to accept or reject any or all bids, and to accept or reject any portion or portions of bids, and to award the contract as it deems for the best interests of the city.

THE TRUSTEES OF THE PUBLIC LIBRARY
OF THE CITY OF BOSTON.

(May 27.)

By MILTON E. LORD,
Director.

POLICE DEPARTMENT.

PROPOSALS FOR ONE (1) CABLE TRUCK.

The Police Department of the City of Boston invites proposals for furnishing one (1) cable truck. The bidder must use the form of proposal to be obtained at the office of the Property Clerk of the Boston Police Department, Room 105, 154 Berkeley street, Boston, and deposit with his bid at the office of the Police Commissioner a properly certified check for \$500, payable to and to become the property of the Police Commissioner for the City of Boston if the proposal is not carried out. Proposals will be publicly opened and read on Friday, June 2, 1961, at twelve o'clock noon (Eastern Daylight Saving Time) at the office of the Police Commissioner, 154 Berkeley street, Boston, Mass. The Police Commissioner reserves the right to accept or reject any or all proposals, or any part of a proposal, and to award the contract as he deems for the best interests of the Police Department of the City of Boston. Surety bond will be required from the successful bidder in an amount equivalent to 50 per cent of the estimated amount of the contract.

LEO J. SULLIVAN,
Police Commissioner.

THE SCHOOL COMMITTEE OF THE CITY OF BOSTON.

ADMINISTRATION BUILDING, 15 BEACON STREET,
OFFICE OF THE BUSINESS MANAGER.

PROPOSALS FOR BINDING ATTENDANCE AND SCHOLARSHIP RECORDS FOR THE BOSTON PUBLIC SCHOOLS.

The School Committee of the City of Boston invites bids on binding attendance and scholarship records for the Boston public schools. Proposal forms are obtainable at the office of the Business Manager of the School Committee, tenth floor, 15 Beacon street. Envelopes containing proposals must be sealed and plainly marked "Proposal for Binding Attendance and Scholarship Records." The bid must be in duplicate. One copy, signed by the bidder, and accompanied by a certified check, payable to the City of Boston, in the amount of one hundred dollars (\$100), must be left at the office of the Business Manager on or before twelve o'clock noon (Eastern Daylight Saving Time) on Thursday, June 8, 1961. Copies filed with the Business Manager will be publicly opened and read at 12 o'clock noon of the day stated. The other copy, also signed by the bidder, must be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for the opening of bids. The School Committee reserves the right to reject any or all bids and to accept such bid as may be deemed best for the interests of the city. The successful bidder will be required to furnish a suitable bond or deposit of money or other security in the amount of not less than 50 per cent of the amount of the contract.

LEO J. BURKE,
Business Manager of the School Committee.

Meters "Stolen" to Prove Laxity

Philadelphia's city controller, Alexander Hemphill, with members of his staff in a hired truck, "stole" 200 parking meters from a city warehouse to prove that careless methods of storing and guarding unused municipal equipment were being employed.

Mr. Hemphill said that he removed in addition a large quantity of brass parts and fittings. None of the city employees challenged his right to remove the material or asked his employees to identify themselves, he said.

LIBRARY DEPARTMENT.

INVITATION FOR GENERAL BIDS FOR REPAIRS TO ARCADE ROOF AT THE CENTRAL LIBRARY BUILDING, COPLEY SQUARE, BOSTON, MASS.

The Trustees of the Public Library of the City of Boston, hereinafter referred to as the Awarding Authority, invite sealed general bids for repairs to arcade roof at the Central Library Building, Copley square, Boston.

Proposals will be received until twelve o'clock noon (Eastern Daylight Saving Time), Friday, June 9, 1961, at the office of the Awarding Authority, at which time and place they will be publicly opened and read aloud.

Proposals shall be submitted in duplicate on forms obtained from the Business Office, Boston Public Library, Copley square, Boston. Each copy of the proposal shall be properly filled out, signed and enclosed in a sealed envelope, plainly marked with the name of the bidder and the description of the work bid upon. One copy shall be filed at the office of the Awarding Authority, designated above, and the other copy shall be filed at the office of the City Auditor, City Hall, Boston. Both copies shall be filed before the time stated above for the opening of proposals.

A bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, in the sum of five hundred dollars (\$500), shall be submitted with the copy of the proposal filed with the Awarding Authority. The bid deposit shall be in a separate envelope, properly marked.

No bidder may withdraw his bid within thirty days after the actual date of the opening thereof.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, a schedule of which appears in the specifications.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under this contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

Plans and specifications may be obtained on and after twelve o'clock noon (Eastern Daylight Saving Time), Wednesday, May 31, 1961, at the Business Office, Boston Public Library, Copley square, Boston. A deposit of five dollars (\$5) in cash will be required for each set of plans and specifications taken out for estimating, said deposit to be refunded on the return of the plans and specifications in good condition within thirty days after the opening of proposals.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 per cent of the contract price, will be required of the successful general contractor.

The Awarding Authority reserves the right to waive any informalities and to reject any or all bids if it be in the public interest so to do.

THE TRUSTEES OF THE PUBLIC LIBRARY OF THE CITY OF BOSTON,

By MILTON E. LORD,
Director.

HIGHWAY WORK.

CITY OF BOSTON (HYDE PARK),
CHAPTER 90, MASS.

NOTICE TO CONTRACTORS.

Sealed proposals for highway work on West street, River street, and Fairmount avenue will be received at Room 427, 100 Nashua street, Boston, Mass., until 2 P.M. (Eastern Daylight Saving Time), of Tuesday, June 6, 1961, then to be publicly opened and read. Proposal guaranty: \$3,800, payable to the City of Boston. A bid bond in said amount will be acceptable. Contractor may purchase one set of project specifications at Room 427, above address, upon payment of \$10, which entitles him to receive a set of plans upon presentation of proper receipt to Blue Print Room 740. Payment shall be made with cash, bank check, certified check or money order drawn to the order of Massachusetts Department of Public Works, amount refundable to bidders. Complete information at above address; plans on display at Department's District office in Charlestown. Minimum wage and dump-truck rates have been established. Right reserved to waive any informality in or reject any or all proposals. An award will not be made to a Contractor who is not equipped to undertake and complete the work.

CITY OF BOSTON.

HOSPITAL DEPARTMENT.

INVITATION FOR GENERAL BIDS FOR D.C. TO A.C. CONVERSION, BOSTON CITY HOSPITAL, BOSTON, MASS.

The City of Boston, acting by the Board of Trustees in charge of its Hospital Department, hereinafter referred to as the Awarding Authority, invites sealed general bids for d.c. to a.c. conversion at Boston City Hospital, Boston, Mass.

General bids will be received up until twelve o'clock noon (Eastern Daylight Time), Wednesday, June 21, 1961, at the office of the Director of Hospitals, Room 204, Administration Building, Boston City Hospital, 818 Harrison avenue, Boston, Mass., at which time and place they will be publicly opened and read aloud.

General bids must be submitted in duplicate on the form for general bid obtained from the Awarding Authority. Each copy of the general bid shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. One copy of the general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, in the sum of \$50,000. The other copy of the general bid shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of general bids. The plans and specifications need not accompany, or be submitted with, either copy of the general bid.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible general bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, sections 26-27, inclusive, as amended, a schedule of which rates appears in the specifications.

The successful general bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws

(Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of the contract.

The general bids and the subbids will be deemed to relate to that signed set of plans and specifications for the project on file at the office of the Director of Hospitals designated above and bidders will act at their own risk if any variance exists between the aforesaid set of plans and specifications and the set (or sets) of plans and specifications furnished to the bidder by the Awarding Authority. In short, each bidder has the burden of checking to make certain that the set (or sets) of plans and specifications furnished to the bidder is a true and complete copy of the set of plans and specifications on file as aforesaid.

All subbids for a subtrade designated in Item 2 of the general bid form shall be filed with the Awarding Authority, at the office designated above before twelve o'clock noon (Eastern Daylight Time), Wednesday, June 14, 1961, at which hour and place they will be publicly opened and read aloud. Every such subbid must be submitted in a sealed envelope with the following plainly marked on the outside: Title of work, subtrade for which subbid submitted, subbidder's name, subbidder's business address.

All such subbids must be submitted on the form for subbid furnished by the Awarding Authority, through Jackson & Moreland, Inc., 600 Park Square Building, Boston, Mass., and any such subbid not filed on the form for subbid so furnished by the Awarding Authority shall be rejected.

A bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, in the amount specified in the following list for the respective subtrades, shall be submitted by each subbidder with his subbid as filed with the Awarding Authority:

Miscellaneous Steel.....	\$250
Roofing, Siding and Sheet Metal Work...	\$100
Painting.....	\$200
Heating and Ventilating.....	\$100
Piping.....	\$150
Electrical.....	\$37,500
Elevators and Dumb-waiters.....	\$17,000

No subbid may be withdrawn after the time limit for the filing of subbids and for five (5) days (Saturdays, Sundays, and legal holidays excluded), from the date fixed for the opening of the general bids. In addition, neither the subbids filed by (a) the three lowest responsible and eligible subbidders for a subtrade nor the subbids for the same subtrade as shown on the general bids of the three lowest responsible and eligible general bidders, may be withdrawn after the opening of the general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded), after presentation of a subcontract to the subbidder selected for that subtrade, by the general bidder selected as the general contractor.

Plans and specifications and other documents may be obtained at the office of the engineer, Jackson & Moreland, Inc., 600 Park Square Building, Boston 16, Mass., upon deposit of a certified check in the amount of \$25 per set of plans and specifications, payable to the City of Boston. The amount of the deposit, per set of plans and specifications, will be refunded upon return thereof in good condition to the Awarding Authority with the general bid, or upon return thereof in good condition to Jackson & Moreland, Inc., not later than 30 days after the opening of general bids (Saturdays, Sundays, and legal holidays excluded).

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 per cent of the contract price, will be required of the successful general bidder.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest so to do. The Awarding Authority also reserves the right to reject any subbid on any subtrade if it determines that such subbid does not represent the subbid of a person competent to perform the work as specified or that only one such subbid was received and that the price is not reasonable for acceptance without competition, in accordance with section 44D, chapter 149, of the General Laws, as amended.

INVITATION FOR PROPOSALS FOR PAINTING SECTIONS OF LONG ISLAND VIADUCT, LONG ISLAND HOSPITAL, BOSTON 69, MASS.

The City of Boston, acting by the Board of Trustees, Hospital Department, hereinafter referred to as the Awarding Authority, invites sealed proposals for painting sections of Long Island viaduct, Long Island Hospital, Boston 69, Mass.

Proposals will be received until twelve o'clock noon (Eastern Daylight Saving Time), Monday, June 12, 1961, at the office of the Awarding Authority, Long Island Hospital Division, at 25 Church street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

Proposals must be submitted in duplicate on forms obtained from the Awarding Authority. Each copy of the proposal shall be properly filled out, signed, and enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. One copy shall be filed at the office of the Awarding Authority, designated above, and the other copy shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of proposals.

A bid deposit in the form of a certified check issued by a responsible bank or trust company, payable to the City of Boston, in the sum of \$2,000, shall be submitted with the copy of the proposal filed with the Awarding Authority.

There will be a charge of five dollars (\$5), NOT REFUNDABLE, for each set of specifications taken out.

No bidder may withdraw his bid within thirty days after the date named above for the opening thereof.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, a schedule of which appears in the specifications.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

Specifications and contract documents may be obtained at the office of the Awarding Authority, Long Island Hospital Division, at 25 Church street, Boston, Mass., on or after 9:30 A.M. (Eastern Daylight Saving Time), Monday, May 29, 1961.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of one hundred (100) per cent of the contract price will be required of the successful general contractor.

The Awarding Authority reserves the right to waive any informalities and to reject any or all bids or to award the contract as it deems for the best interests of the city.

Ed.), chapter 149, section 26, as amended, a schedule of which appears in the specifications.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

All subbids for a subtrade designated in Item 2 of the general bid form shall be filed with the Awarding Authority at the above office address before twelve o'clock noon (Eastern Daylight Saving Time), Wednesday, June 14, 1961, at which hour and place they will be publicly opened and read. Every such subbid must be submitted in a sealed envelope with the following plainly marked on the outside: Title of work, subtrade for which subbid submitted, subbidder's name, subbidder's business address.

Subbids must be submitted on the form for subbid furnished by the Awarding Authority, and any subbid not filed on the form of subbid furnished by the Awarding Authority shall be rejected.

A bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, in the amount as specified in the following for the subtrade as listed below, shall be submitted by each subbidder with his subbid as filed with the Awarding Authority:

Marble, Tile, Terrazzo.....	\$200
Metal Toilet Partitions.....	\$200
Plumbing and Gasfitting.....	\$1,000
Heating and Ventilating.....	\$150

No subbid may be withdrawn after the time limit for the filing of subbids and for five days (Saturdays, Sundays, and legal holidays excluded) from the day fixed for the opening of the general bids. In addition, no subbid filed by (a) the three lowest responsible and eligible subbidders for each subtrade, and (b) the subbidders named in the general bids of the three lowest responsible and eligible general bidders, may be withdrawn after the opening of the general bids and for five days (Saturdays, Sundays, and legal holidays excluded), following execution of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

Plans and specifications and other contract documents may be obtained at the office of the Awarding Authority on or after Wednesday, May 31, 1961.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 per cent of the contract price, will be required of the successful general bidder.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest so to do. The Awarding Authority also reserves the right to reject any subbid on any subtrade if it determines that such subbid does not represent the subbid of a person competent to perform the work as specified or that only one such subbid was received and that the price is not reasonable for acceptance without competition, in accordance with section 44D, chapter 149, of the General Laws, as amended.

PROPOSALS FOR FURNISHING PIANOS FOR THE
BOSTON PUBLIC SCHOOLS.

The School Committee of the City of Boston invites bids for furnishing pianos for the Boston public schools. Proposal forms are obtainable at the office of the Business Manager of the School Committee, 15 Beacon street, tenth floor. Envelopes containing proposals must be sealed and plainly marked "Proposal for Pianos." The bids must be in duplicate. One copy, signed by the bidder, and accompanied by a certified check, payable to the City of Boston, in the amount of two hundred dollars (\$200), must be left at the office of the Business Manager on or before twelve o'clock noon (Eastern Daylight Saving Time) on Thursday, June 15, 1961. Copies filed with the Business Manager will be publicly opened and read at twelve o'clock noon of the day stated. The other copy, also signed by the bidder, must be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bids. The School Committee reserves the right to reject any or all bids and to accept the bid or bids which it deems best for the interests of the city. The successful bidders will be required to furnish a suitable bond or deposit of money or other security in the amount of not less than 50 per cent of the amount of the contract.

DEPARTMENT OF SCHOOL BUILDINGS.

INVITATION FOR GENERAL BIDS FOR MACHINERY
ALTERATIONS AND REPAIRS AT THE NEW
BOSTON TECHNICAL HIGH SCHOOL, ROXBURY, MASS.

The City of Boston, acting by the Superintendent of Construction of the Department of School Buildings, Boston, Mass., hereinafter referred to as the Awarding Authority, invites sealed general bids for machinery alterations and repairs at the new Boston Technical High School, Roxbury, Mass.

General bids will be received up until 12 o'clock noon (Eastern Daylight Saving Time), Thursday, June 8, 1961, at the office of the Awarding Authority, fourth floor, 26 Norman street, Boston, Mass., at which time and place they will be publicly opened and read.

General bids must be submitted in duplicate on forms obtained from the Awarding Authority. Each copy of the general bid shall be completely filled in, signed, inclosed in an envelope, sealed, and plainly marked with the description of the work to be done. One copy of the general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, in the sum of \$150. The other copy of the general bid shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded), from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

Specifications and other contract documents may be obtained at the office of the Awarding Authority.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 per cent of the contract price, will be required of the successful general bidder.

The Awarding Authority reserves the right to waive any informalities. The Awarding Authority also reserves the right to reject any or all general bids, if it be in the public interest so to do, in accordance with section 44D of chapter 149 of the General Laws, as amended.

(May 27.)

CITY RECORD

OFFICIAL CHRONICLE OF BOSTON MUNICIPAL AFFAIRS.

VOL. 53

SATURDAY, JUNE 3, 1961

No. 22

MAYOR SUBMITS A \$977,700 SUPPLEMENTARY BUDGET

Mayor John F. Collins, on May 29, submitted the 1961 Supplementary Budget to the City Council as follows:

GENTLEMEN:

¶ I submit herewith supplementary budget recommendations for City and County Departments totaling \$977,700. The supplementary budget estimates submitted by departments totaled \$1,256,300. These recommendations are to provide for departmental needs and requirements which have developed since the submission of the 1961 budget estimates.

¶ The following brief comments are offered in explanation:

City Departments

SNOW REMOVAL (\$750,000): Due to the severe impact of the snowstorms in the months of January and February of 1961, we are now requesting the additional appropriation of \$750,000. The original snow removal appropriation of \$400,000 and the carry forward from 1960 of \$250,000 have been completely exhausted. The City Auditor's records indicate actual expenditures for 1961 to be \$1,218,368.11 and in addition, unliquidated encumbrances of \$248,800.76, for a total expenditure of \$1,467,168.87.

BUILDINGS DIVISION (\$57,500): Communication and Light, Heat, and Power allowances were based on figures available at the time of the budget preparation. Present expenditures indicate the additional sum of \$13,000 will be required for 1961. The

remainder of the amount requested for this group was necessitated by unanticipated relocations and renovations in the City Hall Annex.

Structures and Improvements: The dangerous condition of the boilers in the Brighton Courthouse requires their immediate replacement.

The balance of the request in this appropriation is for furnishing and installing proper egress in City Hall.

PROPERTY DIVISION (\$50,000): The accelerated program for the sale and leasing of city properties has resulted in a substantial increase in the cost of advertising required by law. In order to prevent actions to cancel the leases in two of our downtown parking facilities, it is imperative that the city take immediate steps to correct the existing hazardous conditions in these two facilities. Since January of this year the Commonwealth has transferred to the City of Boston additional "Off-Street Parking Areas" which we must repair and maintain. These expenses could not be foreseen during the preparation of the 1961 budget.

TRAFFIC SIGNS AND POLES (\$25,000): To expedite the cleaning of streets in the City of Boston it will be necessary to purchase signs and poles to alert the public with "Alternate Parking" signs throughout the streets of the city. This will be the initial venture in a continuing program to accomplish the purpose.

MASSACHUSETTS LEAGUE OF CITIES AND TOWNS (\$10,000): Subsequent to the submission of our original budget recommendations for 1961, the Massachusetts League of Cities and Towns was formed. Its purpose is to present a united front before the state and national levels of government with respect to municipal problems, needs, and equitable demands of local governments in Massachusetts. This request is to provide the minimum dues which the City of Boston is required to pay for its participation in the League.

FINANCE COMMISSION (\$10,000): Chapter 40 of the Acts of 1961 which became effective on March 11 of this year requires that the appropriation for the Finance Commission be increased to \$70,000 annually.

CIVIL DEFENSE ACTIVITIES (\$10,000): These funds are necessary in order that extensive repairs and remodeling work can be done to Civil Defense equipment, i.e., conversion of two fire pumpers to emergency lighting plants, extensive repairs to rescue trucks, etc., to insure the readiness of Civil Defense for any and all emergencies.

CITY DOCUMENTS (\$7,000): On March 27, 1961, your Honorable Body passed an order for the printing of 3,000 copies of the 1961 Revised City Ordinances. Some 2,500 copies will be sold at \$3 each, and the receipts will

Budget . . .

(Continued from front page.)
be deposited to the general revenue of the City.

County Departments

PROBATION OFFICERS' INCREASES (\$49,200): Since the original budget was submitted the State Committee on Probation voted a \$600 pay increase for all Probation Officers in the Commonwealth. The cost of this increase, retroactive to January 1, 1961, amounts to \$49,200 for 82 Probation Officers in Suffolk County.

JUDGES' STATUTORY INCREASES (\$9,000): Under the provisions of legislation recently

enacted under chapter 379 of the Acts of 1961, the salaries of the Justices in the District Courts have been increased effective July 1, 1961, and an appropriation is hereby requested to meet the requirements for the balance of the year.

I respectfully recommend adoption of the appropriation orders herewith submitted in connection with the supplementary budget recommendations.

Respectfully,

JOHN F. COLLINS, Mayor.

Text of Order

SUPPLEMENTARY APPROPRIATIONS AND TAX ORDERS FOR THE FINANCIAL YEAR 1961

Ordered, That the respective sums of money specified for the City and County Departments in the schedules hereinafter set out be, and hereby are, appropriated for the purposes hereinafter specified, said sums to be raised by taxation on the polls and estates of the City of Boston, and that all orders heretofore or hereinafter passed by the City Council relating to appropriations, taxes, and interest thereon apply to the appropriations and taxes herein provided for.

MAYOR CITES PEACE UNDER FREEDOM AS REAL DEBT DUE NATION'S WAR DEAD

Following are the remarks of Mayor John F. Collins at Memorial Day exercises at Mount Hope Cemetery on Sunday, May 28, 1961:

¶ We are here today to observe Memorial Day, 1961, as the race for space and the struggle for the minds of men continue.

¶ An uneasy, restless peace has prevailed during the 16-year period since World War II—but always in the background lurks the danger of another war.

¶ We must always be aware of the threat of another disaster. Every man, woman, and child in each of our 50 states should dedicate themselves to the proposition that this nation must continue to be the greatest nation in the world.

¶ We must always be ready—we must always be alert—we must always be willing to sacrifice to insure this nation's might.

¶ Of course, one of the best ways for any of us to be prepared is to be well acquainted with our Civil Defense program.

¶ Only the other day I was pleased to hear President Kennedy's hard-hitting, straightforward presentation of the nation's needs in the fields of armament, space exploration, and civil defense.

¶ I want to assure you that every means of adapting Boston's Civil Defense program to the president's forward-looking and encouraging message will be taken at the earliest moment.

¶ And as we look to the future, let us never forget the past.

¶ Let us never forget that the graves we assemble at today are the resting places of those who gave their lives so that we may gather here as free men today.

¶ And each of us should promise within our hearts that they did not die in vain.

¶ And each of us has an obligation to these departed veterans to do everything in his power to see to it that their loved ones are not destroyed in any future enactment of mankind's tragic drama of war.

¶ Yes, Memorial Day should also be a day of fervent promises, a day of dedication.

¶ It should be a day not only of gazing back with sorrow but also a day of looking ahead with determination. Memorial Day is a day when we attempt to show our war dead our deepest appreciation for their sacrifices.

¶ And the only way we can show that appreciation is to work vigorously with purpose—with hope—for peace.

B.R.A. Moves to Clear 10-Acre Allston Tract

The Boston Redevelopment Authority, on May 31, released the following:

¶ The Boston Redevelopment Authority has taken the preliminaries toward undertaking a ten-acre residential redevelopment project at the intersection of North Harvard street and Western avenue in the Allston section of Brighton.

¶ The existing conditions as well as the opportunities for new development in the area make this a suitable redevelopment project although the area lies outside the current urban renewal program of the city.

CITY RECORD

Published weekly in Boston, under the direction of the Mayor, in accordance with legislative act and city ordinance.

THOMAS F. O'DAY, Editor
P. NICHOLAS PETROCELLI, Associate Editor

STREET AGENCIES.

Old South News Stand, Old South entrance to subway. Also News Stand, first floor, City Hall Annex.

Advertising.

A rate of \$4 per inch of 12 lines (set solid) has been established for such advertisements as under the law must be printed in the City Record. Advertising and other copy must be in hand by 5 P.M. Wednesday of each week to insure its publication in the Saturday issue.

¶ The proposed North Harvard project area now contains 49 structures. More than a quarter of these, mainly the triple-deckers, are so deteriorated as to require clearance. The 9 per cent vacancy rate in the project area also reflects the poor condition of many of the dwelling units. (Some of the single-family houses, however, are well maintained.) In addition, the interior streets in the project area are not paved, and there are no sidewalks, curbs, and gutters. Ten per cent of the parcels are also unimproved. Taken together, these conditions indicate a blighted area.

¶ The Authority is proposing to redevelop the area with a single apartment building of 372 units, mainly efficiency and one- and two-bedroom apartments. The project is expected to be a three-fourth grant federal project in which the federal government will bear 70 per cent of the net project costs. The new apartment building will be constructed under the Massachusetts limited dividend law (Chapter 121A) which will permit rents to be somewhat lower than new construction usually requires.

¶ The Boston Redevelopment Authority believes that the necessary local and federal approvals can be secured in the next few months so that the new construction in the North Harvard Project area may be underway by early 1962. The Authority has directed its staff to undertake the work necessary to prepare an urban renewal plan, relocation plan, and the necessary supporting documentation for federal approval. It is the firm intention of the Authority to ensure that the families and individuals now living in the area are provided with suitable new homes.

¶ The existing conditions in the project area as well as the addition to the housing supply and the tax base of the city that the new development will bring both suggest that the North Harvard project can contribute substantially to the revitalization of the City of Boston.

VETERANS' SERVICES DEPARTMENT.

Expenditures for veterans' benefits for April, 1961, show an increase of \$11,380.44 in comparison with expenditures for the corresponding period of 1960.

The 1,474 cases aided during the month of April, 1961, represented a total of 3,447 individuals benefited through the facilities of the Veterans' Services Department.

There were 150 cases closed during the month of April, 1961, because of obtaining employment, having been awarded unemployment compensation, receiving social security and becoming ineligible to receive financial assistance for miscellaneous reasons.

Expenditures for April, 1961

1,474	1,521	1,711

During the month of April, 1961, the department collected \$2,100.35 which represents refunds by former beneficiaries of veterans' benefits who were found to have drawn aid under circumstances which warranted its return to the City of Boston.

EDMUND F. HOHMANN, *Commissioner.*

FIRE DEPARTMENT ORDERS

May 24.

General Order No. 24.

I. FIRE ALARM BOXES INSTALLED.

The following fire alarm box, which was established in General Order No. 8, dated February 17, 1961, has been installed and connected in circuit No. 71.

13-2712, Sophia Snow House, 1215 Centre street.

The following fire alarm box, which was established in General Order No. 61, dated November 30, 1960, has been installed and connected into circuit No. 46.

12-5293, Minneapolis-Honeywell Regulator Company, 38 Life street, Guard room, rear.

II. FIRE ALARM BOX ESTABLISHED.

In the near future, the following fire alarm box will be installed:

12-3753, Most Precious Blood School, 1288 Hyde Park avenue.

Company commanders will add above box to assignment cards for Box 3753. The circuit number will be announced when the box is installed.

III. CHANGE IN DESIGNATION OF FIRE ALARM BOX.

The designation of Fire Alarm Box 13-3432 will be corrected to read as follows:

13-3432, Dorchester High School, Peacevale road.

Company commanders will make the above correction on assignment cards for Box 13-3432.

IV. CHANGES IN ASSIGNMENTS.

Company commanders shall make the following changes on assignment cards: Box 612, 1st alarm response: add Engine 47.

V. BOSTON AUTOMATIC ASSIGNMENTS.

Company commanders shall add the following signal numbers to running cards of the Boston Automatic Company in this department:

Signal 463, 1781 Washington street. (Sprinkler.) Apparatus to respond: Engine 22, Ladder 13, District 5. Nearest box is 1662.

Signal 474, 2 and 4 McCraw street. (Sprinkler.) Apparatus to respond: Engine 30, Ladder 25, District 10. Nearest box is 2773.

HEALTH DEPT. RÉSUMÉ

For the Month ending April 30, 1961

Population estimated, 1960, Federal Census, 699,170.

Number of Deaths: Residents, 643; non-residents, 404; total, 1,047.

Deaths by Age Periods: Under one year, 55; one year to four, 129; sixty years and over, 672.

Total Deaths by Sex: Males, 579; females, 468; total, 1,047.

Hospitals and Institutions, 810.

Total deaths, April, 1961, 1,047.

The following signal number has been discontinued and shall be deleted from the running cards:

Signal 1623, 74 Corey road, Anne Starr Nursing Home.

VI. MAYOR'S CHARITY FIELD DAY.

Mayor John F. Collins has asked the cooperation of all employees in the purchase of tickets for the Mayor's Charity Field Day to be held at Fenway Park, Tuesday, June 20, 1961, beginning at 6.30 P.M.

The proceeds of the Field Day are distributed to needy persons whose requirements are not and cannot be provided for by use of public funds. Proportionate amounts are also assigned to organized charities embracing every creed, color, and worth-while purpose. The funds are distributed upon application, but only after careful investigation is made and the need is convincingly established.

Donation is \$1 and the dollar entitles you to the opportunity of winning one of two cars, two boats, or a ten-day all-expense trip to Hawaii. Your ticket also entitles you to see, in person, some of America's finest performers. At the same time, your dollar goes a long way in helping your neighbors, especially children in the community who look to us for help.

Tickets are being distributed to each fire district and branch division. Returns may be made to Fire Fighter Frederick Ahern in Chief Crehan's Office, first floor of Headquarters. Tickets will also be available at the fire stations for sale to the public. Posters advertising the affair will be distributed to the stations. Company commanders shall see that they are displayed on the stations, visible to the public. All returns are to be made to Fire Fighter Ahern between the hours of 9 A.M. and 2.30 P.M., on any weekday, except Saturday, up to and including June 16, 1961.

It is requested that all personnel in the Fire Department buy a minimum of one ticket. Exchanging of time to attend this gala event will be permitted. Remember one of the winning tickets was sold by the Fire Department last year. Additional tickets may be obtained from Fire Fighter Ahern. All tickets are face value and unsold tickets must be returned to Headquarters.

May 31.

General Order No. 25.

I. RETIREMENT.

The following retirement, in accordance with chapter 347, Acts of 1892 as amended by chapter 237 Acts of 1939 and chapter 594, Acts of 1951, which will become effective at 8 A.M., Wednesday, May 31, 1961, is hereby announced:

District Fire Chief Richard J. Lane, District 7.

District Fire Chief Lane was appointed to the department on April 5, 1918. He was promoted to the grade of fire lieutenant on July 3, 1936; to fire captain on January 29, 1941; to district fire chief on June 2, 1948. He leaves the department with the best wishes of his associates.

II. HIGH COMMENDATIONS.

At 6.16 P.M., April 23, 1961, the department responded on a still alarm to the apartment building at 80 Mt. Vernon street, Boston.

Upon arrival of Ladder Company 24, they found an intense fire in progress on the fourth floor. A man was standing

on the fourth floor balcony fire escape gesticulating wildly. Fire Fighter Francis E. Callahan and Francis J. Troy of Ladder Company 24 proceeded over the aerial ladder and, after quieting the man and talking to him, they were able to ascertain that he was the occupant of an adjoining apartment and that shortly before he had heard two cats in the apartment next to his crying continually and, according to him, it became so nerve racking that he decided to investigate. He found smoke coming from the apartment, but was unable to arouse the occupant. He informed Fire Fighters Callahan and Troy that a woman resided there, and they entered the apartment in which there was a heavy concentration of smoke and heat by way of a window before hose lines had been run, and before the building had been properly ventilated. They found an unconscious woman in a bedroom and removed her with difficulty to the fire escape where they applied first aid.

It appears that, because of the quick action by the foregoing-named fire fighters, the woman's life was saved.

Because of the fact that they performed this rescue work without regard for their own safety, the Acting Fire Commissioner is pleased to commend them highly, and their cases are referred to the Board of Merit for further consideration.

At 12.19 P.M., May 3, 1961, the department responded to an alarm from Box 1761 for a fire at 264 Blue Hill avenue, Roxbury.

Upon arrival of Engine Company 24, a man was seen calling for help from a window on the third floor of the multiple dwelling house. Smoke was issuing from windows on the third floor. A ladder was raised to the third floor window to effect a rescue, but this work was impeded by overhead trackless trolley wires.

Fire Fighter Edward P. Kenney of Engine Company 24 made his way up the front stairway and found the third floor charged with heat and smoke from the fire which involved the kitchen and which had extended to the hallway of the third floor. He groped his way through the smoke to the front bedroom where he found the occupant. He assisted the man out into the front hallway, where he in turn was assisted in taking the man downstairs and out to the street.

Because of the fact that Fire Fighter Kenney performed this rescue without regard for his own personal safety, without the use of a gas mask and before ventilation had been effected or hose lines placed in operation, the Acting Fire Commissioner is pleased to commend him highly and his case is referred to the Board of Merit for further consideration.

Mortality Report

For the week ending May 27, 1961.

Population as of July, 1960, Massachusetts Fed. Census, 697,170; number of deaths (stillbirths excluded): Residents, 156; nonresidents, 93; total, 249.

Death rate per 1,000 of population: All deaths, 18.85; nonresidents deducted, 11.52.

Death rate per 1,000 of population: Last week, 16.75; corresponding week last year, 17.12.

Deaths by age; periods, sex, etc. Under one year, 14; one year to four years, inclusive, 17; sixty years and over, 212. Total deaths: Males, 125; females, 124; deaths in hospitals and institutions, 188.

III. B. F. D. BAND.

The Boston Fire Department Band will give a concert in connection with selling tickets for the Mayor's Charity Field Day on Thursday, June 1, 1961. Band members shall report to Band Manager Robert Cook at 11.30 A.M., on School street, in front of City Hall. Members working day tour June 1 will be excused at 10 A.M.

In connection with selling tickets for the Mayor's Charity Field Day, the Boston Fire Department Band will play every Monday and Friday beginning June 5 through June 20.

They shall report at 11.30 A.M., in front of City Hall, on each of these days. They will be excused from duty with their companies at 10 A.M. on each of these days.

Staff Appointments Proposed to B.R.A.

The Boston Redevelopment Authority, on May 31, confirmed the appointment of Peter P. Riemer, 53, of Falls Church, Va., as \$13,500 project director for the Government Center and Downtown-North urban renewal plan.

At the same time the B.R.A. received nominations from Development Administrator Edward J. Logue for appointment of 16 other persons.

Ellis E. Ash, of Arlington, Va., was named by Mr. Logue to be his deputy development administrator. Four fifths of Mr. Ash's salary of \$22,000 is to be paid from federal funds, one fifth from city appropriations.

Mr. Logue also nominated David A. Crane, of Narbeth, Pa., to be director of comprehensive planning at \$14,000, with half the salary paid from federal funds, and Philip B. Wallick, of West Hartford, Conn., to be chief planner in the renewal planning division at \$10,000, all from federal funds.

Other nominations by Mr. Logue for renewal staff positions included:

Ruelof S. Uytendogaardt, of Philadelphia, chief planning engineer at \$9,500 a year, half to be paid by the city.

Ian H. Marshall, of Philadelphia, architect at \$9,200 a year.

Tunney F. Ley, New York City, architect, \$9,200.

Howard M. Kahn, Chicago, development specialist, \$8,500.

Alexander E. Rattray, of Philadelphia, planning designer, \$8,000.

Harry Swartz, of Philadelphia, principal planning analyst, \$8,000.

Alan Kreditor, of Philadelphia, senior planner, \$7,000.

Robert Tannenbaum, of New Haven, Conn., senior planner, \$7,400.

Lyle T. Sachs, of Portland, Ore., senior planner, \$7,100.

Sandra S. Cheir, of Cambridge, planner, \$6,500.

Richard I. Weiner, of Brighton, junior planner, \$5,500.

Vincent Pole, of West Roxbury, draftsman, \$5,100.

Susan H. Mayer, planning assistant, \$4,500.

POLICE DEPARTMENT ORDERS

May 23.

General Order No. 903.

Sergt. John J. Ridge, Narcotics and Vice Unit, Bureau of Criminal Investigation, is hereby commended for the performance of meritorious police duty and is granted three days' additional vacation.

In midafternoon of Monday, May 15, 1961, Sergeant Ridge, in company with two patrolmen of the unit and while traveling on Huntington avenue, near Exeter street, responded to an ADT alarm for a holdup at the branch of the Workingmen's Co-operative Bank, 264 Massachusetts avenue. Upon arrival, the officers found the front door secured and were unable to obtain any response to knocking. A man appeared inside the door and on seeing the officers ran to the rear of the bank. He was observed by Sergeant Ridge to have a gun in his right-hand coat pocket.

Shortly the officers were admitted to the premises by a bank employee who had succeeded in reaching the door and unlocking it.

On being informed that the suspect had gone into the basement, the sergeant quickly descended the stairs, jumping the last three steps to the cellar floor, with revolver in hand. Here he observed the suspect standing about 5 feet away and attempting to put something into his mouth. The sergeant rushed at him, striking his face and hands and forcing him to drop the article to the cellar floor. It was later found to be a glass vial containing potassium cyanide, by the use of which the subject had planned to commit suicide rather than submit to arrest.

The suspect, one Patrick A. LaCedra, 51 years, married, 32 Princeton street, East Boston, was identified by the four bank employees on duty as the man who had threatened them with a gun and taken a sum of money from the bank. Further investigation disclosed that LaCedra had committed armed robbery at the Coolidge Corner Co-operative Bank, Brookline, on December 2, 1960.

On May 16, 1961, LaCedra was arraigned in Central Municipal Court, before Judge Riley, on six charges: one of armed robbery; four of assault by means of a dangerous weapon on the two women and two men employees of the bank, and one of carrying a firearm without a permit. His case was continued to May 25, 1961, and he was ordered held in \$25,000 bail, double surety.

The commissioner is pleased to recognize the devotion to duty displayed in this case by Sergeant Ridge who, without thought of his personal safety, acted with speed and efficiency to arrest and bring to justice a dangerous criminal.

In further recognition of this exceptional police duty performed by Sergeant John J. Ridge, it is hereby ordered that he be promoted to sergeant-detective, effective Wednesday, May 24, 1961, at 7.45 o'clock A.M.

May 24.

General Order No. 905.

The following changes are hereby made relating to Public Taxicab Stands:

Abolish.

North and East of Massachusetts Avenue.

(Day and Night.)

Division 2, Kilby street (west side), south of State street, 2 carriages allowed.

Division 2, State street, No. 74, 2 carriages allowed.

Establish.

North and East of Massachusetts Avenue.

(Day and Night.)

Division 2, State street, Nos. 60-70, 3 carriages allowed.

May 26.

General Order No. 906.

Patrolman William A. Lindahl, Chief Clerk's Office (Hackney Carriage Office), honorably discharged veteran, having arrived at the age of sixty-five years, having been in service of the City of Boston for thirty-two years, and having requested retirement under the provisions of section 58, chapter 32, General Laws (Ter. Edit.), as amended, it is hereby

Ordered, His Honor the Mayor having approved the same, Patrolman William A. Lindahl will be retired from active duty in the Police Department, effective Tuesday, May 30, 1961, at 5.45 o'clock P.M.

May 26.

General Order No. 907.

The resignation of Patrolman Joseph B. Flynn, Central Complaint and Records Bureau, having been presented, it is hereby accepted, to take effect on Monday, May 29, 1961, at 7.45 o'clock A.M., seven days' notice waived.

May 29.

General Order No. 908.

The resignation of Patrolman Ralph L. Chisholm, Division 7, having been presented, it is hereby accepted, to take effect on Wednesday, May 31, 1961, at 7.45 o'clock A.M.

So. Boston Zone Change

The Board of Zoning Adjustment has issued the following notice of decision:

Notice is hereby given that an order has been filed by the Board of Zoning Adjustment of the City of Boston in the office of the Building Commissioner of the City of Boston, confirming the decision of the Board of Appeal on the appeal and petition of Boston Housing Authority (No. 409) to vary the terms of the Zoning Law, chapter 488, Acts of 1924, as amended, at premises 199 H street, Ward 7, in the following respect: (Section 13) permit building to exceed the allowable buildable height; petition being made upon the refusal of the Building Commissioner to grant a permit to erect a Type I seven-story building at premises aforesaid as same would be in violation of the aforesaid Zoning Law.

It is further certified that this action is taken in accordance with authority given said Board of Zoning Adjustment of the City of Boston by chapter 488 of the Acts of 1924 and amendments thereto, the Board being of the opinion that the relief granted does not derogate from the

**MAYOR'S CHARITY
FIELD DAY
JUNE 20TH
It Deserves Your Wholehearted
Support**

intent and purpose of the aforesaid Zoning Act.

A complete record of proceedings has been filed in the office of the Building Commissioner and is open for public inspection.

Any appeal from the above decision must be made to the Superior Court for the County of Suffolk within fifteen days from the date of this notice.

MARY T. DOWNEY,
Secretary.

WILMINGTON AVE. WIDENING

Dorchester

The Mayor and Public Improvement Commission have approved the widening and construction of Wilmington avenue, Dorchester district, at the northeast corner of Milton avenue.

The project is described as follows:

Northeast Corner of Milton Avenue

The highway named Wilmington avenue is hereby widened at the northeast corner of Milton avenue, and ordered constructed.

For the making of the aforesaid improvement an easement for street purposes is hereby taken in the following-described land, exclusive of trees, shrubs, or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to Marion C. Lyons, bounded:

Southeasterly by the northwesterly line of Wilmington avenue as it existed prior to this order, twelve and 28-100 feet; southwesterly by the northeasterly line of Milton avenue, twelve and 28-100 feet, and northeasterly by the northeasterly line of Wilmington avenue as widened under this order, nineteen and 12-100 feet on a curve of twelve and 12-100 feet radius, containing forty-five square feet, more or less.

Trees, shrubs, or structures standing upon or affixed to the aforescribed land shall be removed therefrom within thirty (30) days following the city's recording of this order.

Said Wilmington avenue as hereby widened is bounded:

Southeasterly by the northwesterly line of Wilmington avenue as it existed prior to this order, twelve and 28-100 feet; southwesterly by the northeasterly line of Milton avenue, twelve and 28-100 feet, and northeasterly by the northeasterly line of Wilmington avenue as hereby widened, nineteen and 12-100 feet on a curve of twelve and 12-100 feet radius.

No betterments are to be assessed for the making of the aforesaid improvement.

Northwest Corner of Milton Avenue

The highway named Wilmington avenue is hereby widened at the northwest corner of Milton avenue, and ordered constructed.

For the making of the aforesaid improvement an easement for street purposes is hereby taken in the following-described land, exclusive of trees, shrubs,

or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to Augustine J. White, bounded:

Northeasterly by the southwesterly line of Milton avenue, eleven and 35-100 feet; southeasterly by the northwesterly line of Wilmington avenue as it existed prior to this order, eleven and 35-100 feet, and northwesterly by the northwesterly line of Wilmington avenue as widened under this order, eighteen and 58-100 feet on a curve of twelve and 00-100 feet radius, containing twenty-nine square feet, more or less.

Trees, shrubs, or structures standing upon or affixed to the aforescribed land shall be removed therefrom within thirty (30) days following the city's recording of this order.

Said Wilmington avenue as hereby widened is bounded:

Northeasterly by the southwesterly line of Milton avenue, eleven and 35-100 feet; southeasterly by the northwesterly line of Wilmington avenue as it existed prior to this order, eleven and 35-100 feet, and northwesterly by the northwesterly line of Wilmington avenue as hereby widened, eighteen and 18-100 feet on a curve of twelve and 00-100 feet radius.

No betterments are to be assessed for the making of the aforesaid improvement.

Southeast Corner of Milton Avenue

The highway named Wilmington avenue is hereby widened at the southeast corner of Milton avenue, and ordered constructed.

For the making of the aforesaid improvement an easement for street purposes is hereby taken in the following-described land, exclusive of trees, shrubs, or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to John J. Crowley, bounded:

Southwesterly by the northeasterly line of Milton avenue, eleven and 73-100 feet; northwesterly by the southeasterly line of Wilmington avenue as it existed prior to this order, eleven and 73-100 feet, southeasterly by the southeasterly line of Wilmington avenue as widened under this order, eighteen and 58-100 feet on a curve of twelve and 00-100 feet radius, containing twenty-nine square feet, more or less.

Trees, shrubs, or structures standing upon or affixed to the aforescribed land shall be removed therefrom within thirty (30) days following the city's recording of this order.

Said Wilmington avenue as hereby widened is bounded:

Southwesterly by the northeasterly line of Milton avenue, eleven and 73-100 feet; northwesterly by the southeasterly line of Wilmington avenue as it existed prior to this order, eleven and 73-100 feet, and southeasterly by the southeasterly line of Wilmington avenue as hereby widened, eighteen and 58-100 feet on a curve of twelve and 00-100 feet radius.

No betterments are to be assessed for the making of the aforesaid improvement.

Southwest Corner of Milton Avenue

The highway named Wilmington avenue is hereby widened at the southwest corner of Milton avenue, and ordered constructed.

For the making of the aforesaid improvement an easement for street purposes is hereby taken in the following-described land, exclusive of trees, shrubs, or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to Harry L. and Florence Lavine, bounded:

Northwesterly by the southeasterly line of Wilmington avenue as it existed prior to this order, eight and 46-100 feet; northeasterly by the southwesterly line of Milton avenue, eight and 46-100 feet, and southwesterly by the southwesterly line of Wilmington avenue as widened under this order, thirteen and 01-100 feet on a curve of eight and 00-100 feet radius, containing sixteen square feet, more or less.

Trees, shrubs, or structures standing upon or affixed to the aforescribed land shall be removed therefrom within thirty (30) days following the city's recording of this order.

Said Wilmington avenue as hereby widened is bounded:

Northwesterly by the southeasterly line of Wilmington avenue as it existed prior to this order, eight and 46-100 feet; northeasterly by the southwesterly line of Milton avenue, eight and 46-100 feet, and southwesterly by the southwesterly line of Wilmington avenue as hereby widened, thirteen and 01-100 feet on a curve of eight and 00-100 feet radius.

No betterments are to be assessed for the making of the aforesaid improvement.

ACTION ON DAMAGES

Voted, That this commission determines that the undermentioned persons sustain damages in their estates by the making of the public improvement consisting of the widening and construction of Wilmington avenue, Dorchester district, at the southeast, southwest, northeast, and northwest corners of Milton avenue, under an order of the commission of April 26, 1961, in the amounts hereinafter respectively set against them, and awards said amounts therefor.

Augustine J. White, 29 square feet, \$1.

Marion C. Lyons, 45 square feet, \$1.

John J. Crowley, 29 square feet, \$1.

Harry L. and Florence Lavine, 16 square feet, \$1.

EXPLAINS PARKING LEASE

Members of the Boston Redevelopment Authority, on May 25, issued the following statement concerning the leasing of a parcel of unused land on Cambridge street, in the Charles River Park development, for low-cost parking.

¶ These are the facts concerning the leasing of land in the West End by the Redevelopment Authority for low-cost parking.

¶ Because of the widening of Staniford street, it shortly will be necessary for the Redevelopment Authority to dispossess the operator of a fruit orchard and parking lot which have been operated at Cambridge and Staniford streets for the past fifteen years.

¶ Augustus Mantia applied to the Redevelopment Authority for permission to move his fruit orchard and parking area a short distance down Cambridge street. Since Mr. Mantia is a tenant who faces eviction, the Redevelopment Authority gave careful consideration to his application.

¶ The Authority decided that it would not be practical to move the fruit orchard to another location within the West End development since the land he sought is to be turned over to the developer next March.

¶ However, the Redevelopment Authority, after negotiations with Mr. Mantia, voted to lease him 164,000 square feet of land at \$1,000 per month for low-cost parking. The rent being paid by Mr. Mantia is about 30 per cent higher per foot than that being paid by the Massachusetts General Hospital for nearby land also used for parking.

¶ At this time the Redevelopment Authority is not in a position to estimate the precise rental which should be charged. The figure of \$1,000 per month may be too low or too high.

¶ If it develops after a month of operation that a higher rent should be paid, the Redevelopment Authority will revise the lease.

¶ Apart from the consideration the Redevelopment Authority felt it should give to a tenant shortly to be dispossessed, several other factors were weighed by the Authority.

¶ A problem has existed for some time because of persons who drove on the land and parked their cars without authorization. Complaints have been received from St. Joseph's Church that uncontrolled parking interfered with funerals. Seven abandoned automobiles are presently on the lot.

¶ Repeated representations have been made to the Redevelopment Authority as to the need to make parking facilities available for Beacon Hill residents, especially since parking lots in the area where the State Office Building is to be erected have recently been closed.

¶ Restrictions were written into the lease to assure low-cost parking.

¶ Those provide that 75 cents is the maximum amount which can be charged for all-day parking. Actually, 60 cents is being charged. Personnel of the Massachusetts General Hospital may park there for 30 cents a day. Beacon Hill residents will be charged \$7 per month for overnight parking, enabling them to get their cars off congested streets.

¶ The tenant will spend about \$2,000 to prepare the land for parking. He is required to carry extensive insurance coverage. Under the present schedule, the land will be available for parking only until next March.

¶ The lease was voted by the Redevelopment Authority at a public meeting on May 17. This action was taken in keeping with the feeling of responsibility the Redevelopment Authority has toward tenants who must be evicted to make way for developments.

¶ Under the circumstances the Redevelopment Authority members also felt they were meeting a public need in making this unused land available for parking.

¶ It is not possible to anticipate the extent to which this parking area will be patronized. If future developments warrant after the lot has been in operation a month, the rental fee will be adjusted.

TRAFFIC RULINGS

Temporary

The Traffic Commissioner has promulgated the following rulings:

During the period of steamline repair in Somerset street, Boston Proper, May 20-22, vehicles are excluded from the following street:

Somerset Street, Boston Proper.

From Howard street to Cambridge street.

The one-way rule in the following street is rescinded and it is now a two-way street:

Howard Street, Boston Proper.

From Somerset street to Scollay square.

During the period of conduit installation by the New England Telephone and Telegraph Company in Adams street, Dorchester, commencing May 22, parking of vehicles is prohibited in the following street when and where official signs are in place:

Adams Street, Dorchester.

Both sides, from Rozella street to Parkman street, 24 hours.

During the emergency created by the opening of the off-street parking facility in Kilby street, Boston Proper, commencing May 24, parking of vehicles is prohibited in the following street:

State Street, Boston Proper.

North side, from Congress street to Merchants Row, 7 A.M. to 6 P.M.

Deliveries and collections are prohibited in the following streets:

Kilby Street, Boston Proper.

West side, from Water street to State street, 4 P.M. to 6 P.M.

East side, from Water street to State street, 8 A.M. to 6 P.M.

State Street, Boston Proper.

North side, from Congress street to Merchants Row, 4 P.M. to 6 P.M.

MAYOR'S CHARITY

FIELD DAY

JUNE 20TH

It Deserves Your Wholehearted Support

CLAIMS APPROVED

The Mayor, on recommendation of The Corporation Counsel, has approved the following votes of the City Council Committee on Claims:

Donald E. Ryan, an employee of the Penal Institutions Department, who, on March 6, 1959, while in the performance of his duty, was operating a city-owned vehicle on Chapman street, when he collided with a car owned and operated by John Vesprini, causing damage thereto, by payment of \$60.

James F. Burke, 21 Danforth street, Jamaica Plain, an employee of the Police Department, attached to Division 10, on account of his acts while in the performance of his duty as the operator of a city-owned vehicle on July 17, 1960, on Elmwood court, when he struck a parked car owned by Paul H. Brown, causing damage thereto, by payment of \$56.25.

Daniel F. Harrington, 21 Elm street, Charlestown, an employee of the Fire Department, attached to Ladder 22, on account of his acts

while in the performance of his duty on December 25, 1960, he was operating a city-owned vehicle on High and Green streets, Charlestown, when he struck a parked car owned by Dexter H. and Helen L. Smith, causing damage thereto, by payment of \$79.20.

James T. Giblin, 143 Nahanton avenue, Milton, an employee of the Public Works Department, Sewer Division, on account of his acts on December 12, 1960, while in the performance of his duty as the operator of a city-owned vehicle on East Concord street, he struck a parked car owned by Joshua Goldman, causing damage thereto, by payment of \$78.

Mrs. Catherine Gaddis, 12 Brown terrace, Jamaica Plain, for damage to property caused by water supply being shut off on August 15, 1960, which collapsed the water boiler, by payment of \$75.

Mrs. Marcella Murphy, 35 Longfellow street, Dorchester, for personal injuries sustained on October 13, 1960, while walking on Longfellow street she fell on account of a defect in the sidewalk opposite No. 5, by payment of \$490.

DEPARTMENT OF SCHOOL BUILDINGS.

INVITATION FOR GENERAL BIDS FOR GRADING, PAVING, ETC., AT THE JOHN B. O'REILLY SCHOOL, DORCHESTER STREET, SOUTH BOSTON, MASS.

The City of Boston, acting by the Superintendent of Construction of the Department of School Buildings, Boston, Mass., hereinafter referred to as the Awarding Authority, invites sealed general bids for grading, paving, etc., at the John B. O'Reilly School, Dorchester street, South Boston, Mass.

General bids will be received up until twelve o'clock noon (Eastern Daylight Saving Time), Wednesday, June 14, 1961, at the office of the Awarding Authority, fourth floor, 26 Norman street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

General bids must be submitted in duplicate on the form for general bid obtained from the Awarding Authority. Each copy of the general bid shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. One copy of the general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, in the sum of \$100. The other copy of the general bid shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of general bids. The plans and specifications need not accompany, or be submitted with, either copy of the general bid.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded), from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible general bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, sections 26-27D, inclusive, as amended, a schedule of which rates appears in the specifications.

The successful general bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of the contract.

The general bids will be deemed to relate to that signed set of plans and specifications for the project on file at the office of the Superintendent of Construction of the Department of School Buildings designated above and bidders will act at their own risk if any variance exists between the aforesaid set of plans

and specifications and the set (or sets) of plans and specifications furnished to the bidder by the Awarding Authority. In short, each bidder has the burden of checking to make certain that the set (or sets) of plans and specifications furnished to the bidder is a true and complete copy of the set of plans and specifications on file as aforesaid.

Plans and specifications and other documents may be obtained at the office of the Awarding Authority.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 per cent of the contract price, will be required of the successful general bidder.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest so to do, in accordance with section 44D, chapter 149, of the General Laws, as amended.

CITY OF BOSTON,
WILLIAM A. MCPHERSON,
Acting Superintendent of Construction.

DEPARTMENT OF SCHOOL BUILDINGS.

INVITATION FOR PROPOSALS FOR REMOVAL AND DISPOSAL OF OBSOLETE MACHINES AND EQUIPMENT FROM THE OLD BOSTON TECHNICAL HIGH SCHOOL, BELVIDERE AND DALTON STREETS, BOSTON, MASS.

The City of Boston, acting by the Superintendent of Construction of the Department of School Buildings, Boston, Mass., hereinafter referred to as the Awarding Authority, invites sealed proposals for removal and disposal of obsolete machines and equipment from the old Boston Technical High School, Belvidere and Dalton streets, Boston, Mass.

Proposals will be received until 12 o'clock noon (Eastern Daylight Saving Time), Monday, June 19, 1961, at the office of the Awarding Authority, fourth floor, 26 Norman street, Boston, Mass., at which time and place they will be publicly opened and read.

Proposals shall be submitted in duplicate on forms obtained from the Awarding Authority. Each copy of the proposal shall be properly filled out, signed and inclosed in a sealed envelope, plainly marked with the name of the bidder and the description of the work bid upon. One copy shall be filed at the office of the Awarding Authority, designated above, and the other copy shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of proposals.

A bid deposit in the form of a certified check issued by a responsible bank or trust company, payable to the City of Boston, in the sum of \$250, shall be submitted with the copy of the proposal filed with the Awarding Authority.

No bidder may withdraw his bid within thirty days after the date set forth above for the opening thereof.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond, issued by a surety company satisfactory to the Awarding Authority, in the full amount of the contract will be required of the successful contractor.

The Awarding Authority reserves the right to waive any informalities and to reject any and all bids if it be in the public interest so to do.

CITY RECORD

OFFICIAL CHRONICLE OF BOSTON MUNICIPAL AFFAIRS.

VOL. 53

SATURDAY, JUNE 10, 1961

No. 23

DEVELOPMENT PLANS ADVANCE IN CITY COUNCIL

The Boston City Council, on June 5, gave formal approval to the application of the Boston Redevelopment Authority for a \$23 million federal loan to begin land acquisition and demolition for the 55-acre Government Center project in Scollay square.

Also approved by the City Council was a pending request for construction of an additional 1,000 units of low-rent housing for elderly residents of Boston. A total of 480 units for the elderly are either under construction or ready for contracts. Of these 400 are federally-aided projects and 80 are state-aided.

Approval by the Council was also given to the request of Mayor Collins for \$70,000 as the city's one-fifth share to renovate, as a new development, the City Hall Annex tenth and eleventh floors, now used as the planning staff headquarters for the \$90 million urban renewal program. This improvement will have a permanent value to the city as the Annex will still be used for city purposes upon completion of the new City Hall.

Officials of the Redevelopment Authority expressed hope that land takings on the project site for the Government Center can be made sometime in July, but two minor obstacles must still be cleared, namely, approval of the State Housing Board and the actual granting of the loan by the Federal Government. Verbal assurances have already been given to the Redevelopment Authority in these matters.

The Government Center project will include a \$20 million City Hall, a \$30 million Federal office building, and three State structures.

A \$28 million State office building will also be erected on Beacon Hill, adjacent to the Center project.

Plans are also under consideration to include in the site a new fire station and new downtown police station consolidating Divisions 1, 2, and 3.

Chairman Edward D. Hassan of the Boston Housing Authority announced that about \$13 million in Federal funds originally earmarked for 1,000 units of housing for the elderly has been channeled to other sections of the country. Boston's Council-approved application for restoration of these funds will, however, be on file in Washington in anticipation of favorable Congressional action on the 1961 housing appropriation which will be deliberated during the current Congressional session.

On time for allotment of a two-thirds Federal grant, Mayor John F. Collins, on June 8, officiated at groundbreaking ceremonies of a \$986,000 elementary school to be erected in the shadow of Bunker Hill, Charlestown. The new structure will ultimately replace five neighborhood schools, one of which was built more than a century ago. The building will contain 19 classrooms, an auditorium, kindergartens, and space for special activities.

Boston's \$90 million face-lifting program has linked to it an extensive parking plan with hopes that it will help rejuvenate the city. Planning Administrator Donald Graham explains that area projects will "definitely include parking," with at least eight new off-street facilities firmly entrenched in the plans.

Two facilities are planned near the Government Center site to hold a total of about 3,000 cars. Two others, with at least 3,000-car capacity, will accompany the Prudential Center development and construction of the Civic Auditorium. Future plans for the water front provide spaces for about 1,500 cars. Development of the India-Broad street area calls for a 1,000-car facility. Another, with still greater capacity, is contemplated in the South Station area. A short-time 1,000-car facility for shoppers in the Franklin Street area is on the drawing boards.

CITY REGISTRAR'S REPORT FOR MAY, 1961

City Registrar Charles H. Mackie has published the monthly figures on Boston births, marriages, and deaths for May as follows:

	1961	1960
Births.....	2,398	1,914
Marriages.....	784	785
Deaths.....	1,104	979

Totals for five months, January to May, are as follows:

	1961	1960
Births.....	9,561	9,403
Marriages.....	2,601	2,648
Deaths.....	5,150	5,562

The above figures refer to births, marriages, and deaths which occurred in Boston regardless of official places of residence.

Mortality Report

For the week ending June 3, 1961.

Population as of July, 1960, Massachusetts Fed. Census, 697,170; number of deaths (stillbirths excluded): Residents, 143; nonresidents, 94; total, 237.

Death rate per 1,000 of population: All deaths, 17.80; nonresidents deducted, 10.47.

Death rate per 1,000 of population:

Last week, 18.87; corresponding week last year, 17.12.

Deaths by age; periods, sex, etc. Under one year, 19; one year to four years, inclusive, 21; sixty years and over, 143. Total deaths: Males, 127; females, 110; deaths in hospitals and institutions, 197.

REPORTABLE DISEASES: CASES AND DEATHS.*

Mayor Dedicates New Dorchester Playground

Mayor Collins, at the dedication of the Robert F. Ryan Memorial Playground, Harbor View street and Dorchester avenue, Dorchester, on Saturday, June 3, stated as follows:

¶ It is a special pleasure for me to participate in the ceremonies dedicating the Robert F. Ryan Playground; for this playground has special meaning to me, and, even more important, it has special meaning for Boston.

¶ For me personally it is a source of many satisfactions. It is the first tangible construction created by my administration—and it's especially gratifying that this first creation is for children. It is the first playground in Boston's modern history to be planned jointly by the people of the community and the city. But more important to Boston and to its people is that this playground is the first visual symbol of Boston's bright new future, the first symbol of much more that is soon to come.

¶ For you, the mothers and fathers of this community whose children will now be using this lovely playground, there should be a feeling of special pride and satisfaction. For it is through your efforts that this playground has come into being.

Response to Public Demand

¶ As increasing numbers of your children were being hurt while playing in congested, heavily trafficked streets, your first impulse was to take angry, violent mass action. But you soon realized that mass action could be "mob" action and, whatever its aim, is basically destructive and intolerable in a democratic society—and I am pleased that my office was helpful in guiding you in more positive directions. (This was the first dramatic proof of the effectiveness of a special department of the Mayor's office designed to work with community groups, and I am happy to have brought that concept into being.)

¶ You turned your energies to constructive directions. First you organized for positive action—you

formed the Columbia Civic Association. Then you informed yourselves. You studied the problems involved. You assisted in surveying the area for the best location. You assisted in determining the age groups to be served and the types of equipment necessary to serve them. You helped the Park Department squeeze the money with which to construct the playground out of an already tight budget.

A Textbook Example

¶ All in all your activities in helping to create the Robert Ryan Playground are a textbook example of the way in which city government and the city's people can and should work in closest cooperation. You, the people of this community, working through the Columbia Civic Association and the Robert Ryan Post, have provided a living illustration for the rest of Boston to emulate.

¶ This kind of activity on your part and on the part of the other community groups throughout the city is the best possible guarantee of a positive and bright future for Boston.

¶ Working alone, there is a limit to what I or any mayor could achieve. Working alone there is a limit to what organized groups can achieve. Working together there is no limit to what we can achieve—no limit to Boston's future.

Safe Driver Clinics on Boston Common

In observance of "Traffic Safety Week," June 11 through 17, a voluntary driver testing program will be conducted on Boston Common.

Mayor John F. Collins urges the public to visit this clinic and test themselves to determine any deficiencies they may have in their driving ability. These tests are purely voluntary and the identity of those taking the tests will not be sought. It is the hope of safety officials that all licensed drivers, upon discovering the limitations in their driving abilities, will then compensate for these deficiencies when behind the wheel. The clinic

is equipped with scientific devices which provide the following examinations: (1) sharpness of vision, (2) depth perception, (3) field of vision, (4) color recognition, (5) eye and foot coordination in an emergency, (6) night vision and glare recovery and a vision test.

Development Plans. . . .

(Continued from front page.)

A block-by-block building and housing survey will be conducted this summer under B.R.A. supervision by 75 col-

lege students. The students will compile the following data over a three-month period:

1. Existing land use of structures, exterior building conditions and environment.

2. Whether rehabilitation (improvement) is feasible.

3. Interior building conditions, the number of families and occupants per unit in the Washington Park (Roxbury), Charlestown, and South End.

LUCERNE STREET WIDENING

Dorchester

The Mayor and Public Improvement Commission have approved the widening and construction of Lucerne street, Dorchester district, at the southwest corner of Floyd street.

The project is described as follows:

Southeast Corner of Floyd Street

The highway named Lucerne street is hereby widened at the southwest corner of Floyd street, and ordered constructed.

For the making of the aforesaid improvement an easement for street purposes is hereby taken in the following-described land, exclusive of trees, shrubs, or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to Paul and Sarah Richman, bounded:

Northeasterly by the southwesterly line of Floyd street, twelve and 83-100 feet; southeasterly by the northwesterly line of Lucerne street as it existed prior to this order, twelve and 87-100 feet, and southwesterly by the southwesterly line of Lucerne street as widened under this order, twenty and 24-100 feet on a curve of thirteen and 00-100 feet radius,

containing thirty-five and 00-100 square feet, more or less.

Trees, shrubs, or structures standing upon or affixed to the aforesaid land shall be removed therefrom within thirty (30) days following the city's recording of this order.

Said Lucerne street as hereby widened is bounded:

Northeasterly by the southwesterly line of Floyd street, twelve and 83-100 feet; southeasterly by the northwesterly line of Lucerne street as it existed prior to this order, twelve and 87-100 feet, and southwesterly by the southwesterly line of Lucerne street as hereby widened, twenty and 24-100 feet on a curve of thirteen and 00-100 feet radius.

No betterments are to be assessed for the making of the aforesaid improvement:

Northwest Corner of Callender Street

The highway named Lucerne street is hereby widened at the northwest corner of Callender street, and ordered constructed.

For the making of the aforesaid improvement an easement for street purposes is hereby taken in the following-described land, exclusive of trees, shrubs, or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to David and Rose Gulko, bounded:

Southeasterly by the northwesterly line of Lucerne street as it existed prior to this order, thirteen and 11-100 feet; southwesterly by the northwesterly line of Callender street, thirteen and 11-100 feet, and northwesterly by the northwesterly line of Lucerne street as widened under this order, twenty and 26-100 feet radius, containing thirty-nine square feet, more or less.

Trees, shrubs, or structures standing upon or affixed to the aforesaid land shall be removed therefrom within thirty (30) days following the city's recording of this order.

Said Lucerne street as hereby widened is bounded:

Southeasterly by the northwesterly line of Lucerne street as it existed prior to this order, thirteen and 11-100 feet; southwesterly by the northwesterly line of Callender street, thirteen and 11-100 feet, and northwesterly by the northwesterly line of Lucerne street as hereby widened, twenty and 26-100 feet on a curve of thirteen and 00-100 feet radius.

No betterments are to be assessed for the making of the aforesaid improvement.

Southwest Corner of Stratton Street

The highway named Lucerne street is hereby widened at the southwesterly corner of Stratton street, and ordered constructed.

For the making of the aforesaid improvement an easement for street purposes is hereby taken in the following-described land, exclusive of trees, shrubs, or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to Leana H. Feldman and Edna R. Blockman, bounded:

Northeasterly by the southwesterly line of Stratton street, twelve and 79-100 feet; southeasterly by the northwesterly line of Lucerne street as it existed prior to this order, twelve and 86-100 feet; southwesterly by the southwesterly line of Lucerne street as widened under this order, twenty and 22-100 feet on a curve of thirteen and 00-100 feet radius, containing thirty-five and 00-100 feet, more or less.

Trees, shrubs, or structures standing upon or affixed to the aforesaid land shall be removed therefrom within thirty (30) days following the city's recording of this order.

Said Lucerne street as hereby widened is bounded:

Northeasterly by the southwesterly line of Stratton street, twelve and 79-100 feet; southeasterly by the northwesterly line of Lucerne street as it existed prior to this order, twelve and 86-100 feet, southwesterly by the southwesterly line of Lucerne street as hereby widened, twenty and 22-100 feet on a curve of thirteen and 00-100 feet radius.

No betterments are to be assessed for the making of the aforesaid improvement.

ACTION ON DAMAGES

Voted, That this commission determines that the undermentioned persons sustain damages in their estates by the making of the public improvement consisting of the widening and construction of Lucerne street, Dorchester district, at the northwest corner of Callender street, under an order of the commission of April 26, 1961, in the amounts hereinafter respectively set against them, and awards said amounts therefor.

Paul and Sarah Richman, 35 square feet, \$1.

David and Rose Gulko, 39 square feet, \$1.

Leanna H. Feldman and Elna R. Blockman, 35 square feet, \$1.

SCOTTFIELD RD. WIDENING*Brighton*

The Mayor and Public Improvement Commission have approved the widening and construction of Scottfield road, Brighton district, at the northwesterly corner of Kelton street.

The project is described as follows:

Northwest Corner of Kelton Street

The highway named Scottfield road is hereby widened at the northwesterly corner of Kelton street, and ordered constructed.

For the making of the aforesaid improvement an easement for street purposes is hereby taken in the following-described land, exclusive of trees, shrubs, or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to Irving, Benjamin, and Hyman Sanderson, bounded:

Southwesterly by Kelton street, fifteen and 52-100 feet; southeasterly by the northwesterly line of Scottfield road as it existed prior to this order, fifteen and 52-100 feet, and northwesterly by the northwesterly line of Scottfield road as widened under this order, sixty-five and 22-100 feet on a curve of twelve and 84-100 feet radius, containing fifty-four square feet, more or less.

Trees, shrubs, or structures standing upon or affixed to the aforescribed land shall be removed therefrom within thirty (30) days following the city's recording of this order.

Said Scottfield road as hereby widened is bounded:

Southwesterly by Kelton street, fifteen and 52-100 feet; southeasterly by the northwesterly line of Scottfield road as it existed prior to this order, fifteen and 52-100 feet, and northwesterly by the northwesterly line of Scottfield road as hereby widened, sixty-five and 22-100 feet on a curve of twelve and 84-100 feet radius.

No betterments are to be assessed for the making of the aforesaid improvement.

Northeast Corner of Kelton Street

The highway named Scottfield road is hereby widened at the northeasterly cor-

ner of Kelton street, and ordered constructed.

For the making of the aforesaid improvement an easement for street purposes is hereby taken in the following-described land, exclusive of trees, shrubs, or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to Hub Apartment, Inc., bounded:

Southwesterly by Kelton street, seven and 00-100 feet; northwesterly by Scottfield road as it existed prior to this order, seven and 00-100 feet, and northeasterly by the northeasterly line of Scottfield road as widened under this order, eleven and 69-100 feet on a curve of eight and 45-100 feet radius, containing ten and 00-100 square feet, more or less.

Trees, shrubs, or structures standing upon or affixed to the aforescribed land shall be removed therefrom within thirty (30) days following the city's recording of this order.

Said Scottfield road as hereby widened is bounded:

Southwesterly by Kelton street, seven and 00-100 feet; northwesterly by Scottfield road as it existed prior to this order, seven and 00-100 feet, and northeasterly by the northeasterly line of Scottfield road as hereby widened, eleven and 69-100 feet on a curve of eight and 45-100 feet radius.

No betterments are to be assessed for the making of the aforesaid improvement.

ACTION ON DAMAGES

Voted, That this commission determines that the undermentioned persons sustain damages in their estates by the making of the public improvement consisting of the widening and construction of Scottfield road, Brighton district, at the northwesterly and northeasterly corners of Kelton street, under an order of the commission of May 10, 1961, in the amounts hereinafter respectively set against them, and awards said amounts therefor.

Hub Apartment, Inc., 10 square feet, \$1.

Irving, Benjamin, and Hyman Sanderson, 54 square feet, \$1.

TRAFFIC RULINGS*Temporary*

The Traffic Commission has voted as follows:

During the period of roadway construction in Johnswood road, West Roxbury, starting May 18, vehicles are excluded from the following street when and where official signs are in place:

Johnswood Road, West Roxbury.

From Prospect avenue to a point five hundred and thirty-four (534) feet southwest.

During the period of roadway construction in Bremen street, East Boston, commencing May 23, vehicles are excluded from the following street when and where official signs are in place:

Bremen Street, East Boston.

From Bennington street to Porter street.

During the period of conduit installation by the New England Telephone and Telegraph Company in Dorchester avenue, Dorchester, commencing May 18, parking of vehicles is prohibited in the following street when and where official signs are in place:

Dorchester Avenue, Dorchester.

East side, from Adams street to a point one hundred and forty (140) feet northerly.

During the period of roadway construction in Itasca street, Dorchester, starting May 12, vehicles are excluded from the following street when and where official signs are in place:

Itasca Street, Dorchester.

From Almont street to Monterey avenue.

During the removal of equipment from the Boston Edison Company Building at 70-72 Carver street, Boston Proper, between May 23 and June 1, vehicles are excluded from the following street when and where official signs are in place:

Carver Street, Boston Proper.

From Stuart street to Broadway.

During the period of water main repair in Federal street, Boston Proper, commencing May 25, parking of vehicles is prohibited in the following street when and where official signs are in place:

Federal Street, Boston Proper.

East side, from High street to Matthews street, 24 hours.

The Traffic Commission has voted as follows:

That as urgently required by considerations of public safety and convenience, the Traffic Rules and Regulations of the City of Boston are amended as follows, from June 1, 1961, to July 31, 1961, inclusive:

The provisions of Article IV, section 15A, prohibiting parking on alternate sides of the street on alternate days outside the downtown area of the city are suspended and the following regulation is substituted therefor:

Parking of vehicles is prohibited between 12:01 A.M. and 8 A.M. on the even-numbered side of all streets outside the downtown area of the city; provided that this regulation shall not apply on the even-numbered side of any street where parking is prohibited at all times on the odd-numbered side of such street, unless parking is otherwise prohibited.

The other bids were:

John M. Kennedy & Co., Inc., \$2,634; Field & Sons, Inc., \$6,640.

CONTRACTS AWARDED WITHOUT ADVERTISING

The Mayor approved the award of contracts, without advertising, based on the following communications:

PUBLIC WORKS DEPARTMENT.

Dump Facilities

DEAR MR. MAYOR:

When making plans for new contracts for collecting garbage and refuse, work under which was to commence on April 1, 1961, and for disposal of the refuse collected, it was decided that the best means of refuse disposal for the East Boston district would be at the Saugus dump, which has been used for that purpose by this department for the past seven years. It was further decided that it would be advisable to provide for another refuse disposal site in addition to the South Bay incinerator for the Charlestown and the Boston-Downtown districts.

As the M. DeMatteo Construction Company owns the land in the Town of Saugus which we have used for refuse disposal, I requested that company to submit a proposal, and under date of January 12, 1961, the M. DeMatteo Construction Company submitted a proposal for the disposal of refuse from the East Boston district at \$2,000 per month, and offered the use of their dump for the disposal of refuse from other districts in the city at a cost to be agreed upon in relation to the size of the additional district as compared to the East Boston district.

As a result of this negotiation, I requested under date of January 13, 1961, and received under date of February 10, 1961, your authorization to enter into an agreement with the M. DeMatteo Construction Company for the use of land owned by said company in the Town of Saugus for the disposal of refuse from the East Boston district for a one-year period, from April 1, 1961, to March 31, 1962, with options for renewal for a second year and for a third year if the city so elects.

Since then, we have publicly advertised for and received proposals for collecting and removing garbage and refuse in all districts of the city. The proposals received for Public

Works District 1A, Charlestown, and District 1B, Boston Downtown, contained alternate bids for the refuse from these two districts to be delivered either to the South Bay incinerator or to a dump to be furnished by the city at Saugus, the refuse to be delivered to either site as directed. As previously stated, the alternate providing for a refuse dump at Saugus was included in the two aforementioned contracts, in order to provide a secondary refuse disposal site for the South Bay incinerator.

The M. DeMatteo Construction Company has agreed to enter into an agreement with the city, based on the apportionment stated in their aforementioned proposal, to provide the land and operate a dump for the disposal of refuse, including street sweepings, from the Charlestown district, at a price of \$250 per week, and for the Boston-Downtown district at a price of \$500 per week, all other terms and conditions being the same as those under their present agreement for furnishing a dump at Saugus for the disposal of refuse from the East Boston district. There would be no advantage in publicly advertising for proposals for a dumping site, as the M. DeMatteo Construction Company owns and operates the only dump having adequate capacity that can meet the terms set forth in the refuse collection contracts under which the city is obliged to furnish a dump in the Town of Saugus.

Therefore, I respectfully request your authorization to dispense with public advertising and enter into a lease agreement with the M. DeMatteo Construction Company for the use of land owned by said company and located adjacent to the Salem Turnpike in Saugus, and licensed by said town. The agreement shall provide that all the refuse (including street sweepings) from the Charlestown district and from the Boston-Downtown district may be deposited on said land at any time within a one-year period, from April 1, 1961, to March 31, 1962, and that the M. DeMatteo Construction Company shall operate the dump, as specified in the agreement, for the amount of \$250 per week for the Charlestown district, and for the amount of \$500 per week for the Boston-Downtown district, the total cost not to exceed nine thousand seven hundred and fifty dollars (\$9,750), and the agreement shall include an option whereby, if the city so elects, it can renew the contract for a second year and also for a third year upon the same terms and conditions.

Respectfully yours,

JAMES W. HALEY,
Commissioner of Public Works.

Sweeper Broom Refills

DEAR MR. MAYOR:

On March 25, 1961, bids were publicly invited for stripping and refilling Wayne street sweeper main brooms.

On April 4, 1961, the only bid received was publicly opened and read. This bid was submitted by the New England Broom and Supply Company and was rejected for the reason that the proposal was improperly executed by the bidder.

On April 15, 1961, proposals were again invited for stripping and refilling Wayne street sweeper main brooms by advertisement published in the *City Record*. No bids were received as a result of this second invitation.

Therefore, since it is still necessary that arrangements be made for stripping and refilling Wayne street sweeper main brooms, I respectfully request your authorization to dispense with public solicitation in the *City Record* and to enter into a contract for these services with the New England Broom and Supply Company, 191 Forest Hills street, Jamaica Plain, Mass., in the sum of not to exceed \$12,715. The proposed contract will provide for the stripping and refilling of 500 Wayne street sweeper main brooms at a unit price of \$25.43 per broom, which unit price is identical with that intended to be submitted by the New England Broom and Supply Company on the occasion of the first advertisement.

In view of the circumstances outlined in the foregoing, it is not felt that additional public advertising would be of any avail to the City of Boston.

Respectfully yours,

JAMES W. HALEY,
Commissioner of Public Works.

MAYOR'S CHARITY

FIELD DAY

JUNE 20TH

It Deserves Your Wholehearted Support

OVERTIME ALLOWED

The Mayor has approved the following requests:

HEALTH DEPARTMENT.

June G. Otway, principal clerk and typist, 20 hours; Beverly F. Mills, senior bacteriologist, 12 hours; Mary E. Molloy, principal bacteriologist, 32 hours; Prudence Lane, principal nurse, 10 hours; John E. Carney, environmental sanitation inspector, 7 hours; Alfred J. Tutela, environmental sanitation inspector, 3 hours; Margaret V. Doherty, senior settlement clerk, 11 hours; Matthew L. Mullaney, senior settlement investigator, 11 hours; John Regan, principal X-ray technician, 9 hours; Daniel J. Rea, senior environmental sanitation inspector, 6½ hours; Edgar W. Bidwell, environmental

Henry, principal environmental sanitation inspector, 7 hours; George A. Quirk, senior environmental sanitation inspector, 3½ hours; Thomas J. Kerrigan, garage foreman, 19 hours.

MAYOR'S CHARITY**FIELD DAY****JUNE 20TH**

It Deserves Your Wholehearted Support

READVERTISEMENT**CITY OF BOSTON.****PUBLIC WORKS DEPARTMENT.****Proposals for Miscellaneous Repairs to Ford Passenger Cars and Trucks.**

The Commissioner of Public Works of the City of Boston, Room 511 (Contract Office), City Hall Annex, invites proposals from citizens of the United States and corporations or other legal associations wherein the controlling interest to the extent of at least over one half thereof is owned by a citizen or citizens of the United States, for miscellaneous repairs to Ford passenger cars and trucks. A performance bond and also a labor and materials or payment bond each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and each in the sum of 100 per cent of the contract price will be required of the successful contractor. Forms of proposals may be obtained at Room 511 (Contract Office), City Hall Annex. The proposal should be signed, enclosed in an envelope, sealed, marked "Proposal for Miscellaneous Repairs to Ford Passenger Cars and Trucks," and left at Room 511 (Contract Office), fifth floor, City Hall Annex, before 2 P.M. (Eastern Daylight Saving Time) of **TUESDAY, JUNE 20, 1961**, with a certified check for **FIVE HUNDRED (500) DOLLARS**, payable to and to become the property of the city if the proposal after acceptance is not carried out. The proposals will then be publicly opened and read in the Hearing Room, 401 City Hall Annex.

Proposals must be made in duplicate, the sealed duplicate, without check, to be deposited by the bidder with the City Auditor previous to the time named for opening the bids. All proposals must be from bidders of record on file at Room 511, City Hall Annex. *There will be a charge of two dollars (\$2). NOT REFUNDABLE, for each set of contract documents taken out.* If the bidder neglects to bid on each and every item, it may lead to the rejection of the proposal. The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed under the contract, shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the office of the Commissioner of Public Works. Before commencing performance of this contract, the Contractor shall provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law, so called) to all persons to be employed under this contract and shall continue such insurance in full force and effect during the term of this contract.

The Commissioner reserves the right to reject any and all proposals, or any item or items of the proposal should he deem it to be for the best interest of the city so to do.

TO PAINTING CONTRACTORS.

INVITATION FOR PROPOSALS FOR INTERIOR AND EXTERIOR PAINTING AT THE JOSEPH P. MANNING SCHOOL, LOUDER'S LANE, JAMAICA PLAIN, MASS.

The City of Boston, acting by the Superintendent of Construction of the Department of School Buildings, Boston, Mass., hereinafter referred to as the Awarding Authority, invites sealed proposals for interior and exterior painting at the Joseph P. Manning School, Louder's Lane, Jamaica Plain, Mass.

Proposals will be received until 12 o'clock noon (Eastern Daylight Saving Time), Monday, June 19, 1961, at the office of the Awarding Authority, fourth floor, 26 Norman street, Boston, Mass., at which time and place they will be publicly opened and read.

Proposals shall be submitted in duplicate on forms obtained from the Awarding Authority. Each copy of the proposal shall be properly filled out, signed and inclosed in a sealed envelope, plainly marked with the name of the bidder and the description of the work bid upon. One copy shall be filed at the office of the Awarding Authority, designated above, and the other copy shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of proposals.

A bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, in the sum of \$150, shall be submitted with the copy of the proposal filed with the Awarding Authority. The bid deposit shall be in a separate envelope, properly marked.

No bidder may withdraw his bid within thirty days (Saturdays, Sundays, and legal holidays excluded), after the actual date of the opening thereof.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, a schedule of which appears in the specifications.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond, issued by a surety company satisfactory to the Awarding Authority, in the full amount of the contract will be required of the successful general contractor.

The Awarding Authority reserves the right to waive any informalities and to reject any and all bids if it be in the public interest so to do.

INVITATION FOR GENERAL BIDS FOR ROOFING AND METAL WORK AT THE MARY E. CURLEY SCHOOL, CENTRE STREET AND PERSHING ROAD, JAMAICA PLAIN, MASS.

The City of Boston, acting by the Superintendent of Construction of the Department of School Buildings, Boston, Mass., hereinafter referred to as the Awarding Authority, invites sealed general bids for roofing and metal work at the Mary E. Curley School, Centre Street and Pershing Road, Jamaica Plain, Mass.

General bids will be received up until twelve o'clock noon (Eastern Daylight Saving Time), Wednesday, June 21, 1961, at the office of the Awarding Authority, fourth floor, 26 Norman Street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

General bids must be submitted in duplicate on the form for general bid obtained from the Awarding Authority. Each copy of the general bid shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. One copy of the general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, in the sum of \$500. The other copy of the general bid shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of general bids. The plans and specifications need not accompany, or be submitted with, either copy of the general bid.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded), from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible general bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, sections 26-27D, inclusive, as amended, a schedule of which rates appears in the specifications.

The successful general bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of the contract.

The general bids will be deemed to relate to that signed set of plans and specifications for the project on file at the office of the Superintendent of Construction of the Department of School Buildings designated above and

bidders will act at their own risk if any variance exists between the aforesaid set of plans and specifications and the set (or sets) of plans and specifications furnished to the bidder by the Awarding Authority. In short, each bidder has the burden of checking to make certain that the set (or sets) of plans and specifications furnished to the bidder is a true and complete copy of the set of plans and specifications on file as aforesaid.

Plans and specifications and other documents may be obtained at the office of the Awarding Authority.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 per cent of the contract price, will be required of the successful general bidder.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest so to do, in accordance with section 44D, chapter 149, of the General Laws, as amended.

General bids must be submitted in duplicate on the form for general bid obtained from the Awarding Authority. Each copy of the general bid shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. One copy of the general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, in the sum of \$100. The other copy of the general bid shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of general bids. The plans and specifications need not accompany, or be submitted with, either copy of the general bid.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded), from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible general bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, sections 26-27D, inclusive, as amended, a schedule of which rates appears in the specifications.

The successful general bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of the contract.

The general bids will be deemed to relate to that signed set of plans and specifications for the project on file at the office of the Superintendent of Construction of the Department of School Buildings designated above and bidders will act at their own risk if any variance exists between the aforesaid set of plans and specifications and the set (or sets) of plans and specifications furnished to the bidder by the Awarding Authority. In short, each bidder has the burden of checking to make certain that the set (or sets) of plans and specifications furnished to the bidder is a true and complete copy of the set of plans and specifications on file as aforesaid.

Plans and specifications and other documents may be obtained at the office of the Awarding Authority.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 per cent of the contract price, will be required of the successful general bidder.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest so to do, in accordance with section 44D, chapter 149, of the General Laws, as amended.

CITY OF BOSTON,
WILLIAM A. MCPHERSON,
Acting Superintendent of Construction.
(June 10.)

VOL. 53

SATURDAY, JUNE 17, 1961

No. 24

MAYOR LAUNCHES MORE HOUSING FOR ELDERLY

Mayor John F. Collins, on June 16, presided at ground-breaking ceremonies for three housing developments, to be occupied by elderly people, in Jamaica Plain, Roxbury, and Dorchester.

These are to be located as follows:

Jamaica Pond development: On Pond street across from Myrtle street, and between the Jamaica way and Centre street. (44 units.)

Bickford development: On Bickford street, corner of Parker street, Roxbury. (64 units.)

Annapolis development: On Annapolis street, corner of Sumner and Bakersfield streets, Dorchester. (56 units.)

These three developments are part of a group of seven presently under construction or about to be constructed. The group, when completed, will contain 480 units designed for two, seven, and nine-story buildings. In addition, the city has filed applications with the federal government for 1,000 more units of similar type housing.

Two Are Row-House Type

The structures for the elderly, one in Dorchester and the other in Jamaica Plain will be of row-house type, two stories in height, wood frame, brick veneer construction. The Jamaica Pond development will contain 40 three-and-one-half-room-dwelling units, and four with an additional bedroom. The Annapolis development in Dorchester will contain 50 three-and-one-half-room-dwelling units, and six with an additional bedroom.

One Nine-Story Structure

At the Bickford development in Roxbury there will be one nine-story, elevator-type building, containing 64 three-and-one-half-room-dwelling units, each containing a kitchen, dinette, living room, and bedroom. All units will have twin-bed sized rooms, and special facilities for elderly tenants, such as alarm systems to summon aid, and convenient grab bars in the bathrooms. Each development will have community room facilities with serving kitchen, and a community laundry.

BHA Chairman Cites Need

Pointing out the need for housing for the elderly in Boston, Chairman Edward D. Hassan of the Boston Housing Authority stated as follows:

¶ The State Legislature has indicated its favorable attitude on proper housing for the elderly on many occasions.

¶ There is not an adequate supply of decent, safe, and sanitary housing for elderly persons of low income, available for rents which such persons can afford to pay—and the rents such persons can afford to pay would not warrant private enterprise in providing housing for such persons.

¶ Good housing must be considered an investment that will help us decrease the amount of tax dollars that would otherwise have to be spent on care for the aged.

¶ The Boston Housing Authority, in its surveys, has discovered that an inadequate supply of housing tends to cause an increase and

spread of communicable and chronic disease, resulting in a situation where elderly persons are crowded into the hospitals of the state under conditions of idleness that inevitably invite further senility.

¶ By providing housing for elderly persons of low income, we reduce the cost to the state and the city of their care by promoting their health and welfare, and thereby prolonging their productivity in the interest of our city, state, and nation.

Generous Open Space

Architect for the Annapolis development was John M. Gray Company, for the Bickford development, Thomas F. McDonough, FAIA, and for the Pond development, the firm of Campbell & Aldrich. The buildings will cover approximately one quarter of the land space, the remainder being used for lawns, planting, sitting areas, parking areas, and air and natural light space for the tenants.

S. Volpe & Co., Inc., is the general contractor for the Jamaica Pond and Annapolis developments. G. L. Rugo & Sons, Inc., is the general contractor for the Bickford development.

First occupancy of the new units is scheduled for the early part of 1962.

Arrangements for the processing of the developments for federal aid were worked out through the New York Regional Office of the Public Housing Administration with Herman D. Hillman, Regional Director, and with the approval of the Boston City Council and the State Housing Board.

POLICE DEPARTMENT ORDERS.

June 7.

General Order No. 911.

Patrolmen Albert J. Kniupis and John L. Ridlon of Division 18 are hereby commended for meritorious police duty and each is granted three days' additional vacation.

Due to a series of house breaks being committed on Division 18, all members of the personnel were directed to make every effort to apprehend those responsible. Patrolmen Kniupis and Ridlon, both performing plain-clothes duty nights, started their investigation by making inquiries and questioning various people, both adults and juveniles, who lived at or near places where these breaks had occurred. They worked long hours beyond their regular tour of duty to bring about a solution of these crimes. As a result, information was received that a white Ford car with a "Continental Kit" on the rear bumper had been seen at or near the vicinity of each break with three persons in the car.

On May 1, 1961, while on duty, they observed a 1954 white Ford sport coupe, described above, which the officers stopped to question the occupants, who gave their names as Warren F. Heffernan of Dorchester and William Berkowitz of Mattapan. They were taken to the station and interrogated at length. They stated they had been riding around the Hyde Park area with a friend who lived there and that all three were members of a gang known as "The Rebels." The questioning continued throughout the night and early morning and as no evidence was obtained connecting them with any break, they were allowed to go but were kept under constant surveillance.

On May 9, 1961, as the result of information obtained from various sources, a minor, the friend referred to above, and a member of "The Rebels," was placed under arrest and brought to the station. After lengthy questioning, he finally admitted he had been a "look-out" for Heffernan and Berkowitz while they committed house breaks on Division 18 as well as in the towns of Dedham and Milton. As the result of the admissions of this minor, Heffernan and Berkowitz, at about 2 A.M., May 10, 1961, were arrested at their homes on suspicion of breaking and entering in the nighttime.

Many hours of questioning throughout the morning hours and during the daytime by Patrolmen Kniupis and Ridlon, assisted by Detectives Joseph P. Toomey and John P. Curran, brought about admissions by Heffernan and Berkowitz of three house breaks which included the home of an assistant district attorney where they stole furs, silver, clothing, and jewelry valued at over \$5,000. They also confessed to other house breaks in Milton and Dedham and the police of both towns were so advised. Detectives of

TAX ABATEMENT DECISIONS RENDERED BY THE BOARD OF ASSESSORS FOR THE WEEK ENDING MAY 19.

both police departments questioned the culprits and further prosecution will follow by these towns.

When questioned about the disposal of the stolen property, they stated they gave it to one Walter Nash, 48 years, single, of 38 Easton avenue, Hyde Park, who paid them in cash. Nash was arrested by Patrolmen Kniupis and Ridlon and charged with receiving stolen goods. Investigation revealed that Nash has a long criminal record.

On May 19, 1961, in the West Roxbury Municipal Court, before Judge Andrew

McDonnell, the cases of the four individuals were disposed of as follows:

The minor was found guilty of being a delinquent child by reason of breaking and entering; the two juveniles were charged with three counts of breaking and entering, waived examination and were held for the grand jury—Heffernan in \$1,500 bail and Berkowitz in \$3,000 bail. Walter Nash was charged with receiving stolen goods, waived examination, and was held for the grand jury in \$3,000 bail.

POLICE DEPARTMENT ORDERS

(Continued from previous page.)

The Police Commissioner is pleased to recognize the devotion to duty displayed by these officers who, by their persistent and thorough investigation, without regard to hours, accomplished the arrest of a minor, two juveniles, and the criminal who received the stolen goods, thus bringing about the clearance of burglaries in this and other communities.

FIRE DEPARTMENT ORDERS

June 6.

General Order No. 26.

I. FIREMEN'S MEMORIAL SUNDAY

The sixty-eighth anniversary of Firemen's Memorial Sunday will be held on Sunday morning, June 11, 1961. Fire Fighter Martin E. Pierce will be chief marshal. The Reverend Kenneth B. Murphy of "Rescue, Inc." will be orator of the day.

Trustees of the Charitable Association of the Boston Fire Department who are on duty that day will report to Fire Captain-Drillmaster Cornelius Finnegan at Washington and Morton streets, at 10.15 A.M. Regulation uniform and white gloves shall be worn.

Members on the night tour of duty Saturday, June 10, who are to participate in the services will be excused from roll call if relieved by members of the oncoming shift prior to eight o'clock.

Members of the department who are off duty Sunday, June 11, are invited to participate in the memorial exercises, and it is strongly urged that a large number be present to honor the memory of the deceased members of the department.

Members of the department who are on the Committee on Arrangements will be granted sufficient time to attend to their customary duties, and those members of the committee who are scheduled to work Sunday, June 11, will be excused from duty that day.

CITY RECORD

Published weekly in Boston, under the direction of the Mayor, in accordance with legislative act and city ordinance.

THOMAS F. O'DAY, Editor
 P. NICHOLAS PETROCELLI, Associate Editor

Editorial Office, Room 35, City Hall

Second class postage paid at Boston, Massachusetts.

Subscription (In Advance) . . \$5.00 per year
 Single Copies 15 cents

STREET AGENCIES.

Old South News Stand, Old South entrance to subway. Also News Stand, first floor, City Hall Annex.

Advertising.

A rate of \$4 per inch of 12 lines (set solid) has been established for such advertisements as under the law must be printed in the City Record. Advertising and other copy must be in hand by 5 P.M. Wednesday of each week to insure its publication in the Saturday issue.

The Boston Fire Department Band and Color Guard will take part in these exercises. They shall report to Band Manager Robert Cook at Washington and Morton streets at 10.15 A.M. Members of the Band and Color Guard working the night tour, June 10, will be excused at 7 A.M.; the day tour, June 11, will be excused from duty.

The deputy fire chiefs shall detail four members from each district to act as escort to the various organizations. Detailed members shall report to Fire Captain Finnegan at Washington and Morton streets at 10.30 A.M. Regulation uniform and white gloves shall be worn.

II. RETIREMENT.

The following retirement, in accordance with chapter 658, Acts of 1945, as amended, which became effective at 5 P.M., Wednesday, May 31, 1961, is hereby announced:

Fire Alarm Batteryman Thomas M. Mullen, Fire Alarm Division.

Fire Alarm Batteryman Mullen was appointed to the department on August 10, 1942, and he leaves the department with the best wishes of his associates.

III. FIRE ALARM BOX INSTALLED.

The following fire alarm box, which was established in General Order No. 23, dated May 16, 1961, has been installed and connected in circuit No. 51: 13-531, Regent Nursing Home, 74 Corey road.

Company commanders will add above box to circuit card No. 51.

IV. CHANGE IN DESIGNATION OF FIRE ALARM BOX.

Fire Alarm Box 1254 has been removed from the wall of the Quincy Market and installed at the street corner.

The designation of this box will be changed to read as follows:

1254, South Market street and Merchants Row.

Company commanders will make the above change in designation on assignment cards for box 1254.

V. CALL'S ASSIGNMENT.

Company commanders shall add the following signal number to running cards of Call's Police Signal Corporation in this department:

Signal 2271, Republic Pipe and Supply Corporation, 1341 Columbus avenue. (Sprinkler.) Apparatus to respond: Engine 14, Ladder 30, District Chief 5.

VI. DISCONTINUANCE OF A. D. T. SIGNAL.

Notice has been received from the American District Telegraph Company that the following signal has been canceled:

Signal 3441, Troy Realty Company, 33-39 Troy street.

TIVERTON ST. WIDENING*Dorchester*

The Mayor and Public Improvement Commission have approved the widening and construction of Tiverton street, Dorchester district, at the southeast corner of Lorna road.

The project is described as follows:

**Southeast Corner of
Lorna Road**

The highway named Tiverton street is hereby widened at the southeast corner of Lorna road, and ordered constructed.

For the making of the aforesaid improvement an easement for street purposes is hereby taken in the following-described land, exclusive of trees, shrubs, or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to Bessie L. and Harry Lemelman and Harry Finklestein, bounded:

Southwesterly by the northeasterly line of Tiverton street as it existed prior to this order, ten and 72-100 feet; northwesterly by the southeasterly line of Lorna road, ten and 72-100 feet, and southeasterly by the southeasterly line of Tiverton street as widened under this order, seventeen and 49-100 feet on a curve of twelve and 00-100 feet radius, containing twenty-four square feet, more or less.

Trees, shrubs, or structures standing upon or affixed to the aforescribed land shall be removed therefrom within thirty (30) days following the city's recording of this order.

Said Tiverton street as hereby widened is bounded:

Southwesterly by the northeasterly line of Tiverton street as it existed prior to this order, ten and 72-100 feet; northwesterly by the southeasterly line of Lorna road, ten and 72-100 feet, and southeasterly by the southeasterly line of Tiverton street as hereby widened, seventeen and 49-100 feet on a curve of twelve and 00-100 feet radius.

No betterments are to be assessed for the making of the aforesaid improvement.

**Southwest Corner of
Lorna Road**

The highway named Tiverton street is hereby widened at the southwest corner of Lorna road, and ordered constructed.

For the making of the aforesaid improvement an easement for highway purposes is hereby taken in the following-described land, exclusive of trees, shrubs, or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to Thomas and Annie R. Howitt, bounded:

Northwesterly by the southeasterly line of Lorna road, thirteen and 44-100 feet; northeasterly by the southwesterly line of Tiverton street as it existed prior to this order, thirteen and 44-100 feet, and southwesterly by the southwesterly line of Tiverton street and widened under this order, twenty and 21-100 feet on a curve of twelve and 00-100 feet radius, containing forty square feet, more or less.

Trees, shrubs, or structures standing upon or affixed to the aforescribed land shall be removed therefrom within thirty (30) days following the city's recording of this order.

Said Tiverton street as hereby widened is bounded:

Northwesterly by the southeasterly line of Lorna road, thirteen and 44-100 feet; northeasterly by the southwesterly line of Tiverton street as it existed prior to this order, thirteen and 44-100 feet, and southwesterly by the southwesterly line of Tiverton street as hereby widened, twenty and 21-100 feet on a curve of twelve and 00-100 feet radius.

No betterments are to be assessed for the making of the foresaid improvement.

ACTION ON DAMAGES

Voted, That this commission determines that the undermentioned persons sustain damages in their estates by the making of the public improvement consisting of the widening and construction of Tiverton street, Dorchester district, at the southeast and southwest corners of Lorna road, under an order of the commission of April 26, 1961, in the amounts hereinafter respectively set against them, and awards said amounts therefor.

Bessie L. and Harry Lemelman and Harry Finkelstein, 24 square feet, \$1.
Thomas and Annie R. Howitt, 40 square feet, \$1.

**First Allotment Boost
In General Relief
Since 1948**

Mayor John F. Collins, on June 13, approved the recommendation of the Board of Overseers of the Public Welfare under which a general increase will be made in the weekly payments to recipients of General Relief. The estimated cost of the increase is \$4,000 a week.

In approving this increase Mayor Collins pointed out that no additional budgetary expense would be incurred by the department during the remainder of 1961 or during 1962. This is due to the fact that a number of families previously on General Relief are now in the process of being transferred to Aid to Dependent Children under recent liberalization of federal and state laws which extend Aid to Dependent Children standards to families in which the breadwinner is unemployed, temporarily ill, or temporarily out of the home.

First Adjustment Since 1948

William F. Lally, Director of the Department of Public Welfare, announced

**MAYOR'S CHARITY
FIELD DAY
JUNE 20TH**

**It Deserves Your Wholehearted
Support**

that the increase in basic assistance allowances on General Relief is the first adjustment in this schedule of payments since 1948. In other categories of assistance, such as Old Age Assistance, Aid to the Disabled and Aid to Dependent Children, payments have been tied to the Cost of Living Index and several increases have been given in the past five years.

New Schedule of Payments

About 60 per cent of the General Relief recipients will receive an increase, the initial checks to be mailed on June 14. The rest of the recipients are already in receipt of increased allowances due to the fact that the State Budget standards are used in instances where families have been in receipt of assistance for a long period and in instances of persons under 65 years of age whose husband or wife is in receipt of Old Age Assistance and aided according to the State Standard Budget. The new schedule of payments allows \$15.60 weekly to an unattached or single person—the former rate was \$13; two-person families receive \$22.80—formerly \$19; a family of five now will receive \$34.20 weekly—previous allowance \$28.50.

The department estimates that 816 unattached or single persons, and 386 family cases, will receive the increased budgets, the gross cost of the increase amounting to \$208,676 annually.

BABCOCK STREET WIDENING*Brighton*

The Mayor and Public Improvement Commission have approved the widening and construction of Babcock street, Brighton district, at the southerly corner of Ashford street.

The project is described as follows:

**Southerly Corner of
Ashford Street**

The highway named Babcock street is hereby widened at the southerly corner of Ashford street, and ordered constructed.

For the making of the aforesaid improvement an easement for street purposes is hereby taken in the following-described land, exclusive of trees, shrubs, or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to Cottage Farm Realty Corporation, bounded:

Easterly by Babcock street, thirteen and 00-100 feet; northeasterly by the southerly line of Ashford street as it existed prior to this order, thirteen and 00-100 feet, and southwesterly by the southwesterly line of Ashford street as widened under this order, twenty and 42-100 feet on a curve of thirteen and 00-100 feet radius, containing thirty-six square feet, more or less.

Trees, shrubs, or structures standing upon or affixed to the aforescribed land shall be removed therefrom within thirty (30) days following the city's recording of this order.

Said Babcock street as hereby widened is bounded:

Easterly by Babcock street, thirteen and 00-100 feet; northeasterly by the southerly line of Ashford street as it existed prior to this order, thirteen and 00-100 feet, and southwesterly by the southwesterly line of Ashford street as hereby widened, twenty and 42-100 feet on a curve of thirteen and 00-100 feet radius.

No betterments are to be assessed for the making of the aforesaid improvement.

Southerly Corner of Gardner Street

The highway named Babcock street is hereby widened at the southerly corner of Gardner street, and ordered constructed.

For the making of the aforesaid improvement an easement for street purposes is hereby taken in the following-described land, exclusive of trees, shrubs, or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to H. F. Davis Tractor Company, bounded:

Easterly by Babcock street, twelve and 00-100 feet; northerly by the southerly line of Gardner street as it existed prior to this order, twelve and 00-100 feet, and southwesterly by the southwesterly line of Gardner street as widened under this order, eighteen and 00-100 feet on a curve of twelve and 00-100 feet radius, containing thirty-one square feet, more or less.

Trees, shrubs, or structures standing upon or affixed to the aforesaid land shall be removed therefrom within thirty (30) days following the city's recording of this order.

Said Babcock street as hereby widened is bounded:

Easterly by Babcock street, twelve and 00-100 feet; northerly by the southerly line of Gardner street as it existed prior to this order, twelve and 00-100 feet, and southwesterly by the southwesterly line of Gardner street as hereby widened, eighteen and 85-100 feet on a curve of twelve and 00-100 feet radius.

No betterments are to be assessed for the making of the aforesaid improvement.

ACTION ON DAMAGES

Voted, That this commission determines that the undermentioned persons sustain damages in their estates by the making of the public improvement, consisting of the widening and construction of Babcock street, Brighton district, at the southerly corner of Gardner street, and the southerly corner of Ashford street, under an order of the commission of May 10, 1961, in the amounts hereinafter respectively set against them, and awards said amounts therefor.

H. F. Davis Tractor Company, 31 square feet, \$1.

Cottage Farm Realty Company, 36 square feet, \$1.

BEECHMONT TERRACE SEWER

Hyde Park

The Mayor and Public Improvement Commission have approved new sewerage works for Beechmont terrace, Hyde Park.

The project is described as follows:

A parcel of land, supposed to belong to Sevenel, Inc., bounded:

Westerly by Beechmont terrace, six and 01-100 feet; northerly by other land of Sevenel, Inc., by two measurements, one hundred three and 72-100 feet and eighty-two and 98-100 feet; easterly by Windham road, six and 00-100 feet, and southerly by other land of Sevenel, Inc., by two measurements, eighty-one and 73-100 feet and one hundred two and 47-100 feet, containing one thousand one hundred thirteen square feet, more or less.

A parcel of land, owners unknown, being the private way known as Beechmont terrace, bounded:

Mortality Report

For the week ending June 10, 1961.

Population as of July, 1960, Massachusetts Fed. Census, 697,170; number of deaths (stillbirths excluded): Residents, 170; nonresidents, 75; total, 245.

HUNNEWELL AVE. WIDENING*Brighton*

The Mayor and Public Improvement Commission have approved the widening and construction of Hunnewell avenue, Brighton district, at the corner of Burton street.

The project is described as follows:

Southwest Corner of Burton Street

The highway named Hunnewell avenue is hereby widened at the southwesterly corner of Burton street, and ordered constructed.

For the making of the aforesaid improvement an easement for street purposes is hereby taken in the following-described land, exclusive of trees, shrubs, or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to Francis H. and Mary A. Kelly, bounded:

Northwesterly by Burton street, twenty and 41-100 feet; northeasterly by the southwesterly line of Hunnewell avenue as it existed prior to this order, twenty and 41-100 feet, and southwesterly by the southwesterly line of Hunnewell avenue as widened under this order, twenty-eight and 11-100 feet on a curve of fifteen and 00-100 feet radius, containing ninety-five square feet, more or less.

Trees, shrubs, or structures standing upon or affixed to the aforescribed land shall be removed therefrom within thirty (30) days following the city's recording of this order.

Said Hunnewell avenue as hereby widened is bounded:

Northwesterly by Burton street, twenty and 41-100 feet; northeasterly by the southwesterly line of Hunnewell avenue as it existed prior to this order, twenty and 41-100 feet, and southwesterly by the southwesterly line of Hunnewell avenue as hereby widened, twenty-eight and 11-100 feet on a curve of fifteen and 00-100 feet radius.

No betterments are to be assessed for the making of the aforesaid improvement.

Southeast Corner of Burton Street

The highway named Hunnewell avenue is hereby widened at the southeasterly corner of Burton street, and ordered constructed.

For the making of the aforesaid improvement an easement for street purposes is hereby taken in the following-described land, exclusive of trees, shrubs, or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to Mary R. Sullivan and Helen G. and Hugh F. McCusker, bounded:

Northwesterly by Burton street, nine and 56-100 feet; southeasterly by the southeasterly line of Hunnewell avenue as it existed prior to this order, nine and 56-100 feet, and southeasterly by the southeasterly line of Hunnewell avenue as widened under this order sixteen and 48-100 feet on a curve of thirteen and 00-100 feet radius, containing seventeen square feet, more or less.

Trees, shrubs, or structures standing upon or affixed to the aforescribed land shall be removed therefrom within thirty

(30) days following the city's recording of this order.

Said Hunnewell avenue as hereby widened is bounded:

Northwesterly by Burton street, nine and 56-100 feet; southeasterly by the southeasterly line of Hunnewell avenue as it existed prior to this order, nine and 56-100 feet, and southeasterly by the southeasterly line of Hunnewell avenue as hereby widened, sixteen and 48-100 feet on a curve of thirteen and 00-100 feet radius.

No betterments are to be assessed for the making of the aforesaid improvement.

ACTION ON DAMAGES

Voted, That this commission determines that the undermentioned persons sustain damages in their estates by the making of the public improvement consisting of the widening and construction of Hunnewell avenue, Brighton district, at the southwesterly and southeasterly corners of Burton street, under an order of the commission of May 24, 1961, in the amounts hereinafter respectively set against them, and awards said amounts therefor:

Mary R. Sullivan and Helen G. and Hugh F. McCusker, 17 square feet, \$1.

Francis H. and Mary A. Kelly, 95 square feet, \$1.

TRAFFIC RULINGS*Temporary*

The Traffic Commission has voted as follows:

That as urgently required by considerations of public safety and convenience, for a trial period of sixty (60) days, the Traffic Rules and Regulations of the City of Boston are amended as follows, effective May 31, 1961:

Article IV, Section 3, Part 2 (Prohibition of Parking), is amended by striking out the following:

Parker Hill Avenue, Roxbury.

Both sides, from Huntington avenue to Sachem street, 24 hours.

North side, from Sachem street to Oswald street, 24 hours.

Article IV, Section 3, Part 2 (Prohibition of Parking), is amended by inserting in its proper place in the alphabetical arrangement under the caption "Roxbury" the following:

Parker Hill Avenue.

East and north sides, from Huntington avenue to Oswald street, 24 hours.

Article V, Section 1 (One-Way Streets), is amended by striking out the following:

State Street, Boston Proper.

From Commercial street to westerly arm of McKinley square.

Sutherland Road, Brighton.

From Cleveland Circle to Commonwealth avenue.

Article V, Section 1 (One-Way Streets), is amended by inserting in its proper place in the alphabetical arrangement under the caption "Brighton" the following:

Sutherland Road.

From Cleveland Circle to Englewood avenue.

The Traffic Commissioner has promulgated the following rulings:

During the repairs to pier heads of the Chelsea Street Bridge, East Boston, on June 4, 1961, vehicles are excluded from the following:

Chelsea Street Bridge, East Boston.

During the period of sewer construction in Pierpont road, West Roxbury, commencing May 26, vehicles are excluded from the following street when and where official signs are in place:

Pierpont Road, West Roxbury.

From Theodore Parker road to Church street.

During the underground installation of pipeline by the Boston Edison Company, commencing June 6, parking of vehicles is prohibited in the following street:

Clarendon Street, Boston Proper.

Southwest side, from Boylston street to Commonwealth avenue, 24 hours.

Vehicles are excluded from the following street:

Clarendon Street, Boston Proper.

From Commonwealth avenue to Stuart street.

During the underground installation of pipeline by the Boston Edison Company, commencing June 6, the following left turn is prohibited:

Commonwealth Avenue, Brighton.

Into driveway crossing streetcar reservation five hundred and fifty (550) feet east of Mountfort street, northerly.

During the period of roadway construction in Merola park, Dorchester, commencing June 6, vehicles are excluded from the following street when and where official signs are in place:

Merola Park, Dorchester.

From Cookson terrace to Crossman street.

During the building construction for "Housing For The Elderly" in Annapolis street, Dorchester, commencing June 7, parking of vehicles is prohibited in the following street when and where official signs are in place:

Annapolis Street, Dorchester.

Both sides, from Sumner street to Bakersfield street, 8 A.M. to 6 P.M.

MAYOR'S CHARITY**FIELD DAY****JUNE 20TH**

It Deserves Your Wholehearted Support

DEPARTMENT CHANGES

The Director of Administrative Services has approved the following personnel changes:

HOSPITAL DEPARTMENT.

Main Division.

For the week ending May 23:

ADMINISTRATION BUILDING, 15 BEACON STREET,
OFFICE OF THE BUSINESS MANAGER.

PROPOSALS FOR FURNISHING GALVANIZED STEEL AND BAND IRON FOR THE BOSTON PUBLIC SCHOOLS.

The School Committee of the City of Boston invites bids for furnishing galvanized steel and band iron for the Boston public schools. Proposal forms are obtainable at the office of the Business Manager of the School Committee, tenth floor, 15 Beacon street. Envelopes containing proposals must be sealed and plainly marked "Proposal for Furnishing Galvanized Steel and Band Iron." The bid must be in duplicate. One copy, signed by the bidder, and accompanied by a certified check, payable to the City of Boston in the amount of one hundred dollars (\$100), must be left at the office of the Business Manager on or before twelve o'clock noon (Eastern Daylight Saving Time), on Friday, June 30, 1961. Copies filed with the Business Manager will be publicly opened and read at twelve o'clock noon of the day stated. The other copy, also signed by the bidder, must be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for the opening of bids. The School Committee reserves the right to reject any or all bids and to accept the bid or bids which it deems best for the interests of the city. The successful bidder will be required to furnish a suitable bond or deposit of money or other security in the amount of not less than 50 per cent of the amount of the contract.

ADVERTISEMENT
CITY OF BOSTON.

DEPARTMENT OF SCHOOL BUILDINGS.

INVITATION FOR GENERAL BIDS FOR MODERNIZATION OF PLUMBING FACILITIES AT THE ROCHAMBEAU SCHOOL, GIBSON STREET, DORCHESTER, MASS.

The City of Boston, acting by the Superintendent of Construction of the Department of School Buildings, Boston, Mass., hereinafter referred to as the Awarding Authority, invites sealed general bids for modernization of plumbing facilities at the Rochambeau School, Gibson street, Dorchester, Mass.

General bids will be received up until twelve o'clock noon (Eastern Daylight Saving Time), Thursday, July 6, 1961, at the office of the Awarding Authority, fourth floor, 26 Norman street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

General bids must be submitted in duplicate on forms obtained from the Awarding Authority. Each copy of the general bid shall be completely filled in, signed, inclosed in an envelope, sealed, and plainly marked with the description of the work to be done. One copy of the general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, in the sum of \$500. The other copy of the general bid shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of general bids. The plans and specifications need not accompany, or be submitted with, either copy of the general bid.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible general bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, sections 26-27D, inclusive, as amended, a schedule of which rates appears in the specifications.

The successful general bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

The general bids and the subbids will be deemed to relate to that signed set of plans and specifications for the project on file at the office of the Awarding Authority designated above and bidders will act at their own risk if any variance exists between the aforesaid set of plans and specifications and the set

employed as principal accountant in the Treasury Division of the Treasury Department of the City of Boston.

VETERANS' RETIREMENTS

The Mayor has approved the following veterans' applications for retirement:

Anthony Carnilla, 23 Rowell street, Dorchester, catch-basin machine operator, Sewer Division, Public Works Department.

Francis P. Frazier (also known as Philip Francis Frazier), School Department, principal, William Howard Taft Junior High School, 127 Pearl street, Newton.

Raymond J. Powers, 117 Stoughton street, Dorchester, shop instructor, Department of Vocational Education and Industrial Arts, School Department.

Arthur D. Fitzpatrick, 271 Minot street, Dorchester, street cleaning and waste collection

(or sets) of plans and specifications furnished to the bidder by the Awarding Authority. In short, each bidder has the burden of checking to make certain that the set (or sets) of plans and specifications furnished to the bidder is a true and complete copy of the set of plans and specifications on file as aforesaid.

All subbids for a subtrade designated in Item 2 of the general bid form shall be filed with the Awarding Authority at the office designated above before twelve o'clock noon (Eastern Daylight Saving Time), Wednesday, June 28, 1961, at which hour and place they will be publicly opened and read aloud. Every such subbid must be submitted in a sealed envelope with the following plainly marked on the outside: Title of work, subtrade for which subbid submitted, subbidder's name, subbidder's business address.

All such subbids must be submitted on the form of subbid furnished by the Awarding Authority, and any such subbid not filed on the form for subbid so furnished by the Awarding Authority shall be rejected.

A bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, in the amount specified in the following list for the respective subtrades shall be submitted by each subbidder with his subbid as filed with the Awarding Authority:

Marble and Tile.....\$100
Plumbing.....\$250

No subbid may be withdrawn after the time limit for the filing of subbids and for five (5) days (Saturdays, Sundays, and legal holidays excluded), from the date fixed for the opening of the general bids. In addition, neither the subbids filed by (a) the three lowest responsible and eligible subbidders for a subtrade nor the subbids for the same subtrade as shown on the general bids of the three lowest responsible and eligible general bidders, may be withdrawn after the opening of the general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded), after presentation of a subcontract to the subbidder selected for that subtrade, by the general bidder selected as the general contractor.

Plans and specifications and other documents may be obtained at the office of the Awarding Authority on or after Wednesday, June 21, 1961.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 per cent of the contract price, will be required of the successful general bidder.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest so to do. The Awarding Authority also reserves the right to reject any subbid on any subtrade if it determines that such subbid does not represent the subbid of a person competent to perform the work as specified or that only one such subbid was received and that the price is not reasonable for acceptance without competition, in accordance with section 44D, chapter 149, of the General Laws, as amended.

CITY OF BOSTON,
W. A. MCPHERSON,

Acting Superintendent of Construction.
(June 17.)

inspector, Sanitary Division, Public Works Department.

William A. Lindahl, 40 Crockett avenue, Dorchester, patrolman, Hackney Carriage Division Police Department.

Henry P. McCoy, 53 Glenham street, West Roxbury, golf course foreman, Parks and Recreation Division, Parks and Recreation Department.

Elliott P. Frazier, 5 Trinity avenue, Lynn, head of department, English High School.

Valentine F. Dunn, 33 Lakeville road, Jamaica Plain, principal, Edward Everett District, School Department.

George H. Sullivan, 74 Emerson road, Needham, master, Boston Latin School.

William R. Silva, 15 Parklawn road, West Roxbury, principal, Edmund P. Tileston School.

ADVERTISEMENT CITY OF BOSTON.

PUBLIC WORKS DEPARTMENT.

Proposals for Furnishing Labor and Material Necessary to Rebuild and Test Hersey Water Meters for the Public Works Department (Water Division).

The Commissioner of Public Works of the City of Boston, Room 511 (Contract Office), City Hall Annex, invites proposals from citizens of the United States and corporations or other legal associations wherein the controlling interest to the extent of at least over one half thereof is owned by a citizen or citizens of the United States, for furnishing labor and material necessary to rebuild and test Hersey Water Meters for the Public Works Department (Water Division). A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and each in the sum of 100 per cent of the contract price will be required of the successful contractor. Forms of proposals may be obtained at Room 511 (Contract Office), City Hall Annex. The proposal should be signed, enclosed in an envelope, sealed, marked "Proposal for Furnishing Labor and Material Necessary to Rebuild and Test Hersey Water Meters for the Public Works Department (Water Division)," and left at Room 511 (Contract Office), fifth floor, City Hall Annex, before 2 P.M. (Eastern Daylight Saving Time) of THURSDAY, JUNE 29, 1961, with a certified check for FOUR THOUSAND (4,000) DOLLARS, payable to and to become the property of the city if the proposal after acceptance is not carried out. The proposals will then be publicly opened and read in the Hearing Room, 401 City Hall Annex, Thursday, June 29, 1961.

Proposals must be made in duplicate, the sealed duplicate, without check, to be deposited by the bidder with the City Auditor previous to the time named for opening the bids. All proposals must be from bidders of record on file at Room 511, City Hall Annex. There will be a charge of two dollars (\$2), NOT REFUNDABLE, for each set of contract documents taken out. If the bidder neglects to bid on each and every item, it may lead to the rejection of the proposal. Before commencing performance of this contract, the Contractor shall provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law, so called) to all persons to be employed under this contract and shall continue such insurance in full force and effect during the term of this contract.

ATTENTION IS CALLED TO CHAPTER 316 OF THE ACTS OF 1959, WHICH MUST BE STRICTLY COMPLIED WITH. The Commissioner reserves the right to reject any and all proposals, or any item or items of the proposal should he deem it to be for the best interest of the city so to do.

JAMES W. HALEY,
(June 17.) Commissioner of Public Works.

John J. Libbey, 12 Helena road, Dorchester, senior building custodian, Charlestown High School.

John J. O'Brien, 43 Elm street, Hingham, principal, Henry Grew School.

SPECIAL PERMITS

The Mayor and Public Improvement Commission have approved the following:

Marquee in South Boston

That permission be granted to First National Stores, Inc., to install and maintain a permanent marquee at 715 East Broadway, South Boston district, substantially as shown on a plan marked "First National Store, 715 East Broadway, South Boston, Mass., Sumner Schein, Architect and Engineer, 271 Huntington avenue, Boston, May 8, 1961, Marquee Framing Plan," and on file in the office of the Commissioner of Public Works.

Foundation Footings at B. U.

That permission be granted to Boston University, 700 Commonwealth avenue, Boston Proper, to lay and maintain foundation wall footings and concrete pile caps at 700 Commonwealth avenue, Boston Proper district, between Hinsdale street and Cummington street, substantially as shown on a plan prepared by Wexler Construction Company, 118 Needham street, Newton Highlands, April 26, 1961, and on file in the office of the Commissioner of Public Works.

INVITATION FOR GENERAL BIDS FOR FURNISHING AND INSTALLING OIL BURNING EQUIPMENT AT THE BOSTON TRADE HIGH SCHOOL, PARKER STREET, ROXBURY, MASS.

The City of Boston, acting by the Superintendent of Construction of the Department of School Buildings, Boston, Mass., hereinafter referred to as the Awarding Authority, invites sealed general bids for furnishing and installing oil burning equipment at the Boston Trade High School, Parker street, Roxbury, Mass.

General bids will be received up until twelve o'clock noon (Eastern Daylight Saving Time), Thursday, July 6, 1961, at the office of the Awarding Authority, fourth floor, 26 Norman street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

General bids must be submitted in duplicate on the form for general bid obtained from the Awarding Authority. Each copy of the general bid shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. One copy of the general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, in the sum of \$1,500. The other copy of the general bid shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of general bids. The plans and specifications need not accompany, or be submitted with, either copy of the general bid.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible general bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws

(Ted. Ed.), chapter 149, sections 26-27D, inclusive, as amended, a schedule of which rates appears in the specifications.

The successful general bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

The general bids and the subbids will be deemed to relate to that signed set of plans and specifications for the project on file at the office of the Awarding Authority designated above and bidders will act at their own risk if any variance exists between the aforesaid set of plans and specifications and the set (or sets) of plans and specification furnished to the bidder by the Awarding Authority. In short, each bidder has the burden of checking to make certain that the set (or sets) of plans and specifications furnished to the bidder is a true and complete copy of the set of plans and specifications on file as aforesaid.

All subbids for a subtrade designated in Item 2 of the general bid form shall be filed with the Awarding Authority at the office designated above before twelve o'clock noon (Eastern Daylight Saving Time), Wednesday, June 28, 1961, at which hour and place they will be publicly opened and read aloud. Every such subbid must be submitted in a sealed envelope with the following plainly marked on the outside: Title of work, subtrade for which subbid submitted, subbidder's name, subbidder's business address.

All such subbids must be submitted on the form for subbid furnished by the Awarding Authority, and any such subbid not filed on the form for subbid so furnished by the Awarding Authority shall be rejected.

A bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, in the amount specified in the following list for the respective subtrades shall be submitted by each subbidder with his subbid as filed with the Awarding Authority:

Oil Burning Equipment, Oil Piping,	
etc.	\$1,000
Electrical Work.....	\$250

No subbid may be withdrawn after the time limit for the filing of subbids and for five (5) days (Saturdays, Sundays, and legal holidays excluded), from the date fixed for the opening of the general bids. In addition, neither the subbids filed by (a) the three lowest responsible and eligible subbidders for a subtrade nor the subbids for the same subtrade as shown on the general bids of the three lowest responsible and eligible general bidders, may be withdrawn after the opening of the general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded), after presentation of a subcontract to the subbidder selected for that subtrade, by the general bidder selected as the general contractor.

Plans and specification and other documents may be obtained at the office of the Awarding Authority, 26 Norman street, Boston, Mass.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 per cent of the contract price, will be required of the successful general bidder.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest so to do. The Awarding Authority also reserves the right to reject any subbid on any subtrade if it determines that such subbid does not represent the subbid of a person competent to perform the work as specified or that only one such subbid was received and that the price is not reasonable for acceptance without competition, in accordance with section 44D, chapter 149, of the General Laws, as amended.

INVITATION FOR PROPOSALS FOR INTERIOR AND EXTERIOR PAINTING, INCLUDING FIRE ESCAPES, AT THE BUNKER HILL SCHOOL, 68 BALDWIN STREET, CHARLESTOWN, MASS.

The City of Boston, acting by the Superintendent of Construction of the Department of School Buildings, Boston, Mass., hereinafter referred to as the Awarding Authority, invites sealed proposals for interior and exterior painting, including fire escapes, at the Bunker Hill School, 68 Baldwin street, Charlestown, Mass.

Proposals will be received until 12 o'clock noon (Eastern Daylight Saving Time), Monday, June 26, 1961, at the office of the Awarding Authority, fourth floor, 26 Norman street, Boston, Mass., at which time and place they will be publicly opened and read.

Proposals shall be submitted in duplicate on forms obtained from the Awarding Authority. Each copy of the proposal shall be properly filled out, signed and inclosed in a sealed envelope, plainly marked with the name of the bidder and the description of the work bid upon. One copy shall be filed at the office of the Awarding Authority, designated above, and the other copy shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of proposals.

A bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, in the sum of \$400, shall be submitted with the copy of the proposal filed with the Awarding Authority. The bid deposit shall be in a separate envelope, properly marked.

No bidder may withdraw his bid within thirty days (Saturdays, Sundays, and legal holidays excluded), after the actual date of the opening thereof.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, a schedule of which appears in the specifications.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond, issued by a surety company satisfactory to the Awarding Authority, in the full amount of the contract will be required of the successful general contractor.

The Awarding Authority reserves the right to waive any informalities and to reject any and all bids if it be in the public interest so to do.

One copy shall be filed at the office of the Awarding Authority, designated above, and the other copy shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of proposals.

A bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, in the sum of \$800, shall be submitted with the copy of the proposal filed with the Awarding Authority. The bid deposit shall be in a separate envelope, properly marked.

No bidder may withdraw his bid within thirty days (Saturdays, Sundays, and legal holidays excluded), after the actual date of the opening thereof.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, a schedule of which appears in the specifications.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond, issued by a surety company satisfactory to the Awarding Authority, in the full amount of the contract will be required of the successful general contractor.

The Awarding Authority reserves the right to waive any informalities and to reject any and all bids if it be in the public interest so to do.

CITY OF BOSTON,
W. A. MCPHERSON,
Acting Superintendent of Construction.
(June 17.)

ADVERTISEMENT**CITY OF BOSTON****BOSTON REDEVELOPMENT AUTHORITY****INVITATION FOR BIDS**

The Boston Redevelopment Authority, the Awarding Authority, invites sealed bids for demolition and construction work on the tenth (10th) and eleventh (11th) floors of the City Hall Annex, Boston, Mass., in accordance with the plans and specifications by Sert, Jackson and Gourey, Architects, 4 Brattle street, Cambridge, Mass.

Scaled subbids for the subtrades designated in Item 2 of the Form for General Bid will be received

for the Awarding Authority by Mr. John P. McMorrow, Director of Administrative Management, at the offices of the Boston Redevelopment Authority, 73 Tremont street, Boston, Mass., until twelve o'clock noon (Eastern Daylight Saving Time), Wednesday, July 5, 1961, at which time all subbids will be publicly opened and read aloud.

Scaled general bids will be received for the Awarding Authority by Mr. John P. McMorrow, Director of Administrative Management, at the offices of the Boston Redevelopment Authority, 73 Tremont street, Boston, Mass., until twelve o'clock noon (Eastern Daylight Saving Time), Wednesday, July 12, at which time all subbids will be publicly opened and read aloud.

Contract documents are on file at the office of the Architects, Sert, Jackson and Gourey, 16 Eliot street, Cambridge, Mass., at the office of Dodge Construction Reports, 858 Park Square Building, Boston, Mass., at the office of Gaine's Construction Newsletter, 40 Central street, Boston, Mass., at the office of Master Builders Association, 39 Kingston street, Boston, Mass., and at the office of the Boston Redevelopment Authority, 1108 City Hall Annex, Boston, Mass., after twelve o'clock noon (Eastern Daylight Saving Time), Monday, June 19, 1961.

Each general bidder may obtain two complete sets of the documents and each subbidder on a filed subtrade may obtain one complete set of the documents at the office of the Architects, 16 Eliot street, Cambridge, by depositing \$25 by check payable to the Boston Redevelopment Authority for each set. If the documents are returned in good condition within ten (10) days after the bid opening, the deposit will be completely refunded. Additional sets may be obtained at the Architect's office at reproduction cost. No refund will be paid for these additional sets.

Copies of Form for Subbid are available at no cost at the Architect's office.

Every general bid and every filed subbid shall be accompanied by, a bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the Boston Redevelopment Authority. The amount of such bid deposits shall be as follows:

1. For General Bidders.....	\$15,500
2. For Subbidders:	
Section 5. Roofing, Sheet Metal, and Skylights.....	\$170
Section 7. Furring, Lathing, and Plastering.....	\$1,200
Section 9. Glass and Glazing.....	\$100
Section 10. Acoustical Tile.....	\$250
Section 11. Resilient Floors.....	\$1,000
Section 12. Ceramic and Quarry Tile.....	\$250
Section 15. Painting and Finishing.....	\$275
Section 17. Plumbing Work.....	\$700
Section 18. Heating, Ventilating, and Air-Conditioning Work.....	\$3,800
Section 19. Electrical Work.....	\$3,000

All bids for this project are subject to the provisions of General Laws (Ter. Ed.), chapter 149, sections 44A to 44L, inclusive, as amended. Attention is called to the minimum wage rates to be paid on the work as determined by the Commissioner of Labor and Industries under the provisions of the Massachusetts General Laws, chapter 149, sections 26 to 27D, inclusive.

Successful bidders will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

Successful bidders will further be required to comply with Federal Labor Standards, the Anti-Kickback Act, Title 18 USC, §874, and to file a noncollusion affidavit.

The Awarding Authority reserves the right to waive any informalities. The Awarding Authority also reserves the right to reject any or all general bids, if it be in the public interest so to do, in accordance with section 44D of chapter 149 of the General Laws, as amended.

The Awarding Authority also reserves the right to reject any subbid on any subtrade, if it determines the subbid does not represent the subbid of a person competent to perform the work as specified or that only one such subbid was received and that the price is not reasonable for acceptance without competition.

BOSTON REDEVELOPMENT AUTHORITY,
RT. REV. MSGR. FRANCIS J. LALLY,
Chairman.

THE SCHOOL COMMITTEE OF THE CITY OF BOSTON.

ADMINISTRATION BUILDING, 15 BEACON STREET,
OFFICE OF THE BUSINESS MANAGER.

PROPOSALS FOR FURNISHING MUSICAL INSTRUMENTS AND ACCESSORIES FOR BOSTON PUBLIC SCHOOLS.

The School Committee of the City of Boston invites bids for furnishing musical instruments and accessories for the Boston public schools. Proposal forms are obtainable at the office of the Business Manager of the School Committee, 15 Beacon street, tenth floor. Envelopes containing proposals must be sealed and plainly marked "Proposal for Musical Instruments and Accessories." The bids must be in duplicate. One copy, signed by the bidder, and accompanied by a certified check, payable to the City of Boston, in the amount of one hundred dollars (\$100), must be left at the office of the Business Manager on or before twelve o'clock noon (Eastern Daylight Saving Time) on Thursday, June 29, 1961. Copies filed with the Business Manager will be publicly opened and read at twelve o'clock noon of the day stated. The other copy, also signed by the bidder, must be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for opening of bids. The School Committee reserves the right to reject any or all bids and to accept the bid or bids which it deems best for the interests of the city. The successful bidders will be required to furnish a suitable bond or deposit of money or other security in the amount of not less than 50 per cent of the amount of the contract.

State Street.

North side, from Congress street to Merchants Row, 7 A.M. to 6 P.M.

Voted, That the Traffic Rules and Regulations of the City of Boston are amended as follows:

Article VI, Section 23 (Special Speed Regulations), is amended by inserting in its proper place in the alphabetical arrangement under the caption "Dorchester" the following:

Neponset Avenue.

Southbound Traffic.

Beginning on Neponset avenue at the southeast point of the intersection of Adams street, southerly about 1.03 miles at 30 miles per hour, and ending at Minot street, Dorchester; the total distance being about 1.03 miles.

Northbound Traffic.

Beginning on Neponset avenue at a point 150 feet north of the intersection of Minot street, northerly about 1.03 miles at 30 miles per hour, and ending at Parkman street, Dorchester; the total distance being about 1.03 miles.

The preceding vote shall be effective immediately upon compliance with the provisions of section 18 of chapter 90 of the General Laws (Ter. Ed.) as amended by section 2 of chapter 564 of the Acts of 1948.

A true excerpt from the minutes of the May 26, 1961, meeting of the Boston Traffic Commission.

Attest:

W. T. DOYLE,

Deputy Commissioner and Secretary.
(June 17.)

Fallout Defense

Testimony made public in Washington, D. C., revealed that \$537,000 of the \$26,053,000 to be appropriated this year for the new veterans hospital at Wood would be spent for protection against radioactive fallout.

The money would be used for firming the walls of the new hospital and for providing extra storage space for equipment, chemical toilets, and other items not included in ordinary operations.

INVITATION FOR GENERAL BIDS FOR INSTALLING PUBLIC CATALOGUE IN ABBEY ROOM, CENTRAL LIBRARY BUILDING, COPLEY SQUARE, BOSTON, MASS.

The Trustees of the Public Library of the City of Boston, a corporation duly organized and existing under the laws of the Commonwealth of Massachusetts (see St. 1878, C. 114), hereinafter referred to as the Awarding Authority, invite sealed general bids for installing public catalogue in Abbey Room, Central Library building, Copley square, Boston, Mass.

General bids will be received until twelve o'clock noon (Eastern Daylight Saving Time), Tuesday, July 11, 1961, at the office of the Awarding Authority, at which time and place they will be publicly opened and read aloud.

General bids must be submitted on forms obtained from the Awarding Authority. The general bid shall be completely filled out, signed, and enclosed in an envelope, sealed and plainly marked with the name of the bidder and the description of the work bid upon.

A bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the Trustees of the Public Library of the City of Boston, in the sum of seven thousand five hundred dollars (\$7,500), shall be submitted with the general bid. The bid deposit shall be in a separate envelope, properly marked.

No bidder may withdraw his bid within thirty days after the actual date of the opening thereof.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, a schedule of which appears in the specifications.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

Plans and specifications may be obtained on and after twelve o'clock noon (Eastern Daylight Saving Time), Tuesday, June 20, 1961, at the Business Office, Boston Public Library, Copley square, Boston. A deposit of twenty-five dollars (\$25) in cash will be required for each set of plans and specifications taken out for estimating, said deposit to be refunded on the return of the plans and specifications in good condition within thirty days after the opening of proposals.

A performance bond issued by a surety company satisfactory to the Awarding Authority, in the full amount of the contract, will be required of the successful general contractor.

The Awarding Authority reserves the right to waive any informalities and to reject any or all bids if it be in the public interest so to do.

ADVERTISEMENT**CITY OF BOSTON.****DEPARTMENT OF SCHOOL BUILDINGS.**

INVITATION FOR GENERAL BIDS FOR REPAIRING PUPILS' AND TEACHERS' FURNITURE AT THE BOSTON LATIN SCHOOL, AVENUE LOUIS PASTEUR, BOSTON, AND ENGLISH HIGH SCHOOL, AVENUE LOUIS PASTEUR, BOSTON.

The City of Boston, acting by the Superintendent of Construction of the Department of School Buildings, Boston, Mass., hereinafter referred to as the Awarding Authority, invites sealed general bids for repairing pupils' and teachers' furniture at the Boston Latin School, Avenue Louis Pasteur, Boston, and English High School, Avenue Louis Pasteur, Boston.

General bids will be received up until twelve o'clock noon (Eastern Daylight Saving Time), Monday, June 26, 1961, at the office of the Awarding Authority, fourth floor, 26 Norman street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

General bids must be submitted in duplicate on the form for general bid obtained from the Awarding Authority. Each copy of the general bid shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. One copy of the general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by a responsible bank or trust company, payable to the City of Boston, in the sum of \$150. The other copy of the general bid shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of general bids. The plans and specifications need not accompany, or be submitted with, either copy of the general bid.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded), from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible general bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The successful general bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of the contract.

The general bids will be deemed to relate to that signed set of plans and specifications for the project on file at the office of the Superintendent of Construction of the Department of School Buildings designated above and bidders will act at their own risk if any variance exists between the aforesaid set of plans and specifications and the set (or sets) of plans and specifications furnished to the bidder by the Awarding Authority. In short, each bidder has the burden of checking to make certain that the set (or sets) of plans and specifications furnished to the bidder is a true and complete copy of the set of plans and specifications on file as aforesaid.

Specifications and other documents may be obtained at the office of the Awarding Authority.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 per cent of the contract price, will be required of the successful general bidder.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest so to do, in accordance with section 44D, chapter 149, of the General Laws, as amended.

PROPOSALS FOR FURNISHING RADIOLOGY EQUIPMENT FOR THE BOSTON CITY HOSPITAL.

Proposals may be obtained at Room 53, City Hall. At this room, the bids will be opened and read Wednesday, June 28, 1961, at 12 M. (Eastern Daylight Saving Time). The bidder must leave his proposal with a certified check for \$100, payable to and to become the property of the City of Boston if the proposal is not carried out. A duplicate bid, without check, must be left with the Auditor prior to the time for opening bids. Envelopes containing bids to be sealed and marked "Proposal for Radiology Equipment." The successful bidder must furnish a faithful performance bond for one half the total estimated amount of the contract with a surety company authorized to do business in Massachusetts. The Purchasing Agent reserves the right to accept or reject any and all bids, or any part of a bid, and to award the contract as he deems for the best interests of the city.

TAX RATE REFLECTS CAREFUL HOUSEKEEPING

Boston's 1961 real estate tax rate is down 10 cents to \$100.60 making it the second successive tax drop in two years.

Mayor Collins, in announcing the decrease, on June 15, said the accomplishment "should not be regarded as a mere token reduction."

"Staggering difficulties," stated the Mayor, had to be overcome in holding the rate down because of increased MTA, MDC, and School Department costs.

Mayor's Comment

The Mayor stated:

¶ This announcement has two significant aspects:

¶ First, despite increases in MTA, MDC, and School Department costs totaling nearly \$4 million, and representing about \$2.50 in the tax rate, we have been able to make a further reduction in the real estate taxpayers' burden, continuing to reverse a long-time upward trend in Boston's tax rate. The significance of the reduction is not in its amount, but in our ability to do more than merely hold the line.

¶ Second, this is the first time in recent history that Boston has been able to announce its rate within the usual statutory time limit. This will not only enable us to save the cost of interest on borrowed money by expediting the billing process, but will at the same time eliminate unnecessary inconvenience and annoyance to taxpayers.

No Mere Token

¶ The lowered rate should not be regarded as a mere token reduction.

It is the result of continuing and coordinated efforts of numerous city officials and employees who have had to overcome staggering difficulties.

¶ The lowered rate would have been impossible without a "no hire, no fire" policy and a constant effort to avoid unnecessary expense. If the reduction is a token of anything, it is a token of the city's careful municipal housekeeping. With adequate legislative relief it could, however, be the harbinger of much better things to come.

¶ As our neighbors in other cities and towns are finding out, it is becoming increasingly difficult—indeed it is almost practically impossible—to achieve a nonconfiscatory tax rate without legislative provision of alternate sources of tax revenue.

¶ The time has come to renew and invigorate our joint efforts in this direction, if we are to prevent economic stagnation throughout the Commonwealth.

Legislative Action Needed

¶ If we act wisely, we will act right now, and not wait for any emergency to arise. Speedy and intelligent action by the Legislature is urgently required and will meet with the gratitude of every citizen of the Commonwealth.

The Mayor also said that in addition to increases in the MTA, MDC, and School Department costs, departmental requests, if allowed, would have meant an increase in the tax rate of \$8 per thousand.

He said department heads had requested almost \$169 million in funds for 1961 but this figure was successfully reduced to \$157 million. This was accomplished, he said, "by rigid adherence to the most economical operation of the city government consistent with good business methods and with no curtailment of essential public services."

"One additional adverse factor," the Mayor said, "which can easily be forgotten in the heat of June, was the most severe and snow-laden winter in Boston's history which required an expenditure of \$1 million, four hundred thousand, nearly double the cost of snow removal in former years."

Increased Valuations Helped

The immediate means of achieving the tax drop came with a net increase of \$2.3 million in total assessed valuations, including boosted assessments on nursing homes, funeral homes, and parking lots.

Declaration of the tax rate on June 15 was the earliest in at least 30 years for Boston, according to City Auditor Joseph P. Lally. He said early remission of the tax bills will mean a minimum saving of \$50,000 on interest on the short-term debt. Receipts will obviate the need for the city to float short-term notes as in other years.

Stating that the 1961 rate as announced is a long step in the stabilization of Boston's finances, the City Auditor stated further:

MAYOR REQUESTS MUNICIPAL RESEARCH BUREAU SURVEY OF CODE ENFORCEMENT

Mayor Collins announced, on June 20, that the Boston Municipal Research Bureau had agreed to his request to make a study of code enforcement in the City of Boston. The study, which will be done at no cost to the city, will point out how code enforcement can be made an effective tool in Boston's urban renewal program and improvement program.

The study will deal with the evaluation of enforcement agency organization and operations under the Health Department, Building Department, Fire Department, Police Department, and the Boston Licensing Board, the Mayor stated.

Also to be studied, the Mayor pointed out, would be Boston's past and present experience with coordinated pilot programs in code enforcement, enforcement personnel and procedures, coordination of enforcement activities, and liaison with neighborhood organizations.

Two Advisory Committees

The Mayor stated that an important aspect of this study was two advisory committees. One would be a citizens' advisory committee, and one would be composed of personnel from the departments affected.

The Mayor said that the objective of the study was to recommend what kind of administrative organization for code enforcement is needed, what kind of cooperation with cit-

zen groups is necessary to further the improvement of Boston, and how procedures for code enforcement can be made most effective.

The Mayor explained that part of the study would include on-the-spot observation of code enforcement operations in cities where this device has been effective.

Code enforcement combined with voluntary home improvements, improved municipal housekeeping, and community participation will help stop the spread of blight into areas, such as Dorchester, where good, moderate-priced housing must be protected, the Mayor noted.

Reasons for the Study

The Mayor gave these reasons for the study:

1. There is no systematic or coordinated enforcement of present codes and regulations which prescribe minimum standards of housing, sanitation, and structural safety.

2. Code enforcement is presently scattered among several city agencies, and these activities must be related to Boston's urban renewal and improvement programs.

3. The citizens of Boston have demonstrated that they, through their neighborhood organizations, understand and desire code enforcement to protect their communities for themselves and for their children in the future.

COREY RD. WIDENING

Brighton

The Mayor and Public Improvement Commission have approved the widening and construction of Corey road, Brighton district.

The project is described as follows:

South Side of Washington Street

The highway named Corey road is hereby widened on the southerly side, from Washington street approximately 322 feet northeasterly, and ordered constructed.

For the making of the aforesaid improvement an easement for street purposes is hereby taken in the following-described land, exclusive of trees, shrubs, or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to the California Oil Company, bounded:

Southwesterly by Washington street, thirteen and 74-100 feet; northwesterly by the southeasterly line of Corey road as it existed prior to this order, seventy and 01-100 feet, northeasterly by land hereinafter described as taken from the California Oil Company, three and 48-100 feet, and southeasterly by the southeasterly line of Corey road as widened under this order, by two measurements, fifty-six and 43-100 feet, and twenty-one and 02-100 feet on a curve of twelve and 80-100 feet radius, containing one hundred sixty-three square feet, more or less.

A parcel of land, supposed to belong to the California Oil Company, bounded:

Southwesterly by land hereinbefore described as taken from the California Oil Company, three and 48-100 feet, northwesterly by the southeasterly line of Corey road as it existed prior to this order, thirty and 92-100 feet, northeasterly by land hereinafter described as taken from Eliot Realty Corporation, five and 01-100 feet, and southeasterly by the southeasterly line of Corey road as widened under this order, thirty and 99-100 feet, containing one hundred thirty-one square feet, more or less.

A parcel of land, supposed to belong to Eliot Realty Corporation, bounded:

Southwesterly by land hereinbefore described as taken from the California Oil Company, five and 01-100 feet, northwesterly by the southeasterly line of Corey road as it existed prior to this order, by two measurements, one hundred twenty and 00-100 feet and sixty-five and 92-100 feet, northeasterly by land hereinafter described as taken from Frederick and Annie A. Johnson, one and 74-100 feet; southeasterly by the southeasterly line of Corey road as widened under this order, six and 61-100 feet, southwesterly by the southwesterly line of Corey road as widened under this order, one and 20-100 feet, southeasterly by the southeasterly line of Corey road as widened under this order, thirty and 38-100 feet, northeasterly by the northeasterly line of Corey road as widened under this order, two and 65-100 feet, and southeasterly by the southeasterly line of Corey road as widened under this order, one hundred forty-eight and 40-100 feet, containing

MAY WELFARE COST UP 12.7% FROM LAST YEAR

Following is a summary of financial and statistical report of the Welfare Department for May, 1961: ¶ The departmental expenditures for May, 1961, amounted to \$3,372,156.21, an increase of \$64,084 over the previous month. The rise was due to an increase in the caseload. There were 26,465 cases receiving assistance, representing 37,480 persons. The average grant per case was \$126.61. This amount does not include such resources as

support from absent fathers, Social Security benefits, contributions and other forms of income. Of the 1,673 applications processed, 1,323, or 79.1 per cent were approved.

¶ Old Age Assistance: A slight increase in the caseload was noted, primarily caused by transfers from other categories. Newly enacted legislation eliminating the alien residence requirement began to be felt. The 12,554 clients received

(Continued on next page.)

seven hundred sixty-five square feet, more or less.

A parcel of land, supposed to belong to Frederick and Annie A. Johnson, bounded:

Southwesterly by land hereinbefore described as taken from Eliot Realty Corporation, one and 74-100 feet, northwesterly by the southeasterly line of Corey road as it existed prior to this order, thirty-two and 64-100 feet; north-easterly by land hereinafter described as taken from the Cantor Construction Company, 12-100 feet, and southeasterly by the southeasterly line of Corey road as widened under this order, thirty-two and 60-100 feet, containing thirty square feet, more or less.

A parcel of land, supposed to belong to the Cantor Construction Company, bounded:

Southwesterly by land hereinbefore described as taken from Frederick and Annie A. Johnson, 12-100 feet; northwesterly by the southeasterly line of Corey road as it existed prior to this order, two and 37-100 feet, and southeasterly by the southeasterly line of Corey road as widened under this order, two and 36-100 feet, containing one square foot, more or less.

Trees, shrubs, or structures standing upon or affixed to the aforesaid land shall be removed therefrom within thirty (30) days following the city's recording of this order.

Said Corey road as hereby widened is bounded:

Southwesterly by Washington street, thirteen and 74-100 feet, northwesterly by the southeasterly line of Corey road as it existed prior to this order, by five measurements, one hundred and 93-100 feet, one hundred twenty and 00-100 feet, sixty-five and 92-100 feet, thirty-two and 64-100 feet, and two and 37-100 feet, southeasterly by the southeasterly line of Corey road as hereby widened, forty-one and 57-100 feet, southwesterly by the southwesterly line of Corey road as hereby widened, one and 20-100 feet; southeasterly by the southeasterly line of Corey road as hereby widened, thirty and 38-100 feet, northeasterly by the northeasterly line of Corey road as hereby widened, two and 65-100 feet, and southeasterly by the southeasterly line of Corey road as hereby widened, by two measurements, two hundred thirty-five and 82-100 feet and twenty-one and 02-100 feet on a curve of twelve and 80-100 feet radius.

No betterments are to be assessed for the making of the aforesaid improvement.

Northwest Corner of Washington Street

The highway named Corey road is hereby widened at the northeasterly corner of Washington street, and ordered constructed.

For the making of the aforesaid improvement an easement for street purposes is hereby taken in the following-described land, exclusive of trees, shrubs, or structures standing upon or affixed thereto:

(Continued on next page.)

WELFARE . . .

(Continued from previous page.)

\$1,144,176 for an average of \$90.25. There were 263 applications approved and 218 cases closed, leaving a caseload of 12,414 at the end of the month.

¶ Medical Assistance for Aged: During the month, 568 requests for assistance were received as compared to 488 for the previous month. More than two thirds of these were approved, 298, and 153 cases were closed, a net increase of 145. Medical expenditures amounted to \$688,238 and direct payments for personal care were \$19,881. On a cost-per-case basis, this category is the most expensive with an average of \$211.68 monthly.

¶ Aid to Dependent Children: The effect of more liberal legislation was the primary cause for the approval of 266 applications. This was partially offset by the closing of 105 cases resulting in a net rise of 161 cases. This is the largest monthly increase experienced in many years.

Costs increased by \$41,330, making the total expenditure for the month, \$893,157.

¶ Disability Assistance: A decrease in the caseload occurred due basically to legislation eliminating those 65 years of age and older from the program. There were 120 approvals and 233 closings. The 3,182 clients received \$464,228, an average of \$145.62. Of the 73 applications rejected, one half did not meet medical eligibility.

¶ General Relief: A combination of legislative changes and seasonal employment opportunities resulted in a decreased caseload. With 517 cases closed and only 376 applications approved the caseload dropped to 1,664. Expenditures amounted to \$162,473 for a monthly average of \$72.72. Vendor payments amounted to \$20,282, or \$5.76 per case. This is exclusive of medical care provided by the Boston City Hospital which is free to these recipients.

Corey Road . . .

(Continued from previous page.)

A parcel of land, supposed to belong to Sidney R. Rabb, *et al.*, bounded:

Northwesterly by Washington street, eleven and 33-100 feet; southwesterly by the northeasterly line of Corey road as it existed prior to this order, eleven and 33-100 feet, and northeasterly by the northeasterly corner of Corey road as widened under this order, eighteen and 92-100 feet on a curve of thirteen and 69-100 feet radius, containing twenty-six square feet, more or less.

Trees, shrubs, or structures standing upon or affixed to the aforescribed land shall be removed therefrom within thirty (30) days following the city's recording of this order.

Said Corey road as hereby widened is bounded:

Northwesterly by Washington street, eleven and 33-100 feet; southwesterly by the northeasterly line of Corey road as it existed prior to this order, eleven and 33-100 feet, and northeasterly by the northeasterly line of Corey road as hereby widened, eighteen and 92-100 feet on a curve of thirteen and 69-100 feet radius.

No betterments are to be assessed for the making of the aforesaid improvement.

Northwest Corner of Bellvista Road

The highway named Corey road is hereby widened at the northwesterly corner of Bellvista road, and ordered constructed.

For the making of the aforesaid improvement an easement for street purposes is hereby taken in the following-described land, exclusive of trees, shrubs, or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to Edna L. and Henry Krinsky, bounded:

Northeasterly by Bellvista road, seven and 94-100 feet; southeasterly by the northwesterly line of Corey road as it existed prior to this order, seven and 94-100 feet, and northwesterly by the northwesterly line of Corey road as widened under this order, twelve and 42-100 feet on a curve of seven and 99-100 feet radius, containing fourteen square feet, more or less.

Trees, shrubs, or structures standing upon or affixed to the aforescribed land shall be removed therefrom within thirty (30) days following the city's recording of this order.

Said Corey road as hereby widened is bounded:

Northeasterly by Bellvista road, seven and 94-100 feet; southeasterly by the northwesterly line of Corey road as it existed prior to this order, seven and 94-100 feet, and northwesterly by the northwesterly line of Corey road as hereby widened, twelve and 42-100 feet on a curve of seven and 99-100 feet radius.

No betterments are to be assessed for the making of the aforesaid improvement.

Southwest Corner of Bellvista Road

The highway named Corey road is hereby widened at the southwesterly corner of Bellvista road, and ordered constructed.

For the making of the aforesaid improvement an easement for street purposes is hereby taken in the following-described land, exclusive of trees, shrubs, or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to Carl N. Capillo and Ray P. Vigue, bounded:

Northeasterly by Bellvista road, seven and 24-100 feet; northwesterly by the southwesterly line of Corey road as it existed prior to this order, seven and 24-100 feet, and southwesterly by the southwesterly line of Corey road as widened under this order, eleven and 70-100 feet on a curve of eight and 00-100 feet radius, containing eleven square feet, more or less.

Trees, shrubs, or structures standing upon or affixed to the aforescribed land shall be removed therefrom within thirty (30) days following the city's recording of this order.

Said Corey road as hereby widened is bounded:

Northeasterly by Bellvista road, seven and 24-100 feet; northwesterly by the southeasterly line of Corey road as it existed prior to this order, seven and 24-100 feet, and southwesterly by the southwesterly line of Corey road as hereby widened, eleven and 70-100 feet on a curve of eight and 00-100 feet radius.

No betterments are to be assessed for the making of the aforesaid improvement.

Southeast Corner of Bellvista Road

The highway named Corey road is hereby widened at the southeasterly corner of Bellvista road, and ordered constructed.

For the making of the aforesaid improvement an easement for street purposes is hereby taken in the following-described land, exclusive of trees, shrubs, or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to Glendale Realty Company, bounded:

Southwesterly by Bellvista road, nine and 18-100 feet; northwesterly by the southeasterly line of Corey road as it existed prior to this order, nine and 18-100 feet, and southeasterly by the southeasterly line of Corey road as widened under this order, thirteen and 66-100 feet on a curve of eight and 06-100 feet radius, containing nineteen square feet, more or less.

Trees, shrubs, or structures standing upon or affixed to the aforescribed land shall be removed therefrom within thirty (30) days following the city's recording of this order.

Said Corey road as hereby widened is bounded:

Southwesterly by Bellvista road, nine and 18-100 feet; northwesterly by the southeasterly line of Corey road as it existed prior to this order, nine and 18-100 feet, and southeasterly by the southeasterly line of Corey road as hereby widened, thirteen and 66-100 feet on a curve of eight and 06-100 feet radius.

No betterments are to be assessed for the making of the aforesaid improvement.

Northwest Corner of Bellvista Road

The highway named Corey road is hereby widened at the northwesterly corner of Bellvista road, and ordered constructed.

For the making of the aforesaid improvement an easement for street purposes is hereby taken in the following-described land, exclusive of trees, shrubs, or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to Philip, Frederick, and William C. Krupp, bounded:

Southwesterly by Bellvista road, eight and 06-100 feet; southwesterly by the northeasterly line of Corey road as it existed prior to this order, eight and 06-100 feet, and northeasterly by the northeasterly line of Corey road as widened under this order, twelve and 63-100 feet on a curve of eight and 01-100 feet radius, containing fourteen square feet, more or less.

Trees, shrubs, or structures standing upon or affixed to the aforescribed land shall be removed therefrom within thirty (30) days following the city's recording of this order.

Said Corey road as hereby widened is bounded:

Southwesterly by Bellvista road, eight and 06-100 feet; southwesterly by the northeasterly line of Corey road as it existed prior to this order, eight and 06-100 feet, and northeasterly by the northeast-

erly line of Corey road as hereby widened, twelve and 63-100 feet on a curve of eight and 01-100 feet radius.

No betterments are to be assessed for the making of the aforesaid improvement.

Southwest Corner of Summit Avenue

The highway named Corey road is hereby widened at the southwesterly corner of Summit avenue, and ordered constructed.

For the making of the aforesaid improvement an easement for street purposes is hereby taken in the following-described land, exclusive of trees, shrubs, or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to Joseph and Eleana Bondi, bounded:

Northeasterly by Summit avenue, twelve and 31-100 feet; northeasterly by the southwesterly line of Corey road as it

existed prior to this order, twelve and 31-100 feet, and southwesterly by the southwesterly line of Corey road as widened under this order, nineteen and 71-100 feet on a curve of thirteen and 00-100 feet radius, containing thirty-two square feet, more or less.

Trees, shrubs, or structures standing upon or affixed to the aforescribed land shall be removed therefrom within thirty (30) days following the city's recording of this order.

Said Corey road as hereby widened is bounded:

Northeasterly by Summit avenue, twelve and 31-100 feet; northeasterly by the southwesterly line of Corey road as it existed prior to this order, twelve and 31-100 feet, and southwesterly by the southwesterly line of Corey road as hereby widened, nineteen and 71-100 feet on a curve of thirteen and 00-100 feet radius.

No betterments are to be assessed for the making of the aforesaid improvement.

Northwest Corner of Summit Avenue

The highway named Corey road is hereby widened at the northwesterly corner of Summit avenue, and ordered constructed.

For the making of the aforesaid improvement an easement for street purposes is hereby taken in the following-described land, exclusive of trees, shrubs, or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to Mary Glass, bounded:

Northeasterly by Summit avenue, thirteen and 73-100 feet; southeasterly by the northwesterly line of Corey road as it existed prior to this order, thirteen and 73-100 feet, and northwesterly by the northwesterly line of Corey road as widened under this order, twenty-one and 13-100 feet on a curve of thirteen and 00-100 feet radius, containing forty-two square feet, more or less.

Trees, shrubs, or structures standing upon or affixed to the aforescribed land shall be removed therefrom within thirty (30) days following the city's recording of this order.

Said Corey road as hereby widened is bounded:

Northeasterly by Summit avenue, thirteen and 73-100 feet; southeasterly by the northwesterly line of Corey road as it existed prior to this order, thirteen and 73-100 feet, and northwesterly by the northwesterly line of Corey road as hereby widened, twenty-one and 13-100 feet on a curve of thirteen and 00-100 feet radius.

No betterments are to be assessed for the making of the aforesaid improvement.

Southeast Corner of Kelton Street

The highway named Corey road is hereby widened at the southeasterly corner of Kelton street, and ordered constructed.

For the making of the aforesaid improvement an easement for street purposes is hereby taken in the following-described land, exclusive of trees, shrubs,

or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to Glendale Realty Company, bounded:

Northeasterly by Kelton street, twelve and 00-100 feet; northwesterly by the southeasterly line of Corey road as it existed prior to this order, twelve and 00-100 feet, and southeasterly by the southeasterly line of Corey road as widened under this order, nineteen and 76-100 feet on a curve of thirteen and 81-100 feet radius, containing twenty-nine square feet, more or less.

Trees, shrubs, or structures standing upon or affixed to the aforesaid land shall be removed therefrom within thirty (30) days following the city's recording of this order.

Said Corey road as hereby widened is bounded:

Northeasterly by Kelton street, twelve and 00-100 feet; northwesterly by the southeasterly line of Corey road as it existed prior to this order, twelve and 00-100 feet, and southeasterly by the southeasterly line of Corey road as hereby widened, nineteen and 76-100 feet on a curve of thirteen and 81-100 feet radius.

No betterments are to be assessed for the making of the aforesaid improvement.

Northwest Corner of Kelton Street

The highway named Corey road is hereby widened at the northwesterly corner of Kelton street, and ordered constructed.

For the making of the aforesaid improvement an easement for street purposes is hereby taken in the following-described land, exclusive of trees, shrubs, or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to Samuel and John Kingston, bounded:

Northeasterly by Kelton street, fourteen and 83-100 feet; southeasterly by the northwesterly line of Corey road as it existed prior to this order, fourteen and 83-100 feet, and northwesterly by the northwesterly line of Corey road as widened under this order, twenty-two and 04-100 feet on a curve of twelve and 88-100 feet radius, containing forty-nine square feet, more or less.

Trees, shrubs, or structures standing upon or affixed so the aforesaid land shall be removed therefrom within thirty (30) days following the city's recording of this order.

Said Corey road as hereby widened is bounded:

Northeasterly by Kelton street, fourteen and 83-100 feet; southeasterly by the northwesterly line of Corey road as it existed prior to this order, fourteen and 83-100 feet, and northwesterly by the northwesterly line of Corey road as hereby widened, twenty-two and 04-100 feet on a curve of twelve and 88-100 feet radius.

No betterments are to be assessed for the making of the aforesaid improvement.

ACTION ON DAMAGES

Voted, That this commission determines that the undermentioned persons sustain

damages in their estates by the making of the public improvement consisting of the widening and construction of Corey road, Brighton district, under an order of the commission of May 24, 1961, in the amounts hereinafter respectively set against them, and awards said amounts therefor:

Glendale Realty Company, 19 square feet, \$1.

Glendale Realty Company, 29 square feet, \$1.

Sidney R. Rabb *et al.*, 26 square feet, \$1.

Edna L. and Henry Krinsky, 14 square feet, \$1.

Carl N. Capillo and Ray P. Vigue, 11 square feet, \$1.

Joseph and Eleana Bondi, 32 square feet, \$1.

Mary Glass, 42 square feet, \$1.

Philip, Frederick, and William C. Krupp, 14 square feet, \$1.

Samuel and John Kingston, 49 square feet, \$1.

California Oil Company, 163 square feet, \$1.

California Oil Company, 131 square feet, \$1.

Eliot Realty Corporation, 765 square feet, \$1.

Frederick and Annie A. Johnson, 30 square feet, \$1.

Cantor Construction Company, 1 square foot, nothing.

Tax Rate . . .

(Continued from front page.)

¶ An analysis of the components of the rate, appropriations, estimated revenues and valuations, indicate a sound and equitable rate. Appropriations under the control of the Mayor are in accord with his established austerity program; estimated revenues are basically sound and within the limits established by law; and valuations established by the assessors are, in their judgment, fair and realistic.

FIRE DEPARTMENT ORDERS

June 13.

General Order No. 27.

I. HENRY M. DURAND.

It is with deep regret that the Acting Fire Commissioner announces the death on June 6, 1961, of Fire Fighter Henry M. Durand of Engine Squad 18. Fire Fighter Durand was appointed to the department on June 11, 1952.

The funeral was held from the O'Brien Funeral Home, 147 Dorchester street, South Boston, at 8 A.M., June 10, 1961, followed by a Requiem High Mass at St. Augustine's Church, Dorchester street, South Boston, at 9 A.M.

The chief of department made the customary detail to act as funeral escort, and members of Engine Squad 18 were excused from duty to attend the services.

II. A. D. T. DATA.

Company commanders shall add the following signal number to running cards of the A. D. T. Company in this department:

Signal 984, Barnstead Still and Sterilizer Company, 126 Call street. (Sprinkler.) Apparatus to respond: Engine 28, Ladder 10, District 9. Nearest box is 2543.

Notice has been received from the American District Telegraph Company that the following signal has been canceled:

Signal 3394, Republic Pipe and Supply Company, 1341 Columbus avenue.

III. CALL'S ASSIGNMENT.

Company commanders shall add the following signal number to running cards of Call's Police Signal Corporation in this department:

Signal 284, Atlas Engineering Company, 10-18 Cheney street. (Sprinkler.) Apparatus to respond: Engine 13, Ladder 23, District 9. Nearest box is 1792.

In General Order No. 26, dated June 6, 1961, Paragraph V, Call's assignment number was given as 2271, Republic Pipe and Supply Corporation. This signal number was in error, and it should be changed to read Signal 285.

POLICE DEPARTMENT ORDERS

June 13.

General Order No. 912.

The following reassignments are hereby ordered to take effect on Wednesday, June 14, 1961, at 7.45 o'clock A.M.:

Capt. Francis X. Quinn, from Division 1 to Traffic Division.

Capt. Michael F. O'Brien, from Division 4 to Division 1.

Capt. Bernard P. Slattery, from Traffic Division to Bureau of Criminal Investigation.

Capt. Warren A. Blair, from Bureau of Criminal Investigation to Division 4.

Lieut. Walter A. Rachalski, from Bureau of Criminal Investigation to Superintendent's Office.

Sergt. Thomas F. Cunningham, from Bureau of Criminal Investigation to Superintendent's Office.

Patrolman William F. McCarthy, from Division 3 to Superintendent's Office.

Patrolman Gerald R. Bulman, from Bureau of Criminal Investigation to Superintendent's Office.

Patrolman Robert L. Chenette, from Bureau of Criminal Investigation to Superintendent's Office.

Patrolman Robert L. Cunningham, from Bureau of Criminal Investigation to Superintendent's Office.

Patrolman Warren S. DeLaria, from Bureau of Criminal Investigation to Superintendent's Office.

Patrolman Daniel J. Harrington, from Bureau of Criminal Investigation to Superintendent's Office.

Patrolman Bernard F. O'Mara, from Bureau of Criminal Investigation to Superintendent's Office.

Patrolman Robert J. Wilson, from Bureau of Criminal Investigation to Superintendent's Office.

June 16.

General Order No. 913.

The following reassignment is hereby ordered to take effect on Monday, June 19, 1961, at 7.45 o'clock A.M.:

Lieut. Irvin W. Arntz, from Bureau of Criminal Investigation to Traffic Division.

WOODSTOCK AVE. WIDENING

Brighton

The Mayor and Public Improvement Commission have approved the widening and construction of Woodstock avenue, Brighton district, at the southwesterly corner of Bellvista road.

The project is described as follows:

Southwest Corner of Bellvista Road

The highway named Woodstock avenue is hereby widened at the southwesterly corner of Bellvista road, and ordered constructed.

For the making of the aforesaid improvement an easement for street purposes is hereby taken in the following-described land, exclusive of trees, shrubs, or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to Simeon Turchin, Trustee of the Turchin Real Estate Trust, bounded:

Northeasterly by Bellvista road, six and 10-100 feet; northeasterly by the southwesterly line of Woodstock avenue as it existed prior to this order, six and 10-100 feet, and southwesterly by the southwesterly line of Woodstock avenue as widened under this order, eight and 98-100 feet on a curve of five and 16-100 feet radius, containing eleven square feet, more or less.

Trees, shrubs, or structures standing upon or affixed to the aforescribed land shall be removed therefrom within thirty (30) days following the city's recording of this order.

Said Woodstock avenue as hereby widened is bounded:

Northeasterly by Bellvista road, six and 10-100 feet; northeasterly by the southwesterly line of Woodstock avenue as it existed prior to this order, six and 10-100 feet, and southwesterly by the southwesterly line of Woodstock avenue as hereby widened, eight and 98-100 feet on a curve of five and 16-100 feet radius.

No betterments are to be assessed for the making of the aforesaid improvement.

Southeast Corner of Bellvista Road

The highway named Woodstock avenue is hereby widened at the southeasterly corner of Bellvista road, and ordered constructed.

For the making of the aforesaid improvement an easement for street purposes is hereby taken in the following-described land, exclusive of trees, shrubs, or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to Avis A. and John J. Kingston, bounded:

Southwesterly by Bellvista road, seven and 24-100 feet; northwesterly by the southeasterly corner of Woodstock avenue as it existed prior to this order, seven and 24-100 feet, and southeasterly by the southeasterly line of Woodstock avenue as widened under this order, eleven and 72-100 feet on a curve of seven and 90-100 feet radius, containing eleven square feet, more or less.

Trees, shrubs, or structures standing upon or affixed to the aforescribed land shall be removed therefrom within thirty (30) days following the city's recording of this order.

Said Woodstock avenue as hereby widened is bounded:

Southwesterly by Bellvista road, seven and 24-100 feet; northwesterly by the southeasterly corner of Woodstock avenue as it existed prior to this order, seven and 24-100 feet, and southeasterly by the southeasterly line of Woodstock avenue as hereby widened, eleven and 72-100 feet on a curve of seven and 90-100 feet radius.

No betterments are to be assessed for the making of the aforesaid improvement.

Northeast Corner of Bellvista Road

The highway named Woodstock avenue is hereby widened at the northeasterly corner of Bellvista road, and ordered constructed.

For the making of the aforesaid improvement an easement for street purposes is hereby taken in the following-described land, exclusive of trees, shrubs, or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to Back Bay Apartments, Inc., bounded:

Southwesterly by Bellvista road, six and 20-100 feet; southwesterly by the northeasterly line of Woodstock avenue as it existed prior to this order, six and 20-100 feet, and northeasterly by the northeasterly line of Woodstock avenue as widened under this order, ten and 58-100 feet on a curve of eight and 00-100 feet radius, containing seven square feet, more or less.

Trees, shrubs, or structures standing upon or affixed to the aforescribed land shall be removed therefrom within thirty (30) days following the city's recording of this order.

Said Woodstock avenue as hereby widened is bounded:

Southwesterly by Bellvista road, six and 20-100 feet; southwesterly by the northeasterly line of Woodstock avenue as it existed prior to this order, six and 20-100 feet, and northeasterly by the northeasterly line of Woodstock avenue as hereby widened, ten and 58-100 feet on a curve of eight and 00-100 feet radius.

No betterments are to be assessed for the making of the aforesaid improvement.

Northwest Corner of Bellvista Road

The highway named Woodstock avenue is hereby widened at the northwesterly corner of Bellvista road, and ordered constructed.

For the making of the aforesaid improvement an easement for street purposes is hereby taken in the following-

described land, exclusive of trees, shrubs, or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to Simeon Turchin, Trustee of the Turchin Real Estate Trust, bounded:

Northeasterly by Bellvista road, five and 93-100 feet; southeasterly by the northwesterly line of Woodstock avenue as it existed prior to this order, five and 93-100 feet, and northwesterly by the northwesterly line of Woodstock avenue as widened under this order, eight and 70-100 feet on a curve of five and 00-100 feet radius, containing eight square feet, more or less.

Trees, shrubs, or structures standing upon or affixed to the aforescribed land shall be removed therefrom within thirty (30) days following the city's recording of this order.

Said Woodstock avenue as hereby widened is bounded:

Northeasterly by Bellvista road, five and 93-100 feet; southeasterly by the northwesterly line of Woodstock avenue as it existed prior to this order, five and 93-100 feet, and northwesterly by the northwesterly line of Woodstock avenue as hereby widened, eight and 70-100 feet on a curve of five and 00-100 feet radius.

No betterments are to be assessed for the making of the aforesaid improvement.

Northwest Corner of Summit Avenue

The highway named Woodstock avenue is hereby widened at the northwesterly corner of Summit avenue, and ordered constructed.

For the making of the aforesaid improvement an easement for street purposes is hereby taken in the following-described land, exclusive of trees, shrubs, or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to Ashman *et al.*, bounded:

Northeasterly by Summit avenue, eight and 32-100 feet; southeasterly by the northeasterly line of Woodstock avenue as it existed prior to this order, eight and 32-100 feet, and northwesterly by the northwesterly line of Woodstock avenue as widened under this order, twelve and 88-100 feet on a curve of eight and 00-100 feet radius, containing fifteen square feet, more or less.

Trees, shrubs, or structures standing upon or affixed to the aforescribed land shall be removed therefrom within thirty (30) days following the city's recording of this order.

Said Woodstock avenue as hereby widened is bounded:

Northeasterly by Summit avenue, eight and 32-100 feet; southeasterly by the northwesterly line of Woodstock avenue as it existed prior to this order, eight and 32-100 feet, and northwesterly by the northwesterly line of Woodstock avenue as hereby widened, twelve and 88-100 feet on a curve of eight and 00-100 feet radius.

No betterments are to be assessed for the making of the aforesaid improvement.

Southeast Corner of Summit Avenue

The highway named Woodstock avenue is hereby widened at the southeasterly corner of Summit avenue, and ordered constructed.

For the making of the aforesaid improvement an easement for street purposes is hereby taken in the following-described land, exclusive of trees, shrubs, or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to Glendale Realty Company, bounded:

Northeasterly by Summit avenue, seven and 69-100 feet; northwesterly by the southeasterly line of Woodstock avenue as it existed prior to this order, seven and 69-100 feet, and southeasterly by the southeasterly line of Woodstock avenue as widened under this order, twelve and 25-100 feet on a curve of eight and 00-100 feet radius, containing thirteen square feet, more or less.

Trees, shrubs, or structures standing upon or affixed to the aforescribed land shall be removed therefrom within thirty (30) days following the city's recording of this order.

Said Woodstock avenue as hereby widened is bounded:

Northeasterly by Summit avenue, seven and 69-100 feet; northwesterly by the southeasterly line of Woodstock avenue as it existed prior to this order, seven and 69-100 feet, and southeasterly by the southeasterly line of Woodstock avenue as hereby widened, twelve and 25-100 feet on a curve of eight and 00-100 feet radius.

No betterments are to be assessed for the making of the aforesaid improvement.

ACTION ON DAMAGES

Voted, That this commission determines that the undermentioned persons sustain damages in their estates by the making of the public improvement consisting of the widening and construction of Woodstock avenue, Brighton district, under an order of the commission of May 24, 1961, in the amounts hereinafter respectively set against them, and awards said amounts therefor:

Appel Ashman *et al.*, 15 square feet, \$1.

Simeon Turchin, Trustee of the Turchin Real Estate Trust, 8 square feet, \$1.

Avis A. and John J. Kingston, 11 square feet, \$1.

Glendale Realty Company, 13 square feet, \$1.

Simeon Turchin, Trustee of the Turchin Real Estate Trust, 11 square feet, \$1.

Back Bay Apartments, Inc., 7 square feet, \$1.

BELLAMY ST. WIDENING*Brighton*

The Mayor and Public Improvement Commission have approved the widening and construction of Bellamy street, Brighton district.

The project is described as follows:

North Corner of Burton Street

The highway named Bellamy street is hereby widened at the northerly corner of Burton street, and ordered constructed.

For the making of the aforesaid improvement an easement for street purposes is hereby taken in the following-described land, exclusive of trees, shrubs, or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to Sabina E. Donovan, bounded:

Westerly by Burton street, ten and 00-100 feet; southerly by the northerly line of Bellamy street as it existed prior to this order, ten and 00-100 feet, and northerly by the northerly line of Bellamy street as widened under this order, twelve and 32-100 feet on a curve of five and 96-100 feet radius, containing twenty-three square feet, more or less.

Trees, shrubs, or structures standing upon or affixed to the aforescribed land shall be removed therefrom within thirty (30) days following the city's recording of this order.

Said Bellamy street as hereby widened is bounded:

Westerly by Burton street, ten and 00-100 feet; southerly by the northerly line of Bellamy street as it existed prior to this order, ten and 00-100 feet, and northerly by the northerly line of Bellamy street as hereby widened, twelve and 32-100 feet on a curve of five and 96-100 feet radius.

No betterments are to be assessed for the making of the aforesaid improvement.

South Corner of Burton Street

The highway named Bellamy street is hereby widened at the southerly corner of Burton street, and ordered constructed.

For the making of the aforesaid improvement an easement for street purposes is hereby taken in the following-described land, exclusive of trees, shrubs, or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to Gerard E. and Dorothy M. Daly, bounded:

Westerly by Burton street, fourteen and 90-100 feet; northerly by the southerly line of Bellamy street as it existed prior to this order, fourteen and 90-100 feet, and southerly by the southerly line of Bellamy street as widened under this order, twenty-six and 44-100 feet on a curve of twenty-five and 00-100 feet radius, containing forty-two square feet, more or less.

Trees, shrubs, or structures standing upon or affixed to the aforescribed land shall be removed therefrom within thirty (30) days following the city's recording of this order.

Said Bellamy street as hereby widened is bounded:

Westerly by Burton street, fourteen and 90-100 feet; northerly by the southerly line of Bellamy street as it existed prior to this order, fourteen and 90-100 feet, and southerly by the southerly line of Bellamy street as hereby widened, twenty-six and 44-100 feet on a curve of twenty-five and 00-100 feet radius.

No betterments are to be assessed for the making of the aforesaid improvement.

ACTION ON DAMAGES

Voted, That this commission determines that the undermentioned persons sustain damages in their estates by the making of the public improvement consisting of the widening and construction of Bellamy street, Brighton district, under an order of the commission of May 24, 1961, in the amounts hereinafter respectively set against them, and awards said amounts therefor:

Gerard E. and Dorothy M. Daly, 42 square feet, \$1.

Sabina E. Donovan, 23 square feet, \$1.

BURTON ST. WIDENING*Brighton*

The Mayor and Public Improvement Commission have approved the widening and construction of Burton street, Brighton district, at the corner of Washington street.

The project is described as follows:

Southwest Corner of Washington Street

The highway named Burton street is hereby widened at the southeasterly corner of Washington street, and ordered constructed.

For the making of the aforesaid improvement an easement for street purposes is hereby taken in the following-described land, exclusive of trees, shrubs, or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to Francis C. McNerny, bounded:

Southwesterly by Washington street, thirteen and 22-100 feet; northwesterly by the southeasterly line of Burton street as it existed prior to this order, thirteen and 22-100 feet, and southeasterly by the southeasterly line of Burton street as widened under this order, twenty and 64-100 feet on a curve of thirteen and 00-100 feet radius, containing thirty-eight square feet, more or less.

Trees, shrubs, or structures standing upon or affixed to the aforescribed land shall be removed therefrom within thirty (30) days following the city's recording of this order.

Said Burton street as hereby widened is bounded:

Southwesterly by Washington street, thirteen and 22-100 feet; northwesterly by the southeasterly line of Burton street, as it existed prior to this order, thirteen and 22-100 feet, and southeasterly by the southeasterly line of Burton street as hereby widened, twenty and 64-100 feet on a curve of thirteen and 00-100 feet radius.

No betterments are to be assessed for the making of the aforesaid improvement.

Northwest Corner of Washington Street

The highway named Burton street is hereby widened at the northwesterly corner of Washington street, and ordered constructed.

For the making of the aforesaid improvement an easement for street purposes is hereby taken in the following-

described land, exclusive of trees, shrubs, or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to Joseph C. and Katherine F. Tomasello, bounded:

Southwesterly by Washington street, twelve and 98-100 feet; southeasterly by the northwesterly line of Burton street as it existed prior to this order, twelve and 78-100 feet, and northwesterly by the northwesterly line of Burton street as widened under this order, twenty and 20-100 feet on a curve of thirteen and 00-100 feet radius, containing thirty-five square feet, more or less.

Trees, shrubs, or structures standing upon or affixed to the aforesaid land shall be removed therefrom within thirty (30) days following the city's recording of this order.

Said Burton street as hereby widened is bounded:

Southwesterly by Washington street, twelve and 98-100 feet; southeasterly by the northwesterly line of Burton street as it existed prior to this order, twelve and 78-100 feet, and northwesterly by the northwesterly line of Burton street as hereby widened, twenty and 20-100 feet on a curve of thirteen and 00-100 feet radius.

No betterments are to be assessed for the making of the aforesaid improvement.

ACTION ON DAMAGES

Voted, That this commission determines that the undermentioned persons sustain damages in their estates by the making of the public improvement consisting of the widening and construction of Burton street, Brighton district, at the southeasterly and northwesterly corners of Washington street, under an order of the commission of May 24, 1961, in the amounts hereinafter respectively set against them, and awards said amounts therefor.

Francis C. McInerney, 38 square feet, \$1.
Joseph C. and Katherine F. Tomasello, 35 square feet, \$1.

BRAINERD RD. WIDENING

Brighton

The Mayor and Public Improvement Commission have approved the widening and construction of Brainerd road, Brighton district, at the southeasterly corner of Kelton street.

The project is described as follows:

Southwest Corner of Kelton Street

The highway named Brainerd road is hereby widened at the southeasterly corner of Kelton street, and ordered constructed.

For the making of the aforesaid improvement an easement for street purposes is hereby taken in the following-described land, exclusive of trees, shrubs, or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to Park Management, Inc., bounded:

Southwesterly by Kelton street, ten and 53-100 feet; northwesterly by the

southeasterly line of Brainerd road as it existed prior to this order, fifteen and 61-100 feet, and southeasterly by the southeasterly line of Brainerd road as widened under this order, twenty-one and 97-100 feet on a curve of twelve and 00-100 feet radius, containing fifty-five square feet.

Trees, shrubs, or structures standing upon or affixed to the aforesaid land shall be removed therefrom within thirty (30) days following the city's recording of this order.

Said Brainerd road as hereby widened is bounded:

Southwesterly by Kelton street, ten and 53-100 feet; northwesterly by the southeasterly line of Brainerd road as it existed prior to this order, fifteen and 61-100 feet, and southeasterly by the southeasterly line of Brainerd road as hereby widened, twenty-one and 97-100 feet on a curve of twelve and 00-100 feet radius.

No betterments are to be assessed for the making of the aforesaid improvement.

Northwest Corner of Kelton Street

The highway named Brainerd road is hereby widened at the northwesterly corner of Kelton street, and ordered constructed.

For the making of the aforesaid improvement an easement for street purposes is hereby taken in the following-described land, exclusive of trees, shrubs, or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to Robert Banker and M. Keen Cornell, bounded:

Southwesterly by Kelton street, ten and 28-100 feet; southeasterly by the northwesterly line of Brainerd road as it existed prior to this order, ten and 28-100 feet, and northwesterly by the northwesterly line of Brainerd road as widened under this order, seventeen and 51-100 feet on a curve of thirteen and 30-100 feet radius, containing twenty square feet, more or less.

Trees, shrubs, or structures standing upon or affixed to the aforesaid land shall be removed therefrom within thirty (30) days following the city's recording of this order.

Said Brainerd road as hereby widened is bounded:

Southwesterly by Kelton street, ten and 28-100 feet; southeasterly by the northwesterly line of Brainerd road as it existed prior to this order, ten and 28-100 feet, and northwesterly by the northwesterly line of Brainerd road as hereby widened, seventeen and 51-100 feet on a curve of thirteen and 30-100 feet radius.

No betterments are to be assessed for the making of the aforesaid improvement.

ACTION ON DAMAGES

Voted, That this commission determines that the undermentioned persons sustain damages in their estates by the making of the public improvement consisting of the widening and construction of Brainerd road, Brighton district, at the northwesterly and southwesterly corners of

Kelton street, under an order of the commission of May 24, 1961, in the amounts hereinafter respectively set against them, and awards said amounts therefor:

Robert Banker and M. Keen Cornell, 20 square feet, \$1.

Park Management, Inc., 55 square feet, \$1.

WESTBOURNE TER. WIDENING

Brighton

The Mayor and Public Improvement Commission have approved the widening and construction of Westbourne terrace, Brighton district, at the corner of Corey road.

The project is described as follows:

Southwest Corner of Corey Road

The highway named Westbourne terrace is hereby widened at the southwesterly corner of Corey road, and ordered constructed.

For the making of the aforesaid improvement an easement for street purposes is hereby taken in the following-described land, exclusive of trees, shrubs, or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to the Cantor Construction Company, bounded:

Northwesterly by Corey road, eleven and 96-100 feet; northeasterly by the southwesterly line of Westbourne terrace as it existed prior to this order, eleven and 96-100 feet, and southwesterly by the southwesterly corner of Westbourne terrace as widened under this order, nineteen and 33-100 feet on a curve of thirteen and 00-100 feet radius, containing thirty square feet, more or less.

Trees, shrubs, or structures standing upon or affixed to the aforesaid land shall be removed therefrom within thirty (30) days following the city's recording of this order.

Said Westbourne terrace as hereby widened is bounded:

Northwesterly by Corey road, eleven and 96-100 feet; northeasterly by the southwesterly line of Westbourne terrace as it existed prior to this order, eleven and 96-100 feet, and southwesterly by the southwesterly corner of Westbourne terrace as hereby widened, nineteen and 33-100 feet on a curve of thirteen and 00-100 feet radius.

No betterments are to be assessed for the making of the aforesaid improvement.

Northwest Corner of Corey Road

The highway named Westbourne terrace is hereby widened at the northwesterly corner of Corey road, and ordered constructed.

For the making of the aforesaid improvement an easement for street purposes is hereby taken in the following-described land, exclusive of trees, shrubs, or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to Robert F. and Louise C. Collins, bounded:

Northwesterly by Corey road, fourteen and 14-100 feet; southwesterly by the northeasterly line of Westbourne terrace

as it existed prior to this order, fourteen and 14-100 feet, and northeasterly by the northeasterly line of Westbourne terrace as widened under this order, twenty-one and 51-100 feet on a curve of thirteen and 00-100 feet radius, containing forty-four square feet, more or less.

Trees, shrubs, or structures standing upon or affixed to the aforesaid land shall be removed therefrom within thirty (30) days following the city's recording of this order.

Said Westbourne terrace as hereby widened is bounded:

Northwesterly by Corey road, fourteen and 14-100 feet; southwesterly by the northeasterly line of Westbourne terrace as it existed prior to this order, fourteen and 14-100 feet, and northeasterly by the northeasterly line of Westbourne terrace as hereby widened, twenty-one and 51-100 feet on a curve of thirteen and 00-100 feet radius.

No betterments are to be assessed for the making of the aforesaid improvement.

ACTION ON DAMAGES

Voled, That this commission determines that the undermentioned persons sustain damages in their estates by the making of the widening and construction of Westbourne terrace, Brighton district, at the southwesterly and northwesterly corners of Corey road, under an order of the commission of May 24, 1961, in the amounts hereinafter respectively set against them, and awards said amounts therefor:

Cantor Construction Company, 30 square feet, \$1.

Robert F. and Louise C. Collins, 44 square feet, \$1.

CHISWICK TER. WIDENING

Brighton

The Mayor and Public Improvement Commission have approved the widening and construction of Chiswick terrace, Brighton district, at the northwesterly corner of Chiswick road.

The project is described as follows:

Northwest Corner of Chiswick Road

The highway named Chiswick terrace is hereby widened at the northwesterly corner of Chiswick road, and ordered constructed.

For the making of the aforesaid improvement an easement for street purposes is hereby taken in the following-described land, exclusive of trees, shrubs, or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to Bernice R. Bornstein, bounded:

Southwesterly by Chiswick road, thirteen and 00-100 feet; southeasterly by the northwesterly line of Chiswick terrace as it existed prior to this order, thirteen and 00-100 feet, and northwesterly by the northwesterly line of Chiswick terrace as hereby widened under this order, twenty and 42-100 feet on a curve of thirteen and 00-100 feet radius, containing thirty-six square feet, more or less.

Trees, shrubs, or structures standing upon or affixed to the aforesaid land shall be removed therefrom within thirty (30) days following the city's recording of this order.

Said Chiswick terrace as hereby widened is bounded:

Southwesterly by Chiswick road, thirteen and 00-100 feet; southeasterly by the northwesterly line of Chiswick terrace as it existed prior to this order, thirteen and 00-100 feet, and northwesterly by the northwesterly line of Chiswick terrace as hereby widened, twenty and 42-100 feet on a curve of thirteen and 00-100 feet radius.

No betterments are to be assessed for the making of the aforesaid improvement.

Northeast Corner of Chiswick Road

The highway named Chiswick terrace is hereby widened at the northeasterly corner of Chiswick road, and ordered constructed.

For the making of the aforesaid improvement an easement for street purposes is hereby taken in the following-described land, exclusive of trees, shrubs, or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to Joseph T. Donovan, bounded:

Southwesterly by Chiswick road, thirteen and 00-100 feet; northeasterly by the northeasterly line of Chiswick terrace as it existed prior to this order, thirteen and 00-100 feet, and northeasterly by the northeasterly line of Chiswick terrace as widened under this order, twenty and 42-100 feet on a curve of thirteen feet radius, containing thirty-six square feet, more or less.

Trees, shrubs, or structures standing upon or affixed to the aforesaid land shall be removed therefrom within thirty (30) days following the city's recording of this order.

Said Chiswick terrace as hereby widened is bounded:

Southwesterly by Chiswick road, thirteen and 00-100 feet; northeasterly by the northeasterly line of Chiswick terrace as it existed prior to this order, thirteen and 00-100 feet, and northeasterly by the northeasterly line of Chiswick terrace as hereby widened, twenty and 42-100 feet on a curve of thirteen and 00-100 feet radius.

No betterments are to be assessed for the making of the aforesaid improvement.

ACTION ON DAMAGES

Voled, That this commission determines that the undermentioned persons sustain damages in their estates by the making of the public improvement consisting of the widening and construction of Chiswick terrace, Brighton district, at the northwesterly and northeasterly corners of Chiswick road, under an order of the commission of May 24, 1961, in the amounts hereinafter respectively set against them and awards said amounts therefor.

Bernice R. Bornstein, 36 square feet, \$1.

Joseph T. Donovan, 36 square feet, \$1.

From Brown avenue to Seymour street.

During the emergency created by a new parking lot on Beacon street, Boston Proper, between Maitland street and Munson street, commencing June 6 through June 19, parking of vehicles is prohibited in the following streets when and where official signs are in place:

Beacon Street, Boston Proper.

South side, from Maitland street to Munson street, 24 hours.

Maitland Street Boston Proper.

Both sides, from Beacon street to the Boston & Albany Railroad, 24 hours.

CIVIL SERVICE EXAMINATION

A Massachusetts Civil Service examination for statistical machine operator in the City of Boston, Assessing Department, will be held July 29, 1961. Last date for filing applications is Monday, July 10. The minimum salary is \$56.25 a week; the maximum salary is \$68.75 a week. Vacancies occur from time to time, for women, on a permanent or temporary basis. Information and application blanks may be obtained at the office of the Division of Civil Service, Rooms 145-152, State House, Boston.

N. Y. Housing and Renewal Booms

Ten major housing and urban renewal projects that will provide 2,578 apartments at a total cost of \$51,383,513 were approved by the New York Board of Estimate. The largest was the \$18,279,000 state-aided middle income project that will straddle an approach to the George Washington Bridge.

CONTRACTS AWARDED

The Mayor approved the award of the following contracts to the lowest eligible bidders:

ADMINISTRATIVE SERVICES DEPARTMENT.

Purchasing Division.

Fire Alarm Box Sections

Furnishing fire alarm box sections, etc., to the Fire Department awarded to the only bidder, Alexander Santilli, doing business as Alloy Castings, in the amount of \$12,020, less 2 per cent discount, time of payment.

The bid was:

Requisition No. 225.

Item 1. 100 Cast Aluminum Portland Fire Alarm Box Sections, As Specified, Each.—Alloy Castings, \$84.

Item 2. 160 Cast Aluminum Light Extensions for Fire Alarm Posts, As Specified, Each.—Alloy Castings, \$10.80.

Item 3. 50 Cast Aluminum Middle Sections for Fire Alarm Posts, As Specified, Each.—Alloy Castings, \$40.

* Contract awarded.

X-Ray Equipment

Furnishing X-ray equipment to the Boston City Hospital awarded as follows:

All bids received on Item 1 are being rejected. Authority was given to award a contract for Item 2 to the lowest acceptable bidder, Westinghouse Electric Corporation, in the amount of \$43,847, net, 30 days.

The bids were:

Item 1. Requisition No. 709, X-Ray Equipment for Gastrointestinal R and F Room, Thorndike Annex Building, As Per Specifications and Sketch.—All bids rejected.

Item 2. Requisition No. 710, X-Ray Equipment for Barium Enema Room, Thorndike Building, Complete X-Ray and Fluoroscopic Unit, with Tilt Table, 9-Inch Image Intensifier, Cine and T. V. Unit, As Per Specifications and Sketch:

A Single Lump Sum Bid for all Items Comprising List A.—General Electric Company, \$31,500; Keleket X-Ray Corporation, \$34,895; Westinghouse Electric Corporation, \$31,276*; Picker X-Ray Corporation, \$31,250.

A Single Lump Sum Bid for All Items Comprising List B.—General Electric Company, \$8,300; Keleket X-Ray Corporation, \$8,325; Westinghouse Electric Corporation, \$7,938*; Picker X-Ray Corporation, \$8,470.

A Single Lump Sum Bid for all Items Comprising List C.—General Electric Company, \$5,400; Keleket X-Ray Corporation, \$5,486; Westinghouse Electric Corporation, \$4,633*; Picker X-Ray Corporation, \$5,670.

* Contract awarded.

Street Sweepers

Furnishing street sweepers to the Public Works Department awarded as follows:

The lowest bidder, Casey & Dupuis Equipment Corporation, submitted a price of \$53,643, less 2 per cent, 15 days, making a net total of \$52,561.32. The second lowest bidder, E. J. Bleiler Equipment Company, Inc., submitted a price of \$52,800, net. The difference between the second lowest bidder and the lowest bidder amounts to \$236.68.

The Public Works Commissioner has indicated in writing that delivery is a most important factor in making the award on these sweepers. Inasmuch as the second lowest bidder is offering the best delivery date and since the difference in price between the two bidders is comparatively small, authority was given to award a contract to E. J. Bleiler Equipment Company, Inc., at a net total of \$52,800.

The bids were:

Requisition No. 436.

Six New, Latest Model, Street Sweepers, Elgin Street King, Wayne Model 2-550, or Equal, Furnished and Delivered in Accordance with Specifications.—Builders' Equipment and Supplies Company, list price (6), \$88,200, less trade-in allowance (6), \$8,500, total delivered price (6), \$79,700; Casey & Dupuis Equipment Corporation, list price (6), \$79,363.08, less trade discount (6), \$13,729.08, less trade-in allowance (6), \$12,000, total delivered price (6), \$53,634, cash discount,

\$1,072.68 (2 per cent, 15 days); E. J. Bleiler Equipment Company, Inc., list price (6), \$86,802*, less trade discount (6), \$28,002, less trade-in allowance (6), \$6,000, total delivered price (6), \$52,800, cash discount, net, 30 days.

* Contract awarded.

Stationery Supplies

Furnishing stationery supplies to the Printing Section awarded as follows:

Bids received on Item 10 have been rejected; this item will be purchased in the open market. Authority is requested to award all other items to the lowest bidders. Approximate total amounts of awards were as follows:

Contract for: Boston Paper Board Company, Inc., \$2,810.50, less 2 per cent discount, time of payment.

Orders for: L. E. Muran Company, \$1,543.60, less 2 per cent discount, 10 days; net, 30 days; Simon J. Aaronson, doing business as Martin Stationery Company, \$953, less 2 per cent discount, time of payment; P. J. Monahan, doing business as Milton Specialty Company, \$568, less 2 per cent discount; Blake & Rebhan Company, \$164, less 2 per cent discount, time of payment; James T. Towhill Company, Inc., \$354, less 2 per cent discount, time of payment.

The bids were:

Item 1. Rubber Bands, 1-Pound Boxes:

(a) 800 Boxes, No. 18, 100 Per Cent, Pure Rubber, Per Box.—Blake & Rebhan Company, \$1.12; Thomas Groom & Co., Inc., \$1.09; Martin Stationery Company, 81 cents; Milton Specialty Company, 95 cents; L. E. Muran Company, 98 cents; James T. Towhill Company, Inc., \$1.02.

* Contract awarded.

WITHOUT ADVERTISING

The Mayor approved the award of contracts, without advertising, based on the following communications:

GOVERNMENT CENTER COMMISSION.

City Hall Design Competition

DEAR MR. MAYOR:

The Government Center Commission was created by chapter 624 of the Acts of 1958, as amended, to contract in the name and on behalf of the City of Boston for the preparation of a suitable site and the planning and construction thereon and the original equipping and furnishing of a new City Hall for said city.

Toward the accomplishment of such purposes, the Government Center Commission has, by formal vote, authorized and directed that a national competition be duly conducted in the name and on behalf of the city for the selection of an architect to be employed, subject to prior written approval by your Honor, to prepare the working drawings, and detailed specifications, and to supervise construction of the new City Hall.

The Government Center Commission also has formally voted that Lawrence B. Anderson, Professor of Architecture at the Massachusetts Institute of Technology, be engaged as professional adviser to direct, under the control and supervision of the commission, the conduct of such competition, which will include, among other things, the preparation of the program for the competition, to be subject to the written approval of the commission, as well as the engagement of the jury of award to judge the competition in two stages. To fulfill the object of this latter vote will necessitate the execution of a formal and proper contract between the city and Professor Anderson covering the work to be done and the services to be performed by him.

However, inasmuch as the type and nature of the work and services to be rendered by Professor Anderson are professional in kind and entail talents and training of unusual character, such as do not, understandably, lend themselves to a public solicitation of bids therefor, the undersigned, for and on behalf of the commission, respectfully requests that your written authority be granted to dispense with public advertising in the *City Record* for the subject services and to enter into a contract for the same with said Lawrence B. Anderson in an amount not to exceed \$75,000. For the information of your Honor, the above stated sum constitutes the commission's best estimate, as of this date, of the cost of the architectural competition in its entirety. This sum will be allocated in the contract form as follows:

Personal services, Professional Adviser, \$8,500.

Five jurors (first and second stages of competition) at \$1,000 each to cover both stages, \$5,000.

Two jurors (second stage of competition) at \$500 each, \$1,000.

Eight final competitors at \$5,000 each, \$40,000.

Final competitor selected by jury as winner, \$5,000.

Expenses of professional adviser and jurors, \$16,500 (includes travel necessary in the performance of their duties; printing of program; long distance telephone calls, telegrams, postage, etc.; and subsistence for nonresident jurors).

It is to be noted that the entire amount of \$10,000, which will be paid to that competitor, who is the winner, will be considered as an advance payment on his architectural fee, should he be commissioned as the architect for the project.

As recited above, the total sum of \$75,000 represents what is presently considered to be the outside cost of the competition but should it subsequently develop that the final cost, due to an increase in the \$15,500 amount contemplated for competition expenses as such, is to exceed that sum, a written authorization will be requested of your Honor for permission to amend the contract accordingly.

Respectfully yours,

GOVERNMENT CENTER COMMISSION,
By ROBERT M. MORGAN,
Chairman.

MAYOR'S OFFICE.
Public Concerts

DEAR MR. MAYOR:

It is my intention to arrange by formal written contract for the furnishing of music for public enjoyment on Boston Common and at Jamaica Pond and Franklin Park, on certain dates in the months of July and August. After due deliberation, it has been decided, subject to the prior approval of your Honor, to award a formal written contract to Herman Silberman, an accomplished member of the Boston Symphony Orchestra for sixteen years, in the amount of not to exceed \$4,565.50, for providing a series of two (2) hour concerts on the dates and at the sites and hours designated below:

Parkman Bandstand.

Boston Common:

July 11, 12, 13, 14, 15—12 NOON TO 2 P.M.
July 4, 9, 16, 23, 30—8 P.M. TO 10 P.M.

Jamaica Pond Bandstand.

Jamaica Plain:

July 4, 19, and August 2—8 P.M. TO 10 P.M.

Franklin Park Bandstand.

Dorchester:

July 12, 26—8 P.M. TO 10 P.M.

These concerts will be given by orchestras, consisting as the contract will specify, of from 20 to 22 musicians, including the leader.

In view of the fact that securing the particular type and quality of service involved in performing one of the higher forms of art, as in the case with music, is not such as would necessarily be assured through the customary procedure of publicly advertising for proposals, your authorization is requested for permission to dispense with advertising in the award of the subject contract.

Respectfully yours,

JOHN H. O'NEILL, JR.,
Administrative Assistant.

TRANSFERS OF APPROPRIATIONS

The Mayor has approved the following request for transfers of appropriations:

FINANCE COMMISSION.

From 49-2, Current Charges and Obligations, \$1,500, to 28-1, Travel Expenses, Outside State, \$1,500.

From 49-2, Current Charges and Obligations, \$500, to 28-2, Travel Expenses, Inside State, \$500.

VETERANS' RETIREMENTS

The Mayor has approved the following veterans' applications for retirement:

John J. Hayes, 90 Elmer road, Dorchester, street cleaning and waste collection inspector, Sanitary Division, Public Works Department.

Samuel Cline, also known as Simon Clein, 183 Allerton road, Newton, visiting laryngologist, Sanatorium Division, Hospital Department.

James E. Coyle, 189 Monticello avenue, Dorchester, bricklayer, Central Office, Public Works Department.

Edward M. O'Flaherty, 31 Lindall street, Roslindale, deputy superintendent, Alterations and Repairs Division, School Buildings Department.

Francis T. Power, 25 Cerdan avenue, Roslindale, trade instructor, Boston Trade High School.

PUBLIC IMPROVEMENTS

The Mayor and Public Improvement Commission have approved the following:

Marquee Permit on State St.

That permission be granted to Katherine F. Ladd, 50 State street, Boston Proper, to erect and maintain a permanent marquee at the Broad Street entrance to No. 131 State street, Boston Proper district, substantially as shown on a plan by Sumner Schein, architect and engineer, 271 Huntington avenue, Boston, dated May 12, 1961, and on file in the office of the Commissioner of Public Works.

Crosstown Ave., Private Way

West Roxbury

That in accordance with the provisions of chapter 117 of the Acts of 1947, permission is

hereby granted to James F. Mahoney to prepare for public travel Crosstown avenue, West Roxbury district, between Salmon street and Vogel street, provided that the construction of said Crosstown avenue shall be in accordance with the City of Boston plans and specifications for the construction of private ways opened for public travel as shown on a plan entitled "Details and Specifications for Construction of Private Ways Opened to Public Travel, December 1, 1960, Frederick L. Garvin, Acting Division Engineer, Engineering Division, Public Works Department," and in accordance with the lines and grades as shown on a plan dated March 18, 1961, by George C. Hallisey, Surveyor, and filed in the Engineering Division of the Public Works Department, City of Boston.

Northdale Terr., Private Way

West Roxbury

That in accordance with the provisions of chapter 117 of the Acts of 1947, permission is hereby granted to Charles J. O'Malley to prepare for public travel Northdale terrace, West Roxbury district, from Northdale road approximately 190 feet southwesterly, provided that the construction of said Northdale terrace shall be in accordance with the City of Boston plans and specifications for the construction of private ways opened for public travel as shown on a plan entitled "Details and Specifications for Construction of Private Ways Opened to Public Travel, December 1, 1960, Frederick L. Garvin, Acting Division Engineer, Engineering Division, Public Works Department," and in accordance with the lines and grades as shown on a plan dated May 14, 1960, by Joseph Selwyn, civil engineer, and filed in the Engineering Division of the Public Works Department, City of Boston.

CLAIMS APPROVED

The Mayor on recommendation of the Corporation Counsel, has approved the following votes of the City Council Committee on Claims:

Joseph P. Sullivan, 84 Myrtlebank avenue, Dorchester, for damage to property on July 13, 1960, caused by backing up of sewage, by payment of \$100.

Miss Helen Gagnon, 224 Beacon street, Lowell, for personal injuries sustained on February 3, 1959, while walking on the sidewalk on Harrison avenue, opposite No. 21, she fell due to a defective sidewalk, by payment of \$300.

James T. Buckley, 6 Metcalf court, Jamaica Plain, for damage to automobile on November 28, 1959, while driving on Stuart street his car dropped into a hole in the highway, causing damage thereto, by payment of \$21.

John E. Odenweller, 606 Oak street, Randolph, to be reimbursed as the result of an accident on September 6, 1960, while in the performance of his duty as an employee of the Public Works Department, Highway Division, he was operating a city-owned vehicle on Rutherford avenue, Charlestown, when he collided with a car owned and operated by Ralph E. Richardson, causing damage thereto, by payment of \$95.

Raymond F. Ochs, 6 Sawyer avenue, Dorchester, to be reimbursed on account of his acts as an employee of the Fire Department, Ladder 20, while operating a city-owned vehicle on January 5, 1961, on K street, South Boston, he struck a parked car owned by Alfred Esposito, causing damage thereto, by payment of \$85.

James F. Connolly, 9 Navillus terrace, Dorchester, to be reimbursed on account of his acts as an employee of the Park Department, while in the performance of his duty at the Fairview Cemetery on March 9, 1961, as the operator of a city-owned vehicle, he struck a parked car owned by Mary E. Gillis, causing damage thereto, by payment of \$35.

CROSTOWN AVE. SEWER*West Roxbury*

The Mayor and Public Improvement Commission have approved new sewerage works in Crosstown avenue, West Roxbury.

The project is described as follows:

A parcel of land, owners unknown, being part of the private way known as Crosstown avenue, bounded:

Westerly by another portion of Crosstown avenue, forty and 00-100 feet; northerly by Salman street, by the northerly line of Crosstown avenue, and by Vogel street, by two measurements, one hundred twenty-seven and 23-100 feet on a curve of three hundred twenty and 44-100 feet radius and one hundred sixty-two and 24-100 feet; easterly by another portion of Crosstown avenue, forty and 00-100 feet, and southerly by the southerly line of Crosstown avenue, by two measurements, one hundred sixty-two and 24-100 feet and one hundred eleven and 35-100 feet on a curve of two hundred eighty and 44-100 feet radius, containing eleven thousand two hundred sixty-one square feet, more or less.

The sewerage works to be constructed are as follows: 183 linear feet of 10-inch pipe surface drain and two catch basins at an estimated cost of \$3,600.

No betterments are to be assessed for the aforesaid improvement.

No damages awarded

PROPOSALS FOR FURNISHING BAND AND ORCHESTRAL MUSIC FOR BOSTON PUBLIC SCHOOLS.

The School Committee of the City of Boston invites bids for furnishing band and orchestral music for the Boston public schools. Proposal forms are obtainable at the office of the Business Manager of the School Committee, 15 Beacon street, tenth floor. Envelopes containing proposals must be sealed and plainly marked "Proposal for Band and Orchestral Music." The bids must be in duplicate. One copy, signed by the bidder, and accompanied by a certified check, payable to the City of Boston, in the amount of one hundred dollars (\$100), must be left at the office of the Business Manager on or before twelve o'clock noon (Eastern Daylight Saving Time) on Monday, July 10, 1961. Copies filed with the Business Manager will be publicly opened at twelve o'clock noon of the day stated. The other copy, also signed by the bidder, must be filed with the City Auditor, City Hall, Boston, Mass., previous to the time named for the opening of bids. The School Committee reserves the right to reject any or all bids and to accept the bid or bids which it deems best for the interests of the city. The successful bidders will be required to furnish a suitable bond or deposit of money or other security in the amount of not less than 50 per cent of the amount of the contract.

LEO J. BURKE,
Business Manager of the School Committee.

Pres. Kennedy Verifies Quote

Most Bostonians have a vague realization that there is a statue of William Lloyd Garrison, famous abolitionist, in Commonwealth avenue.

Perhaps only a handful can quote the inscription on the statue.

On his recent visit here President Kennedy, whose memory is perhaps better than most, did recall part of it. But he wanted to include it all in his speech at the Commonwealth Armory.

Shortly before he was due to speak, he sent a Secret Service Agent with a Boston policeman to copy down the wording.

It said, as the President found out: "I am in earnest, I will not equivocate. I will not excuse. I will not retreat a single inch, and I will be heard."

PROPOSALS FOR CLEANING GLASS IN WINDOWS, DOORS, AND TRANSOMS ON THE OUTSIDE OF BOSTON PUBLIC SCHOOL BUILDINGS.

The School Committee of the City of Boston invites bids for cleaning glass in windows, doors, and transoms on the outside of Boston public school buildings. Proposal forms are obtainable at the office of the Business Manager of the School Committee, tenth floor, 15 Beacon street. Envelopes containing proposals must be sealed and plainly marked "Proposal for Cleaning Glass in Windows, Doors, and Transoms on the Outside of Boston Public School Buildings." Successful bidders will be required to comply with all the applicable revised rules and regulations for the prevention of accidents in window cleaning as contained in Industrial Bulletin No. 21 of the Department of Labor and Industries Division of Industrial Safety, with the exception that the following methods only may be used where such rules and regulations are applicable: (1) working on a ladder; (2) working from a scaffold; (3) working from a boatswain's chair. The bids must be in duplicate. One copy, signed by the bidder, and accompanied by a certified check, payable to the City of Boston, at the rate of fifty dollars (\$50) for each district on which bid is submitted, must be left at the office of the Business Manager on or before twelve o'clock noon (Eastern Daylight Saving Time) on Thursday, July 6, 1961. Copies filed with the Business Manager will be publicly opened and read at twelve o'clock noon of the day stated. The other copy, also signed by the bidder, must be left with the City Auditor, City Hall, Boston, Mass., previous to the time named for the opening of bids. The successful bidders will be required, before commencing performance, to provide by insurance (a) for the payment of compensation and the furnishing of other benefits under Workmen's Compensation Law, General Laws, chapter 152, to all persons to be employed under the contract; (b) public liability and property damage in the amounts set forth in the proposal form. The School Committee reserves the right to reject any or all bids, and to accept the bid or bids which it deems best for the interests of the city. The bidders awarded the contract must furnish a suitable bond or deposit of money or other security for the faithful performance of the contract in the amount of not less than 100 per cent thereof.

ADVERTISEMENT**CITY OF BOSTON.****DEPARTMENT OF SCHOOL BUILDINGS.****PROPOSALS FOR FURNISHING, DELIVERING, AND SETTING UP FURNITURE IN THE NEW DWIGHT DISTRICT SCHOOL, BOSTON, MASS.**

The City of Boston, acting by the Superintendent of Construction of the Department of School Buildings, Boston, Mass., hereinafter referred to as the Awarding Authority, invites sealed proposals for furnishing, delivering, and setting up furniture in the new Dwight District School, Boston, Mass.

Proposals will be received until 12 o'clock noon (Eastern Daylight Saving Time), Thursday, July 13, 1961, at the office of the Awarding Authority, fourth floor, 26 Norman street, Boston, Mass., at which time and place they will be publicly opened and read.

The proposal submitted to the Superintendent of Construction shall not be separated from the book of specifications. The additional copy of the proposal shall be removed from the book of specifications and after filling out shall be sealed in an envelope and delivered to the Auditor of the City of Boston, at City Hall, School street, Boston, Mass., before the time for the opening of the proposals.

A bid deposit in the form of a certified check, issued by a responsible bank or trust company, payable to the City of Boston, in the sum of five per cent (5%) of the full amount of the bid, except that the minimum amount of check shall be \$50, shall be submitted with the copy of proposal filed with the Awarding Authority. The bid deposit shall be in a separate envelope, properly marked. Bid bonds will not be accepted.

A bond of an approved surety company must be furnished by the successful bidder in the full amount of the contract price.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

Specifications and forms of proposals may be obtained at the office of the Superintendent of Construction, Department of School Buildings, 26 Norman street, Boston, Mass.

No bidder may withdraw his bid within thirty days after the actual opening thereof (exclusive of Saturdays, Sundays, and legal holidays).

The Awarding Authority reserves the right to waive any informalities and to reject any and all bids or any item or items of a bid.

INVITATION FOR PROPOSALS FOR FURNISHING UNIFORM OVERCOATS, SACK COATS, AND TROUSERS TO THE BOSTON FIRE DEPARTMENT.

The Fire Commissioner of the City of Boston, 115 Southampton street, Boston, Mass., hereinafter referred to as the Awarding Authority, invites sealed proposals for furnishing uniform overcoats, sack coats, and trousers to the Fire Department, as specified in proposals which may be obtained at the office of the Awarding Authority, 115 Southampton street, Boston. There will be a charge of one dollar (\$1) for each set of proposals taken out. The bidder must leave his proposal with a certified check for \$300, payable to and to become the property of the City of Boston, if the proposal is not carried out, at the above office. A duplicate bid, without check, must be left at the office of the City Auditor prior to the time named for opening bids. Both bids to be sealed in envelopes marked "Proposal for Uniform Overcoats, Sack Coats, and Trousers." The bids will be publicly opened and read on Friday, June 30, 1961, at 12 o'clock noon (Eastern Daylight Saving Time), at the office of the Awarding Authority, 115 Southampton street, Boston, Mass. The successful bidder must furnish a bond for one half the total estimated amount of the contract with a surety company authorized to do business in Massachusetts as surety for the faithful performance of the contract. The Awarding Authority reserves the right to accept or reject any or all bids, or any part of a bid, and to award the contract as he deems for the best interests of the city.

INVITATION FOR GENERAL BIDS FOR PLUMBING AND GASFITTING WORK IN VARIOUS SCHOOLS IN BOSTON, MASS.

The City of Boston, acting by the Superintendent of Construction of the Department of School Buildings, Boston, Mass., hereinafter referred to as the Awarding Authority, invites sealed general bids for plumbing and gasfitting work in various schools in Boston, Mass.

General bids will be received up until twelve o'clock noon (Eastern Daylight Saving Time), Wednesday, July 12, 1961, at the office of the Awarding Authority, fourth floor, 26 Norman street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

General bids must be submitted in duplicate on the form for general bid obtained from the Awarding Authority. Each copy of the general bid shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. One copy of the general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, in the sum of \$400. The other copy of the general bid shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of general bids. The plans and specifications need not accompany, or be submitted with, either copy of the general bid.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded), from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible general bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of a prescribed time therefor.

borers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, sections 26-27D, inclusive, as amended, a schedule of which rates appears in the specifications.

The successful general bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of the contract.

The general bids will be deemed to relate to that signed set of plans and specifications for the project on file at the office of the Superintendent of Construction of the Department of School Buildings designated above and bidders will act at their own risk if any variance exists between the aforesaid set of plans and specifications and the set (or sets) of plans and specifications furnished to the bidder by the Awarding Authority. In short, each bidder has the burden of checking to make certain that the set (or sets) of plans and specifications furnished to the bidder is a true and complete copy of the set of plans and specifications on file as aforesaid.

Plans and specifications and other documents may be obtained at the office of the Awarding Authority.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 per cent of the contract price, will be required of the successful general bidder.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids, if it be in the public interest so to do, in accordance with section 44D, chapter 149, of the General Laws, as amended.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, sections 26-27D, inclusive, as amended, a schedule of which rates appears in the specifications.

The successful general bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of the contract.

The general bids will be deemed to relate to that signed set of plans and specifications for the project on file at the office of the Superintendent of Construction of the Department of School Buildings designated above and bidders will act at their own risk if any variance exists between the aforesaid set of plans and specifications and the set (or sets) of plans and specifications furnished to the bidder by the Awarding Authority. In short, each bidder has the burden of checking to make certain that the set (or sets) of plans and specifications furnished to the bidder is a true and complete copy of the set of plans and specifications on file as aforesaid.

Plans and specifications and other documents may be obtained at the office of the Awarding Authority.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 per cent of the contract price, will be required of the successful general bidder.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest so to do, in accordance with section 44D, chapter 149, of the General Laws, as amended.

CITY OF BOSTON,
WILLIAM A. MCPHERSON,
Acting Superintendent of Construction.
(June 24.)

EXTENSION OF CONTRACT

The Mayor has approved extension of the time limit on completion of the following contract:

DEPARTMENT OF SCHOOL BUILDINGS.

Contract with American Service Company, Inc., for survey of fire alarms and fire alarm systems in various school buildings, extended from June 3, 1961, to June 20, 1961, because the contractor was required to give immediate attention to various emergency situations that were found to exist in various schools.

REAL PROPERTY BOARD OF THE CITY OF BOSTON.

INVITATION FOR PROPOSALS FOR LEASING OF PUBLIC PARKING FACILITY ON NORTHERLY SIDE OF ESSEX STREET, BETWEEN COLUMBIA AND LINCOLN STREETS.

The Real Property Board of the City of Boston, hereinafter called the Board, invites from individual citizens of the United States and corporations or other legal associations wherein the controlling interest to the extent of at least over one half thereof is owned by a citizen or citizens of the United States, proposals for leasing for the term of thirty-six (36) months beginning July 1, 1961, and ending June 30, 1964, the public parking facility, situated in Boston, on the northerly side of Essex street, between Columbia and Lincoln streets, upon the covenants, agreements, and conditions contained in the form of lease which, with the form of proposal, may be obtained daily (except Saturdays, Sundays, and holidays), between 9 A.M. and 5 P.M. (Eastern Daylight Saving Time) at the office of the Board, Room 811, City Hall Annex, Court street, Boston.

Proposals shall be submitted in duplicate on forms obtained as aforesaid. Each copy of the proposal shall be properly filled out, signed, enclosed in an envelope, sealed, and marked "Proposal for Leasing of Public Parking Facility on Essex Street." One copy of the proposal shall be filed with the Board at its said office on or before 12 o'clock noon (Eastern Daylight Saving Time), on Monday, June 26, 1961, at which time and

place all proposals will be publicly opened and read. The copy of the proposal filed with the Board shall be accompanied by a bid deposit of ten thousand dollars (\$10,000) made under the terms stated in the form of proposal and in the form of cash or a certified check on, or a certificate of deposit issued by, a responsible bank or trust company, payable to the City of Boston, and shall also be accompanied by written evidence of the ability of the bidder to furnish the performance bond (or cash in lieu thereof) provided for in the form of lease. The other copy of the proposal shall be filed by the bidder before said day and hour at the office of the City Auditor, City Hall, School street, Boston.

No proposal shall be withdrawn after the day and hour hereinbefore set for the opening of proposals. The Board reserves the right to reject any and all proposals.

CITY OF BOSTON.

LIBRARY DEPARTMENT.

INVITATION FOR GENERAL BIDS FOR RECONSTRUCTION OF FRONT ENTRANCE STEPS, AT JAMAICA PLAIN BRANCH LIBRARY, 12 SEDGWICK STREET, JAMAICA PLAIN.

The Trustees of the Public Library of the City of Boston, hereinafter referred to as the Awarding Authority, invite sealed general bids for the reconstruction of front entrance steps at Jamaica Plain Branch Library, 12 Sedgwick street, Jamaica Plain.

Proposals will be received until twelve o'clock noon (Eastern Daylight Saving Time), Thursday, July 6, 1961, at the office of the Awarding Authority, at which time and place they will be publicly opened and read aloud.

Proposals shall be submitted in duplicate on forms obtained from the Business Office, Boston Public Library, Copley square, Boston, Mass. Each copy of the proposal shall be properly filled out, signed, and enclosed in a sealed envelope, plainly marked with the name of the bidder and the description of the work bid upon. One copy shall be filed at the office of the Awarding Authority, designated above, and the other copy shall be filed at the office of the City Auditor, City Hall, Boston Mass. Both copies shall be filed before the time stated above for the opening of proposals.

A bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, in the sum of three hundred dollars (\$300), shall be submitted with the copy of the proposal filed with the Awarding Authority. The bid deposit shall be in a separate envelope, properly marked.

No bidder may withdraw his bid within thirty days after the actual date of the opening thereof.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, section 26, a schedule of which appears in the specifications.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

Plans and specifications may be obtained on and after twelve o'clock noon (Eastern Daylight Saving Time), Monday, June 26, 1961, at the Business Office, Boston Public Library, Copley square, Boston, Mass. A deposit of five dollars (\$5) in cash will be required for each set of plans and specifications taken out for

estimating, said deposit to be refunded on the return of the plans and specifications in good condition within thirty days after the opening of proposals.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 per cent of the contract price, will be required of the successful general contractor.

The Awarding Authority reserves the right to waive any informalities and to reject any or all bids if it be in the public interest so to do.

DEPARTMENT OF SCHOOL BUILDINGS.

INVITATION FOR GENERAL BIDS FOR ROOFING AND METAL WORK AT THE ROBERT G. SHAW SCHOOL, MT. VERNON STREET, WEST ROXBURY, MASS.

The City of Boston, acting by the Superintendent of Construction of the Department of School Buildings, Boston, Mass., hereinafter referred to as the Awarding Authority, invites sealed general bids for roofing and metal work at the Robert G. Shaw School, Mt. Vernon Street, West Roxbury, Mass.

General bids will be received up until twelve o'clock noon (Eastern Daylight Saving Time), Monday, July 10, 1961, at the office of the Awarding Authority, fourth floor, 26 Norman Street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

General bids must be submitted in duplicate on the form for general bid obtained from the Awarding Authority. Each copy of the general bid shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. One copy of the general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, in the sum of \$300. The other copy of the general bid shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of general bids. The plans and specifications need not accompany, or be submitted with, either copy of the general bid.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded), from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible general bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, sections 26-27D, inclusive, as amended, a schedule of which rates appears in the specifications.

The successful general bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of the contract.

The general bids will be deemed to relate to that signed set of plans and specifications for the project on file at the office of the Superintendent of Construction of the Department of School Buildings designated above and

bidders will act at their own risk if any variance exists between the aforesaid set of plans and specifications and the set (or sets) of plans and specifications furnished to the bidder by the Awarding Authority. In short, each bidder has the burden of checking to make certain that the set (or sets) of plans and specifications furnished to the bidder is a true and complete copy of the set of plans and specifications on file as aforesaid.

Plans and specifications and other documents may be obtained at the office of the Awarding Authority.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 per cent of the contract price, will be required of the successful general bidder.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest so to do, in accordance with section 44D, chapter 149, of the General Laws, as amended.

PUBLIC WORKS DEPARTMENT.

Proposal for Repairing Tires and Tubes.

The Commissioner of Public Works of the City of Boston, Room 511 (Contract Office), City Hall Annex, invites proposals from citizens of the United States and corporations or other legal associations wherein the controlling interest to the extent of at least over one half thereof is owned by a citizen or citizens of the United States, for repairing tires and tubes. A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and each in the sum of 100 per cent of the contract price will be required of the successful contractor. Forms of proposals may be obtained at Room 511 (Contract Office), City Hall Annex. The proposal should be signed, enclosed in an envelope, sealed, marked "Proposal for Repairing Tires and Tubes," and left at Room 511 (Contract Office), fifth floor, City Hall Annex, before 2 P.M. (Eastern Daylight Saving Time) of WEDNESDAY, JULY 5, 1961, with a certified check for TWO HUNDRED FIFTY (250) DOLLARS, payable to and to become the property of the city if the proposal after acceptance is not carried out. The proposals will then be publicly opened and read in the Hearing Room, 401 City Hall Annex, Wednesday, July 5, 1961.

Proposals must be made in duplicate, the sealed duplicate, without check, to be deposited by the bidder with the City Auditor previous to the time named for opening the bids. All proposals must be from bidders of record on file at Room 511, City Hall Annex. There will be a charge of two dollars (\$2), NOT REFUNDABLE, for each set of contract documents taken out. If the bidder neglects to bid on each and every item, it may lead to the rejection of the proposal. Before commencing performance of this contract, the Contractor shall provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law, so called) to all persons to be employed under this contract and shall continue such insurance in full force and effect during the term of this contract.

The Commissioner reserves the right to reject any and all proposals, or any item or items of the proposal should he deem it to be for the best interest of the city so to do.

PROPOSALS FOR MICROFILM AND TABULAR FILING EQUIPMENT.

The Police Department of the City of Boston invites proposals for furnishing microfilm equipment and tabular filing equipment. The bidder must use the form of proposal to be obtained at the office of the Property Clerk of the Boston Police Department, Room 105, 154 Berkeley street, Boston, and deposit with his bid at the office of the Police Commissioner, a properly certified check for \$500, payable to and to become the property of the Police Commissioner for the City of Boston if the proposal is not carried out. Proposals will be publicly opened and read on Friday, June 30, 1961, at 12 o'clock noon (Eastern Daylight Saving Time), at the office of the Police Commissioner, 154 Berkeley street, Boston, Mass. The Police Commissioner reserves the right to accept or reject any or all proposals or any part of a proposal, and to award the contract as he deems for the best interests of the Police Department of the City of Boston. Surety bond will be required of the successful bidder in an amount equivalent to 50 per cent of the estimated amount of the contract.

LEO J. SULLIVAN,
(June 24.) *Police Commissioner.*

DEPARTMENT OF SCHOOL BUILDINGS.

TO PAINTING CONTRACTORS.

INVITATION FOR PROPOSALS FOR INTERIOR PAINTING AND PAINTING OF FIRE ESCAPES AT THE CHRISTOPHER GIBSON SCHOOL, HEAD OF MORSE STREET, DORCHESTER, MASS.

The City of Boston, acting by the Superintendent of Construction of the Department of School Buildings, Boston, Mass., hereinafter referred to as the Awarding Authority, invites sealed proposals for interior painting and painting of fire escapes at the Christopher Gibson School, head of Morse street, Dorchester, Mass.

Proposals will be received until 12 o'clock noon (Eastern Daylight Saving Time), Thursday, July 6, 1961, at the office of the Awarding Authority, fourth floor, 26 Norman street, Boston, Mass., at which time and place they will be publicly opened and read.

Proposals shall be submitted in duplicate on forms obtained from the Awarding Authority. Each copy of the proposal shall be properly filled out, signed and inclosed in a sealed envelope, plainly marked with the name of the bidder and the description of the work bid upon. One copy shall be filed at the office of the Awarding Authority, designated above, and the other copy shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of proposals.

A bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, in the sum of \$100, shall be submitted with the copy of the proposal filed with the Awarding Authority. The bid deposit shall be in a separate envelope, properly marked.

No bidder may withdraw his bid within thirty days (Saturdays, Sundays, and legal holidays excluded), after the actual date of the opening thereof.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws

(Ter. Ed.), chapter 149, section 26, a schedule of which appears in the specifications.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

A performance bond, issued by a surety company satisfactory to the Awarding Authority, in the full amount of the contract will be required of the successful general contractor.

The Awarding Authority reserves the right to waive any informalities and to reject any and all bids if it be in the public interest so to do.

CITY OF BOSTON,
W. A. McPHERSON,
Acting Superintendent of Construction.
(June 24.)

ADVERTISEMENT CITY OF BOSTON.

DEPARTMENT OF SCHOOL BUILDINGS.

INVITATION FOR GENERAL BIDS FOR ELECTRICAL AND MOTOR WORK IN VARIOUS SCHOOLS.

The City of Boston, acting by the Superintendent of Construction of the Department of School Buildings, Boston, Mass., hereinafter referred to as the Awarding Authority, invites sealed general bids for electrical and motor work in various schools.

General bids will be received up until twelve o'clock noon (Eastern Daylight Saving Time), Thursday, July 13, 1961, at the office of the Awarding Authority, fourth floor, 26 Norman street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

General bids must be submitted in duplicate on the form for general bid obtained from the Awarding Authority. Each copy of the general bid shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. One copy of the general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, in the sum of \$300. The other copy of the general bid shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of general bids. The plans and specifications need not accompany, or be submitted with, either copy of the general bid.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible general bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, sections 26-27D, inclusive, as amended, a schedule of which rates appears in the specifications.

The successful general bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensa-

sation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

The general bids and the subbids will be deemed to relate to that signed set of plans and specifications for the project on file at the office of the Awarding Authority designated above and bidders will act at their own risk if any variance exists between the aforesaid set of plans and specifications and the set (or sets) of plans and specifications furnished to the bidder by the Awarding Authority. In short, each bidder has the burden of checking to make certain that the set (or sets) of plans and specifications furnished to the bidder is a true and complete copy of the set of plans and specifications on file as aforesaid.

All subbids for a subtrade designated in Item 2 of the general bid form shall be filed with the Awarding Authority at the office designated above before twelve o'clock noon (Eastern Daylight Saving Time), Thursday, July 6, 1961, at which hour and place they will be publicly opened and read aloud. Every such subbid must be submitted in a sealed envelope with the following plainly marked on the outside: Title of work, subtrade for which subbid submitted, subbidder's name, subbidder's business address.

All such subbids must be submitted on the form for subbid furnished by the Awarding Authority, and any such subbid not filed on the form for subbid so furnished by the Awarding Authority shall be rejected.

A bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, in the amount specified in the following list for the respective subtrades shall be submitted by each subbidder with his subbid as filed with the Awarding Authority:

Millwright Work.....\$100

No subbid may be withdrawn after the time limit for the filing of subbids and for five (5) days (Saturdays, Sundays, and legal holidays excluded), from the date fixed for the opening of the general bids. In addition, neither the subbids filed by (a) the three lowest responsible and eligible subbidders for a subtrade nor the subbids for the same subtrade as shown on the general bids of the three lowest responsible and eligible general bidders, may be withdrawn after the opening of the general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded), after presentation of a subcontract to the subbidder selected for that subtrade, by the general bidder selected as the general contractor.

Plans and specifications and other documents may be obtained at the office of the Awarding Authority, 26 Norman street, Boston, Mass.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 per cent of the contract price, will be required of the successful general bidder.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest so to do. The Awarding Authority also reserves the right to reject any subbid on any subtrade if it determines that such subbid does not represent the subbid of a person competent to perform the work as specified or that only one such subbid was received and that the price is not reasonable for acceptance without competition, in accordance with section 44D, chapter 149, of the General Laws, as amended.

OFFICIAL CHRONICLE OF BOSTON MUNICIPAL AFFAIRS.

VOL. 53

SATURDAY, JULY 1, 1961

No. 26

CITY COUNCIL APPROVES NEW SCHEDULE OF PARKING FINES

New parking fines in Boston, with penalties up to \$15 to discourage traffic scofflaws, were officially voted, on June 26, by the Boston City Council to take effect September 1.

The new schedule, which sets a \$3 first offense fine for parking in downtown Boston, and a graduated scale to \$10 for repeat violators, was approved without debate on a voice vote.

On request of the Boston Traffic Commission, the Council postponed one month the originally-scheduled August 1 starting date in order to give court clerks sufficient time to set up mechanics for handling violations.

A Weapon for the Police

Passage of the new schedule of fines was hailed last night by business interests and Mayor Collins as handing Boston police the weapon necessary to carry out an effective enforcement program.

Boston police set August 1 as the target date for putting into effect a new automatic system to process 6,000 parking violation tickets a day. This is twice the number now being processed.

Traffic Commissioner Thomas J. Griffin said he will install the first 1,000 of an eventual 6,500 ten-cent-an-hour parking meters

in the downtown area this week end. The new meter heads are now arriving from the factory.

Passage of the increased parking fine schedule will mean that all motorists' parking records in Boston this year will be wiped clean September 1.

Under the plan, violators in the Zone A downtown area, from the harbor to Massachusetts avenue, will pay higher fines. Zone B will be the rest of the city, and also parts of the North End, South End, Back Bay, and Beacon Hill.

Graduated Schedule

Downtown area parking violators—at meters or in restricted areas—will now pay \$3 for each of the first three offenses in a calendar year. They will pay \$5 for each violation the fourth through ninth time. The tenth and subsequent violation will cost \$10 each time.

The schedule was toned down from original proposals which advocated a much tougher \$1 to \$15 parking fine, graduated with every offense. Also changed was a late proposal for \$3, \$5, \$10, and \$15 fines scaling up to the tenth violation.

Under the adopted version, overnight parkers will pay \$2 per violation anywhere in the city.

Other downtown traffic violations will bring these fines: \$15 for parking near a fire station, near a hydrant, failing to leave an unobstructed lane at least 10 feet wide on a street, parking so as to hinder movement of street-cars or buses.

Scofflaws Penalized

Fines of \$10 will be imposed for double parking, obstruction of snow removal operations, and parking too close to an intersection.

Serious violators in residential Zone B may also be subject to fines up to \$15.

Mayor Collins said the new schedule "will enable the police department to control effectively illegal parking in Boston. From now on scofflaws will find it expensive to continue their ways in Boston."

Ephron Catlin, Jr., president of the Greater Boston Chamber of Commerce, predicted, "the City Council's action will be a strong deterrent to the chronic violator. No longer will it be cheaper to be fined than to park in a legitimate facility."

Traffic Commissioner Griffin said the new fine ordinance will "give the newly appointed Traffic Captain Quinn the weapon he needs to straighten out traffic problems."

TEXT OF ORDINANCE
SETTING NEW PARKING
FINE SCHEDULE

Ordered, That the following vote of the Boston Traffic Commission be, and the same hereby is, approved, to wit, the vote that pursuant to the fifth paragraph of section 20A of chapter 90 of the General Laws, as appearing in section 3 of chapter 233 of the Acts of 1961, Article X of the Traffic Rules and Regulations of the City of Boston in force under Chapter 263 of the Acts of 1929, as amended, be, and the same hereby is, amended, effective September 1, 1961, by striking out Section 1A inserted by vote passed by this Commission on April 17, 1961 (which vote was approved by an order adopted by the City Council on April 17, 1961, and approved by the Mayor on April 17, 1961), and inserting in place thereof the following section:

SECTION 1A. SCHEDULE OF FINES FOR
THE NON-CRIMINAL DISPOSITION OF
PARKING VIOLATIONS.

(1) The words "downtown area", as used in this section, shall be deemed to mean that part of the city of Boston bounded by (a) the westerly line of Massachusetts avenue, (b) the Charles River, (c) the easterly line of the bridge constructed under Chapter 217 of the Acts of 1894 and connecting the city proper, so called, with that part of the city which was formerly Charlestown, (d) the easterly line of Washington Street North, (e) the southerly line of Cooper street, (f) the westerly line of Endicott street, (g) the northerly line of Stillman street, (h) the westerly end of Stillman street, (i) the southerly line of Stillman street, (j) the westerly line of Endicott street, (k) the northerly line of Cross street, (l) the easterly line of Hanover street, (m) the southerly line of Richmond street, (n) the easterly line of North street, (o) the northerly line of Clark street and said line extended to Boston harbor, (p) Boston harbor and Fort Point Channel, (q) the westerly line of the Broadway Bridge, (r) the westerly line of Broadway, (s) the northerly line of Herald street and said line extended to the northwesterly line of Chandler street extended, (t) the northwesterly line of Chandler street and said line extended to the northerly line of Herald street extended, (u) the easterly line of Berkeley street, and (v) the southerly line of the right of way of the New York, New Haven and Hartford Railroad.

(2) The fine the payment of which shall operate under Section 20A of Chapter 90 of the General Laws as a final

disposition of an offense subject to said section committed in the city of Boston shall be as follows:

A. IN DOWNTOWN BOSTON

(a) For every offense subject to said section committed by the offender within the jurisdiction of the court and in the aforesaid downtown area of the city of Boston —

(i) If such offense is a violation either of clause (5) or clause (6) or clause (10) or clause (12) of section 1 of Article IV of these rules and regulations, or of clause (5) or clause (6) or clause (10) or clause (12) of section 2 of Article IV A of these rules and regulations, which clauses respectively prohibit in the parts of said downtown area respectively covered by said Articles parking near a fire station, parking near a hydrant, parking so as not to leave a clear and unobstructed lane at least ten feet wide, and parking in such a manner as to obstruct the movement of a streetcar, trackless trolley or bus — FIFTEEN DOLLARS.

(ii) If such offense is a violation either of clause (1) or clause (11) or clause (16) of section 1 of Article IV of these rules and regulations or of clause (1) or clause (11) or clause (16) of section 2 of Article IV A of these rules and regulations, which clauses respectively prohibit in the parts of said downtown area respectively covered by said Articles parking within an intersection, parking on the roadway side of a vehicle stopped or parked at the curb or edge of a roadway, and parking where signs have been placed for the purpose of facilitating street cleaning or snow removal — TEN DOLLARS.

(iii) If such offense is a violation of section 15A of Article IV of these rules and regulations prohibiting, with certain exceptions, parking between 12.01 A.M. and 8 A.M. — TWO DOLLARS.

(b) For every other such offense so committed —

(i) If it is the first, second or third other such offense so committed in any one calendar year — THREE DOLLARS.

(ii) If it is the fourth, fifth, sixth, seventh, eighth or ninth other such offense so committed in such calendar year — FIVE DOLLARS.

(iii) If it is the tenth or subsequent other such offense so committed in such calendar year — TEN DOLLARS.

B. OUTSIDE DOWNTOWN BOSTON

(a) For every offense subject to said section committed by the offender within the jurisdiction of the court and in the city of Boston but not in the aforesaid downtown area thereof —

(i) If such offense is a violation of clause (5), or of clause (6), or of clause (10), or of clause (12), of section 1 of Article IV of these rules and regulations prohibiting, respectively, parking near a fire station, parking near a hydrant, parking so as not to leave a clear and unobstructed lane at least ten feet wide, and parking in such a manner as to obstruct the movement of a streetcar, trackless trolley or bus — THREE DOLLARS.

(b) For every other such offense so committed — TWO DOLLARS.

(3) Whenever it becomes necessary to ascertain whether a person owning two or more motor vehicles is chargeable as such owner with a first, second, third, fourth, fifth, sixth, seventh, eighth, ninth, tenth or subsequent offense, such question shall, in the case of vehicles singly registered, be determined separately with respect to the particular vehicle involved in such violation and, in the case of vehicles subject to Section 5 of said Chapter 90, with respect to the particular number plate or plates used on the vehicle involved in such violation at the time thereof.

(4) For the purposes of this section, the period beginning with September 1, 1961, and ending with December 31, 1961, shall not be deemed to be a part of the calendar year 1961, but shall constitute a separate calendar year.

FIN. COM. URGES FIRE
DEPT. TO CANCEL BIDS

Proposals to be Readvertised *

June 27, 1961.

MR. HENRY A. Scagnoli, *Director*, Administrative Services Department, 50 City Hall, Boston 8, Mass.

DEAR MR. SCAGNOLI:

First, we wish to express to you, Chiefs Martin and Terenzi and Mr. Edward Ryan of the Purchasing Division, our appreciation for your kindness in attending our recent conference at this office. We were particularly impressed with the expression of willingness to co-operate in every possible way in the

matter of the purchase of fire equipment, even to the point of rejecting all bids and readvertising, if that step were deemed advisable.

The Finance Commission has always aggressively supported the principle that the purchase of equipment and supplies by all city departments should be attended by wide advertising and that specifications, consistent with acquiring satisfactory equipment, should be open as widely as possible in the interest of wide response and unrestricted bidding.

A review of the specifications and bids with respect to the pending purchase of 10 fire pumpers indicates that the specifications were somewhat restricted.

For example, one specification required "Inasmuch as certain features of construction depend, to a great extent, upon the integrity of the Manufacturer, no bid will be considered except from a recognized Manufacturer of this type of apparatus as a whole; that is, one who has the facilities and equipment to fabricate in his own factory, the chassis, and the motor." This appears to be gratuitous and restrictive. In fact, it represents a departure from 1956 specifications which had included the phrase "or assembled." (Underlining added.)

The specification that the "engine be of solid block only" may well be unduly restrictive. You will recall other specifications discussed at the conference which also appeared to be restrictive.

In view of the above considerations, we believe that the best interest of the city would be served if all bids were rejected, the specifications opened up more widely, and the purchase be readvertised.

It also occurs to us that the Fire Department is about to purchase aerial ladders; in fact, the dollar amount involved in the latter purchase will far exceed that involved in the purchase of the pumpers. It is usually true that the larger the volume of the purchase, the lower the unit bid. The purchase of fire equipment may be so affected by limitations

of the producer's facilities as to prove an exception to this rule. However, only trial will determine if this is so.

Accordingly, we strongly suggest that you consider the possibility of grouping both the pumpers and ladders in soliciting bids.

Readvertising, of course, should be preceded by a re-examination of the various specifications for the purpose of minimizing restricted elements and we will appreciate the opportunity to review the specifications from this viewpoint prior to advertising.

Mortality Report

For the week ending June 24, 1961.

Population as of July, 1960, Massachusetts Fed. Census, 697,170; number of deaths (stillbirths excluded): Residents, 145; nonresidents, 104; total, 249.

Death rate per 1,000 of population: All deaths, 18.85; nonresidents deducted, 10.99.

Death rate per 1,000 of population: Last week, 16.23; corresponding week last year, 16.12.

Deaths by age periods, sex, etc.; Under one year, 11; one year to four years, inclusive, 12; sixty years and over, 157. Total deaths: Males, 153; females, 96; deaths in hospitals and institutions, 194.

REPORTABLE DISEASES: CASES AND DEATHS.*

Thank you very much for your consideration of these suggestions.

Respectfully,

THE FINANCE COMMISSION,
EDWARD W. BROOKE,
Chairman.

*Mr. Henry A. Scagnoli informed Mayor Collins on June 27 that he will readvertise the 10 pumpers—costing about \$250,000—in an expanded bid calling for purchase of six new aerial ladders at cost of up to an additional \$350,000.

MAYOR COLLINS ELECTED TO AMERICAN MUNI. ASSO. EXECUTIVE COMMITTEE

Mayor Collins has been unanimously elected to fill a vacancy on the American Municipal Association's executive committee.

The Mayor will serve on the 23-member policy making body for the organization of officials representing 13,500 U. S. and Canadian cities and towns.

Earlier this month, Mayor Collins was named to the Advisory Board of the U. S. Conference of Mayors at its Washington, D. C., convention.

Mayor Collins' election to the AMA post will be effective July 1, succeeding Robert E. McLaughlin, whose term ends as a commissioner of the District of Columbia. The AMA appointment will end in August, 1962, but Mayor Collins will be renamed as long as he holds the mayor's office.

The Mayor will attend the AMA Annual Congress in Seattle, Washington, August 26-30 this year, and will invite the Congress to hold its 1967 meeting in Boston. Convention sites through 1966 are already designated.

"Magna Charta of Space"

A proposed "Magna Charta of Space" is being sent to the United Nations by the Inter-American Bar Association. An American spokesman for the group contended that the Soviet man-in-space flight had made an agreement more urgent than ever.

In its Magna Charta, the inter-American group, representing national and other Bar Associations in the United States and twenty Latin-American countries, would divide space into "air space" and "outer space." The former would be under jurisdiction of the nation below. The latter would be free for use by all, like the high seas.

Fin. Com. Analyzes Problems of Unused Laundry Facilities

June 23, 1961.

To the Honorable the City Council.

The Finance Commission was requested by your Committee on Public Lands on May 5, 1961, to make recommendations on an order

currently before your Committee that the land and buildings on Dover street previously used for the purpose of a public bath and a laundry for the Parks and Recreation Department be transferred to the control of the Commissioner of Real Property.

The effect of this order would be to place these premises on sale at public auction.

The Finance Commission recommends that the premises in question be retained in possession of the Parks and Recreation Department, that the premises be carefully secured against vandalism, and that the present watchman service be discontinued immediately. This recommendation is based on the following considerations:

1. The City has spent over \$30,000 in providing a continuous watchman service on these premises since the facilities were closed in April, 1960, notwithstanding the fact that the laundry equipment, which would be the principal object of protection, is valued at far less than that figure.

2. A sampling of interest in the laundry industry indicates that there is such a lack of interest in the proposition of acquiring the facilities in question that no spirited bidding could be expected at a public auction.

3. The Laundry Department of the Boston City Hospital sets a value of \$22,000 as the cost of acquiring needed new laundry equipment, which could be met by transferring several pieces from Dover street. Receipts from a sale of the Dover Street equipment on the used equipment market would yield relatively little. The needs of other municipal institutions could also be met to a large extent from the Dover Street equipment.

4. The most decisive and overriding consideration which should determine what should be done with these premises is the immediacy of the redevelopment plan for this area. Such a plan finds this particular location in the heart of an area which is slated for immediate redevelopment. This means that shortly the Boston Redevelopment Authority might have to pay eminent domain prices to retake this property, if it were now sold at public auction.

5. The obvious conclusion is that this property should be held by the Park Department for the time being pending a firm plan of redevelopment which is anticipated in the immediate future.

Contents of Laundry

The following is a list of equipment contained in the laundry:

ITEM	SIZE	MANUFACTURER
Washer, 2 pocket	42 x 96, slide-out type	Comet, Henrici, Mattapan square
Washer, 2 pocket	42 x 96, slide-out type	Comet, Henrici, Mattapan square
Washer, single pocket	36 x 36	Comet, Henrici, Mattapan square
Extractor, squeeze action, and pump unit		Hydractor, Henrici
Extractor	30-inch	Hammond, Henrici
Soap maker or dispenser	100 gallons	Bishop
2 American zone-air dryers	36 x 30	American Laundry Company, Quincy
Flat work ironer with canopy	120 inches wide, 6 rollers	American Laundry Company, Quincy
Also revolite covers for ironer (6 sets)		

The Watchman Service

The first and most obvious step to take in handling this matter is to close and secure the premises and discontinue the present inordinately expensive around-the-clock service. Incredible as it may sound, the fact is that six Park Department employees have been retained to watch these two adjoining buildings at a cost of about \$30,000 a year.

Each week of delay in discontinuing this watchman service costs the City \$475.

Properly secured buildings with daily inspection service by the Bath Division should be provided.

Possible Market for Sale of Laundry

A sampling of interest on the part of the laundry industry in the proposition of taking over the facilities under discussion here indicates that there is very little interest in such a proposal. It appears that there are two principal types of laundries operated today. The first type is the "commercial," and the other is the so-called "family" type. The former requires much more space and larger equipment than is provided by the premises on Dover street; the latter, affected by multiplying laundromats and residential installations, is a dwindling institution; it is found that approximately 200 of these smaller type laundries

have closed their doors during the past ten years.

It is obvious that if interest in acquiring the Dover Street facilities is at a low ebb, not much bidding could be expected at a public auction of these premises.

Municipal Use of Laundry Equipment

The Director of the Boston City Hospital Laundry surveyed the premises and equipment and stated that he was in dire need of certain of these pieces; moreover, that it would cost the City about \$22,000 to purchase such pieces new. A similar desire to acquire some of this Dover Street laundry equipment was expressed by officials of the Long Island Hospital and at Deer Island. Such a transfer should be measured against the market price of used laundry equipment which is relatively low. It was reported that a volume of laundry equipment, similar to that at Dover street in type and number was recently sold at a used market figure of less than \$10,000.

Plans for Urban Redevelopment

If the contents of the laundry were transferred to the municipal departments indicated, on the ground that it was economically advisable, there would remain these two adjoining buildings.

The question of what to do with these two parcels of real estate should be settled in the light of development plans for the area which they are located.

If redevelopment plans were mooted, the Finance Commission would not recommend that property be held pending the evolution of such plans.

In this case, however, it is our understanding that redevelopment of the area is a matter of the immediate future, and that this project area has a high priority. This is indicated by the fact that this is a GNRP project area (South End) to which a project director has been assigned. This area is now in "planning."

All this indicates that if this property were to be sold at auction, the Redevelopment Authority, with considerable City money involved, may shortly be in the position of buying back the property at eminent domain prices. It is suggested that this property should be held until the specific redevelopment plan of the neighborhood has been determined.

Original thinking has envisioned the immediate neighborhood of these premises as an industrial area. Within six months the specific redevelopment plan will be known.

Respectfully submitted,

EDWARD W. BROOKE,

Chairman,

ROGER J. ABIZAID, M.D.,

MAXWELL B. GROSSMAN,

ANTHONY J. YOUNG,

JOSEPH P. McNAMARA,

The Finance Commission.

THOMAS J. MURPHY,

Executive Secretary.

POLICE DEPARTMENT ORDERS

June 20.

General Order No. 914.

Patrolmen Victor E. Smith and John J. Dennehy of Division 2 are hereby commended for meritorious police duty and each is granted three days' additional vacation.

About 2.15 P.M., Friday, May 19, 1961, a man described as about 23 years, 6 feet, 175 pounds, thin build, light complexion, wearing a khaki trench coat and blue sunglasses, entered Albert's Hosiery Company at 165 Tremont street, Boston, brandished his right hand which was covered with a brown paper bag and

proceeded to rob a female employee of the store of \$60 in U. S. currency, and a female customer of \$5, threatening both with bodily harm if they did not hand over the money. During this holdup, the above-described man boasted of other crimes which he had committed, specifically mentioning the Fanny Farmer Candy Company.

Patrolmen Smith and Dennehy brought the customer, one Celia Hillman, to Police Headquarters and after viewing the segregated files, she tentatively identified one Neil F. Sullivan as closely resembling the man who had robbed her. Information was obtained by these officers that the suspect, Neil F. Sullivan, was presently residing in Revere, Mass., and, accompanied by Detectives John F. Toomey and Frederick T. Becker, they went to that city where they placed the suspect's apartment under surveillance. After a period of waiting, they took Sullivan into custody as he arrived at his home. A search of his apartment disclosed the clothes and sunglasses allegedly worn by

this suspect during the commission of the several holdups, as well as the toy gun which Sullivan stated he used when he perpetrated these crimes.

Neil F. Sullivan was brought to Division 2 where he admitted, after lengthy questioning, five robberies and one attempted robbery during the preceding months on that division which involved eight counts of robbery and one count of attempted robbery, as follows:

Fanny Farmer Candy Company:

March 12, 1961, 503 Washington street, Boston, one victim, \$60.

March 21, 1961, 212 Washington street, Boston, one victim, \$150.

May 15, 1961, 503 Washington street, Boston, three victims, \$105.

St. Clairs' Food Shop:

April 4, 1961, 14 Chauncy street, Boston, attempted.

House of Cards:

May 3, 1961, 345 Washington street, Boston, one victim, \$200.

Albert's Hosiery Company:

May 19, 1961, 165 Tremont street, Boston, two victims, \$65, including \$5 from customer in store.

In the morning line-up at Police Headquarters on May 23, 1961, the suspect was identified by eight of his nine robbery victims as the man who had held them up. Later that morning, he was arraigned in Boston Municipal Court before Judge George Roberts on the above robbery charges and the case was continued to June 5, 1961. On June 8, 1961, Neil F. Sullivan was indicted on all counts by the grand jury.

On Thursday, June 15, 1961, in Suffolk Superior Court before Judge Voke, Neil Sullivan pleaded guilty to nine counts of robbery and he was sentenced to eight to twelve years in State Prison.

The Police Commissioner is pleased to recognize the devotion to duty and good police work performed by Patrolmen Smith and Dennehy in this case which brought a halt to a reign of banditry by this individual and, as the result of his arrest, it relieved the tension of employees of small stores who were fearful of again being confronted by this lone bandit.

VETERANS' SERVICES DEPARTMENT.

Expenditures for veterans' benefits for May, 1961, show a decrease of \$70,246.26 in comparison with expenditures for the corresponding period of 1960.

The 1,434 cases aided during the month of May, 1961, represented a total of 3,375 individuals benefited through the facilities of the Veterans' Services Department.

There were 90 cases closed during the month of May, 1961, because of obtaining employment, having been awarded unemployment compensation, receiving social security and becoming eligible to receive financial assistance for miscellaneous reasons.

During the month of May, 1961, the department collected \$2,704.90 which represents refunds for former beneficiaries of veterans' benefits who were found to have drawn aid under circumstances which warranted its return to the City of Boston.

EDMUND F. HOHMANN, *Commissioner.*

June 20.

General Order No. 915.

The following-named officer having requested retirement under the provisions of the Statutes of 1892, chapter 353, as amended, for the reason that he is incapacitated, it is hereby.

Ordered, His Honor the Mayor having approved the same, that he be retired from active service in the Police Department, effective Wednesday, June 21, 1961, at 7.45 o'clock A.M.:

Frederick J. MacCormack, detective first-grade, Detective Bureau (Detailed to C.C. and R.B.), 41 years of service.

June 21.

General Order No. 916.

The following reassignments are hereby ordered to take effect Wednesday, June 21, 1961, at 7.45 o'clock A.M.:

Patrolman John J. Gannon, from Bureau of Criminal Investigation to Superintendent's Office.

Patrolman Robert E. Lawler, from Bureau of Criminal Investigation to Superintendent's Office.

CIVIL SERVICE EXAMINATION

A Massachusetts Civil Service examination for Elevator Inspector in the Boston Building Department will be held July 28.

Last date for filing applications, Friday, July 7. The minimum salary is \$78.75 a week; the maximum salary is \$94.25. At present there are two vacancies for males.

Complete information and application blanks may be obtained at the office of the Division of Civil Service, Rooms 145-152, State House.

FIRE DEPARTMENT ORDERS

June 20.

*General Order No. 28.***I. RETIREMENTS.**

The following retirement, in accordance with chapter 347, Acts of 1892, as amended by chapter 237, Acts of 1939, which will become effective at 8 A.M., Wednesday, June 21, 1961, is hereby announced:

Fire Captain Walter W. Corwin, Engine Company 32.

The following retirement, in accordance with sections 7 and 94 of chapter 32, General Laws as amended, which will become effective at 8 A.M., Saturday, July 1, 1961, is hereby announced:

Fire Lieutenant John E. Fencer, Jr., Engine Squad 18.

Fire Captain Corwin was appointed to the Fire Department on April 12, 1918. He was promoted to the grade of fire lieutenant on May 31, 1929, and to fire captain on January 28, 1942. Fire Lieutenant Fencer was appointed to the department on December 23, 1929, and was promoted to the grade of fire lieutenant on December 7, 1949.

Both of the foregoing officers leave the department with the best wishes of their associates.

II. TRANSFERS.

The following transfers will become effective at 8 A.M., Wednesday, June 21, 1961:

District Fire Chief George Thompson, from Districts 7 and 8 to District 7.

District Fire Chief Edward D. Campbell, from District 9 to Districts 7 and 8.

District Fire Chief George H. Paul, from Districts 9 and 10 to District 9.

III. CALL'S ASSIGNMENT.

Company commanders shall add the following signal number to running cards of Call's Police Signal Corporation in this department:

Signal 286, Troy Realty Company, Inc., 33 Traveler street. Apparatus to respond: Engine 3, Ladder 3, District 4. Nearest box is 1629.

IV. BOSTON AUTOMATIC ASSIGNMENTS.

Notice has been received from the Boston Automatic Fire Alarm Company that the following signals have been canceled:

Signal 236, 467 Washington street, first floor and basement.

Signal 237, 469 Washington street, first, second, and third floors.

Signal 238, 469 Washington street, fourth and fifth floors. (Enter 453 Washington street.)

Company commanders shall add the following signal numbers to running cards of the Boston Automatic Fire Alarm Company in this department:

Signal 236, 31 Heath street, American Muffler Company (front building). (Sprinkler.)

Signal 237, 31 Heath street, shed in rear, enter large gate. (Sprinkler.)

Apparatus to respond to foregoing signals: Engine 14, Ladder 30, District 9. Nearest box is 2394.

Signal 1225, 134 Tudor street, Globe Bag Company. (Sprinkler.) Apparatus to respond: Engine 1, Ladder 20, District 6. Nearest box is 7226.

Signal 483, 72 Granite street, Irving Sobin Chemical Company. (Sprinkler.) Apparatus to respond: Engine 39, Ladder 18, District 6. Nearest box is 7132.

Signal 475, 109 and 111 Purchase street, Eastern Cellophane Corporation. (Sprinkler.) Apparatus to respond: Engine 25, Ladder 8, District 3. Nearest box is 1297.

V. A. D. T. ASSIGNMENT.

Signal 984, established in G. O. 27, c. s., should be corrected as follows: Nearest box is 2534.

VI. CHANGE IN DESIGNATION OF F. A. BOX AND CHANGE IN CIRCUIT.

Fire Alarm Box 15-1412 has been relocated. Designation for this box will be changed to read:

15-1412, South Postal Annex, R. R. Facilities, platform opposite Door 20, Dorchester avenue.

Company commanders will make the above change in designation on assignment cards for this box.

Company commanders shall remove this box from circuit card No. 55 and add to circuit card No. 4.

VINAL STREET WIDENING*Brighton*

The Mayor and Public Improvement Commission have approved the widening and construction of Vinal street, Brighton district.

The project is described as follows:

Northerly Corner of Woodstock Avenue

The highway named Vinal street is hereby widened at the northerly corner of Woodstock avenue, and ordered constructed.

For the making of the aforesaid improvement an easement for street purposes is hereby taken in the following-described land, exclusive of trees, shrubs, or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to Nardelli Construction Company, Inc., bounded:

Southeasterly by Woodstock avenue, twelve and 99-100 feet; southwesterly by Vinal street as it existed prior to this order, twelve and 99-100 feet, and northeasterly by the northeasterly line of Vinal street as widened under this order, twenty and 41-100 feet on a curve of thirteen and 00-100 feet radius, containing thirty-six square feet, more or less.

Trees, shrubs, or structures standing upon or affixed to the aforesaid

land shall be removed therefrom within thirty (30) days following the city's recording of this order.

Said Vinal street as hereby widened is bounded:

Southeasterly by Woodstock avenue, twelve and 99-100 feet; southwesterly by Vinal street as it existed prior to this order, twelve and 99-100 feet, and northeasterly by the northeasterly line of Vinal street as hereby widened, twenty and 41-100 feet on a curve of thirteen and 00-100 feet radius.

No betterments are to be assessed for the making of the aforesaid improvement.

Northeast Corner of Allston Street

The highway named Vinal street is hereby widened at the northeast corner of Allston street and ordered constructed.

For the making of the aforesaid improvement an easement for street purposes is hereby taken in the following-described land, exclusive of trees, shrubs, or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to J. Vance Holdam, Jr., bounded:

Northwesterly by Allston street, thirteen and 00-100 feet; southwesterly by Vinal street as it existed prior to this order, thirteen and 00-100 feet, and northeasterly by the northeasterly line of Vinal street as widened under this order, twenty and 42-100 feet on a curve of thirteen and 00-100 feet radius, containing thirty-six square feet, more or less.

Trees, shrubs, or structures standing upon or affixed to the aforesaid land shall be removed therefrom within thirty (30) days following the city's recording of this order.

Said Vinal street as hereby widened is bounded:

Northwesterly by Allston street, thirteen and 00-100 feet; southwesterly by Vinal street as it existed prior to this order, thirteen and 00-100 feet, and northeasterly by the northeasterly line of Vinal street as hereby widened, twenty and 42-100 feet on a curve of thirteen and 00-100 feet radius.

No betterments are to be assessed for the making of the aforesaid improvement.

ACTION ON DAMAGES

Voted, That this commission determines that the undermentioned persons sustain damages in their estates by the making of the public improvement consisting of the widening and construction of Vinal street, Brighton district, at the northeast corner of Allston street and the northerly corner of Woodstock avenue, under an order of the commission of May 10, 1961, in the amounts hereinafter respectively set against them, and awards said amounts therefor.

J. Vance Holdam, Jr., 36 square feet, \$1.

Nardelli Construction Company, Inc., 36 square feet, \$1.

CITY OF BOSTON.

PUBLIC WORKS DEPARTMENT.

Proposals for Highway Reconstruction in Atwill Road, Brown Avenue (Part), Gardner Street (Part), Granada Avenue, Knoll Street, Parklawn Road (Part), St. Joseph Street (Part), St. Theresa Avenue (Part), Vista Street, Westmount Avenue (Part), Woodman Street (Part), and Wycliff Avenue, Public Works Districts 2 and 6, West Roxbury.

The Commissioner of Public Works of the City of Boston, Room 511 (Contract Office), City Hall Annex, invites proposals from citizens of the United States and corporations or other legal associations wherein the controlling interest to the extent of at least over one half thereof is owned by a citizen or citizens of the United States, for highway reconstruction in Atwill road, Brown avenue (part), Gardner street (part), Granada avenue, Knoll street, Parklawn road (part), St. Joseph street (part), St. Theresa Avenue (part), Vista street, Westmount avenue (part), Woodman street (part), and Wycliff avenue, Public Works Districts 2 and 6, West Roxbury. A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commission and each in the sum of 100 per cent of the contract price, less the amount of \$7,500, will be required of the successful contractor. Forms of proposals may be obtained at Room 511 (Contract Office), City Hall Annex. The proposal should be signed, enclosed in an envelope, sealed, marked "Proposal for Highway Reconstruction in Atwill Road, Brown Avenue (Part), Gardner Street (Part), Granada Avenue, Knoll Street, Parklawn Road (Part), St. Joseph Street (Part), St. Theresa Avenue (Part), Vista Street, Westmount Avenue (Part), Woodman Street (Part), and Wycliff Avenue, Public Works Districts 2 and 6, West Roxbury", and left at Room 511 (Contract Office), fifth floor, City Hall Annex, before 2 P.M. (Eastern Daylight Saving Time) of THURSDAY, JULY 13, 1961, with a certified check for FIVE THOUSAND (5,000) DOLLARS, payable to and to become the property of the city if the proposal after acceptance is not carried out. The proposals will then be publicly opened and read in the Hearing Room, 401 City Hall Annex, Thursday, July 13, 1961.

Proposals must be made in duplicate, the sealed duplicate, without check, to be deposited by the bidder with the City Auditor previous to the time named for opening the bids. All proposals must be from bidders of record on file at Room 511, City Hall Annex. There will be a charge of two dollars (\$2), NOT REFUNDABLE, for each set of contract documents taken out. If the bidder neglects to bid on each and every item, it may lead to the rejection of the proposal. The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed under the contract, shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the office of the Commissioner of Public Works. Before commencing performance of this contract, the Contractor shall provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law, so called) to all persons to be employed under this contract and shall continue such insurance in full force and effect during the term of this contract.

ATTENTION IS CALLED TO CHAPTER 316 OF THE ACTS OF 1959, WHICH MUST BE STRICTLY COMPLIED WITH. The Commissioner reserves the right to reject any and all proposals, or any item or items of the proposal should he deem it to be for the best interest of the city so to do.

CITY OF BOSTON.

PUBLIC WORKS DEPARTMENT.

Invitation for General Bids for Rebuilding 36-Inch Worthington Vertical Pump, Calf Pasture Pumping Station, Mt. Vernon Street, Dorchester, Mass.

The City of Boston, acting by the Commissioner of Public Works hereinafter referred to as the Awarding Authority, invites sealed bids for rebuilding of a 36-inch Worthington vertical pump.

General bids will be received up until 2 P.M. (Eastern Daylight Saving Time) Tuesday, July 18, 1961, at Room 511, Contract Office, fifth floor, City Hall Annex, Boston, Mass., at which time and place they will be publicly opened and read aloud.

General bids must be submitted in duplicate on the form for general bid obtained from the Awarding Authority. Each copy of the general bid shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. One copy of the general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, in the sum of \$600. The other copy of the general bid shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of general bids. The plans and specifications need not accompany, or be submitted with, either copy of the general bid.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible general bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, sections 26-27D, inclusive, as amended, a schedule of which rates appears in the specifications.

The successful general bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of the contract.

The general bids will be deemed to relate to that signed set of plans and specifications for the project on file at Room 511, Contract Office, fifth floor, City Hall Annex, designated above and bidders will act at their own risk if any variance exists between the aforesaid set of plans and specifications furnished to the bidder by the Awarding Authority. In short, each bidder has the burden of checking to make certain that the set (or sets) of plans and specifications furnished to the bidder is a true and complete copy of the set of plans and specifications on file as aforesaid.

Plans and specifications and other documents may be obtained at Room 511, Contract Office, fifth floor, City Hall Annex, upon deposit of a certified check in the amount of \$2 per set of plans and specifications, payable to the City of Boston. The amount of the deposit, per set of plans and specifications, will be refunded upon return thereof in good condition to the Awarding Authority with the general bid, or later, but in no event later than 30 days after the opening of general bids (Saturdays, Sundays, and legal holidays excluded).

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest to do so, in accordance with section 44D, chapter 149, of the General Laws, as amended.

CITY OF BOSTON,
JAMES W. HALEY,
Commissioner of Public Works.

(July 1.)

NIGHT LIFE A LURE FOR CITIES

Active night life in the central city is one of the reasons that people are returning from the suburbs, and builders are risking capital on the future of downtowns. Ralph Taylor of the Renewal and Development Corporation, told a recent gathering of Milwaukee builders.

CONVENTIONS AND TOURISTS

Conventions represent a big industry—a \$25 million industry to Boston alone. Conventions don't just happen to come to Boston. They are carefully selected through painstaking research and solicited on the basis of what the city can offer in accommodations and service.

PUBLIC WORKS DEPARTMENT.

Proposals for Water Works in Edison Green, Elton Street (Part), Hazleton Street (Part), Metropolitan Avenue (Part), Mt. Vernon Street (Part), Neponset Avenue (Part), Readville Street (Part), and Treadway Road, Public Works Districts 3, 7, and 8, Dorchester and Hyde Park.

The Commissioner of Public Works of the City of Boston, Room 511 (Contract Office), City Hall Annex, invites proposals from citizens of the United States and corporations or other legal associations wherein the controlling interest to the extent of at least over one half thereof is owned by a citizen or citizens of the United States, for Water Works in Edison Green, Elton Street (Part), Hazleton Street (Part), Metropolitan Avenue (Part), Mt. Vernon Street (Part), Neponset Avenue (Part), Readville Street (Part), and Treadway Road, Public Works Districts 3, 7, and 8, Dorchester and Hyde Park. A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Commissioner and each in the sum of 100 per cent of the contract price, less the amount of \$3,000, will be required of the successful contractor. Forms of proposals may be obtained at Room 511 (Contract Office), City Hall Annex. The proposal should be signed, enclosed in an envelope, sealed, marked "Proposal for Water Works in Edison Green, Elton Street (Part), Hazleton Street (Part), Metropolitan Avenue (Part), Mt. Vernon Street (Part), Neponset Avenue (Part), Readville Street (Part), and Treadway Road, Public Works Districts 3, 7, and 8, Dorchester and Hyde Park," and left at Room 511 (Contract Office), fifth floor, City Hall Annex, before 2 P.M. (Eastern Daylight Savings Time), of Wednesday, July 12, 1961, with a certified check for Twenty-Eight Hundred (\$2800) Dollars, payable to and to become the property of the city if the proposal after acceptance is not carried out. The proposals will then be publicly opened and read in the Hearing Room, 401 City Hall Annex, Wednesday, July 12, 1961.

Proposals must be made in duplicate, the sealed duplicate, without check, to be deposited by the bidder with the City Auditor previous to the time named for opening the bids. All proposals must be from bidders of record on file at Room 511, City Hall Annex. There will be a charge of two dollars (\$2), NOT REFUNDABLE for each set of contract documents taken out. If the bidder neglects to bid on each and every item, it may lead to the rejection of the proposal. The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed under the contract, shall not be less than the rate of wages in the schedule determined by the Commissioner of Labor and Industries of the Commonwealth, a copy of which schedule is annexed to the form of contract referred to herein. Copies of said schedule may be obtained, without cost, upon application therefor at the office of the Commissioner of Public Works. Before commencing performance of this contract, the Contractor shall provide by insurance for the payment

of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law, so called) to all persons to be employed under this contract and shall continue such insurance in full force and effect during the term of this contract.

ATTENTION IS CALLED TO CHAPTER 316 OF THE ACTS OF 1959, WHICH MUST BE STRICTLY COMPLIED WITH. The Commissioner reserves the right to reject any and all proposals, or any item or items of the proposal should he deem it to be for the best interest of the city so to do.

JAMES W. HALEY,

BOSTON TRAFFIC DEPARTMENT.

PROPOSALS FOR PAINTING TRAFFIC CONTROL SIGNALS IN CERTAIN SECTIONS OF THE CITY OF BOSTON, MASS.

The City of Boston, acting by the Traffic Commissioners, hereinafter referred to as the Commissioner, with offices at 112 Southamptown street, invites proposals from citizens of the United States and corporations or other legal associations wherein the controlling interest to the extent of at least over one half thereof is owned by a citizen or citizens of the United States, for painting traffic control signals in certain sections of the City of Boston, Mass. A performance bond and also a payment bond, each of a surety company satisfactory to the Commissioner and each in the sum of 100 per cent of the contract price will be required of the successful contractor. Forms of proposals may be obtained at 112 Southamptown street. Each proposal should be filled out, signed, enclosed in an envelope, sealed, marked "Proposal for Painting Traffic Control Signals in Certain Sections of the City of Boston, Mass.," one copy of which is to be left at 112 Southamptown street before 12 M. (Eastern Daylight Saving Time), on July 18, 1961, with a certified check for five hundred (\$500) dollars, payable to and to become the property of the city if the proposal after acceptance is not carried out. The proposals will then and there be publicly opened and read.

Proposals must be made in duplicate, the sealed duplicate, without check, to be deposited by the bidder with the City Auditor previous to the time named for opening the bids. If the unit price on any item appears to the Commissioner to be abnormally high or low, it may lead to the rejection of the proposal. Before commencing performance of this contract, the contractor shall provide by insurance for the payment of compensation and the furnishing of other benefits under chapter 152 of the General Laws (the Workmen's Compensation Law so called) to all persons to be employed under this contract, and shall continue such insurance in full force and effect during the term of this contract. The undersigned reserves the right to reject any or all proposals or to accept any proposal or any item of a proposal in whole or in part, should he deem it to be for the best interest of the city so to do.

CITY OF BOSTON,
THOMAS J. GRIFFIN,
(July 1.) Traffic Commissioner.

READVERTISEMENT CITY OF BOSTON

BOSTON REDEVELOPMENT AUTHORITY

INVITATION FOR BIDS

The Boston Redevelopment Authority, the Awarding Authority, invites sealed bids for demolition and construction work on the tenth (10th) and eleventh (11th) floors of the City Hall Annex, Boston, Mass., in accordance with the plans and specifications by Sert, Jackson and Gourley, Architects, 4 Brattle street, Cambridge, Mass.

Sealed subbids for the subtrades designated in Item 2 of the Form for General Bid will be received for the Awarding Authority by Mr. John P. McMorrow, Director of Administrative Management, at the offices of the Boston Redevelopment Authority, 73 Tremont street, Boston, Mass., until twelve o'clock noon (Eastern Daylight Saving Time), Wednesday, July 5, 1961, at which time all subbids will be publicly opened and read aloud.

Sealed general bids will be received for the Awarding Authority by Mr. John P. McMorrow, Director of Administrative Management, at the offices of the Boston Redevelopment Authority, 73 Tremont street, Boston, Mass., until twelve o'clock noon (Eastern Daylight Saving Time), Wednesday, July 12, 1961, at which time all general bids will be publicly opened and read aloud.

Contract documents are on file at the office of the Architects, Sert, Jackson and Gourley, 16 Eliot street, Cambridge, Mass., at the office of Dodge Construction Reports, 858 Park Square Building, Boston, Mass., at the office of Ganey's Construction Newsletter, 40 Central street, Boston, Mass., at the office of Master Builders Association, 39 Kingston street, Boston, Mass., and at the office of the Boston Redevelopment Authority, 1108 City Hall Annex, Boston, Mass., after twelve o'clock noon (Eastern Daylight Saving Time), Monday, June 19, 1961.

Each general bidder may obtain two complete sets of the documents and each subbidder on a filed subtrade may obtain one complete set of the documents at the office of the Architects, 16 Eliot street, Cambridge, by depositing \$25 by check payable to the Boston Redevelopment Authority for each set. If the documents are returned in good condition within ten (10) days after the bid opening, the deposit will be completely refunded. Additional sets may be obtained at the Architect's office at reproduction cost. No refund will be paid for these additional sets.

Copies of Form for Subbid are available at no cost at the Architect's office.

Every general bid and every filed subbid shall be accompanied by a bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the Boston Redevelopment Authority. The amount of such bid deposits shall be as follows:

1. For General Bidders.....	\$15,500
2. For Subbidders:	
Section 5. Roofing, Sheet Metal, and Skylights.....	\$170
Section 7. Furring, Lathing, and Plastering.....	\$1,200
Section 9. Glass and Glazing.....	\$100
Section 10. Acoustical Tile.....	\$250
Section 11. Resilient Floors.....	\$1,000
Section 12. Ceramic and Quarry Tile.....	\$250
Section 15. Painting and Finishing.....	\$275
Section 17. Plumbing Work.....	\$700
Section 18. Heating, Ventilating, and Air-Conditioning Work.....	\$3,800
Section 19. Electrical Work.....	\$3,000

All bids for this project are subject to the provisions of General Laws (Ter. Ed.), chapter 149, sections 44A to 44L, inclusive, as amended. Attention is called to the minimum wage rates to be paid on the work as determined by the Commissioner of Labor and Industries under the provisions of the Massachusetts General Laws, chapter 149, sections 26 to 27D, inclusive.

Successful bidders will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

Successful bidders will further be required to comply with Federal Labor Standards, the Anti-Kickback Act, Title 18 USC, §874, and to file a noncollusion affidavit.

The Awarding Authority reserves the right to waive any informalities. The Awarding Authority also reserves the right to reject any or all general bids, if it be in the public interest so to do, in accordance with section 44D of chapter 149 of the General Laws, as amended.

The Awarding Authority also reserves the right to reject any subbid on any subtrade, if it determines the subbid does not represent the subbid of a person competent to perform the work as specified or that only one such subbid was received and that the price is not reasonable for acceptance without competition.

BOSTON REDEVELOPMENT AUTHORITY,
MRS. FRANCIS J. LALLY,
(July 1.) Chairman.

BOSTON'S BULK STORAGE FACILITY

Boston's newest port facility, a terminal for unloading, storing, and transhipping bulk cargoes, was recently opened in Everett by Mystic Steamship Division, Eastern Gas and Fuel Associates.

The only installation of its kind in Boston, it is the most modern in New England and equipped to handle coal, ores, and dry chemicals.

DEPARTMENT OF SCHOOL BUILDINGS.**INVITATION FOR GENERAL BIDS FOR CARPENTRY WORK AT THE MARY CURLEY SCHOOL, CENTRE STREET, JAMAICA PLAIN, MASS.**

The City of Boston, acting by the Superintendent of Construction of the Department of School Buildings, Boston, Mass., hereinafter referred to as the Awarding Authority, invites sealed general bids for carpentry work at the Mary Curley School, Centre Street, Jamaica Plain, Mass.

General bids will be received up until twelve o'clock noon (Eastern Daylight Saving Time), Monday, July 17, 1961, at the office of the Awarding Authority, fourth floor, 26 Norman street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

General bids must be submitted in duplicate on the form for general bid obtained from the Awarding Authority. Each copy of the general bid shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. One copy of the general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, in the sum of \$200. The other copy of the general bid shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of general bids. The plans and specifications need not accompany, or be submitted with, either copy of the general bid.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded), from the opening of the general bids. In addition, no general bid filed by

the three lowest responsible and eligible general bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, sections 26-27D, inclusive, as amended, a schedule of which rates appears in the specifications.

The successful general bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of the contract.

The general bids will be deemed to relate to that signed set of plans and specifications for the project on file at the office of the Superintendent of Construction of the Department of School Buildings designated above and bidders will act at their own risk if any variance exists between the aforesaid set of plans and specifications and the set (or sets) of plans and specifications furnished to the bidder by the Awarding Authority. In short, each bidder has the burden of checking to make certain that the set (or sets) of plans and specifications furnished to the bidder is a true and complete copy of the set of plans and specifications on file as aforesaid.

Plans and specifications and other documents may be obtained at the office of the Awarding Authority.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 per cent of the contract price, will be required of the successful general bidder.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest so to do, in accordance with section 44D, chapter 149, of the General Laws, as amended.

PARKS AND RECREATION DEPARTMENT.**INVITATION FOR GENERAL BIDS FOR CONSTRUCTING A SHELTER BUILDING AT WEST NEWTON STREET PLAY AREA, SOUTH END, BOSTON, MASS.**

The City of Boston, acting by the Commissioner of Parks and Recreation, 33 Beacon street, Boston, Mass., hereinafter referred to as the Awarding Authority, invites sealed general bids for constructing a shelter building at West Newton Street play area, South End, Boston, Mass. General bids will be received until 2 o'clock P.M. (Eastern Daylight Saving Time), Tuesday, July 18, 1961, at the office of the Awarding Authority, 33 Beacon street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

General bids must be submitted in duplicate on forms obtained at the Engineer's office of the Parks and Recreation Department, 33 Beacon street, Boston, Mass. Each copy of the general bid shall be properly filled out, signed, enclosed in an envelope, sealed and plainly marked with the description of the work to be done. One copy of the general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, in the sum of \$2,300. The other copy of the general bid shall be filed at the office of the City Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of general bids.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter sections 26-27D, inclusive, as amended, a schedule of which appears in the specifications.

The successful bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of the contract.

All subbids for a subtrade designated in Item 2 of the general bid form shall be filed with the Awarding Authority at the above address before 12 o'clock noon (Eastern Daylight Saving Time), Tuesday, July 11, 1961, at which hour and place they will be publicly opened and read. Every such subbid must be submitted in a sealed envelope with the following plainly marked on the outside: title of work; subtrade for which subbid submitted; subbidder's name; subbidder's business address.

All such subbids must be submitted on the form for subbid furnished by the Awarding Authority, and any such subbid not filed on the form for subbid furnished by the Awarding Authority shall be rejected.

A bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, in the amount as specified in the following for the various subtrades, as listed below, shall be submitted by each subbidder with his subbid as filed with the Awarding Authority:

Miscellaneous steel and iron.....	\$100
Plumbing.....	\$150
Heating.....	\$200
Electric work.....	\$100

No subbid may be withdrawn after the time limit for the filing of subbids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the day fixed for the opening of the general bids. In addition, neither the subbid filed by (a) the three lowest responsible and eligible subbidders for a subtrade nor the subbids for the same subtrade as shown on the general bids of the three lowest responsible and eligible general bidders, may be withdrawn after the opening of the general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) after presentation of a subcontract to the subbidder selected for that subtrade by the general bidder selected as the general contractor.

Plans and specifications and other documents may be obtained at the office of the Awarding Authority, 33 Beacon street, Boston, Mass., upon deposit of a certified check for \$25 per set of plans and specifications, payable to the City of Boston. The amount of the deposit per set of plans and specifications will be refunded upon return thereof in good condition not later than thirty days after the opening of general bids (Saturdays, Sundays, and legal holidays excluded).

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 per cent of the contract price, will be required of the successful general bidder.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest so to do. The Awarding Authority also reserves the right to reject any subbid on any subtrade if it determines that such subbid does not represent the subbid of a person competent to perform the work as specified or that only one such subbid was received and that the price is not reasonable for acceptance without competition, in accordance with section 44D, chapter 149, of the General Laws, as amended.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded) from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible general bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, sections 26-27D, in-

clusive, as amended, a schedule of which rates appears in the specifications.

The successful general bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of this contract.

The general bids and the subbids will be deemed to relate to that signed set of plans and specifications for the project on file at the office of the Awarding Authority designated above and bidders will act at their own risk if any variance exists between the aforesaid set of plans and specifications and the set (or sets) of plans and specifications furnished to the bidder by the Awarding Authority. In short, each bidder has the burden of checking to make certain that the set (or sets) of plans and specifications furnished to the bidder is a true and complete copy of the set of plans and specifications on file as aforesaid.

All subbids for a subtrade designated in Item 2 of the general bid form shall be filed with the Awarding Authority at the office designated above before twelve o'clock noon (Eastern Daylight Saving Time), Wednesday, July 12, 1961, at which hour and place they will be publicly opened and read aloud. Every such subbid must be submitted in a sealed envelope with the following plainly marked on the outside: Title of work, subtrade for which subbid submitted, subbidder's name, subbidder's business address.

All such subbids must be submitted on the form for subbid furnished by the Awarding Authority, and any such subbid not filed on the form for subbid so furnished by the Awarding Authority shall be rejected.

A bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, in the amount specified in the following list for the respective subtrades shall be submitted by each subbidder with his subbid as filed with the Awarding Authority:

Heating	\$600
Oil Burning, Etc.....	\$200
Sheet Metal.....	\$100
Covering	\$200
Electrical	\$100

No subbid may be withdrawn after the time limit for the filing of subbids and for five (5) days (Saturdays, Sundays, and legal holidays excluded), from the date fixed for the opening of the general bids. In addition, neither the subbids filed by (a) the three lowest responsible and eligible subbidders for a subtrade nor the subbids for the same subtrade as shown on the general bids of the three lowest responsible and eligible general bidders, may be withdrawn after the opening of the general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded), after presentation of a subcontract to the subbidder selected for that subtrade, by the general bidder selected as the general contractor.

Plans and specifications and other documents may be obtained at the office of the Awarding Authority, 26 Norman street, Boston, Mass.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 per cent of the contract price, will be required of the successful general bidder.

The Awarding Authority reserves the right to waive any informalities and to reject any or all general bids if it be in the public interest so to do. The Awarding Authority also reserves the right to reject any subbid on any subtrade if it determines that such subbid does not represent the subbid of a person competent to perform the work as specified or that only one such subbid was received and that the price is not reasonable for acceptance without competition, in accordance with section 44D, chapter 149, of the General Laws, as amended.

CITY OF BOSTON,
W. A. MCPHERSON,
Acting Superintendent of Construction.
(July 1.)

MARQUEE PERMIT

The Mayor and Public Improvement Commission have granted permission to Katherine F. Ladd, 50 State street, Boston Proper, to erect and maintain a permanent marquee at No. 131 State street, Boston Proper, substantially as shown on a plan by Sumner Schein, architect and engineer, 271 Huntington avenue, Boston, dated May 12, 1961, and on file in the office of the Commissioner of Public Works.

PROPOSALS FOR FURNISHING ANTIFREEZE FOR THE CITY DEPARTMENTS.

Proposals may be obtained at Room 53, City Hall. At this room, the bids will be opened and read Tuesday, July 11, 1961, at 12 M. (Eastern Daylight Saving Time). The bidder must leave his proposal with a certified check for \$100, payable to and to become the property of the City of Boston if the proposal is not carried out. A duplicate bid, without check, must be left with the Auditor, prior to the time for opening bids. Envelopes containing bids to be sealed and marked "Proposal for Antifreeze." The successful bidder must furnish a faithful performance bond for one half the total estimated amount of the contract with a surety company authorized to do business in Massachusetts. The Purchasing Agent reserves the right to accept or reject any and all bids, or any part of a bid, and to award the contract as he deems for the best interests of the city.

DEPARTMENT OF SCHOOL BUILDINGS.

INVITATION FOR GENERAL BIDS FOR FURNISHING AND INSTALLING MANHOLE AND HANDHOLE GASKETS AND FUSIBLE PLUGS ON STEAM BOILERS IN DISTRICT NO. 1, IN VARIOUS SCHOOLS, BOSTON, MASS.

The City of Boston, acting by the Superintendent of Construction of the Department of School Buildings, Boston, Mass., hereinafter referred to as the Awarding Authority, invites sealed general bids for furnishing and installing manhole and handhole gaskets and fusible plugs on steam boilers in District No. 1, in various schools, Boston, Mass.

General bids will be received up until twelve o'clock noon (Eastern Daylight Saving Time), Monday, July 10, 1961, at the office of the Awarding Authority, fourth floor, 26 Norman street, Boston, Mass., at which time and place they will be publicly opened and read aloud.

General bids must be submitted in duplicate on the form for general bid obtained from the Awarding Authority. Each copy of the general bid shall be completely filled in, signed, enclosed in an envelope, sealed, and plainly marked with the description of the work to be done. One copy of the general bid shall be filed with the Awarding Authority, at the office designated above, accompanied by a bid deposit in the form of cash or a certified check on, or a treasurer's or cashier's check issued by, a responsible bank or trust company, payable to the City of Boston, in the sum of \$200. The other copy of the general bid shall be filed at the office of the City

Auditor, City Hall, Boston, Mass. Both copies shall be filed before the time stated above for the opening of general bids. The plans and specifications need not accompany, or be submitted with, either copy of the general bid.

No general bid may be withdrawn after the time limit for filing general bids and for five (5) days (Saturdays, Sundays, and legal holidays excluded), from the opening of the general bids. In addition, no general bid filed by the three lowest responsible and eligible general bidders may be withdrawn prior to execution and delivery of the general contract, unless no award has been made upon expiration of the prescribed time therefor.

The rate per hour of the wages to be paid to mechanics, teamsters, chauffeurs, and laborers in the work to be performed shall not be less than the rate of wages determined for this work by the Commissioner of Labor and Industries of the Commonwealth of Massachusetts under the provisions of General Laws (Ter. Ed.), chapter 149, sections 26-27D, inclusive, as amended, a schedule of which rates appears in the specifications.

The successful general bidder will be required to provide by insurance for the payment of compensation and the furnishing of other benefits under the Workmen's Compensation Law, General Laws (Ter. Ed.), chapter 152, to all persons to be employed under the contract, and sufficient proof of compliance with the foregoing stipulation will be required before commencing performance of the contract.

The general bids will be deemed to relate to that signed set of plans and specifications for the project on file at the office of the Superintendent of Construction of the Department of School Buildings designated above and bidders will act at their own risk if any variance exists between the aforesaid set of plans and specifications and the set (or sets) of plans and specifications furnished to the bidder by the Awarding Authority. In short, each bidder has the burden of checking to make certain that the set (or sets) of plans and specifications furnished to the bidder is a true and complete copy of the set of plans and specifications on file as aforesaid.

Plans and specifications and other documents may be obtained at the office of the Awarding Authority.

A performance bond and also a labor and materials or payment bond, each of a surety company qualified to do business under the laws of the Commonwealth and satisfactory to the Awarding Authority and each in the sum of 100 per cent of the contract price, will be required of the successful general bidder.

SATURDAY, JULY 8, 1961

No. 27

FINAL PHASE OF FIRE DEPT. CONSOLIDATION

Acting Fire Commissioner Henry A. Scagnoli announced, on June 30, the final phase of a two-part plan that will streamline the department, improve efficiency, cut costs, and keep the department in step with the automobile age.

Commissioner Scagnoli announced:

Closed Stations Condemned

¶ The closing of three outmoded stations, the opening of one new facility, the deactivation of one company, and the transfer of men and equipment. The stations to be closed were built in the 19th century and are condemned buildings. ¶ Boston's present pattern of fire-fighting facilities was set up in the last century when the population was distributed differently and when equipment was horsedrawn. In those days, it was necessary to have many fire houses close together so that the horses could be replaced with fresh ones along the route.

Demands of Modern Age

¶ The demands of the modern age require heavy-duty companies with heavy, modern equipment. This can only be achieved through consolidating our many small fire houses into a somewhat fewer number of larger and newer ones.

¶ The total reorganization will eventually save about \$250,000 annually. Also, to continue operating the closed fire houses would require extensive and costly renovation.

Three Stations Closed

¶ The houses to be closed down are at 761 Saratoga street, East Boston;

333 Main street, Charlestown, and 5 Boston street, South Boston. The new fire station will be opened up at the Headquarters Building in that portion located at 900 Massachusetts avenue.

¶ East Boston and Charlestown will not lose a single fire fighter in this phase of the reorganization. With the shutdown of the Saratoga Street Station, Squad Company 11 will join Engine 5 at 381 Saratoga street while Ladder 21 will shift to the Ashley Street Station, Engine 56, Orient Heights.

¶ The area served by the closed-down East Boston Station is still fully protected with the nearest fire station approximately one half a mile away. Meanwhile, the transfer of the ladder company to the Orient Heights section will bolster fire protection in an area where population has increased in recent years.

Expressway A Big Help

¶ Charlestown's cluster of four fire stations in an area of less than one and one-quarter miles dates back to the days when the Rutherford Avenue docks were constantly piled high with lumber, when the State Prison was located there, and when horses were used to pull equipment. With those days now gone, and with the expressway affording immediate access to Charlestown from downtown Boston, there is absolutely no need to operate the decrepit and outmoded fire house on Main street.

¶ A year ago the department moved its Rescue Company from Bowdoin

square to Fort Hill square so that it would be only three and one half minutes from Charlestown. Ladder 9 of the shut-down station is being transferred to the Bunker Hill Street Station, Engine 32, while Engine 27 is being deactivated.

¶ Engine 43 and Ladder 20 of the fire house at 5 Boston street in Andrew square will be shifted to the modern fire station which is part of the Fire Department Headquarters Building. This will provide improved protection for the City Hospital, the Massachusetts Memorial Hospital, and the general area while at the same time being only 40 seconds away from Andrew square.

Following is the text of the general order covering the final phase of consolidation:

FIRE DEPARTMENT ORDERS

June 30.

General Order No. 29.

I. DEACTIVATION AND RELOCATION OF COMPANIES.

DISTRICT 1.

Engine Squad 11 relocation, effective at 8 A.M., Saturday, July 1, 1961. Engine Squad 11 will be relocated from its present quarters at 761 Saratoga street, East Boston, to the quarters of Engine Company 5 at 360 Saratoga street, East Boston. There will be no change in the response of Engine Squad 11.

Ladder Company 21 relocation, effective at 8 A.M., Saturday, July 1, 1961. Ladder Company 21 will be relocated from its present quarters at 761 Saratoga street, East Boston, to the quarters of Engine Company 56 at 1 Ashley street, East Boston. There will be no change in the response of Ladder Company 21.

DISTRICT 2.

Engine Company 27 deactivation, effective at 8 A.M., Saturday, July 1, 1961. Engine Company 27, 333 Main street, Charlestown, will be deactivated, and its responses deleted from all assignment cards. Assumption of Engine Company 27's first alarm responses shall be as follows:

Engine 8, add Boxes 4112, 4113, 4121, 4125.

Engine 36, add Boxes 4114, 4115, 4116, 4119, 4135, 4152, 4153, 4173, 4174, 4175, 418, 4182, 4183, 4184, 4185, 4187, 4188.

Engine 32, add Boxes 4131, 4132, 4133, 4136, 4137, 4138, 4139, 4157.

Engine 50, add Boxes 4154, 4159, 417, 4171, 4172.

Ladder Company 9 relocation, effective at 8 A.M., Saturday, July 1, 1961. Ladder Company 9 will be relocated from its present quarters at 333 Main street, Charlestown, to the quarters of Engine Company 32 at 440 Bunker Hill street, Charlestown. There will be no change in the responses of Ladder Company 9.

DISTRICT 6.

Effective at 8 A.M., Saturday, July 1, 1961, Engine Company 43 and Ladder Company 20 will be relocated from its present quarters at 5 Boston street, South Boston, to 900 Massachusetts avenue, rear of Fire Headquarters.

In conjunction with the relocation of Ladder Company 20, the following changes in assignments shall be made, effective 8 A.M., July 1, 1961. Order of assignments are:

Box 1654, first alarm, Ladders 3, 20; second alarm, Ladders 12, 4.

Boxes 1661, 1662, 1663, 1664, 1665, 2nd alarm, Ladders 20, 4.

District Fire Chiefs in those districts affected shall prescribe routes and also establish rerouting procedure as made necessary by this order. Attention is called to Appendix XIV of the Rules and Regulations of the Boston Fire Department.

Boost Water Rates To Meet Expected Deficit

Commissioner of Public Works James W. Haley, on June 30, announced an adjustment in water rates for household and commercial users. The adjustment will be the first increase in water rates to Boston users since October, 1953.

Commissioner Haley said:

The adjustment was necessary in order to prevent a serious deficit in water accounts and to provide for an anticipated major increase in Metropolitan District Commission charges to the City of Boston. Commissioner Haley said that consulting engineers had reported that total annual water costs to the city for the next ten years would average in excess of \$10 million, whereas estimated revenue based on existing rates and charges would be less than \$6,500,000, thus the adjustment.

Some sample annual minimum rates follow:

Meter Size	Rate
3/4" or less	\$20
1"	\$50

Annual meter rates computed annually:

First 80 thousand cubic feet

\$3 per thousand cubic feet

80 thousand cubic feet to 4 million cubic feet

\$2.50 per thousand cubic feet

Annual fire pipe charges:

Up to 4"	\$50
Up to 6"	\$100
Up to 8" and over	\$200

Service charges:

Fees for installation of domestic and fire pipes: (excavation and repaving by applicant)

Pipe diameter	First foot	Each additional foot
3/4" or less	\$50	\$0.50
1"	\$55	\$0.80

Commissioner Haley said the new rates would be effective on all bills rendered after July 1 and that water users would receive an explanation of the new rates with the next billing.

ROCKWOOD TERR., PRIVATE WAY

The Mayor and Public Improvement Commission have approved the following:

That in accordance with the provisions of chapter 117 of the Acts of 1947, permission is hereby granted to Mario Corsi

HEALTH DEPT. RÉSUMÉ

For the Month ending May 31, 1961

Population estimated, 1960, Federal Census, 697,170.

Number of Deaths: Residents, 668; non-residents, 396; total, 1,064.

Deaths by Age Periods: Under one year, 62; one year to four, 9; sixty years and over, 698.

Total Deaths by Sex: Males, 485; females, 579; total, 1,064.

Hospitals and Institutions, 836.

Total deaths, May, 1960, 1,051.

ROCKWOOD TERR. SEWER

West Roxbury

The Mayor and Public Improvement Commission have approved new sewerage works for Rockwood terrace, West Roxbury.

The project is described as follows:

A parcel of land, owners unknown, being the private way known as Rockwood terrace, bounded:

Westerly by Rockwood street, forty and 71-100 feet; northerly by the northerly line of Rockwood terrace, by five measurements, one hundred and 00-100 feet, forty-six and 94-100 feet on a curve of one hundred seventy-six and 50-100 feet radius, forty-two and 00-100 feet, seventy-two and 96-100 feet on a curve of one hundred ninety and 00-100 feet radius, and one hundred seventy and 35-100 feet on a curve of eighty and 00-100 feet; easterly by the easterly line of Rockwood terrace, twenty-two and 17-100 feet on a curve of twenty and 00-100 feet radius; southerly by the southerly line of Rockwood terrace, one hundred seventy-five and 59-100 feet on a curve of forty and 00-100 feet; westerly by the westerly line of Rockwood terrace, forty-three and 00-100 feet, and southerly by the southerly line of Rockwood terrace, by five measurements, ninety and 76-100 feet on a curve of forty and 00-100 feet radius, fifty-seven and 60-100 feet on a curve of one hundred fifty and 00-100 feet radius, forty-two and 00-100 feet, fifty-seven and 58-100 feet on a curve of two hundred sixteen and 50-100 feet radius, and one hundred seven and 58-100 feet, containing twenty-one thousand five hundred seven square feet, more or less.

The sewerage works to be constructed are as follows: 492 linear feet of 10-inch pipe sewer at an estimated cost of \$7,429, and 484 linear feet of 10-inch pipe surface drain and three catch basins at an estimated cost of \$8,532. Total estimated cost, \$15,961.

Betterments are to be assessed for the making of the aforesaid improvement.

Ordered, That this commission estimates that the abutting parcels of land situated on both sides of said Rockwood terrace will receive benefit or advantage, beyond the general advantage to all real estate in said city, from the improvement herein ordered; said parcels in the amounts hereinafter respectively set against them; said parcels and the supposed owners thereof being shown on the aforesaid plan and on file in the office of this department.

LAND TAKING FOR LIBRARY

Copley Square Area

The Mayor has approved the following action of the Public Improvement Commission:

Whereas, The Public Improvement Commission has passed the aforesaid order of notice and has caused a copy of said order to be published March 18 and March 21, 1961, in the *Boston American* and the *Boston Herald*, and March 25, 1961, in the *City Record*, and has given the public hearing, notice of which was given in said order; and

Whereas, The Trustees of the public Library of the City of Boston have selected, designated, and requested the Public Improvement Commission of said city to take for said city for Library Department purposes the land hereinafter described in that part of Boston called the Boston Proper district; it is

Voted, That the Public Improvement Commission of said City of Boston, acting under the provisions of chapter 486 of the Acts of the Legislature of 1909 and chapter 79 of the General Laws and all other authority thereto enabling, hereby takes in fee for said city, for Library Department purposes, the following-described parcel of land, including the trees, buildings, and other structures standing upon or affixed thereto:

A parcel of land, supposed to belong to person or persons unknown (known as Alley No. 447,) bounded:

Westerly by Exeter street, twenty-four and 59-100 feet, northerly by land supposed to belong to Trustees of the Boston University, two hundred sixty-four and 22-100 feet, easterly by land supposed to belong to the City of Boston (Trustees of the Public Library), twenty-four and 59-100 feet, southerly by land supposed to belong to Steve M. Zaratzian and other land of the City of Boston (Trustees of the Public Library), two hundred sixty-four and 22-100 feet, containing six thousand four hundred ninety-seven square feet, more or less.

Said parcel is shown on a plan marked "City of Boston, Blagden Street-Exeter Street, Boston Proper, June 5, 1961, John J. McCall, Division Engineer, Engineering Division, Public Works Department," and on file in the office of said department.

Whereas, The Public Improvement Commission has passed the aforesaid order of notice and has caused a copy of said order to be published March 18 and March 21, 1961, in the *Boston American* and the *Boston Herald*, March 25, 1961, in the *City Record*, and has given the public hearing, notice of which was given in said order; and

Whereas, The Trustees of the Public Library of the City of Boston have selected, designated, and requested the Public Improvement Commission of said city to take for said city for Library Department purposes the land hereinafter described in that part of Boston called the Boston Proper district; it is

Voted, That the Public Improvement Commission of said City of Boston, acting under the provisions of chapter 486 of the Acts of the Legislature of 1909 and chapter 79 of the General Laws and all other authority thereto enabling, hereby takes in fee for said city, for Library Department purposes, the following-described parcel of land, including the trees, buildings and other structures standing upon or affixed thereto:

A parcel of land, supposed to belong to Steve M. Zaratzian, bounded:

Southerly by Blagden street, twenty-one and 52-100 feet, westerly by land of the City of Boston (Trustees of the Public Library), northerly by a parcel of land supposed to belong to person or persons unknown (known as Private Alley No. 447) taken under an order of the Public Improvement Commission and Mayor dated June 7, 1961, twenty-one and 52-100 feet, containing two thousand one hundred fifty-two square feet, more or less.

Said parcel is shown on a plan marked "City of Boston, Blagden Street-Exeter Street, Boston Proper, June 5, 1961, John J. McCall, Division Engineer, Engineering Division, Public Works Department," and on file in the office of said Department.

No damages awarded.

MANOR ST., PUBLIC WAY

Dorchester

The Mayor and Public Improvement Commission have approved the laying out and construction of an extension of Manor street, Dorchester district, as a public highway, from a point approximately 50 feet southeast of Matignon road to Westglow street.

The project is described as follows:

A highway named Manor street is hereby laid out and extended from a point approximately 50 feet southeast of Matignon road to Westglow street, and ordered constructed.

For the making of the aforesaid improvement an easement for highway purposes is hereby taken in the following-described lands, exclusive of trees, shrubs, or structures standing upon or affixed thereto:

A parcel of land, supposed to belong to Stephen J. and Catherine M. Graham et al., bounded:

Southeasterly by Westglow street, ten and 50-100 feet; northeasterly by the southwesterly line of Manor street as it existed prior to this order, ten and 50-100 feet, and southeasterly by the southeasterly line of Manor street as laid out under this order, sixteen and 19-100 feet on a curve of ten and 00-100 feet radius, containing twenty-four square feet, more or less.

Trees, shrubs, or structures standing upon or affixed to the aforesaid land shall be removed therefrom within thirty (30) days following the city's recording of this order.

Said Manor street as hereby laid out and extended is bounded:

Northwesterly by the southeasterly line of Manor street as laid out under an order of the Public Improvement Commission and Mayor dated January 11, 1961; northeasterly by the northeasterly line of Manor street as hereby laid out, four hundred twenty-six and 28-100 feet; southeasterly by the northwesterly line of Westglow street, fifty and 55-100 feet on a curve of five hundred thirty-seven and 27-100 feet radius; southwesterly by the southwesterly line of Manor street as hereby laid out, by two measurements, sixteen and 19-100 feet on a curve of ten and 00-100 feet radius and four hundred sixteen and 85-100 feet.

Betterments are to be assessed for the making of the aforesaid improvement.

Ordered, That this commission estimates that the abutting parcels of land situated on both sides of said Manor street will receive benefit or advantage, beyond the general advantage to all real estate in said city from the improvement herein ordered, each of said parcels in the amount hereinafter respectively set against it, said parcels and the supposed owners thereof being shown on a plan hereinbefore referred to and on file in the office of said department.

ACTION ON DAMAGES

Voted, That this commission determines that the undermentioned persons sustain damages in their estate by the making of the public improvement consisting of the laying out and construction of an extension of Manor street, Dorchester district, from a point approximately 50 feet south-east of Matignon road to Westglow street, under an order of the commission of June 7, 1961, in the amount hereinafter respectively set against it, and awards said amount therefor.

Stephen J. and Catherine M. Graham, et al., 24 square feet, \$1.

ONE TOLL EVERY 5 SECONDS

Mystic River Bridge toll guard Paul Steed collected 782 tolls in a period of one hour recently to establish a new record—one every 4½ seconds. Bridge Director John F. Donovan said it is not exceptional for guards to collect tolls at the rate of one every five seconds, during peak periods.

LA GRANGE ST. SEWER

West Roxbury

The Mayor and Public Improvement Commission have approved the following:

Ordered, That 80 linear feet of sanitary sewer, at an estimated cost of \$1,000, be built in La Grange street, West Roxbury district, from Newfield street approximately 80 feet northwesterly.

Ordered, That this commission estimates that the undermentioned parcels of land situated on La Grange street, as shown on a plan marked "City of Boston, Plan No. Sewerage Works, La Grange street,

West Roxbury, May 29, 1961, John J. McCall, Division Engineer, Engineering Division, Public Works Department," and on file in the office of this department, will receive benefit or advantage, beyond the general advantage to all real estate in said city, from the improvement herein ordered, in the amounts hereinafter mentioned.

Parcel	Amount.
1. John E. Hanbury.....	\$375
2. M. E. Askin.....	375
Total.....	\$750

No damages awarded.

AMENDMENT OF CONTRACT

The Mayor has approved the following:

BUILDING DEPARTMENT.
Razing Buildings

DEAR MR. MAYOR:

Because of the imminently dangerous condition of the structure at 6 Sharon street, Ward 8, this department found it necessary on May 2, 1961, to ask your Honor's permission to enter the premises and to raze the building. After having received your Honor's approval, I solicited and received bids from the following:

L & L Building Wrecking, \$695; Central Building Wrecking, \$958; Lyons Wrecking Company, \$841; Michael J. Reardon, \$1,490; E. Polcari & Sons, \$3,000.

On May 5, 1961, I signed a contract with the lowest bidder, the L & L Building Wrecking, in the sum of \$695. The work was begun promptly and the imminently unsafe portions of the building were removed. Because of the condition of the adjoining building at No. 8, however, we were compelled to stop work on No. 6 after removing the roof and third floor, front and rear walls and flooring on the first and second floors. The floor joists on the first and second floors were left in place to support the party wall between Nos. 6 and 8 Sharon street.

It now becomes necessary to enter No. 8 and to do there what has already been done in No. 6, leaving the floor joists as support for the party wall between No. 8 and No. 10.

I therefore ask your Honor's approval to amend the contract with the L & L Building Wrecking and to award them this work for the same sum as was bid for No. 6, viz., \$695.

This company is qualified to do the work. Their previous relations with this department have been satisfactory. It would be almost impossible to have two companies working together in a restricted area on these buildings. Obviously, we could not expect to duplicate elsewhere the low price given by the L & L Building Wrecking, accordingly, the public safety requiring immediate action, I ask your Honor's approval of my action in amending the existing contract with the L & L Building Wrecking by an addition of \$695.

Very truly yours,

ROBERT E. YORK,
Building Commissioner.
